The club has a long history of attracting talented players from the Central West. This season was no different.

Trent Colley, from Orange, joined the club this season and after plenty of early season runs made his debut in 1st grade.

So too did **Chris Tremain** (from Yeoval, via Orange, pictured left receiving his 1st grade cap from Henry), who after snaring a 7-for in his first game with the club, went on to cement his place in the 1st grade team and win the Rookie of the Year Award.

PRESIDENT'S REPORT

Grade Cricket

2010-11 was a mixed season for UNSWCC. In Grade Cricket, 1st and 2nd Grade were competitive throughout the season and were both in finals contention with two games to go. Both sides finished with more wins than losses (1sts 9 wins, 8 losses and 2nds 7 wins, 6 losses) but draws and outright elsewhere meant both sides finished 12th.

The IPL was provided with that added bit of spice when it came down to Bee v Bee in Kochi, India on the 27 April 2011. Dan's Deccan Chargers came away victorious over Henry's Kochi Tuskers Kerala, thanks largely to an Ishant Sharma demolition of the Kochi top-order.

remarkable individual performances, none more so than **Manas Choudhury's** explosive 223 in 6th Grade – the second-highest score in club history – which he followed up with tons in both 5th Grade and 4th Grade to finish the club's leading run-getter for the season – a remarkable feat from the lower grades – and batting award winner in both 6s and 4s. **Murray Creed** also notched up a double-ton playing as a late replacement in 2s, while veteran **Eric Zehner** and Yeoval product **Chris Tremain** both took 7-fors, in Tremors' case on club debut. Tremors was a worthy winner of Rookie of the Year, while **David Dawson** claimed consecutive Player of the Year Honours. Congratulations to all.

Elite Player Development

Perhaps the most pleasing aspect of the season were the efforts of our representative players and

Lower grades were another story. Struggling with a lack of practice facilities throughout the season – DP was being completely redeveloped and the Tyree Energy Technologies Building subsumed our traditional practice facilities at the VG – 3rds, 4ths and 5ths finished in the lower reaches of their tables and we ended up 18th in the Club Championship. Green Shield was competitive, although short perhaps 1-2 quality bats, while PGs struggled at times with the mix of T20 and one-day formats. Our best-performed side was actually 6th Grade, which battled to 9th in the Metro Cup.

Our hope is that brand-new practice facilities at DP next year will result in significant improvement.

Competition ladders aside, there were many things to be proud of. The spirit of the club was generally excellent, and a culture of contribution on and off the field continues to build. There were also some

coaches, including club alumni. Former First Grade skipper **Tim Lang** made his first-class debut for South Australia against England and his Sheffield Shield debut a couple of weeks later. Reward for years of toil in Sydney Grade (where he took 239 wickets for us at 22), this was a wonderful moment for Langy. Our congratulations go to him.

Young quick **Timm Van Der Gugten** earned a NSW Rookie contract for the season and, once recovered from his back issues, made a number of successful appearances for UNSW in First Grade (where he took 23 wickets at 23) and for NSW in the national U23 competition, Futures League. It is very encouraging to watch Timm continue to develop as a player and a man.

Second-generation clubman **Angus Robson** also earned NSW representative honours, opening for them in this year's national U19 carnival. Meanwhile AW Green Shield skipper **Tom Jagot** was selected for both the NSW and Australian Schools (U15) team, the latter touring the West Indies later in the year. Our congratulations to both Gus and TJ.

The Australian University Championships saw another strong UNSW campaign, with the Bees finishing runners-up for the second year in a row. Skipper and Lexcen Scholar **James McNeil** once again made the national AUC Merit team – the equivalent of Australian Universities Selection – as did squad member **Andrew Redman**, who unfortunately for all of us plays Grade for Randwick-Petersham. Let's hope he sees the light in seasons to come!

Other representative honours were secured by First Grade spinner **Louis Talay** (Sydney Grade XI vs. Sydney Shires XI), **Dan Mulvenna** (Combined Australian Universities vs. Oxford University at The Parks in June 2011) and club coach **Murray Creed** (Coach, City Colts).

Meanwhile, across the Indian Ocean, club captain **Geoff Lawson** earned the honour of being the inaugural coach of the Kochi Tuskers Kerala in the Indian Premier League, guiding them to a respectable 6 win-8 loss first season. And UNSWCC favourite son **Dan Christian's** services were secured by the Deccan Chargers for the eye-popping sum of \$US900,000 per season for 2 years (and a team option for a third.) In between times, Dan represented South Australia with distinction and made a half-century against England in the Prime Minister's XI, a feat that eluded both Ricky Ponting and Michael Clarke for most of the Ashes series! Alumnus **Tom Cooper** also played out another season in Redback colours, before representing Holland on the big stage in the 2011 Cricket World Cup.

Cricket Participation

Lack of facilities meant we scaled back from two to one Metropolitan Cup side this year, but **Matt Sanders'** in2Cricket program was again a smashing success. Thanks to Matty, administrator **Wil Lindsay** and all the coaches – especially mainstays **Stu Mackay**, **Chris O'Brien** and **Tom Atallah** – for doing an outstanding job.

Our alliance with Randwick Junior Cricket Club also began this year, and we welcomed a pleasing number of RJCC players to both our AW Green Shield and senior squads.

Facilities, Finance and Administration

I have touched on the redevelopments at DP and VG, which made for a very challenging season, but which will make for an extremely good set of facilities when complete. The thanks of all at the club go to new secretary and Clubman of the Year **Daniel Bowcock**, who shepherded us through the administrative nightmare that is a club with no dedicated practice wickets (we used demountable nets on the DP centre squares) nor changerooms at DP!

Thanks too to the many other off-field contributors to the season:

- Our Head Coach **Murray Creed**, who went above and beyond the call this year, his assistant

David Dawson and new AW Green Shield coach **James Day**.

- Our captains – **James Henry, Danny Bhandari, Daniel Bowcock, David Jebb, Matthew Mifsud** and **Matt Garland**.
- Our First Grade Manager and AW Green Shield Co-ordinator, **Michael O'Brien** and his Green Shield assistant, **Simon Jagot**.
- Our groundsmen from Green Horticultural Group, and in particular clubman **Sean Gardner**, who shouldered a heavy load on the centre wickets at DP (Gards also made a stack of runs in 2s).
- UNSW Sport and Recreation – for providing grounds, scholarships, elite athlete support and accounting support – especially **Helen Bryson, Mark Lockie, Craig Davis, Libby Sadler, Michael Ho** and **Michael Goh**.
- **Phil Hood** and **James McNeil** for organising another excellent Uni Games campaign.
- **Peter “Jerry” Maguire** – for continuing help with the stats database and the club website, even while overseas.
- **Chris and Hans Van Der Gugten** – for once again running our canteen, Café V(D)G, during First Grade games throughout the year.
- Our scorers – in a successful bid to get closer to the action **Wally Reid** took a break from scoring to become a Grade umpire during the year but happily he had already lined up a first-class substitute in **Ashish Deshpande**. Our warm thanks to both of them.
- Coaching consultant **Warren Smith**, who made his usual inimitable contribution to First Grade plus conducted a number of Country Clinics on our behalf.
- Our Committee
 - **Danny Bhandari** – Bandit made his committee debut in style, becoming a driving force in the club almost overnight. He captained 2s, chaired selections (a tough job, as those who've done it universally testify), organised a country tour to Dubbo, collected fees, endowed a scholarship, organised the canteen for 2s and bought untold beers for whoever happened to be at the Donny at the right time. It quickly became obvious to the rest of the club why Bandit's business, Tibra Capital, was already successful enough to allow him to retire at the tender age of 32!
 - **David Carson** – among other things, organised the Annual Dinner and averaged 82 in 2s.
 - **Peter Carson** – unfortunately didn't grace the field this year, but we are hoping for a comeback in 2011-12!
 - **Alex Charlwood** – again led the club PR blitz by publishing the Saturday Sledge and editing the website.
 - **Jim Dixon** – our man in Canberra and a key figure in galvanizing the club's Old Boys.
 - **David Jebb** – freed up from curating the VG, Jebby returned to the captaincy ranks this year, shepherding a young 4s side through a tough year, organising a conspicuously successful Test Breakfast featuring **Michael Clarke, Michael Slater, Phillip Hughes, Jonathan Agnew, Jim Maxwell** and **Geoff Lawson**, and doing many other things besides. One of the greats of the club.
 - **Geoff Lawson** – the giant of the club who provided incomparable leadership and coaching expertise when not doing the same for Mahela Jayawardene, Muttiah Muralitharan, Brendon McCullum and others in Kochi.
 - **Mick Mag** – a sabbatical year for the Spin Hawk, but with a quick twist of the arm he'll be back!
 - **Stuart McKay** – another excellent season on and off the field for Stu, one of the clubmen of the past decade.

- **Michael O'Brien** – MOB completed his second year as First Grade Manager and his sixth as Green Shield Manager, and did a magnificent job. Happily, he was recognised by UNSW with a Sports Recognition Award.
- **Michael Rea** – Mickey has grown up before our eyes into a fine young man and excellent clubman. Having joined the club at 14, his 21st was one of the highlights of the season.
- **Matt Sanders** – the most proactive man in my time at the club, Matty continued to organise the golf day, represent us at the SCA, continue the in2Cricket program, take photos on weekends and generally be a legend.
- **Peter Scolari** – Spring completed his second year as Treasurer, helping us grapple with the administrative complexities of the University's accounting processes, the various grants we rely on to thrive and generally balance the books. Spring, we are so grateful!
- **Paul Serov** – Paul enjoyed his first year away from the Secretariat by becoming the club's unofficial management consultant (as well as SCA delegate), telling us newbies how he did what he did all those years, as we bumbled through another administrative process! After 7 years of amazing dedication as Club Secretary, Paul was deservedly recognised with Life Membership this year.
- **Darren Sue** – As well his usual sterling work on stats, managing the player database, and historical research about the club, Suey teamed with Bandit to be the Chief Fee Collectors, adding a much-appreciated few grand to the coaching budget of the club. A fantastic bloke, and a wonderful Bumblebee over many many seasons. Thanks mate.
- **Chris Ward** – Wardy put in another season on the Clubs Consultative Committee, in between winning another bowling award. Well done Wardy!

In closing, thanks again to all for another season. See you all next year.

ANDREW JONES

Like father, like son ... young Patrick Jones has spent plenty of hours at the cricket this season, just like his dad did many years ago. Could it be we will have a third generation of the Jones family plying their trade with the Bees in the years to come? Jonesy new role with Cricket Australia (in Melbourne) kept him from playing many games this season but he once again led from the front in his second season as President.

INDIAN PRE-SEASON COACHING CAMP

At the end of the previous season, the club was fortunate to receive a very generous offer from Sachin Bajaj of the Global Cricket School in Pune, India. Sachin has been a friend of UNSWCC for many years and played a key role in the success of the club's tour to India in 2005. Sachin was offering two places at his 10-day intensive cricket camp for elite cricketers. All the club needed to do was get the two guys to Pune! **James McNeil** and **Charlie Wakim**, both recent 1st grade debutants, were selected by the club's committee to be the recipients of this tremendous opportunity. **Ben Wakim** and **Tom Atallah**, obviously sensing a great opportunity to develop their cricket, paid their own way to join Jimmy and Chuck in India.

After their camp, Charlie and Ben penned a few words about the camp and their experience in India:

CHARLIE WAKIM'S INDIA TOUR SUMMARY, SEPTEMBER 2-13, 2010

The trip was full of learning with the odd laugh here or there ... usually at Tommy's expense. We trained twice a day for 3 hours each session, mainly consisting of batting drills which were drilled into us by our intense but extremely grounded coach, Umesh. A day trip to Bombay was the highlight for me. We got the 3 hour train into the city and as soon as we arrived it was chaos. People everywhere, cars beeping every second of the day and just genuine rare sights, although the people were great and welcomed us as fellow cricket lovers. We went to see our coach play in this local tournament which was amazing. A field three times the size of the VG with about 20 different squares to allow for heaps of games to be played at the same time. The grass was thigh high and when that stopped it was just rocks and mud. But they still loved it. It made us appreciate the grounds we have to play on over here and I have a great newfound respect for Jebby and the work his team does ... and also Gards, although I'm sure he doesn't do much.

