PRESIDENT'S REPORT

Another exceptional season at UNSWCC has drawn to a close. There are many highlights:

First Grade did us proud by claiming their second successive Minor Premiership, a feat achieved just four times before in Sydney Grade Cricket history. With the exception of an anomalous week early in the season when they were briefly overtaken by St George (anomalous because 1s were undefeated and had beaten Saints the day before in the Twenty20) 1s were first on the ladder all year, and indeed have been since all the way back in November 2011. The fact they accrued 92 competition points in 16 games (with 6 points for a first innings win) illustrates their dominance.

A semi-final loss to Sutherland hurt, especially after exiting at the same stage a year earlier, but did little to diminish the achievement. In the closest Player of the Year contest in memory, **David Dawson**, **Jimmy Day** and **Chris Tremain** all had stand-out seasons, with Jimmy also playing one of the great knocks of club history – coming in at 4-33 (later 6-48) and making 118 no in 422 minutes to get us to a competitive 258. Our six-prong pace attack of Tremain, former Dorset man **Richie Banham**, Glamorgan's **Michael Reed** and all-rounders **Tom Rogers** and **Jimmys Day and Byrne** also bowled up a storm, taking 168 wickets at 16 between them – more wickets and for fewer runs than any other club.

Tremors having his say during the T20 Semi-Final versus Campbelltown-Camden at North Sydney Oval. Earlier he had spanked 56no from 28 balls to take the Bees from 7-67 to 7-157 off our 20 overs.

Our Tim Creer Cup side took home the club's first premiership in any grade since 2004-05 with a dominant display in the Final. They showed exceptional skill and spirit, ably led (and more importantly in lower grades, organised!) by **Chaanuk "Choppy" de Silva**, and really illustrated what this club is about – everybody having a go, doing their best and celebrating success equally regardless of the grade. Standout performers included veterans **Peter 'Jerry' Maguire** and **(Dr.) Bikram Karmarkar** and pace quartet **Alexis 'Lonnie' Coovre**, **Kamal Kishor**, **Max Brandy** and **Syed 'Bas' Raza**.

Our varsity T20 team took out the Australian University Championships and won the right to represent Australian universities at the Red Bull World T20 Campus Challenge in Sri Lanka. **Charlie Wakim**, **Tom Atallah** and Randwick's **Geoff Ashmore** were selected in the Green and Gold Merit team for their outstanding contributions to the win.

The club finished fifth in the Club Championship, the first time we have achieved our goal of finishing in the Top 6 in some years. Indeed we would have finished fourth had it not been for an unfortunate 3-point penalty to Second Grade for failing adequately to cover a pitch! First Grade, Second Grade and Green Shield were all strong contributors.

Our Green Shield and Metropolitan Cup sides both made the finals, the Greenies cementing the progress they've made under the leadership of coach **Jimmy Day** and managers **Simon Jagot** and **Mick O'Brien**, and the Metro boys (with whom I was fortunate to play a few matches) highlighting the leadership qualities of skipper **Alex Charlwood**, not to mention the value of

quicks who bowl outswing (**Ravi Autar, Matt Rowe**) and a Canadian U19 all-rounder (**Trevor Manoosingh**) who can't play higher grades because of SCA overseas player rules.

We continued to produce players for representative cricket, with **David Dawson** and **Chris Tremain** regulars in the NSW Shield and One-Day Teams, **Timm Van Der Gugten** completing his first season with Tasmania (and continuing to represent Holland with distinction), **Dan Christian** winning the Big Bash League with Brisbane Heat, and he and **Tom Cooper** again playing for South Australia in first-class and List A cricket. At age level, **Tom Jagot** and **Zach Churchill** represented NSW at the Australian Under 17 Championships, while at season's end former Bee **Josh Dunning** (who now lives in Perth) was selected in the Australian Under 19 squad. Tom, Zach and **Nick Kellaway** were also named in the first NSW Under 19 squad (33 players) for next season. Likewise, Green Shield stars **Declan White** and **John Venianakis** were named in the NSW Under 17 squad for 2013/14, with John also making his First Grade debut and sensationally snaring a wicket first ball!

The R.Premadasa Stadium in Colombo, Sri Lanka was the venue for the Red Bull World College Cricket Championships – an unbelievable experience for our AUGs champions as they got to experience the life of cricket superstars for a week. Here we are taking on D.A.V.College Chandigarh (India) under lights. Special thanks to UNSWCC Life Member David Carson who is currently living and working in Colombo and took and made sure the boys experienced true Sri Lankan nightlife!

Off the field, things ran reasonably smoothly despite the President's habit of never scheduling committee meetings (there will have been exactly zero between AGMs!). As always, highlights included a memorable Golf Day – it started with Adam Scott becoming the first Aussie to win the US Masters as we all ate breakfast – and an outstanding Test Breakfast, at which Pat Howard and John Inverarity give unique insight into how they are approaching the task of getting Australia back to No.1 in Test Cricket.