The people, the food, the culture and the overall love for cricket were the main standouts and I'm so appreciative to be given the chance to experience it all. I would like to thank the club, in particular Henry and Jonesy, for organising it all and definitely recommend it for those who are lucky enough to have to the opportunity. Just one word of warning ... too many butter chickens can result in a "real problem" to quote Thomas Atallah.

CHARLIE WAKIM

BEN WAKIM'S INDIA TOUR SUMMARY, SEPTEMBER 2-13, 2010

Four Bees, Tom Atallah, James McNeil, Ben Wakim and Charlie Wakim and a fellow cricketer Brendan Ham from ND's set out on the 2nd September 2010 for an exciting opportunity to go to Pune, India to enhance our cricketing skills under the tutelage of the Global Cricket School. What we did not know however was that this trip would not only be physically challenging due to India's extreme weather conditions but also mentally strenuous. For the ten days we were away our coach and now friend Umesh Patwal not only showed us useful tips in the nets but also got us questioning the limitations of our bodies and what way we can best incorporate our biomechanics into our cricket.

On the 5th day we embarked on a three hour train ride to Bombay (Mumbai) to see some of the Indian cricket culture. And did we sure get a surprise. The poverty was a lot more prominent here than we'd been experiencing in Pune. We rocked up to a local park which holds the wet season cricket competition (yes they play rain, hail or shine) to a huge field maybe twice or three times the VG. On this field we no less than about 15-20 games of cricket being played at the same time. Eleven a side, no boundaries, the bowler charging in from beside the keeper in an adjacent game and the only part of the field that was cut was the wicket. The outfield grass was knee high or muddy, yet they played on. It seemed so disorganised (much like the rest of India) with the scorers and batsmen waiting on the edge of the park so as not to interrupt other games. If a ball was bombed 50 metres away over three games, or you copped a pull shot in the back fielding at point in another game, it didn't matter. You played on. In that same day we had lunch with owner of the Global Cricket School Sachin Bajaj and also went to The Taj Hotel where there was a terrorist attack only a year ago. Remnants of bullet holes and repairs were obvious and next to it was the Gateway to India, a huge doorway and a structure which attracted a lot of tourists and as such a lot of beggars.

We were also lucky enough to receive two personal lectures from current Kolkata Knight Riders manager and journalist 'Mac'. In those he gave us an insight into the history of Indian cricket from the days where players could buy their way into the team, or the time he first met Sachin Tendulkar who at 12 and a half hit a ton in his first game in the nationwide U19's tournament. His experience and knowledge in the game is highly regarded in India. His main focus was on planning and how it can be used to further improve our efforts on the field, as well as off it.

For the remainder of the tour we were guided by Umesh at the Poona Cricket Club in specific drills and techniques in batting and especially dealing with spin. Drives, sweeps and pulls were the focus with emphasis on two key areas, the head (balance) and the hips (control). Umesh, also a qualified physician, said if these two things were synchronised then the rest would follow.

Personally, I gained a simple yet valuable lesson: What we are as cricketers is bits and pieces of different coaches' ideas on techniques along with some personal influence. Umesh has opened up many new ideas about cricket for me and what I now have to do is incorporate the parts which I felt were beneficial to me and could be used in my game. Who we are as people should be reflected in the way we play cricket, from the decisions we make on the field to the way we bat. Overall it was a great and extremely enjoyable experience one which I'm sure we'll never forget.

FROM THE ARCHIVES

Editor's Note – Over the last 12 months, Darren Sue (our “Stats Nazi” and the man responsible for the fantastic statistics provided in this report) has been scouring the University Archives for all material related to the Cricket Club. Much of this work, including the digitising of all of the Club's annual reports, is now available for perusal on the club's website. His search has uncovered some great historical artefacts of the Club, from match reports that border on literary greatness to important documents that outline the history of the Club.

Each year, we will try to feature one of these articles in our Annual Report so current players and supporters can learn, and perhaps be inspired, by the achievements and efforts of those that have come before us. This year is a report of the early years of the Club – written sometime in the mid 1970's by an author still to be identified. The report includes the **origins of the Bumblebee cap** and the club's first oval on land now occupied by the University Library. Enjoy ...

THE UNIVERSITY OF NEW SOUTH WALES CRICKET CLUB - THE EARLY DAYS

The founding of the University of New South Wales Cricket Club (originally the NSW University of Technology Cricket Club) can be traced back to a meeting, in July 1952, in the office of the then Supervisor of Amenities, Major Reg Wilthew, at the Sydney Technical College, Ultimo, where the new university shared accommodation with the College. The meeting decided to establish a cricket club and Laurie Lawrence, Geology Lecturer and former Balmain DCC player, was asked to organise a team.

In September of that year trials were held in the nets at the Sydney Cricket Ground No.2 - just how Reg Wilthew managed to secure this venue remains a mystery! Some forty-five students turned out and a squad of fifteen players was selected. The squad contained both undergraduates (full-time and part-time) and post graduates with one staff member.

For a brief period afterwards practices were conducted, under the team captain-coach, Laurie Lawrence, at Wentworth Park, Ultimo, on a concrete pitch next to the greyhound racing venue.

A team was entered in the City and Suburban competition in 1952 and played in that competition for two seasons.

The home ground was Randwick oval which was rented from the Randwick Council on an annual basis. The oval was situated at the top of High Street opposite Randwick Race Course and had been used for several years by the NSW Cricket Association for lower Grade matches. The University library now occupies the site of the former oval and the Medical School is situated on the old Randwick Golf Course which adjoined the oval. The ground was about the size of the present village Green and was surrounded by a picket fence. It had a fairly good outfield and an excellent pitch which was well prepared each week by council staff using a hand-pulled heavy roller. There were no sight screens and the dressing rooms were in a small wooden shed without showers-The only seating was a bench along the front of the shed. As turf pitches were not plentiful most matches were scheduled for Randwick Oval.

Although City and Suburban matches were not for points and an ultimate premiership they were, nevertheless, keenly contested and always enjoyable.

Players travelled to matches from far and wide as is the lot of University cricketers. A few travelled by bus along Anzac Parade then walked up High Street; most were able to obtain lifts in cars - there were a number of part-time students who owned cars of

sorts!, and one had a motor cycle with cricket gear strapped to the pillion seat.

In 1955 a vacancy occurred in the Municipal and Shires B Division as a result of the withdrawal of the NSW Junior Cricket Union from that Division - they remained in the A Division. The NSW Cricket Association accepted an application by the University to fill this vacancy in the Shires B Division.

The University Oval was now ready for use and Shire matches were eventually moved to the new ground. There were no dressing rooms and no boundary fence - flags were used for this purpose. Players used the vestibule of the entrance to the new Chemistry building as a change room. Whilst the outfield of the new oval was quite good, pitch quality varied from quite good to very poor. Added to this, a pond (perched water table) at the south-east end of the - ground, known as Bourke's Lake, after the then University Burser Mr. Joe Bourke, occasionally overflowed on to the playing field. This obstacle was eventually filled in.

With the entry of a team into the Shires competition came the need for a University cap - Team members were attracted by the old style Balmain cap worn by team captain Laurie Lawrence; this was a black gabardine cap with broad golden-yellow bands; it was decided to use a similar cap with the University emblem at the front. Enquiries revealed that this cloth was no longer available and a similar cap was "constructed" using a black woollen cap with a broad yellow band of cotton material stitched around the cap with the University badge affixed to the front. The current University cap bears the same basic features in reverse - a yellow cap with black bands and badge.

There came a need to strengthen some elements of the team leading to the addition of two players from the old Sydney Technical College team which played in the Public Service Competition. Technical College accountant Des Creagh (fast bowler) and clerical officer Vernon Turner (off-spin bowler and batsman and former Grade player) joined the team which then consisted of:

Laurie Lawrence, Geology lecturer - Captain, all-rounder.

Harold Bundy, Chemistry student - opening batsman.

Jim Malin, Engineering student - fast bowler.

Barry Frawley" Science student - batsman.

Des Creaghi, STC Staff member - fast bowler.

Vernon Turner, STC Staff member - off-spin bowler and batsman.

John Sutherland, Engineering student - medium pace bowler and batsman.

Russel Heath, Science student - wicket-keeper and batsman.

Owen Richards, Mining Engineering student - batsman.

Jim Brooks, Mining Engineering student - batsman.

John Angus, Engineering student - leg-spin bowler.

The initial season in the Shire competition was uneventful with the team finishing around the middle of the points table. The ensuing season saw the team miss the semi-finals by only a point.

Through the 1960s the University was able to enter two teams in the Shire Competition with the senior team further strengthened by the addition of class players such as Stan Edwards (ex Western

Suburbs first grade off-spinner), John Middleton (fast bowler and eventual UNSW first grader), Duncan Marshall (offspinner and former Manly Grade player), Mike Reidy (classic stroke-playing batsman), Professor Jock Salmon (History Department and ex-New Zealand Provincial batsman). Many other players made worth-while contributions in these early years becoming prominent players in the late sixty's and into the seventy's. Particular mention should be made of the contributions by stalwarts Harold Bundy and John Middleton. Harold's consistent performances as opening batsman in the late 1950s and early 1960s helped put the University team "on the map" while John's contributions as opening bowler likewise added status to the Club. To these names should be added Clem Barrington whose untiring efforts both as a player and administrator over several years are noteworthy.

To list outstanding individual performances, even in the formative years of the Club, would make this brief review longer than was intended but one such performance can be mentioned; records may show that Duncan Marshall's 9 for 12 against the strong Canterbury team, on an underprepared pitch at the University Oval (Village Green), in the early 60's, is one of the best, if not the best, bowling performance, ever, in the Shires competition.

During this period the Club was further strengthened by the performances of Indian M.E. research student Krishna Shrivastava, an elegant stroke player who had played first class cricket in India including some representative matches for his country.

No survey of these "early days" would be complete without mention of the services rendered by Stan Livingstone (later Professor of Chemistry) and the late Harold Oliver (Professor of English) both acted as captains and managers of the B Shire teams and thereby provided a sound base on which the Club operated for several years.

COACHING REPORT

Our goal at the beginning of the season was to better our club championship position from last year. Unfortunately this was not achieved. 1st and 2nd grade were in the hunt for a top 6 finish but lost key games towards the end of the season.

Whilst on the face of it the results looked disappointing, we managed to 'blood' approximately 3-4 players in a full season of 1st grade and develop the expertise of a very young club (average age low 20s). I am confident that with the players we have it is an exciting period for the club.

PRACTICE FORMAT/FACILITIES

Pre-season commenced in early July with physical conditioning sessions at Coogee Beach and skill development at the SCG Indoor Centre. All members of the 1st/2nd grade squad discussed their goals for the season and received feedback from the coaching staff. Practice on the turf practice wickets commenced in early August and continued until the season commenced.

During the season, practice programs included:

- Weekly centre wickets with specific cricket objectives for that week. This was balanced with the individual needs of the player.
- Indoor nets were accessed to allow players to utilise nets. This was important from a skill acquisition point of view.
- Adjoining the centre wicket training sessions, fielding exercises were setup that would focus on a range of skills as well as physical development.
- Weekly reviews were informally undertaken by the captains and coaching staff

Multiple venues were utilised during the season. Physical conditioning work was performed at the beach as well as on campus. For the first quarter the UNSWCC used outdoor nets which became unavailable due to construction. Centre wickets and indoor sessions were implemented as an alternative.

The nets and centre wickets were used to simulate game play and scenarios. Key practice included:

- Rotating the strike (centre wicket with fielders)
- Go to shots – bowling at the death & 20/20 bowling
- Mastering stock ball and batting with an approach that suits the individual

After hour discussions were held in conference rooms and a range of practice locations were utilised to provide specific player development. Having the luxury of utilising multiple coaches, fielding sessions were coordinated by different coaches providing fresh concepts and focus

Wet weather contingencies included fitness and game sessions such as touch football. The SCG indoor nets were often used. Most of the cross county work was developed at the beach and adjoining ovals. In season fielding activities were designed to jointly develop skills and conditioning.

JUNIOR DEVELOPMENT

2010/2011 was a year in which the UNSWCC and the largest junior club in the SEJCA - Randwick Juniors formed a partnership. UNSWCC players were made available to Randwick Juniors for coaching.

The club once again conducted an in2Cricket Academy (see separate report) for which current senior players provided coaching support.

Alongside the coach of the Green Shield James Day, senior coaching personnel such as Geoff Lawson, Murray Creed and David Dawson assisted in the squad training sessions.

Murray Creed was utilised by the SEJCA to coach/assist their U12 & U16 teams.

SPIRIT OF CRICKET

Coaching staff and leadership groups were entrusted with ensuring that UNSWCC cricketers adhered to the principles of the 'spirit of cricket'. By setting the correct example, senior players would set the tone and standards for the club. Issues such as respect (all stakeholders but importantly umpires), knowledge of the laws of cricket, punctuality, and dress were occasionally identified as being not up to standard and when required were addressed throughout the season.

There was one occasion during the year in which two 4th Grade players were suspended for dissent towards the umpire. The players in question were counselled by the Club and reminded of the spirit of cricket preamble we play to. Both are deeply apologetic regarding the incident and are valued members of the club.

COACH EDUCATION

The following coach education was undertaken by the coaching staff and players:

Murray Creed	Attended Level 3 course and various coach conferences
David Jebb	Completed Level 2 Requirements Nov – Dec 2010
James Henry	Completed Level 2 Requirements Nov – Dec 2010
James Day	Undertaking Level 2 May 2011

The club also utilised the Cricket NSW Coach Support Unit on the following occasions:

August 2010	Utilised Richard Bates on 2 occasions for spin sessions
September 2010	Utilised Troy Baker for a sports psychology session

FUTURE DIRECTIONS

Looking towards the 2011/12 season, the club has the following goals:

- finish in the top 10 of the club championship
- make the finals in at least two grades with 1st grade being one of them.
- strengthen our relationship with Randwick Juniors (pathway for juniors)
- strengthen our relationship with country cricketers particularly in the Dubbo and Orange regions.
- over the past 5 years, UNSW CC has helped produce over five professional cricketers. We would like to continue this trend by offering cricketers an environment that assists them reach their potential.

FIRST GRADE REPORT

The 2010/11 season saw a changing of the guard at the UNSW Bumble Bees, with a host of players being in their first or second season with the club, and the stalwarts of yesteryear moving on. Pre-season started well and the new recruits began to bond on and off the field among the team.

The season began with a near faultless performance against Sydney with debutant opening batsmen **Nick Walker** getting a brisk (71). **David Dawson** started the season with a magnificent (125) before a run out which wouldn't be the first time all season. **James Henry** (73n.o) and **James Day** (35) provided support and the innings was closed at 5/379. The next week saw rain interrupt what was destined to be a bumble bees victory with **TVDG** & new recruit **Talay** being the pick of the bowlers. At 8/140 no more play would be had - how this result would come back to haunt us later in the season.

A loss to defending champions St George was followed by the first win of the season for the Bees over the Hawks. Batting first the Bees made our way to 9/235 off 50 overs with **Horse Robson** making (86) at the top of the order supported by **Dawson** (44) and **Henry** (60). In reply Hawks were bundled out for 155 with a terrific opening spell from both **TVDG** and **Matthews** putting the haws on the backfoot, at one stage being 3/11. Next up the Bees were outplayed by eventual champions Sydney Uni, with the only highlight being a debut performance of **Chuck Wakim** making 50no.

Shark , shark , shark attack I don't think so. An injury ravaged Bees were sent in on a sportful Caringbah wicket with **Mitchell Gowland** attacking from the front with a brisk 51. The Bees stumbled to 5/115 before a late order revival from **Day** (33), **McNiel** (26), **Wakim** (36) and **Byrne** (43) from 32 balls getting us to 215 all out in 49.4 overs. With both J Day and Wilba going down with injuries and **TVDG** already out it was left to the spin triplets to burn out the Sharks. **Talay** , **Henry** & **Gowland** took 8 wickets between them and a sneaky run out from J Mac sealed a vital victory as the Sharks were all out for 162.

Rain once again would play its part with the Bees drawing against Parramata in a declaration fixture. On the Sunday the Bees won their opening T20 fixture against a new look Blacktown outfit. On a tacky Joe Mac Track the Bees rolled Blacktown for 111 with the spins triplets again taking most of the wickets - **Talay** 2 , **Gowland** 1 & **Henry** 4. In reply the Bees at one stage were 2 – 6 before **Dawson** (48no) and **Henry** (44) combined for a 90 run stand. We tried our best to lose before Horse knicked the last ball for 4 giving us a last ball victory – Hey lil Horse ...

UNSW would continue their run of good from to beat Gordon comfortably. Amassing 9/365 after being sent in, **Robson** (45), **McNeil** (39), **Gowland** (65) and **Henry** (106) were the main contributors with some late hitting from **Byrne**, **Wakim** and **Tremain**. Week 2 of this fixture saw the Bees most disciplined performance with the ball dismissing Gordon for 199 with **Byrne** 2, **Tremain** 3 and **Talay** 3 taking the bulk of the wickets. This win was followed by a last ball loss in our next T20 fixture to an inspired D Smith's Wests. The Bees posted 8/164 in our 20 overs with **Gowland** (33 from 21), **Dawso** (34 from 27) and the Debutant **Colley** (24 from 17) providing a smashing start. **James Byrne** aka Tilsey continued his striking form with 37 from just 20 deliveries. In reply the Magpies got off to a flier with D Smith making 88 from just 51 balls. **Talay** was the pick of the bowlers with 3/16 off his 4 and **J Byrne** also bowled well under pressure. Unfortunately Wests past our scores with 1 ball to spare after a massive run out shout.

December saw the Bees win arguably their best match of the year chasing against a Star studded Manly team. Manly were restricted by the Bees bowlers to 6/245 off their 50 overs with all bowlers bowling with real discipline on a flat VG track. **Wilba** was the pick with 2/41 off his 10 including the wickets of NSW players Cruickshank and O'Keefe. Our reply didn't start well with **Colley** out first ball, but **Dawson** (50) and **Gowland** (35) shared a valuable 67 run partnership for the 2nd wicket. The Bees continued to consolidate and needed a run a ball from the last 20 overs for victory with 7 wickets in hand. **James Henry** (77), **James Day** (33) and more than a run a ball contributions from **Wakim** (19)

and **Byrne** (16) meant the runs were knocked off with 10 balls to spare! A truly fantastic run chase ... after such a brilliant run of form, losses followed to Mosman and North Sydney leaving the Bees mid table at Xmas.

Charlie Matthews in action

The new year started with 2 wins in 2 days and the Bees beginning to make a real surge for the finals. We dismissed Campbelltown for 145, with **Tremain** being the stand-out taking 5/33. The Bees cruised to 1/148 dec with half centuries to openers **McNeil** and **Robson**. From here the Ghosts batted out day 2 with no attempt for any 2nd innings points. The Bees final T20 fixture was once again a last ball affair. Fairfield-Liverpool made 7/147 off their 20 overs due to some late order hitting - our best bowler on the day was once again **Talay** with 3/13 off his 4. The run chase began cautiously until a **James Day** (62 from 42) and **James Byrne** (24 from 13) cyclone hit with balls travelling to or over the fence in a ballistic 5 over period. We once again stumbled in the final overs leaving it to Lukey Louis to loft the last ball for 4 over cover! Great Win! Next up the Bees bowlers again restricted the Penrith boys to 159 in their 1st innings. Twenty five maidens were bowled by our lads in 73 overs with **TVDG** destroying the panthers late in the day with reverse tang. He ended up with the impressive figures of 6/24 from 16 overs. In reply us Bees could only manage 116, with **James Day** (42) being the only real contributor. Week 2 saw the Panthers bat out their 2nd innings to be 6/104 off 56 overs with the bowlers once again controlling the match. A match we dominated for the majority, only losing 1 hour of play which cost us 6 possibly 10 points!

After such a loss it was great to see the boys bounce back with an impressive win against ND's. Dismissing them 1st innings for 166 and then piling on 7/319 in reply from 70 overs. Week 2 saw the Bumbles chase an outright with bad light stopping play when the Rangers were 8/112 with the last pair having batted for 45 mins. A frustrating result, but a match in which all players, be it batsmen bowlers or in the field, contributed to a dominating performance. The boys from Bondi way were the next victims as the Bees penetrative bowling attack once again went through a Star studded batting line up of Eastern Suburbs. **Tremain** and **Matthews** the pick of the bowlers with 4 and 3 wickets each respectively. Chasing 216 for victory and to keep the finals hopes alive it was **David Dawson** who led the way with a chanceless (104no). He was well supported by **Jimmy Mac** (44) and **Tilsey** (54no) as the Bees passed the total 4 down.

The 2 wins left the Bees 6 points adrift of 6th placed Bankstown who we would face next in a fiery encounter. An injury to lil Horse made way for a return of the great panther himself! Batting first on a slow Bankstown Oval wicket and outfield we managed to get 188 with starts to almost every player

in the team. Great 9th and 10th wicket partnerships between **Talay, Tremain** and **Matthews** got us up to a respectable total with incidents.com out in the centre. In reply a fired up Bees struck early having the Dogs 3/16 at one stage. The momentum was clearly with us and to have to close play on day one and come back week 2 really shifted momentum back to the Bankstown boys. An on again off again 2nd day would follow with tough intense cricket as both team knew they had to win to progress to the finals. All the bowlers toiled hard, but the Dogs eventually got over the line 6 down to end the Bees finals hopes.

The last game of the year saw a loss to eventual club champions Randwick-Petersham. A game in which the Bees once again got into a winning position but just lost our way at a crucial time. All in all it was a fantastic season and a great team to be a part of! As a team we fought hard every week and if it weren't for a few key batting collapses we may have finished inside the 6. To see the emergence of our bowling unit was fantastic and all the player recruited in the off season fitted in extremely well. We have an exciting squad of players and I thoughtroughly look forward to finishing higher up the ladder next season. A special thanks to **Muzza** and **Mobby** who helped endlessly during the season and where an integral part of the team. As a team it was great to have these two blokes show up every week, and also a big thanks must go to Café TVDG! Much appreciated. To the admin staff behind UNSWCC thanks and to Bandit a big thanks as well. Enjoy the off season, work hard and I look forward to singing numerous songs in the sheds next season!

James McNeil, on the way to a half-century, ducking under a short one versus Parramatta at the Village Green. With the first day washed out, the second day was a 120-over marathon. Set 292 to win, none of the Bees could make a big score and it was left to our 10 and 11 (Tremain and Talay) to bat out the last 30 minutes to save the draw.

SECOND GRADE REPORT

Second grade captain **Danny “Bandit” Bhandari**, seen here bowling in Round 3, had a great season on the field with 463 runs and 17 wickets. He also made a strong impression off the field as Chairman of Selectors, managing the tour to Orange and Dubbo, and playing a big role in developing the scholarship program at the club.

A promising season ended in disappointment as 2nd grade lost its last 2 games to slide out of contention and finish 12th. For much of the early part of the season, we remained in contention and spent time in the top six, but ultimately we did not have the consistency required to match it with the finalists. It was a very enjoyable season and the team had great spirit both in the player’s enthusiasm for the game and the club and also their willingness to pitch in and contribute off the field.

I believe many of the team got a taste of what it is like to compete seriously for finals cricket (after a few lean years in 2s) and I hope the goal next season will be nothing less than a finals appearance. We have the ability, no doubt, but ability will not get you into finals cricket alone.

In looking at where we need to be to play finals cricket, there is no doubt that a simple look at the statistics tells the story. Batsmen need to average 40+ and to convert their starts into big scores. We did not do that enough and ultimately it cost us winnable games. With hungrier, more disciplined batting, we will produce bigger partnerships, and with bigger partnerships, we will play finals cricket. Our bowling was satisfactory given that we had a continually changing attack. It is tough when no bowler takes 20 wickets – we had no real ‘go to’ bowler on a consistent basis. But our bowling and fielding was generally disciplined and solid.

There were many highlights, not the least of which were **Murray Creed’s** double hundred as a stand in player, **Dave Carson’s** back to back hundreds at crucial junctures, maiden tons for **Trent Colley** and **Hugh Campbell**, and **Chris Tremain’s** outstanding start (15 wickets @ 8 in the first 4 games and a match winning 7/41 on debut). The discovery that **Nick Walker** is one of the best keepers in Sydney was also pleasing, though I wish it came earlier than the week before Christmas.