We welcomed the Doncaster Hotel back as a club sponsor thanks to owner Michael Patterson and enjoyed the first full season of support from Peter Swan at Bendigo Bank, Clovelly. My sincere thanks go to them.

We also welcomed new helpers this year – in particular **Julie Lawson**, who did a brilliant and selfless job at Café VG taking over from **Chris and Hans Van Der Gugten**, and **Alan 'Kostya' Xu** who scored the majority of First Grade's matches despite not always getting a game himself (he was a vital part of the Tim Creer premiership campaign nevertheless and at the same time had the delightful knack of ensuring First Grade always ended up with more runs than the opposition).

As usual I'd like to acknowledge the many others who have contributed significant time and effort to the club this year, many of whom have been doing so for many seasons. In particular:

Our coaches:

- Head Coach **Tim Lang**, whose skills and work ethic were again outstanding, and who in the second part of the season captained 1s as well – a Captain-Coach in the finest traditions of Group 10 Rugby League! It may be Langy's last season as a player, so extra thanks for eight magnificent seasons (plus one with the SA Redbacks). 245 wickets and 2933 runs in 1s mark you as one of our greats.
- Our "new" Lower Grade Coach, **David Jebb**, and Practice Co-ordinator, **John "Rattler" Lupton** for making things run smoothly at training every week. You can justifiably be proud of the club's improved results this year. Jebby as always also did a boatload of other work off the field.
- Our AW Green Shield coach **James Day**, who did an outstanding job once again, getting our lads into the finals. Jimmy has indicated he won't continue in the role next year so thanks mate for three outstanding seasons.

Our captains - Dawso and Langy (1s), Danny Bhandari (2s), Eric Zehner (3s), Phil Hood (4s), Chris Ward (5s), Alex Charlwood (Metro Cup), Chaanuk de Silva (Tim Creer Cup), Angus Robson (PGs) and Nick Tsoukalas (Green Shield). It takes a lot of work to get XI on the park every week and your efforts are greatly appreciated.

Our Committee, including:

- **Daniel Bowcock** – who completed his third invaluable year as Club Secretary, clearly the least glamorous job in the club now that our 6s and 7s captains get to play finals as well as just wrangle teams! Bowie, you were terrific this year.
- **Phil Hood** – who again acted as Assistant Secretary including taking care of our many ground bookings and organizing a wildly successful Uni Games campaign. (Hoody was deservedly rewarded with a trip to Sri Lanka for the Red Bull World T20 event)
- **Peter Scolari** – who shared the unending paperwork required to keep our finances flowing (and brought up his 50 on a memorable afternoon at The Steyne Hotel!)
- **Darren Sue** – who secured a significant chunk of those finances by unstinting commitment to accurate billing and collection of fees, in addition to flawless stats, archiving and annual reports. A true rock of the club.
- **Matt Garland** – who used those finances to single-handedly clad and equip the whole club for at least the third or fourth year in a row. Also a premiership player.
- **Alex Charlwood** – who continued to edit the website as well as captain a very successful Metro Cup campaign
- **Mickey Rea** – who scored plenty of First Grade along with Kostya, and is always willing to help when things need doing around the place, from running a fielding drill to moving kit between storerooms, to manning a BBQ when required
- **Chris Ward** – who captained a team in sometimes trying circumstances and offered sage advice when required.

Our legendary Life Members:

- **Geoff Lawson** – quite simply, 'The Man' at UNSWCC
- **Matt Sanders** – runs the Golf Day (largely by himself), the in2Cricket program (with Wil Lindsay) and represents us at the NSWCA and SCA.
- **Paul Serov** – represents us at the SCA knows the answer to every administrative question and continues to organise the Annual Dinner and this Annual Report.

Stars each and every one.

Our other friends and helpers:

- Our groundsmen
- **Terry Stamp**, for scoring again in Second Grade, purely for love of the game
- **Peter "Jerry" Maguire** – for his efforts maintaining the stats database and the club website, for putting together the stats presentations for the Annual Dinner and also for his runs, wickets and catches in the Creeries' premiership
- All at UNSW Sport and Recreation – for providing grounds, scholarships, elite athlete support and accounting support – especially Helen Bryson, Mark Lockie, Craig Davis, Alex Smith and Michael Goh.
- Neil Morris and Vice-Chancellor Fred Hilmer for seeing the role UNSWCC has in improving the student experience, binding Alumni more closely to their alma mater and promoting UNSW across the Sydney cricket community

Special mention goes to three people changing roles this year:

- **Mick O'Brien**, who retired as First Grade and Green Shield Manager at season's end after 5+ years of outstanding contributions in the most time-consuming role(s) at the club. Thank you Mobby – you will be enormously difficult to replace.
- **Simon Jagot**, who will stand down from the committee but hopefully continue to make his excellent contributions to the Golf Day, Green Shield and various fundraising initiatives (including \$5k raised from sale of wine this season and another few grand in sponsorship)
- **Danny Bhandari**, who again captained 2s, chaired selections, endowed a scholarship and much else, and will hopefully take over from me as President after the AGM. The club is in excellent hands.