It should be acknowledged that we had some great help from **Ashish Deshpande** and **Wally Reid** on scoring duties and organisation, and a big thankyou to the committee members and others who contributed to the team this year.

The following is a summary of the main contributors on the field:

Trent Colley - A fantastic addition to the club and a high quality batsman. Can destroy any attack, but also a great team man, with good insights into the game. Earned selection in 1s, which was well deserved. If he can eliminate or reduce some early innings risk, I believe he can be a very big run getter in 1st grade. To travel so many thousands of kms to play each week showed a great commitment to his cricket. We really hope to have 'TC' back next season.

Stuart McKay - Always a great team man, contributing in every way and always sticking his hand up and providing leadership. Will be disappointed with his batting, so many starts yet so few big scores indicates a need to stick to what gets you to 30 or 40 and grind out to 120+. Put his hand up to open when required, and also bowled and fielded very well. Worth his spot as a bowler alone, so has a lot to contribute next season.

Nick Walker - A very talented player who made a brilliant debut in 1st grade. Spent most of the season in 2s though and showed his class at times. His numbers don't do his ability justice and with some application, he should not only be playing 1st grade, but pushing for higher honours. One of the best natural wicketkeepers I have ever seen. Hopefully the last time he appears in a 2nd grade report.

Charles Wakim - A gifted player, and like Walks, had some opportunities in 1s this year. Again, the numbers don't do justice to the talent. Has the ability to score big runs in 1st grade but the application and desire is not yet obvious. Can bat, bowl and an amazing fielder as well, Chuck is one of the brightest talents in the club.

David Carson - Fantastic to have the 'Worm' playing 2s, many would argue he has no business playing this grade. Only played 6 games but averaged 80+ and scored 2 tons. More than that, he gave demonstrations on how to build an innings that many could learn from. When fully clothed, he was a tremendous influence on the team.

Ben Wakim - Interrupted season due to travel, Ben will be disappointed with his numbers. Has ability to play higher, and has developed the patience required to build big scores. Needs to build on that. High quality keeper also and a good team man.

Sean Gardner - Very pleasing to see Gards play 2s again. Is as gifted a shot maker as anyone but also showed this year he could grind as well. Scored 3 fifties in his 10 digs and is potentially a 1st grade player of note. Hope to see him stick to his cricket as he is just starting to learn his trade. Excellent (though quiet) in the field with safe hands. Averaged close to 40 and played his part both at the top of the order and in the middle when required.

Hugh Campbell - Missed the start of the season and was pulled straight into 2nds on speculation. Hugh didn't let us down with some excellent contributions. Turned his one innings of substance into a brilliant maiden century, and bowled very well chipping in with handy wickets. Definite potential

Stuart McKay putting everything into his left-arm spinners during 2nd grade's victory over Sutherland in Round 4.

to play 1st grade next season in all formats of the game.

Wil Lindsay - Bowled well without a lot of luck, but was always valuable when playing down in 2nds. Wilbur has morphed into a bowling all rounder but really has the ability to contribute much more as a batsman and a more dominant all rounder in 2nds and thus cement a spot back in in 1s. Runs will force a higher batting position, which in turn will present opportunities for bigger scores.

David Carson works one off his pads on the way to 116 versus Penrith in Round 11. He back this up with 115no versus ND's in the next round. With many very talented, but young, batsmen in 2's, it was great to have "The Worm" share his experience with the younger brigade.

with a great heart, commitment and enthusiasm for cricket and the club. Too good for 3rd grade, but again just needs to stick to a game plan against the better batsmen in 2nd grade.

Nathan McCoy - Very talented bowler, unfortunately battled injuries. Works hard and has a lot of ability. Has potential to bowl his way into 1st grade once he gets some overs under his belt.

Others to have played 2nd Grade were **Ben Aggar**, **Tom Gallop**, **Sam Crichton** (T20 blow in), **Stuart Roesler** (pre deployment), **Timm Van Der Gugten** (batsman only), **Murray Creed** (graced us for one memorable match), **Steve Kostoglou**, **Brendon Small**, **Phil Hood** and **Michael Walters**.

DANNY BHANDARI

Jwalit Shah - First full season in 2s and Jai showed himself to be a very handy all rounder. Bowled some long spells and combined well with the other bowlers. Jai still needs to refine his bowling to deal with higher-grade batsmen, but has a beautiful orthodox style. Batting showed glimpses of class, but will need to churn out runs to push higher in the order as warranted by his ability.

Eric Zehner - Still has the ability to knock over quality batsmen with pace and swing (though in slightly shorter spells these days). Unfortunately we had Zoomer for only half a season. Adds great experience and balance to the side and is looked up to by all the boys.

Tom Atallah - Another quality spinner, and one of three spinners used extensively through the season. Deserved to play more 2nds but missed out due to the number of good spinners we have in the club. Maturing as a player and on his day is the best spinner in the club. Just needs to develop some plans and patience to match his talent. Good batsman, with a great value on his wicket and another future 1st grader hopefully sooner rather than later.

Luke Ford - Fordy bowled well in limited opportunities and is developing his game nicely. Needs to develop a game plan around his strengths (control and hitting the seam) rather than trying to force results. Batting improving and values his wicket which is great.

Mark Appleton - Bowled the ball of the century against NDs (see Apples for details) and again performed well with limited opportunities. His wild theories and split personality masks a man

THIRD GRADE REPORT

Third Grade had a difficult season both on and off the field. We finished the season in 17th position with 4 wins against Sydney, Sydney Uni, Easts and Randwick-Petersham. The look of our season takes on the appearance of a couple of bookends – two victories in the first three rounds, eight losses of varied standard followed by two more victories from the last three rounds. Thirds also had their first T20 fixture against North Sydney which was an exciting game to be a part of.

Also, David Phillips Fields underwent major development and reconstruction throughout the season. There were several difficulties faced each week where we had no change rooms, canteen facilities or shade protection from the summer elements.

For the most part of the season we were well and truly capable of being near to the mark of a third grade team. We knocked off our closest rivals Sydney Uni (in the dark), Easts (a positive run chase) and Randwick in our final game with a dominant display.

We put in a shocker against Hawkesbury round two, Parramatta in round five but aside from these we had some very good sides on the ropes but we weren't able to land the killer blows. We had the premiers Manly at 5/84 in a one day game before we eased off and they made 270 odd, we had Campbelltown 8/133 chasing 195.

The batting was a disappointment this season. We didn't have a centurion and we failed to put big totals on good decks which ultimately led to our bowlers trying to defend small totals.

Of the batsman, there was plenty of upside to some players; two of the young brigade led the way...

Thomas Gallop made the highest score of the season (81*) and 305 runs for the year. Thomas was rewarded for his early season form with a promotion to twos before coming back and finishing the season with us in wonderful style guiding the side to a successful chase against Randwick-Petersham. There were many frustrating times with Thomas particularly when he was looking very comfortable against oppositions only to find ways to get out. However, he improved so quickly throughout the year and really applied himself at training and game day that his batting started showing great application and ability and overall looked the most likely to go on and get big runs.

Thomas Jagot came into the side after setting 4th grade alight and he didn't disappoint – 169 runs from 8 games and batting through the innings from number 5 against Penrith making 51*. Thomas also showed he's more than capable at the level and really took great strides in feeling comfortable and assured of his abilities. His tweekers were also handy collecting 9 wickets for the season including a best of 3/28.

Of the bowlers, our pace bowling stock that played 3rds throughout the season were mostly under the age of 21 including **Nathan McCoy, Nathan Woellner, Joshua Dunning, James Hamilton** and **Philip**

Bowie, in addition to captaining 3's, took over the duties of Club Secretary this season – a big job at the best of times, made even bigger with the redevelopments at DP and the VG. He handled both jobs with aplomb and for good measure, took his Grade cricket batting career with the club past **5,000 runs**. Congratulations Bowie!

Hartig-Franc. Our spinners were **Eric Zehner, Thomas Atallah, Thomas Jagot, Murray Crowe** and **Ben Aggar**.

Thomas Atallah, 11 wickets @ 34 for the year, whilst only playing 6 matches he bowled 40 over's more than the next player **Luke Ford**. Thomas tweaks were very valuable for the side as he bowled long spells and was aggressively trying to get wickets whilst keeping runs down.

Nathan McCoy, 9 wickets @ 24 for the year, playing only 5 games with us he soon made his way to 2nd Grade.

James Hamilton, 5 wickets @ 11 from two games. Singlehandedly took Randwick-Petersham to the cleaners with 4/26. Now in his last year of school he might be a late starter next season but of what he showed in those two matches I hope he wants to play with the Bees.

Our other junior player **Joshua Dunning** made a significant impact also, joining the team after Christmas. Josh is managing to do it all with work at North Sydney and commuting from Campbelltown. However, we didn't get the chance to see much of him at training. Hopefully this coming year we can offer some assistance or other to help Joshua fulfill his undoubted potential.

Special mention to the keepers that did the job – **Philip Hood, Stephen Kostoglou** and **Ben Wakim**. Thanks!

To all the others that played in 3rd grade, a huge thanks you. You all made my job a memorable and rewarding one and I only wished we won more together.

Finally thanks to all the family members that assisted throughout the season you're probably not mentioned half as much as should be yet your input and selflessness means a great deal to a skipper and team throughout the year. Kudos!

I hope everyone has a safe off-season and let's aim to get better in 2011.

DANIEL BOWCOCK

Club debutant Nathan McCoy in action at DP during Round 2 versus Hawkesbury. Good performances would see Nathan also get some starts in 2's during the season.

FOURTH GRADE REPORT

Last place with just one win doesn't have a lot going for it but, almost strangely, 4ths' season ended on quite a positive note. There's no question that the (generally!) young side we were putting out was not quite ready to seriously compete with the top half of the 4ths competition. However, it would be fair to say that we were playing close to the best cricket we could for most of the games after Christmas and improving all the time. The effort was all that could be asked for in the circumstances – and there were some circumstances.

I'm sure that, elsewhere in this annual report, mention will be made of the reduced club practice facilities we had this season due to construction work at both the Village Green and Dave Phillips. For pre-season and part of October, we did have good facilities and the practice scene was excellent – players working hard and plenty of good coaching, led by Murray Creed, going on. The club's early results reflected this. However, once we lost our permanent nets, change rooms and storage facilities (and with it our opportunity to use some of our gear - such as our bowling machine), the effect was, as the season went on, quite negative - and most felt by the large number of young and keen players we had in the lower grades, who were ready and willing to put the hours in but found it difficult to do so. I'm not saying that it was impossible for us, but it did hold things back. In fact, I think nearly everyone put in an excellent effort and got about everything possible out of the facilities we did have – but we could have made more progress with, say, some synthetic nets for the batsmen to do drills and receive coaching in, and the opportunity for bowlers to get some more (and less "crowded") time working on their rhythm and repertoire.

Secondly, the captaincy of the side was disrupted. I believe continuity of captaincy is especially important at our club, with its generally young and transient population. This has often been difficult to achieve and in the case of 4ths this year we had used three different captains by the end of November. Without examining all the reasons for this, it was destabilising in a competition where no one gives you an inch.

However, despite the added difficulties, we ended the season playing good cricket three days out of four, had an excellent team spirit going, and we were still keen and enjoying it. In addition, I think everyone learnt a bit about grade cricket, which bodes well for the future.

Our batting was inexperienced at this level and sometimes this showed in ways like losing wickets in bunches or at critical times. Our bowling, again inexperienced, lacked consistency in areas like line and length, but never enthusiasm. Again, good raw material, and with a season under the belt and further quality coaching and training, better times are ahead. Our fielding was, overall, satisfactory and I can't remember too many bad days on that score. We mostly caught what we should and also took some of the more difficult chances.

We used a remarkable 37 different players during the year, which is probably above average, even for the normally volatile UNSWCC scene.