Finally, may I thank all Bees past and present for your support over the past four seasons as President, plus a shadow season as Deputy President. It's been a great privilege to lead the club in this period and an even bigger thrill to see us improve on and off the field. First Grade's performances the past two years have been a source of genuine delight as has the ascent of the Bees up the Club Championship and of many of our players to higher honours. I can claim little credit but much joy.

I am particularly grateful to the players and administrators who have got us through the dark times and back into the light. We were First Grade runners-up in 2004-05 but with the loss of Cooper and Christian to SA had fallen to last on the ladder by 2008/09. Tim Lang and Murray Creed stayed strong through this period and were joined by players who took a risk to join (or re-join) us, such as David Dawson, Chris Tremain, Mitch Gowland, Greg Clarence and all the Jameses – Henry, McNeil, Byrne and Day. Strike bowlers such as Charlie Matthews, Pat Molinari, Richie Banham, Mike Reed and spinner Louis Talay helped greatly too.

Going further back, the club was close to oblivion in 1997 when Chris Chapman and the late Keith Steele fought so hard to keep us in the Grade competition. Administrators such as Peter Jourdain, Jim Dixon, Matt Sanders, Paul Serov, David Jebb, Peter Richardson and Mick O'Brien got us back on our feet and through to the present day, ably assisted by players such as Carson, Robson, Christian, Livingstone, Slater and many others. And of course Henry has been a constant throughout.

Thank you all – you have been an inspiration. The club has had a long and at times difficult journey, and is yet to realise its full potential. But it's starting to get close. Good luck Bandit – and all Bees – with the next stage of the journey. I can assure you UNSWCC will have Cricket NSW's full support!

Cheers
Jonesy

ANDREW JONES
PRESIDENT

The crowd stormed the pitch at David Phillips South after the Tim Creer Cup team wrapped up the Premiership with a thumping win over Lindfield. Henry took timeout from his golf game to take photos of the final moments from his vantage point up at Bonnie Doon.

The old practice wickets and the tennis courts disappeared a couple of years ago to make way for the new Tyree Energy Technologies Building. Unfortunately, the builders did not take into account the fact that they built it next to a cricket ground – and so in Round 14 a Gordon 2nd grade batsman took the opportunity to do a bit of remodelling courtesy of a delivery from our South African import Rico du Plessis.

TREASURER'S REPORT

It is with pleasure that I provide the 2012 Treasurer's Report. In short the club is financially sound and as I write this report had approximately \$110,000 in its bank account with only approx. \$2,000 in current liabilities.

Whilst we aren't breaking any records financially we have managed to make modest surpluses over the past few years by watching our spending carefully and holding fundraising events such as the Golf Day and Test Match Breakfast amongst many others.

By way of background, I have been managing the Treasurer's role remotely from Dubbo for a number of years but it has to be said that the financial results and current shape of the club is primarily due to a number of great people within the club.

Thank you to Andrew Jones who is very financially savvy and the "Warren Buffett" of club cricket. Mind you he was also known as a 'Buffet(t)' when he bowled for the club so his skills in this area are not that surprising.

A big thanks must go to Suey who managed the invoicing and collection of cricket fees and as Jonesy says "He always gets his man!" Whilst our players were quite good in getting the fees in, the whole process of invoicing, delivering, collecting and providing updates is a massive job. This is an area where leakage could easily occur but this has been tightened up brilliantly and he won't even have to have an Underbelly series named after him as his threats to come and join the same team as those who were dragging the chain and watch him bat was an instant game changer in the liquidity stakes.

To Danny "Good For 50 Beers" Bhandari, thank you to you and the committee for organising sponsorship.

To Julie Lawson and all the crew that assisted with the canteen – great job! Record numbers of Snakes & Pythons were sold this year and getting Bob Patterson to place his photo next to these on the prices board & put on an apron & serve behind the counter was an absolute marketing wonderstroke.

Jebby – your help with the Test Match Breakfast was simply amazing. Sending out brochures and getting people to part with \$150 only for them to realise on match day that it involved sitting in a café under the Noble Stand having bacon eggs playing a board game was pure genius. I am looking forward to having you over for breakfast each morning at Pratten Park from this September. (Not only does Jebby actually look like Keith Richards, he raises as much money as Keith does playing at Wembley Stadium).