In the batting, for those who played 5 games or more, **Manus Choudhury**, **Phil Hartig-Franc** and **Jack Roach** stood out and showed plenty of promise for the future. Manus' efforts were particularly pleasing as, for his apparent ability, he had under performed in previous seasons and wouldn't have even expected to play much 4ths this season (let alone win the batting trophy!). Early on he was prone to doing the hard work and then throwing it away, but by the end of the season he was showing that he had learnt how to build a big innings and his 137 against Bankstown in a big chase was a superb knock. Phil was consistent, scored a century, and deserved his promotion to 3rds and Jack was always extremely solid, valuing his wicket in all circumstances and showing the determination and temperament to make big scores. Of the others, **Aaron Ford** will be disappointed with how his season ended statistically but should look at the overall story – that he moved up the grades and played some good innings in 4ths. Experience, hard work on playing straight and fitness,

and a tad less talk, will see his improvement continue. **Dan Ferrara** didn't have much luck but showed the temperament and technique to succeed in the top order at higher levels. **Phil Hood** also suffered a shortage of luck, but chipped in with some handy runs at the end of the season and was a steadying presence on the field, not to mention very tidy with the gloves.

In the bowling, the stats make fairly ugly reading and indeed **Jack Cahill**, one of our mainstays, winning the trophy with 15 wickets at 31.67 underlines this. If our meds were consistently guilty of something it would probably have been two loose balls an over. Even at Fourths level this will be punished and let off any pressure that has been built.

It wasn't all doom and gloom though. **Braydon Toms**, straight out of Randwick Juniors and best described as "green and keen", showed plenty of promise and loves to bowl. When he gets it together he can nick anyone off and if he can look after his body he will develop into a good grade player. **Murray Crowe**, talented and somewhat left field in his approach to all things, bowled some excellent spells and was never done justice by the postage stamp version of DP we had to play on this season. Lots of overs, developing the right balance between his various attacking options and occasionally defending when the conditions demand it will see him become a very good spinner. **Rohan Stocker** also showed a touch of class with his leggies in his limited appearances and if he can manage to stay in Sydney for a full season next year I don't think he will see much of 4ths. His 5 for 41 against Randwick-Petersham in the last round was, basically, 10 faultless overs which changed the game after he came on when they were right on top. **Nick Milosavljevic** also deserves a mention for being a valuable part of the side. Unfortunately work limited his appearances but, whenever he played, he gave the attack some consistency and steel. He was happy to bowl in any situation, from any end and always did a job. Hopefully we can see a bit more of him next season.

Lastly, thanks to the guys who played 4ths this year for keeping it together in a tough season. With a developing team and little in the way of home facilities we had some long days, but our spirits remained high and our humour was always good. I think our Club is at a very good stage and this is in no small part due to the good bunch of keen, unpretentious, intelligent people we have on board. Good times are ahead!

FIFTH GRADE REPORT

It was a testing year for 5th Grade this year both on and off the field. We struggled for consistency in terms of performance and personnel. Unfortunately, this often occurs in the lower grades especially with pullouts in higher grades. To make things a little more difficult, our home ground at David Phillips South was constantly under construction, which left us with no change rooms. To the boys' credit, there was no complaining with plenty of upbeat personalities within the team to help lighten the mood. All players who were selected in 5th Grade represented the UNSWCC well, displaying a will with a sportsmanlike approach to cricket.

The individual honours for batting and bowling went to **Shaheen Kumar** and **Chris Ward** respectfully. Shaheen narrowly pipped **Manas Choudhury** for the batting award but it was Shaheen's consistency that got him over the line. Opening the batting, Shaheen often got us off to a solid start and was willing to dig in when wickets were tumbling around him. Despite lacking the big innings in terms of runs this season, Shaheen performed well as he was able to adapt to various conditions and situations during a game. To add to his batting, Shaheen's fielding was always sound, providing plenty of energy and encouragement to the other players.

Wardy was consistently our most threatening bowler. With subtle variations rather than massive turn, Wardy found ways to get batsmen out. He was often called upon to break a set partnership if we struggled for a breakthrough and he always seemed to be able to provide it. The team welcomed Wardy's laid-back persona. His classic one-liners often lifted the spirit of the team.

It was a disappointing year in terms of team success this year. We were often able to compete for most of the match but at crucial times we lacked the composure and experience to take advantage of our opportunities. Fielding was an issue, as we struggled to put pressure on the opposition with the shelling of catches often letting us down. This is one area that each individual can improve on for next season. Getting to training and wanting to improve your fielding is imperative if we are to have more success next season.

Undoubtedly our best performance came against Northern Districts in round 12. After winning the toss at DP, we batted first and amassed 9/308 dec. **Manas Choudhury** was the standout scoring a blistering 102. He was well supported by **Shaheen Kumar** who scored 48. For once our batting and bowling fired at the same time. All the bowlers acquitted themselves well, with the standout performance coming from **Viv Ambat** with 4/8.

Unfortunately we found it difficult to string wins together over the following rounds. The boys did enjoy their Twenty20 game and it was one that we definitely let slip. The bowling was tight with **Josh Dunning** showing his potential with 2/11. **James Hamilton** also bowled well and picked up 2/13. Our fielding was fantastic, as we took advantage of some great catches and run outs. It all seemed to be going well until we commenced our batting. We ended up falling 10 runs short after batting poorly and with no composure.

5th grade needs to step up next year and get ourselves into a habit of winning. It wasn't a lack of talent that held us back. Lets really commit to next season and hopefully we will perform better.

SIXTH GRADE REPORT

In summing up 6th grade's season, one can either go positive or negative. Positive would be to say "A great bunch of guys played Metro this year" or "Plenty of talented cricketers made their debut this season and (insert name here) is a first grader of the future". Traditionally favourite reasons for not making finals, including "constant fluctuations in team personnel" and "players not preparing/playing to their potential" (of which the captain was the worst offender) were added to this season by "diminished practise and match day facilities". All of the above are true but every season is much the same story and some of these are bullshit excuses anyway.

What was what was going on between the ears at critical points in the game was probably the reason we didn't have more success this season. But of the 38 players that took the field for the UNSWCC Metropolitan Cup side this season, you cannot fault any one of them on the effort they showed once they stepped on the pitch. I can't seem to decide whether to go positive or negative with this report. Why not just tell you what happened.

Manas Choudhury scored 223, carried his bat and took the team to 366 in what was probably the best way to spend day one of the competition. Throw in some tail end entertainment in the form of bus driving bombs and hit wicket dismissals, and it looked like it was going to be an entertaining season. Sadly rain robbed us of a result on day two so Manas' efforts were rewarded with only awards and kudos, not competition points.

A disappointing one day loss in round 2. Still some fun though, watching **Karthigan Balasubramanian** get the best possible reward for a dropped return catch by running out the non-striker. **Andrew Wilson**, at number 11, scored 8 off 3 balls with three brilliant straight drives (the third bringing his downfall as the Bankstown med pulled off the type of catch that Bala had been going for). Round 3 was another washout with the Bees in a potentially winning position, which resulted in no points in the bank after three rounds. **Aaron Ford** going verbally toe-to-toe with the Wests opening bowler as we retreated from the condensation was probably the highlight of this round. Smurf had just brought up his 50 by sending the magpie to the boundary numerous times in the previous over.

Did you know the South Australian Government is currently trialling the use of converted shipping containers as makeshift prison cells for up to six convicts per unit? Derided by some human rights campaigners, it is a move clearly pioneered by the University, albeit in a much abridged format. A single, unaltered container was deemed adequate amenity and sufficient shelter for up to 22 individuals at David Phillips South over season 2010/11. This is mentioned now because the poor weather of the opening rounds gave the teams the opportunity to savour the cover provided and it was at this time that the opinions of the shelter were formed, and voiced frequently.

Sydney University matches are always a highlight. Despite the fact that they almost always finish in the top four and UNSWCC often finish mid-table, I cannot remember the last time USyd beat UNSW in 6th grade. True, my use of intoxicants may be affecting my recollections but I can recall three matches where inclement weather has robbed Sydney of an almost certain victory, and a further three where an outstanding individual performance has seen the team in black and gold triumph. In this instance, it was **Hugh Campbell** (a celebrity appearance, only featuring because he was returning from injury) that stole the match, hitting 84 off 45 balls to help bring the victory target up in 36.1 overs. **Basit 'The Count' Raza** was handy too, taking 4-fa in the first innings, but he'll get more adulation later.

UNSW vs Balmain. Or more specifically, UNSW vs the Balmain captain, who claimed 6/54 off 22 overs. Chasing 238 against 10 men, UNSW struggled when he was on and plundered when he wasn't. **Max Hopper** built a strong 84 in the 120 over match, but the Bees ultimately fell 3 balls short of salvaging the draw. **Ravi Autar** debuted with a 3-fa, and in the rounds that followed made selectors wonder why he hadn't been selected sooner.

The Blacktown match has been blacked out from the memory, which is probably a good thing when one looks over the result. It was in the latter half of November, when pull-outs are at their pulling-outest, so there were a number of Friday evening calls to cover the gaps as the prior selected players disappeared up the grades.

From not enough to too many. Twelve men were on deck when the sun crossed the zenith in round seven, owed chiefly to a Friday night miss-communication amongst the selection committee. Bala didn't let a tight back or constricting hangover prevent him from bowling some quality leg spin, and he used the short boundary to great effect to claim a five wicket haul. The run chase was stunted with the loss of early wickets but **Ian Camejo** and the world's longest trainer, **Arnav Arya**, dropped anchor and didn't give their wickets away easily. 98 runs for the 7th wicket, they got us within a shout, allowing the number 11 to hit the winning runs off the last ball of the day. Just don't tell anyone it was against 10 men.

In protest to not being allowed to play a T20 fixture (like all other grades that day), **Andrew Wilson** and **Ravi Autar** decided our one dayer against North Sydney would be all over in an hour. Claiming 5-for and 4-for respectively, the highlight was the Bears middle-order batsman clean bowled by an outswinger around his legs. **Naser Saleh** and **Gavin Ho**, who's fielding had been a highlight in the few previous matches he'd played with us, knocked the runs off easily.

Round 10 against competition leaders (and eventual premiers) Gordon was always going to be a tough match. We removed the first opener with the score on 157, and the second when he was just 2 runs shy of his personal double ton. The team kept plugging away, didn't drop their collective head and were rewarded with more wickets in tough conditions, but still with a large score to chase. Day two was one for only the most ardent cricket fan. Despite **Jordan Habib's** dogged and determined efforts, the top order largely disintegrated and when Jordan fell after tea, the score was 97/7. Captain's conciliare **Dave Mann** batted for nearly three hours, ably assisted by 9, 10, jack, to ensure UNSW would be the only team in the competition not beaten by Gordon. Didn't do us a lot of good, but felt something like a moral victory after the game.

Ravi was finally rewarded with a Michelle against RP Green, bowling short, fast, aggressively and accurately. Although bowling short is commonly seen in Metro Cup, the other characteristics are much rarer, and even more so when displayed together. Unfortunately, the run chase was a familiar tale. Top order collapse, tail dropping anchor in the hope of unleashing some fireworks late in the day. They were not seen.

Then there was North Sydney. Where to begin. This games animosity began early with a UNSWCC player umpire's decision that would have been comical had it not sparked problems later on. The umpire in question was genuinely dumbfounded when he found that his decision was in conflict with all other witnesses (including some on DP North) bar one. The batsman involved chose to stand mute. What followed seemed to be a series of 'get square' decisions and the game eventually ended in general unpleasantness. Not for the first time against this captain. I would be derelict in my report were I to not mention **Alan Xu's** second innings 62, including at least a couple runs not scored between point and second slip, as well as some entertaining trash talk when dropped in the gully by the Bear's skipper. "Better luck next time."

One of the good things (maybe the best thing) about UNSWCC is that all of the players seem to have the right attitude towards life, and each lad that plays 6th grade does so because he loves playing cricket. I can only imagine that our opposition captain that day plays cricket because he loves to indulge in tin pot, bullshit power games. This can be contagious (my stupider moments have seen me attempting to compete) and thank God we only had to deal with him for two days this year.

Bankstown was a pleasing game to finish on. Like most, we scored a modest total but, again like most, we bowled positively and snared an early wicket. This was followed by another next ball, and then

another a few overs later. By the time **Declan White**, our 13 year old debutant, removed the Bankstown skipper for the fourth we were almost in front. More runs were scored and Bankstown again looked comfortable.