Matty Sanders – your efforts in raising a fortune on the golf day was only matched by your score on the course itself. Thank you also for your help with In2Cricket.

A special mention must go to Simon Jagot who managed to secure some cheap wine (ironically with his 3 day growth). This raised approximately \$5,000 for the club and the number of Old Boy alcoholics who immediately spotted a bargain when they saw one meant that his email box was jammed for 3 days with surplus orders. Gentlemen – please raise your glass to Simon.

To Bowie – thank you for your help with getting the grants in order. I realise this sometimes may have been a bit of a space oddity trying to get all the documentation together but once you did, as far as grants went we were able to say to the funding bodies "Let's Dance"! In any case, please send me tickets to your next concert.

Garlo – thank you for looking after all of our gear requirements. I haven't seen a gear steward this good since the bloke we saw strapping up Paleface Adios at the Trots Night we had at Harold Park circa 1986.

Finally to all that helped (including my team at work) that I may have missed, a very big thank you and I look forward to seeing more of you all in the coming season.

Note – the 2012 financial statements are printed at the back of this Annual Report.

HENRY'S REPORT

There are those who argue that Sydney Grade cricket is the strongest club competition in the world. An argument that stands up to significant scrutiny. The number of players now representing the home state as well as Australia's other cricketing provinces and indeed foreign counties is significant. Those who have a rural or city origin are distinctly out of proportion with the numbers playing in the nation's other major cities. The notion that 20 is too many clubs in a premier league in a city of 5 million and a state of six and half million is a furphy. The Grade competition supported directly by the Shires cricket and downward toward 'park' cricket is healthy and robust. The measure of the "standard" is subjective and will be constantly changing but the highest is not too distant from the poorest.

I have played and watched in the big smoke since 1976 when there were 14 teams including the newish boys UNSWCC and Nepean (Penrith). The game hasn't changed a great deal apart from twitter and tattoos (both often poorly spelt). To win the Sydney First Grade premiership is difficult. The achievement is the combination of good players, good consistent play and a fair smear of good fortune. The fate of the tosses, the state of pitches, choice of ball, the weather, the vagaries of umpiring and the natural rub of the green which may include batsmen playing and missing copious times and not being good enough to get a nick are all uncontrollable ingredients that make the game fascinating and frustrating. It is hard to imagine it any other way.

The UNSWCC first grade team of recent years have played to a consistently high standard. They created current Sydney Club cricket history by getting first across the line two seasons in a row after the completion of the home and away – the latter by some 17 points which is the equivalent of almost 3 first innings wins. There has been nothing "lucky" or rub of the greenish about their dominance. They have deserved their laurels and the plaudits more perhaps than we, the onlookers and supporters or maybe even they the participants, display.

I marvelled each week at the enthusiasm and dedication laid out by the veterans and the rookies – did we ever have this dedication in our day?? The ability of players to come up the grades when required as Dawso or Tremors were required for representative duties or an injury put someone out for a week or two reminded me of NSW Shield teams I played with who would be decimated by national duty but continue to function with business as usual. It takes a certain elevating confidence and self belief to be able to do this on a consistent basis. Success builds success and the expectation that you can win from any position with any staff is not easily obtained. The Bees of late have that trait and even if they aren't overtly aware, you can see it in each move they make. It's a nice thing to have and you cannot coach it or create it, it forms when each individual knows his job and believes his team mate can get his own job done. This is not about personalities or personal foibles, its about CHARACTER.

Cricket for the most part is about mental toughness (although having some physical resilience is also handy). Whether it's about training an extra 30 minutes working around your employment or playing with a niggle or spending some of your own precious time helping a team mate or showing discipline and refusing to slog when the bowling is tight and the sledging loud. The tough mind wins the battles that lead to winning the matches.

There is no doubt as to the genuineness and depth of disappointment at losing the semi final. Despite the result leaving us on the same rung as 2011-12 the method was very different, more mature, more belief. Despite the poor first hour the team never gave in, they battled to the very last run. That is what good teams do. Winning or losing is virtually irrelevant, the journey is vital and the effort was unquestioned at any degree. **Jimmy Day** made a simply superb century under extreme duress to keep us in the game when most other teams would have tossed the towel in. Test players would have been proud of this dig with gritty and determined support from the tail. I could not fault the bowling as they set records for getting the ball past the bat. The cricket gods had decreed that this was not to be our year but there should be no regrets about the effort or the quality of the response. You can be disappointed and proud at the same time.

A team that can perform well at all three styles of the game deserve plaudits. To make the T20 final was a tribute to an all round game. Such cricket can be won or lost on a whim and luck was not our companion on that day. The 50 over semi went undetermined thanks to the weather at a time when the team was full of winning confidence. The momentum was with us heading into that match and given fair skies I fancied our chances. The players have skills to thrive in all formats. Their basics are sound and will continue to improve, because they have the will to work on every aspect of the game. That's what good teams do.