It was around the time the match was about to slip from our grasp that **Basit Raza** proceeded to take a caught and bowled that is the best catch I've seen in the Metropolitan Cup. I have given this much thought and do make the claim lightly. The sequence of events can only be described as:

- Batsman crunches straight drive
- Basit catches the ball
- Umpire hits the ground (fearing death and not realising the ball has been caught)
- Basit throws the ball in the air
- Batsman realises the ball has not reached the fence
- Basit directs batsman to the pavilion
- Batsman only now registers that he has been dismissed and begins to walk off.

The whole thing went for just under one second.

Two more wickets had Bankstown players nervously pacing the boundary but even though there was some quality bowling and confident appeals, we finished on the wrong side of the result. Still, as i said before, a good game to finish on.

A few more players worthy of a mention this season were **Jake Weragoda**, **Thanuja Perera** and **Lachi Marsden**. Jake's dour batting as well as his quality chirp and glove work behind the stumps helped to keep up the vibe. Thanuja is one of the cleanest hitters of the ball seen since his namesake at this club, and he himself is the only one standing in the way of him scoring 1000 runs next season. And Lach plugged away constantly with bat and ball, his horror run with the stick in the second half of the season ruining his numbers but it is always valuable to have workhorse in the team.

But alas, the summary is much the same as it has been for the last few seasons. Batsmen failing to set themselves for big scores, bowlers failing to build pressure by bowling too many loose balls, the team failing to build momentum or developing due to the high turnover of players. The team failed to make the semis, but tried hard and got some good results. If you refer to any annual report over the last 50 years for the lowest grade team then you are likely to find that little has changed and, try as I might to deny it, the same will often continue to be the case in the future.

One element of this season that I hope has shone through here is how positive the spirit of the team was. I know that no matter what the situation was, every single player, in every single game had a little thought in the back of their head that we were still a chance to pull off the victory. I hope we keep that and it spreads throughout the club, because we'll win more than we lose if we play with that attitude all the time.

POIDEVIN GRAY SHIELD REPORT

A weather interrupted season saw only five Poidevin-Gray games completed. In a team which never featured the same eleven and was consistently altered, this saw the utilisation of 18 different players. Out of the five games the bees were successful in only one match, narrowly finishing second in the remaining four.

As game 1 was washed out, game 2 saw the Bees take the scenic route to beautiful Blacktown for the first T20 fixture. The toss was won and the Bees elected to bat. A slow start on a green deck and a steady loss of wickets due to average shots saw the Bees crawl wing-less to 9/107 from their allotted 20 overs. **Angus 'Little Horse' Robson** started the innings with a solid 20 off 30 rocks and **Jimmy McNeil** got 21 off 22 through the middle, with **Ben Aggar** assisting in ticking the Bees total past the century mark. After two early break throughs from the left arm benders of **Nathan 'Brendon Julian' McCoy** (2/21 off 4) and some tight bowling at the other end from **Chris 'Cut-Snake' Tremain** (0/12 off 4), the Bees were swarming and a win looked possible. The spinners bowled well through the middle with the leg spin of the welsh pony Angus Robson snaring 2 for 21 in the middle overs. The game came down to the penultimate delivery but 107 was never going to be enough to defend.

Game 3 saw the Bees travel west again to Pratten Park to take on Western Suburbs in another T20. What followed was to be one of the more clinical T20 performances ever seen. Led by a no nonsense performance from **Charles 'nobody' Wakim**, some good bowling from **Nathan 'Phil' Woellner** and a complete fielding performance from the entire side a 65 run win was recorded. **Sean 'No-I-haven't-slept-yet' Gardner** got the side off to a good start, but as the Ronald McDonald look-alike strode to the crease the game was changed instantly. Chuckie compiled 95* off 47 rocks. With patrons at the ground running for cover the Bees complied 3/190. Although a monster score was recorded the Bees knew that Wests had a very mature, experienced and slightly dubious side. With 2 direct hit run-outs in the first 4 overs, both with one stump to aim at from McNeil and Robson the Bees had the game in the bag. With some solid catches held by 'Cheeks' and **Tommy 'Didier' Atallah** under the high ball whilst receiving some intelligent advice from the ever-present Wests MENSA candidates and some solid mid innings bowling from Woellner snaring 3 wickets the bees cruised to a clinical victory.

The Bees played host to Sydney Cricket Club in game 4 which turned into a thrilling match. With some excellent fielding with run-outs to **Woellner** and **McNeil** and three catches to the latter and some quality bowling the Bees restricted Sydney to 251 on a flat VG deck. **Tom Atallah** was the best of the bowlers snaring 4 for 46 off his 10 overs with some cunning bowling and precise field placements. The Bees however lacked with the bat what they showed with the ball with the top and middle order collapsing to be 5 for 100. Enter **Timm 'The Bull' Van Der Gugten** who smashed 98* off 89 deliveries. The Bull's innings consisted of 14 boundaries and was a clinical display of hard hitting. However despite these heroics the result came down to the last delivery and the Bees were unable to deliver a win.

Game 5 saw the bees head to the velodrome at Hurstville Oval to take on the Dragons. The Bees won the toss again and chose to bat on what looked like a delicious, flat, 2nd day Hurstville deck. The star of the Bees batting innings was **Angus Robson** with the little horse compiling 130 off 153 rocks making good use of the small, rapid outfield and the hard, flat pitch. Wakim and McNeil each compiled 60 in supporting the horse and the bees reached 279 for the loss of only 3 wickets. Although defending 280, this was to be a difficult task made no easier when the Bees dropped a St George century maker three times. Throughout the 50 overs the Bees tried 8 bowlers with no success only acquiring the 4 wickets whilst watching the dragons surpass their 279 with 5 overs remaining.

In the last of their 5 games the Bees played Bankstown at home. Looking to finish the season on a high the Bees batted first and compiled 213 with Wakim and McNeil each making half centuries and **Nick Walker** adding 37. With **Phil 'I've-been-known-to' Hartig-Franc** snaring 4 wickets and Tremain exhibiting a miraculous run out the Bees looked a chance but were run down with 4 overs to go.

Unfortunately what could have been a very successful year for the boys turned into a non-event with 4 close losses. Each player attributed themselves well and the season may have been more successful if a full list had been available.

Thank you must go to Mobby, and Muzza for their assistance when available in organisation and warm-ups.

AW GREEN SHIELD REPORT

The 2010-2011 season saw a new coach for the AW Green Shield team. **Jimmy Day** took the reins for the season with enthusiasm and vigour. Jimmy's talents as an excellent cricketer and experience as a high school teacher brought him the respect and attention of all the young squad members.

The season started with a match vs St George, a club known for its strength through all grades. The David Phillips North strip had been prepared perfectly for a great game despite the disruption of the massive site development. **Tom Jagot** (TJ) started his reign as captain with a win at the toss and took the unusual (for DP) step of sending the opposition in to bat first. An early missed opportunity saw St George reach their 50 without loss but some great work by **Nick Kellaway** to produce a run out followed by another wicket gave Uni some hope of a low score to chase. The next wicket however didn't fall for another 90 odd runs but was then followed by several more. At the end of the 60 overs St George had reached 227 with 7 wickets down. Given the pitch condition and fast outfield, this score was definitely achievable. The best of the Uni bowlers was **Guy Gillespie** with 3-31 from his 10 overs. **Dexter Crowe** had also picked up a couple of catches behind the stumps. Our chase was steady but so was the fall of wickets. A string of players got starts but failed to go on. **Owen Duffy** (39) and **Jack Erickson** (34) moved us closer to the target but **Josh Dunning** (54) took control and almost got us there by himself. It got down to the last over/last ball scenario but **Eamonn Hawke** (20no) with help from **Nick Kellaway** saw our season start with a win.

At home again for game 2 but this time at the Village Green pitted the Bees against local rivals Randwick-Petersham. TJ must have used a dud coin as Randwick won the toss but it didn't change the outcome as they sent Uni in to bat. The loss of early wickets as batsmen failed to handle the swing of the Randwick bowlers saw Uni at 4-45. A rescue mission was launched by the skipper (40) and **Jordan Habib** (68) putting on 83 for the 5th wicket. A brave innings by Jordan as he was not feeling well and batted for some time with a runner. **Josh Dunning** (52) once again got on top of the bowlers. Our final score of 7-216 was respectable after the shaky start but a strong bowling effort would be required to restrict Randwick in their chase. A couple of early scalps gave us great hope with the score at 2-5 but steady scoring by the middle order got Randwick over the line 9 wickets down with only 3 balls to spare. Another nail biter but this time Uni were the disappointed side. **Nick Kellaway** (2-28) and **Jack Erickson** (2-33) were the most successful of the bowlers.

This season had three matches scheduled before the Christmas break so Uni travelled to ELS Hall after being transferred from Drummoyne then from Ryde. TJ got the call wrong again so Uni took the field against Sydney. Scoring was slow and the first wicket took some time but was not too expensive falling at 22. Wickets then fell regularly on a pitch that was proving difficult to score on. Sydney were eventually dismissed in the 59th over for 123. **Jack Erickson** (3-21), **Jack Jones** (2-9) and **Tom Jagot** (2-22) took most of the wickets. A low target but that can produce some strange cricket (and umpiring decisions!). Our progression was stalled by wickets going from 2-9 to 4-32 then 6-55 making the 124 needed seem a long way off. A captain's knock of 45no by TJ steered the ship home but at the cost of 7 wickets.

We were sitting 2 from 3 as the players enjoyed their Christmas dinner and New Year celebrations. Hopes ran high that the team would power on after the break.

Wet weather then stepped in to halt our progress. Heavy rain had affected the square at the VG for the scheduled match vs Blacktown. After waiting around until almost 1pm the game was cancelled. No points so the same as a loss!!!

Back to DP for the next game vs Western Suburbs and the team would rather forget what happened here. A solid and steady bowling performance with wickets shared around meant Wests scored 6-193 off their allotted 60 overs. After our chase vs St George on this pitch just before the break, there was great hope that it could be repeated. Alas it was not to be. A disappointing batting effort with only

Owen Duffy (23) and **Jack Eriskson** (22) hanging around, combined with an umpire apologising to TJ for his decision to give him out and a bowler with the most diabolical action (Murali's arm has nothing on this guy!) meant we were all back in the shed (except there was no shed!) for 106 in the 49th over.

We were now 2 from 5 and a place in the finals would have to wait for another season.

The extinguishment of our hopes for this season must have weighed heavily on the players as they travelled to Rosedale to play Fairfield-Liverpool. About the only thing to go right today was TJ winning the toss. Lots of scores in the teens meant the batsman were not building on their start. Only **Josh Dunning** (26) stood out. A score of 112 was never going to be enough against a club as strong as Fairfield. Our bowlers tried their hardest and must be commended for making Fairfield's task as difficult as possible but in the end they passed us 6 down in the 45th over. **Tom Jagot** was the outstanding bowler with figures of 4-20 from his 12 overs.

Jensen Park was the venue for the season's last game vs Bankstown, the eventual winners of the AW Green Shield for 2010-2011. Bankstown had not lost a game but the Uni boys seemed ready for a challenge. Once again we began in the field. An early wicket gave us hope but the next pair would prove difficult to remove. With the score at 2-96 and a high run rate it looked like a tough day was in the offing. Bankstown's top batsman was dismissed with the score at 140 and it appeared as though 300+ might be our target. A remarkable team effort in the field and by the bowlers led by an injured **Tom Jagot** (2-39) and **Jack Erickson** (2-46) and an outstanding spell by **Josh Dunning** (3-35) bundled them out for 201 in the 55th over so it was game on! Our pursuit however started disastrously to see Uni 3-7. A recovery was then mounted by TJ (78). **Josh Dunning** contributed a handy 21 whilst being subjected to disgraceful abuse from the opposition players going unchecked by the umpires until they were forced to step in at Josh's dismissal. Too late. **Tom Jagot** hung in there but ran out of partners and threw his wicket away in desperation. Uni finished on 132 but the game was closer than the scores indicated.

A tough season for a very young team as most players will be available again next season. The team showed that they do have the ability to play well and with maturity and some experience I have no doubt that many of these players will progress to higher grades when they finish school.

Jimmy Day was magnificent in his handling of the team at training and games. I hope the boys realise how valuable Jimmy's coaching will be as they progress as cricketers and young men.

I hope these young men realise what great parents they have. The support for the team throughout the campaign was magnificent both on and off the field. Jimmy and I greatly appreciate all the support we received. Many parents also assisted with the task of scoring and their help is greatly appreciated. Also many thanks to **Murray Creed**, **Dave Jebb**, **Matt Garland** and **Henry** for attending the trials and training. And a thank you to all the grade and Poidevin-Gray players who came to the matches ... your presence lifts the spirits of these young men and makes them feel part of the club.

AUSTRALIAN UNIVERSITY CHAMPIONSHIPS

Silver Medalists - Australian University Championships, Bendigo

Back (L-R): Nathan Woellner, Tom Atallah, Ben Aggar, Luke Ford, Phil Hartig-Franc, James Pepper.

Front (L-R): Clayton Wills, Charlie Wakim, James McNeil, Nick Walker, Manas Choudhury, Andrew Redman.

An immediate departure following a Poidevin-Gray Shield game saw a late night flight to Melbourne followed by a midnight drive through some beautiful Victorian countryside en route to Ballarat. On arrival in the small country town our team driver **Luke 'fast' Ford** managed to guide our vehicle the length of Ballarat's main street on the wrong side of the road, with the boys hoping this would not be a reflection on the ensuing campaign.

An early morning rise after minimal sleep saw the team split into the three cars to travel to the ground. However talented the cricketers in this group were, a pit-stop team we did not make. **Manas 'can-skull-a-beer' Choudury** managed to leave the head-lights on overnight. With a couple of extra car trips and Fordy managing to find the left side of the road we managed to arrive at the ground.

With two games scheduled for the day a big warm-up was undertaken and the Bees hit the ground running. Fortunately Fordy's misdirection with the steering wheel was forgotten and he managed to reduce Monash University to 3 for not many after just 4 overs. With **Fordy** (3/14) and fill in wicketkeeper **Nick 'Richard Chee Queue' Walker** (who took the most dismissals for the tournament) combining several times early on in the match setting the standard for the rest of the tournament, the boys were in a punishing ruthless mood accounting for the total of 121 with minimal fuss and only 3 wickets lost.

A quick nap and a re-cap from 'cheeks' on how many catches he had taken (a skill which he would retain throughout the tournament) prepared the team for the second game of the day taking on QUT. An early released form guide was provided from the competition organisers naming this opposition as a potential threat to UNSW. This was not the case with the Bees letting loose and every player firing. Winning the toss and electing to bat **Nick Walker** and **Andrew Redman** blitzed QUT with a great opening partnership with Walks scoring 44 and Redman compiling runs beside him. **Charles 'nobody' Wakim** and **Jimmy McNeil** also compiled a run a ball 50 and 30 respectively, with **Ben Aggar** leaving red ink next to his name on the scoreboard, a common phenomenon throughout the tournament providing the Bees with a total of 164. With **Fordy** and **Jimmy 'Doctor' Pepper** taking early scalps the

Bees were off to a flier. Some tight bowling from **Nathan 'Phil' Woellner** and **Phil 'Ive-been-known-to' Hartig-Franc** made the task much tougher for QUT. **Tommy 'Taree' Atallah**, inspired by his return to the country showed his class taking 4 for 34 off his 4 overs and bundling the opposition out for 101 culminating in a 63 run hiding.

Day 2 saw an early rise once more to take on Melbourne University. This match lived up to tournament expectations providing match of the tournament. Melbourne Uni were reduced to 138 by **Jimmy Pepper** and **Hartig-Franc** who took wickets while **Fordy** was again miserly. Some poor fielding allowed Melbourne Uni to record a much higher score than should have occurred. After losing early wickets the Bees were reduced to 2 wickets down before reaching 10. **Jimmy McNeil** joined **Andrew Redman** at the crease and the two put on a partnership reaching just short of 100 with McNeil making 38 and Redman compiling a crafty, integral 73, with **Ben Aggar** once again the not out batsmen. This match came down to the last ball with the Bees requiring 3 to win. Andrew Redman slapped a ball through the covers only to be run out attempting the third run. A bowl off would be required to separate the two sides after a tie was the result! Each side selected their 5 best bowlers, and the bowl off commenced. The first 8 players missed and young Central Coast recruit **Clayton Wills** was the star, winning the match on his own back in a high pressure situation.

The afternoon saw the Sydney derby with UNSW taking on USYD. Batting first and possibly showing signs of tiredness the Bees only managed 116 with no real stars with the bat and our lower order tested for the first time. Taking the field acknowledging 116 was not a score where you can tie down the opposition the Bees looked to take wickets. Good spells from all the seamers saw a slight black and yellow revival but this was diminished as a USYD side consisting of 6 first grade players and 5 second grade players ran over the top of the Bees with only two balls remaining.

Day 3 saw the bees sitting on top of the table and they would stay there as the rain set in and washed out the day's play. A day was well spent with Will Ferrell's comedic genius displayed numerous times and a poker match of massive proportions taking place with **Hartig-Franc** taking home the 'Johnny' cash. This day also saw a spat between two of the Bees top order with **Walker** and **Wakim** trading blows all night. This fight threatened to de-rail the Bees hope for glory. Emotions were tamed and Chuck and Nick sorted out their differences over some sambucca and an early morning screening of the magic bullet infomercial.

Day 4 saw the bees take on Melbourne University in the gold medal match. Batting first the Bees lost early wickets once again and the responsibility was placed on **McNeil** (17) and **Aggar** (41) with the score at 3 for 30 after 8 overs on a green deck. The two combined for a partnership of 41 with **Nick Walker** (11) at the top the only other player to reach double figures. **Aggar** showed his skill and ability to protect his wicket in compiling a dignity saving dig escalating his tournament average to 93 after only being dismissed once. The Bees set about defending the small total and started well with **Jimmy Pepper** taking 3/19 off 4 in a great spell. Dropped catches and a middle order partnership saw the Bees knocked out of the match with 108 never really posing a threat to Melbourne University.

Post tournament ceremonies were carried out with UNSW players presented with their silver medals for the second year running. **Andrew Redman** and **James McNeil** were awarded with selection in the Australian Green and Gold T20 merit side. Many players were unlucky to miss selection and a great team effort saw a near perfect performance. Hopefully next year sees the boys achieve higher success and take home the outright tournament honours.

Thank you must go to the UNSW sport and recreation staff, **Phil Hood** and the UNSW cricket club for its assistance in the organisation of the tournament.

COUNTRY TOUR – ORANGE AND DUBBO

On 8 February, 10 young men and Bandit set out by the treacherous mountain crossing to reach the lands of the far central west where cricket is played to the death. Our minibus was the first casualty, overheating near Lithgow. Aviation expert **Luke Ford** teamed with driver **Bandit** to apply ancient cooling techniques while **Wakim** and **Walker** annoyed the traffic. With the bus back on the road it was then revealed that **Talay** had pashed Hugh's girlfriend. **Talay** pleaded for his life claiming it had been at age 12 and nothing had come of it. A call to the young lady confirmed this and peace was restored momentarily, though the evil that resides in **Talay** had made an ominous first appearance.

Upon arriving in Orange, **Bandit** parked in a handicap zone as this was the only place that could fit our bus and trailer. He would later fight the council for \$400 and lose, the Council agreeing with Mr and Mrs Wakim that Chuck is not handicapped, but just has his own special ways. A quick feed and on to the oval for the day/night match with Orange.

Skipper **McNeil** won the toss and set out with **Bandit** to open the innings. Bandit struck two magnificent boundaries in the first over, one of which was so pure and straight that **Tom Atallah** immediately phoned his father in tears sobbing that he had finally seen the light. **Gallop** scored some runs and **Chuck** looked like **Ben Wakim** in full flight compiling a masterful 49 which he would later exaggerate, repeatedly telling girls at the pub that he got 50 despite objections from his teammates. **Tremain's** mum bought pizza which was kind.

With 190 to defend, **Tremain** set about embarrassing his former friends with a scary piece of bowling. He dismissed some people, maybe 2 or 3, before **Fordy** was less scary but just as effective. **Talay** came on and removed the tail and maybe **McCoy** got some poles (obviously this was 4 months ago and I don't have the scorecard in front of me). They were shared around anyway.

What I do remember was that we rissold Orange for under 50, which meant an early start at the pub. With the promise of an open bar for each victory, the boys set about demolishing the tab and later it was revealed that Orange's GDP had risen 1.4% in under 90 minutes. **Walker** could no longer stand not being the star of the show and launched a furious assault on SOD (**Tom Gallop**) who was lucky to survive with one nut let alone two. **Walker** was later arrested and issued an AVO by David Gallop and deregistered from Sydney Grade Cricket. Calls to David Gallop confirmed that this was beyond his jurisdiction, and Walker is now prevented only from playing NRL. There were numerous Barr Turn worthy events in the evening, most of which are covered by a non-disclosure agreement the players signed prior to the tour.

In the morning, the manager came down and upon seeing my large print UNSW CC shirt, enquired as to which team I played for. When I told her, she replied that UNSW had really blown it last night. I replied that in fact, we had thrashed the unworthy opposition. She replied that she was referring to our behaviour, and I replied by telling her that I would respond following my media commitments.

We fled town quickly after that and arrived in Dubbo choc full of confidence but lacking in rest and fitness. Batting first against Dubbo we battled hard to 185 or so off our 45 overs. **Bandit** got 40 odd before being run out while stopping for a nap the last ball before drinks. **Tremain** got a few to delight the locals and we felt it was enough on a very slow wicket and an even slower outfield. Some young kid took advantage of our schoolboy fielding to smash 70 odd, cleverly foiling the long outfield by repeatedly hitting them aerially into the car park. They won with wickets and overs in hand. **Bandit's** dreams of steering the bus home (he was the only driver aged over 25) were dashed when a straight drive damn near took his ear off and managed to bend a finger in a way not previously thought possible. He was ruled out of cricket for three weeks and driving for 2 days.

Tim Cox was there but everything he did seemed above board.

Overall the boys had a great time and thanks to **McNeil** for captaining and **Fordy** for driving back. Our thanks also to the Amaroo Hotel who looked after us better than we deserved.

After being lulled into a false sense of security in Orange the previous day, a cocky University of NSW cricket side was thoroughly dismantled by Dubbo at No.1 Oval on Wednesday.

The hosts took the match by six wickets to leave the accomplished Sydney side with a 1-1 record on their country tour.

University of NSW beat Orange by 143 runs on Tuesday and walking to the toss on Wednesday asked Dubbo if they could bat first.

A recommendation was made that the coin be tossed - the result being that the visitors won it and elected to bat.

Dubbo's opening bowling

combination of Tim Berry and Ben Strachan kept things very tight.

University of NSW opening pair Jim McNeil and Sanny Bhandari saw the pair off but McNeil didn't last much longer, falling to Doug North in the Rugby all-rounder's second over.

Tight bowling was the order of the day throughout the visiting side's 45 overs, with Dubbo wicketkeeper-batsman Jason Ryan maintaining it was the key to victory.

"They are taught down there to play very correct and if you put the ball in a good area they tend to just block," Ryan said.

"If you stray onto their pads or are wide outside off stump it gives them a licence but as a rule they play disciplined cricket but not fast-scoring cricket."

At the end of their 45 overs, University of NSW finished with a

score of 5-178 with Danny Bandhari top scoring with 41.

North was the pick of the Dubbo bowlers with figures of 2-37 off nine overs.

In reply Dubbo started slowly and worked hard to put themselves in a position to launch a late attack.

The tactic worked with Jordan Moran (71), Paul Hulthen (45no) and Jason Green (45no) doing the bulk of the scoring as the hosts chased down the target for the loss of four wickets with nine overs remaining.

Ryan said the win was much-needed by the Dubbo representative side, whose previous match resulted in a rain-marred loss to Orange late last year.

The loss cost the team a shot at the SCG Country Cup and was on the minds of the players heading into Wednesday's match.

"Before the game we spoke

about sending a message to Orange that we are a better side than them and also sending a message to the University of NSW," Ryan said.

"They sent a pretty young team out. They were good cricketers but hopefully in the future they will realise we take our rep cricket seriously out here."

For the Dubbo players it will be a return to club cricket tomorrow with the battle for the Whitney Cup intensifying.