The team, the squad, have made me proud and done their club, their club mates and the University as a whole proud. The performances of **Dawso** and **Tremors** often go unqualified because they are professional cricketers, but their application and effort when wearing the bumblebee is unmatched. They set a fine example that some of their more feted professionals would do well to follow. If you do the business at club level the rewards don't come simply in the form of a lucre in a contract but as a vehicle for your own improvement and satisfaction. The attitude of these two guys to the UNSWCC is much appreciated and respected by those within the club and its supporters. Long may that continue and long may they have success at state level.

Mitch Gowland has the talent for higher honours and they will surely come with a few more tons and longer bowling spells. Some of his cameos and longer have been breathtaking and destructive. **Jimmy Mac** is acknowledged as the best in the field in Sydney and probably beyond and if he keeps improving session by session, net by net, drill by drill because he wants it so much, then I can see representative cricket in his future. His actions thrill and inspire through all the grades. Determination and

vegetarianism go hand in hand with a 14 degree allowance. If life is framed by desire and filled by discipline James will go far. His contribution to each ball of each match is palpable because he is such a threat by just *standing* at cover and bowlers love impassable fieldsmen.

Burner's all round presence making runs under pressure and taking key wickets combined with his terrific team spirit made him an exemplary Bee. **Langy's** uncompromising "second best is not good enough" attitude and leadership was instrumental in getting that extra yard from the troops. Tough leaders groom tough teams.

Banners' narrow focus and willingness to bowl anywhere, anytime for any number of overs, with one leg amputated as long as no one told him the limb was missing etc, and all the way down the line, made the individuals into a formidable unit.

Louis turning up to bowl at practice despite being assigned full bed rest by his physician was inspirational. **Mike Reed** proved firstly to be a first rate bloke and less importantly a pretty useful bowler, but Reedy's strongest suit may well have been his competitive instinct allied with his immediate allegiance to the Bumblebee tribal pride. He will go far for Glamorgan and perhaps for his country and all in Aus will be happy to see him do so.

The **Wakim brothers** started in the junior Bees Green Shield and will be the mainstays for many years as their skills, responsibilities and competence grow. **Tom Rogers** is just beginning the senior section of his career after graduating the age groups and judging by his fledgling steps with bat and ball in first grade there a future state player contained within the ginger frame. **Tarun Mithanna** made a cameo from Bangalore and disappointed no one with his skill and enthusiasm.

Sixteen year old first graders are rarer than correct spelling in a David Warner tweet but **Johnny V** thrived in the environment provided by the eclectic mentors. For one so young he has a very mature outlook and coupled with a cameo from **Tom Jagot**, also of tender years age is not an issue. There are youngsters to teach and mentors to listen to. It's handy having three keepers in the team and we look forward to **Walks** accepting a deeper role and responsibility to access his budding genius along with stronger roles from **Angus Robson** and the 2nd XI players who are just beginning to realise their potential and realise the mental and physical skills needed to access such potential. If you want to get into first grade you have to earn the spot with runs, wickets and consistency.

From me personally I enjoyed the coaching and the game days with the guys and I congratulate them on some truly fine achievements. Great days indeed, well played guys.

There will be more great days ahead. The job is not yet finished.

GEOFF "HENRY" LAWSON

The ECB sent Michael Reed out to Australia for the summer for some fitness and to receive some expert coaching from Henry. He became an integral cog in what was easily the best pace attack in Sydney. The fact that he has been taking a bag of wickets for Glamorgan in the County Championship suggest his time in Australia was well spent. A great guy who we would love to see back at the Hive!

INDIA - THE GLOBAL CRICKET SCHOOL

India ... WHAT A PLACE! After an intense week of training and treatment from the fantastic talents of 'super-coach' Umesh Patwal and the generosity of Sachin Bajaj – Nick Walker, Louis Tallay and myself [Ed. Tom Rogers] reflected on what could only be described as a tough but great experience which will benefit our lives both on and off the hallowed turf of the Village Green.

Louis and I flew from Down Under and met up with a perspiring figure emerging from the crowd at Mumbai International. This was none other than Nick Walker who flew in from a season in the UK and he was beginning to feel the slight change in temperature and humidity (as all do no matter where you are from). As we met up with our driver and packed up the mini-van we began to brace ourselves for the five hour journey from Mumbai to Pune, in conditions that we weren't often used to. These conditions were the roads! Between the cars, the endless beeping of horns and the Bollywood style music the passengers of our car who had just been part of a fourteen hour flight were being completely bowled over! Travelling along the Mumbai Pune Expressway we witnessed some spectacular country side of which the Sahyadri Mountain Range was definitely a highlight. We eventually reached our accommodation late that night and headed straight to bed with training starting early the next morning.

Each day began with a four hour training session in the morning before it got too hot and then in the afternoons we had an opportunity to see the lifestyle and culture of India. The first two days of training were outside but after heavy rains we were forced indoors to a facility about half an hour away, the drive to this centre gave us a good opportunity for a sleep after training which was always needed! Training with Umesh and other members of the Global Cricket School provided an opportunity to develop our skills. The three main benefits of training in India, with Umesh and the Global Cricket School was the intense training conditions we were exposed to, learning different and effective techniques which aren't taught in Australia which allowed us to gain new and multiple perspectives on the game both at a small and large scale, and to develop our skills on different wickets. Each day we were given the help of four or five young blokes to bowl their offies and leggies at us. After they had fun with us spinning it all different ways we had some lunch and set off with the bowlers to rattle the cages of some shop keepers. With 'Wiki', our main man when it came to snatching up a bargain, we walked up and down the markets snaring ourselves watches, belts, wallets and caps on the way through with each of us having a go at bringing down some prices which were already set at a price "just for us", they said.

On our last day in India Umesh took us to a museum called 'Blades of Glory'. This was home to about every piece of memorabilia you can think of (which some of which can be seen in the following photos). It didn't matter what country your favourite player was from or what era, if he had been on the international stage he was there! After that amazing experience we took the drive back to Mumbai where we would spend the last night with Sachin. We had dinner with Sachin at the Indian Cricket Club, one of the hot spots going around. The food was fantastic and Sachin introduced us to some of the finer scotches at the higher end of the scale which Tallay and Walks took up without hesitation.

The hospitality which we were shown was second to none and the opportunity to be part of an experience such as this is fantastic. To be able to experience cricket in another country, especially India, and to have first class coaches such as Umesh is something very special. As young cricketers this is a brilliant initiative produced by the Global Cricket School and UNSWCC and Louis, Nick and myself are extremely thankful for the experience.

TOM ROGERS

COACHING REPORT

Our club goals at the start of this season were to finish inside the top six of the Club Championship and for three of our five SCA teams to play semi-final cricket. We managed to finish in fifth position in the Club Championship and first grade were the only team to get through to the playoffs. Season highlight for me was our Club Championship result. A really great achievement considering some of the poor performances in the lower grades.

First grade had a highly successful season once again finishing Minor Premiers, as well as semi-finalists in the one-day competition and runners-up in the T20 competition. This team was so close to having some silverware but through one poor session and a bit of bad luck missed out on a title. Let this be a lesson learnt, it is very hard to win any type of first grade competition. But I'm sure with more hard work, skill improvement and good preparation in pre season this team will make amends next summer.

Our Green Shield team reached the quarter final stage of their competition. A huge effort seeing this team lost a number of key players from last seasons grand final team. The talent unearthed in this squad makes for a bright future within the club. Players like John Venianakis and Declan White will be high quality first graders within the next few seasons. Can't wait to see the development of these players in the years ahead.

We had a high number of representative players this season. A total of ten players were successful in making representative teams. Huge achievement for these players and the club. UNSW players being selected for higher honours is something the club prides itself on. As head coach I'm absolutely thrilled with this result.

Congratulations to Chanuuk de Silva and his troops on a fantastic win in the Tim Creer Cup competition. Huge achievement by this team seeing its only their second year of existence. These lads work just as hard as the top graders and their training efforts late season were top notch. Very proud of everyone involved in their success.

The club was lucky enough to utilise the services of David Jebb as lower grade coach for the first time this season. Jebby worked hard to improve performances of the lower grades but consistency and more commitment on game day is needed if we want to get out of the lower grade doldrums. Credit must go to Jebby for his efforts in trying to turn the club's lower grade performances around. Hopefully over the next couple of seasons we can enjoy the fruits of his labor.

Certain players must learn that averaging 15-20 or taking the odd wicket here or there doesn't put your name up in lights when picking teams. I was disappointed to hear about the reactions from some players when not picked in the grade they thought they should have been. Cricket is all about statistics and mediocre results won't improve your chances of playing higher grades at this club. So plain and simple to the players that complained during the season ... how about testing yourself at training, score more runs, take more wickets and let your performances do the talking.

PRACTICE FORMAT

The clubs pre-season commenced in mid-June with fitness sessions at Coogee Oval on Wednesday nights and touch football/cardio on Saturday mornings at Coogee Reserve. Those who attended found these sessions to be highly beneficial heading into a tough cricket season and also a lot of fun.

Indoor nets commenced early July at the SCG Indoor Centre with a high number of players. I'm sure all players took something out of these sessions. The skill level definitely improved over the six weeks we trained indoors. I know all players were keen on getting outside and continue to work on their skills leading into the season.