RSL-Colts stalwart Ryan said he was hoping Macquarie hard-hitter Green's innings on Wednesday wouldn't give him too much confidence heading into their clash tomorrow.

"We're in a good position at the moment but they have to bat again this week," Ryan said.

"Hopefully 'Greeny' has scored his runs for this week."

■ SCOREBOARD: PAGE 66

The local paper in Dubbo, the *Daily Liberal*, took great delight in reporting the Dubbo representative side's convincing win over the Bees.

It was great to see another country tour by the Bees – something that has historically, like Uni Games, been an integral part of the UNSWCC calendar and will hopefully once again become a permanent fixture. Which country towns will be swarmed by Bees next season? – Ed.

UNIVERSITIES WOMEN'S CRICKET CLUB

The Club got off to a slow start this season owing to a collapse in the administrative area. Several contributors from last season were burnt out and others had moved on with study and work commitments with no time to volunteer. Also involved was the loss of some key playing members, notably **Kate Blackwell**, who retired from the game altogether, and **Lisa Sthalekar**, who returned to her original club Gordon. We thank them both for the contribution they made to developing the combined universities club and wish them well for the future.

Thanks to the interest in the progress of the club by Matthew Phelps at SUSF, I was called back to help in the administration and rally the members. We formed a new committee and with assistance from both the SU and UNSW men's clubs, we managed to register 1st and 2nd grade teams in the Sydney Competition which started on 10 October 2010. While we struggled to fill these senior teams with 11 players every week and saw little success on the field, we were thrilled to receive the Spirit of Cricket award at the SCA presentation night on 6 May. This award is decided by the umpires' votes on each game and was an acknowledgement of our players' efforts and sportsmanship throughout the season. We were also delighted that our Junior Division team finished 4th after being beaten in the semi final of the Rivers Competition—well done girls, you saved our playing reputation! And thank you **Alison Parkin** for managing the team to this success!

Of course we were proud of our members who won representative honours during the season and we congratulate them wholeheartedly:—**Alex Blackwell**, captain of the Australian Southern Stars team that won the one-off Test Match v England in late January as well as taking NSW Breakers to another victory in the WNCL; **Alison Parkin**, who played for NSW v South Australia, **Kate Owen** and **Sara Hungerford**, who both performed consistently for ACT in the WNCL; **Erin Burns**, who did a great job for Tasmania also in the WNCL; **Helen Laughton** and **Melanie Driscoll**, who played for NSW in the Imparja Cup; and **Fraser Wunsch** and **Tayla Seymour** who were part of the ACT U18 Squad. Is it any wonder though that we struggled to get full teams on the park when representative games took so many of our players.

The Club also participated in the Cricket Australia Pink Stumps Day in February and raised a tidy sum for the McGrath Foundation. Thank you to all the members and families who supported this project as well as our club fundraising ventures. The fact that we managed to participate so well in all on- and off- the field events this season was mainly due to the efforts of **Laura Cornfield** who deservedly won the Club Person of the Year Award. Laura picked up the administrative reins in August and spent the first few months in catch-up mode. But once into the swing of things, she maintained the enthusiasm of club members with her weekly email newsletter and positive attitude. Thank you Laura for a job well done!

The Club has drawn up a three year Strategic Plan and, while we optimistically expected to achieve much more this season, the outcome has been satisfactory and we have to face the reality that we started our season too late. To correct this for next season we have already begun to implement our goals: firstly, with **Alex Blackwell** conducting a number of school clinics during March and April in order to establish a Brewer Shield (U17) side that will feed into our lower grade teams, and secondly, booking indoor nets to start pre-season training in August. These actions should have us more prepared for the start of the 2011-2012 season.

On behalf of the club, I express our gratitude to **Matthew Phelps**, **Geoff de Mesquita**, **Gary Whittaker** and **James Walsh** from the SUCC who have been with us throughout this season's journey supporting us all the way. Also to **Andrew Jones**, President of UNSWCC, who helped us voice our concerns to the SCA regarding some of the issues in women's grade cricket in Sydney. We hope to continue our great relationship with the two clubs next season as well as with SUSF and UNSWSA, the parent university sports organisations who have assisted us so well.

Whilst we endeavoured to meet all our obligations to SCA in a timely and effective manner during the season, there have been a couple of issues that we have had to sort out with the Association. We do thank **Kate Evans** and **Ian Field** for their advice and guidance in these matters and assure the Association that we aim to be professional at all times.

I also take this opportunity to thank **Josephine Sukkar** for the financial assistance from our sponsor Buildcorp and for her support of the club this season. We are very pleased to welcome the same sponsor as for the SU men's cricket club and hope that we have some better results to show them next year.

Finally I thank all the members and families who supported us throughout the season. We are proud of all our players and look forward to next season with great excitement.

SCG TEST MATCH (CHRIS O'NEIL MEMORIAL) BREAKFAST

With our friends from the Wests Cricket Club, we held the eighth Chris O'Neil Memorial Breakfast at the Sydney Football Stadium, prior to the second day's play of the Australia vs England Test match, on 4 January 2011.

This was the tenth anniversary of Chris O'Neil's tragic death from injuries received during an epileptic seizure and it was fitting that our selected charity to receive half of the funds raised was the epilepsy unit of the Sydney Children's Hospital at Randwick.

In the lead up to the Breakfast, we on the organising committee were fortunate to come to know and see the work of the dedicated staff at the Hospital and it was also very humbling for us to be exposed to the difficult and often tragic lives led by children who suffer from this condition.

287 attended the Breakfast, and our feedback seemed almost unanimous in the view that it was one the better, or perhaps even the best, of the eight we've had. This was in large part due to our high calibre line up of guests and their uniformly generous and entertaining contributions.

Our guest speakers were MC Jim Maxwell, Michael Clarke (who, despite having been recently anointed as Australian Captain, again kindly gave us his time before heading off to play – and received some harsh Cricket Australia criticism for his trouble), Phillip Hughes (ditto, except for the captaincy bit), Mitchell Starc, Dr Annie Bye (from the Sydney Children's Hospital), everyone's favourite Pommie commentator, Jonathon Agnew, and our beloved and talented Slat who, never one to park out the media safe version when replying to probing questions, stole the show with a thought provoking and entertaining stint at the microphone. Our other favourite son, Henry, for the first time in the history of the Breakfast, wasn't available (due to IPL commitments), but in true UNSW style (and complying with our unofficial rule of not being able to step down from any club position without finding a replacement) mobilised Slat for us at short notice. Thanks again H.

The Breakfast raised \$10,000 for the Children's Hospital's epilepsy unit and this money will go towards providing much needed nursing assistance for the unit – essentially one epilepsy nurse for three months.

\$4,500 was also raised for both UNSWCC and Wests, which will go towards our respective scholarship and coaching costs.

DAVID JEBB

IN2CRICKET ACADEMY

The club once again hosted an in2CRICKET Academy that ran for 12 weeks. Around 50 kids registered for the Academy with ages ranging from 4 to 8 years old.

The sessions were fantastic and the kids enthusiasm was great. The season is summed up by testimonials like this:

Hi Matt

Thank you and the coaches for a fabulous 2 part cricket skills programme of in2cricket with the UNSW. Michael had a ball and really enjoyed his group of kids and has really got into his batting, bowling and fielding this year. Having it in 2 parts was well thought out, as it gave them something to look forward to after the school holidays, other than going back to school.

I would like to thank all the guys that came along each week to help coach, especially Academy Coordinator, Wil Lindsay, and all the fantastic coaches that came along to help out. We couldn't do it without you all.

The season as a whole was fantastic and the presentation that was held on the SCG was a real treat for all who attended.

There are big things planned ahead with the formalisation of the relationship between the UNSWCC and Randwick Juniors. Specialised coaching clinics are already being planned and a bigger and better in2CRICKET Academy is on the horizon.

MATT SANDERS

As part of the club's new alliance with Randwick Juniors, our in2Cricket participants enjoyed their presentation day at the SCG. Big thanks to Matty Sanders (pictured at back) for organising another successful season of in2Cricket, and also Wil Lindsay for coordinating the coaching each week.

SNAKE ROUTER CUP

The third annual Snake Router Cup was once again held as part of the club's Christmas Party. For a change, clear skies allowed a full game with the President's XI running out victorious by 2 runs.

CAREER STATISTICS

OVERVIEW

The individual, team and partnership records published on the following pages are for those seasons since the clubs inception into the Sydney Grade Competition (1973/74). For records prior to this time, refer to the 1972/73 annual report, which was the last for the clubs affiliation in the Municipal & Shires Competition.

TOP CAREER STATISTICS

The table below outlines the minimum requirements that have been applied when printing the top career statistics on the following pages. When these minimum requirements have not been met, the top 5 players have been published. Current players have been highlighted in ***bold italic*** type:

More detailed career statistics can also be found on the clubs website www.cricket.unsw.edu.au

QUALIFICATION CRITERIA FOR CLUB RECORDS

The following table outlines the requirements needed to hold club records. The top player (s) who meet the criteria each season have been listed in the **Records By Season** section of this annual report. Current record holders have been highlighted in **bold** type. Records can be held by multiple players.

In seasons where the minimum qualification requirements have not been met, the following criterion in *italics* has been applied (player statistics in the **Records by Season** section for seasons of non-qualification have also been printed in *italics*):

Competition / Grade	Batting		Bowling	
	Qualified	Non – Qualified	Qualified	Non – Qualified
Two Day Competitions **	250 runs	<i>Min. approx. 4 inns</i>	15 wickets	<i>Min. approx. 40 overs</i>
Limited (50) Over Competitions (1LO, PG, AWGS)	150 runs	<i>Min. approx. 3 inns</i>	8 wickets	<i>Min. approx. 30 overs</i>
1st Grade Twenty / 20	100 runs	<i>Min. approx. 3 inns</i>	5 wickets	<i>Min. approx. 15 overs</i>
** Records for 1 st Grade are a combination of the Two Day, 1LO & 1T20 competitions.				

All available information relating to bowlers **Hat Tricks** and **10 wickets taken in a match** has been listed in the **Records by Season** section of this annual report.

Explanatory notes for codes used in the Records by Season section:

# = Information unavailable	7=Moore Park Competition - Second Team (referred to as "7th grade")
CS=City & Suburban Competition	
SD=Sydney Shires Competition - D Grade	MC=Metropolitan Cup Competition
M1=Moore Park Competition - First Team	UB=Uni Boonies (Moore Park Competition)

PARTNERSHIP RECORDS

Highest partnership for each wicket (per grade) have been listed, as well as; a) All other partnerships of +150 for two day competitions; b) All other partnerships of +100 for LO competitions; c) All other partnerships of +50 for 1T20 competition. Otherwise, the top two partnerships only for each wicket have been listed.

RETROSPECTIVE CHANGES DIARY

2007 – 1LO - The Sydney Cricket Association made the decision to combine the statistics for 1st grade two day and 1st grade limited over (50 over's) competitions for historical purposes. (Which was not done in the initial seasons following the inception of the 1st grade limited over's competition in 92/93). As a result there are some changes to the records that have been published in past annual reports.

June 2010 – 1T20 – The Sydney Cricket Association made the decision to combine 1T20 statistics for the 2009/10 season with the other 1st grade competitions (as 1T20 games formed part of the 1st grade competition) As a result there are some changes to the data that was published in the 2009/10 annual report. However, the inaugural season of the 1T20 (2008/09) still remains separate from the rest of the first grade statistics as it did not form part of the 1st grade competition that season, and was run as a separate tournament. **To be clear** – 1T20 statistics from 2008/09 now contribute toward player 1T20 career statistics, combined season statistics for 08/09 and player combined career statistics, but do not contribute toward player 1st grade statistics.

INITIATIVES

The clubs statistics are in a constant state of review and improvement. Efforts to source and fully digitise scorebooks from past seasons continues, with a view to publish a complete UNSWCC statistics almanac in the future. Any errors found when digitising scorebooks have been corrected which has resulted in some minor changes to certain player's career statistics. The **scorebook digitisation table** on the following page outlines which seasons / grades have been fully digitised, and to what level they have been digitised (based on the information currently available). Since the last annual report, a large amount of emphasis has been placed on getting the office bearers, award winners & representatives section complete and up to date. The task of scanning and posing past annual reports and other publications on the clubs website also continues.

ACKNOWLEDGEMENTS