During the season the new practice nets at David Phillips were used up until the Christmas break. Turf wickets were of a poor standard but to the credit of all players they got on with the job and used the facilities the best they could.

After the break we headed back to the Village Green after a couple of seasons away from home. All the boys were thrilled to be back at the VG and enjoyed training with that touch of atmosphere in the air. I was impressed with the standard of turf wickets and practice was of the highest order.

During the season practice included:

- Net sessions focusing on what format of cricket we were playing that weekend and certain deficiencies each individual needed to work on. This was discussed with myself and individual player on a weekly basis. Top squad being a priority.
- Game scenarios to put each individual player under pressure and to improve match awareness while training in nets.
- Fielding training was setup around net sessions with a high priority placed on improving fielding skills right across the grades. I have no doubt first grade were the best fielding unit in the competition.

- Coaching staff utilised the NSW Cricket coaching support unit for the first time. We had fielding expert Grahame Cassell join us twice during the season. All players seemed to take plenty away from the sessions and picked up some valuable ideas on how to be most effective in the field. The club will be sure to use him again this coming season.
- Leading into two day semi finals our top squad were lucky enough to have centre wicket practice at the Village Green. Focusing on high intensity throughout session and batting for long periods of time.
- We continued a non-negotiable policy from last season which included proper warm up and cool down, which meant if you don't warm up the correct way you don't train and certain fitness activities during each of the training sessions to keep physical conditioning up. Instructions were displayed on white board next to nets. All players were disciplined enough to adhere to this basic but important policy.

We were fortunate enough to once again have Henry Lawson around to assist with coaching and mentoring right across the grades and I was thankfully assisted by new lower grades coach David Jebb throughout the summer. Also a huge thanks must go to John Lupton and his efforts in coordinating net practice. We all know this is a thankless job but a very important one. Great work gents!

Our wet weather contingency plan included fielding training, cardio/touch football sessions and we were lucky enough to be able to use SCG Indoor Centre during the season.

JUNIOR DEVELOPMENT

The club once again conducted its Milo In2Cricket program. Thanks to program organiser Matt Sanders and coaching coordinator Will Lindsay all kids involved had a great time and im sure learnt plenty about the basics of cricket. Hopefully we will produce the next Daniel Christian or Michael Slater from this important cricket pathway. See the In2Cricket report from Matt Sanders later in this report.

UNSWCC continued its successful affiliation with Randwick Junior Cricket Club. If both parties continue to work together in junior development I'm sure that future success is assured in our underage teams and senior teams.

Green Shield qualified for the quarter finals. As I noted earlier this was a quality effort considering the team lost a number of key players from last season.

Young guns Tommy Jagot and John Venianakis who made their first grade debut this year will be call upon to step up for the club in the coming seasons. High hopes are held for a lot of these players to develop into outstanding first grade cricketers.

COACHING EDUCATION

Zero coaching education was undertaken this season which I find disappointing. We need more players and former players gaining their level 1/2 Cricket Australia coaching accreditation. Not only will it open up possible coaching opportunities it also improves your knowledge of the game. This will benefit both yourself as a cricketer/coach and also the club as a whole.

SPIRIT OF CRICKET

The UNSW Cricket Club has a long history of adhering to conduct within the Spirit of Cricket, which is reflected in a very low incidence of players being reported and/or appearing before the Sydney Cricket Association judiciary. This record was maintained in 2012/2013, with no appearances before the judiciary from any player and the above average score of 8.20 achieved in the Spirit of Cricket by 1st Grade (3rd place – competition average was 7.74) and 7.946 overall (8th place - competition average was 7.74).

We have a few non-negotiables in place in the club which includes a no fools policy. I want every player that represents this club to do it with plenty of pride and passion. This means training hard and playing tough cricket every weekend without over stepping the line. I thought our behaviour was excellent both on and off the cricket field.

GOALS MOVING FORWARD

Improve club championship position (5th, 2012-13) top three 2013-14.

Win a First Grade premiership in any format. High priority being overall competition.

Three teams playing semi finals across the clubs seven grades next season.

Lower grades need to be more committed. Under the tutoring of Jebby for the second year I can see big improvement on the way.

Continue to work hard in junior development from in2Cricket program to Green Shield. Develop young cricketers into quality people, hard working and skillful players.

Continue to develop First Class cricketers. We again had two first class players this season. With the young talent coming through im sure we will have more cricketers represent this state at senior level over the next decade.

Stay active with recruitment of players. Especially recruitment of junior cricketers from regional areas such as Western Zone and the Riverina. Need to tap into the talent pool of Sydney private schools.

TIM LANG
HEAD COACH

ASSISTANT COACH REPORT

The Assistant (or Lower Grade) Coach position was created by the Club in response to player feedback received at the end of the 2011/2012 season. The role, in theory, was to address the logistical difficulties of providing meaningful practice sessions for 7 teams of varying levels of ability, and make coaching available to those throughout the lower grades who, in the past, may have had limited opportunities for this, due to a concentration of resources on the higher grades.

Our Club has some unique characteristics, which are reflected in our training sessions. Students arrive early and workers, usually graduates and professionals, come later. Some do both! Some play for pure enjoyment, others are trying to play for Australia. All are important parts of a University club. The three to four hours we are spread across on Wednesdays and Thursdays presents a challenge to provide structure and co-ordination to this range of members. Whatever the best intention is, it can be difficult to manage 50 to 60 people so that the ideal practice scenarios are achieved.

In 2012/2013 I believe our practices operated successfully in these circumstances and for those in the lower grades there were some basic foundations in place:

Structure, equipment and activities, especially in the critical area of fielding, that meant that there was no valid reason for someone to be idle, and not working on their game, at training.

The availability of a dedicated coach for one on one work, within the normal practice times, if that's what a player wanted to do. In the varied demographic of the lower grade teams, this is not necessarily what everyone wants to with their cricket, but if a player wants to develop their potential and become the best cricketer they possibly can, the Club is providing resources to facilitate this.

In addition, when required, our structure provided some "clearance" for the top grade squad to train under the watchful eye of the Head Coach, whilst still allowing our unique egalitarian culture to prevail. For this, it must be acknowledged that the players played an important part with their support of Langy, Ratter and myself. The levels of enthusiasm and work ethic were as high as I have ever experienced at the Club and this was particularly so for those in our Metro Cup and Tim Creer "squads". Their success was no co-incidence and I hope that this translates to our lower Grade results, and Club Championship position, in the near future.

FIRST GRADE REPORT

Another successful season for the firsts in 2012/13. Although we didn't win any silverware throughout the season it was another high quality performance by all involved. Runners up to Fairfield Liverpool in the T20 Final, wash out in the one day semi-final against Northern District and a loss to Sutherland in the semi-final made for a season of success but also frustration.

I know all players in the top squad are hungry and determined to go one better next summer. The culture we have created within the playing group is first class and with plenty of hard work during preseason and over the summer I know a trophy or two is well within our reach. I just hope the loss against Sutherland really hurt the guys and they now realise how hard it is to win first grade competitions. There were many wonderful performances over the season both on and off the field and I want to recognise these contributions individually.

Charlie "Lebrechuan" Wakim - 2012/13 was a breakthrough season for this very talented young cricketer. Chuck showed his ability with some classy innings at the top of the order and some sharpe fielding at gully for us. With continued hard work on his game, he will become a vital cog in the first grade wheel in years to come. Great guy to have around the team. One of the leaders on the circuit.

Left: Charlie Wakim

Right: Tom Rogers

Tom "Buckton" Rogers - Another young gun coming through the ranks for the Bees. Buck was rewarded for his hard work and professionalism by being named the New South Wales Under 19's Captain. A very prestigious honour for a great bloke. Looking forward to watching Buck develop his all round game over the next few seasons. Future first grade captain and best dressed player outside of me at the club.

David "Hookity Hook" Dawson - Dawso was rewarded for his fine form over the past few seasons with a Blues contract. He put in some strong performances for NSW with the highlight being a one day hundred against Tasmania at Bellerive. Hook continued to dominate at club level for us and was once again named the club's Player of the Year. Highlight for me was his century against Sydney in the Qualifying Final to get us out of trouble. A class act both on and off the field! Great choice as this year's Barr Turn winner.

Left: David Dawson

Right: Mitchell Gowland

Mitchell "Mitchell, Allgood" Gowland - G doesn't know how good he really is. Played some amazing knocks through the season. My highlight was him taking down a certain state bowler at North Sydney Oval by crunching a thousand pull shots off him. Took the catch of the season at second slip by throwing himself to his right and taking a one handed blinder. If G could get to training and fully commit I'm sure the club would have another News South Wales representative.

James "Dayzone, Daytona, Mufti" Day - Jim has been a regular in first grade for a number of years now but this season was no doubt his most successful for the club. Heaps of runs, wickets and quality catches at second made it a year to remember for the best looking cricketer in the world. He was very unlucky not to be rewarded with a second eleven/futures league game because he was no doubt the best performed all rounder in the competition. His hundred under pressure in the preliminary final was one of the best innings I've seen played for the club. Pure skill and plenty of guts and determination.

Left: James Day

Right: James McNeil

James "Mick Neil" McNeil - Jimmy is one of the toughest and most determined players going around. Its brilliant to have a guy like him around our team and club. He played some quality digs for us with his half century in the qualifying final a standout. Still the best fielder in Sydney cricket. The way he throws himself about at point with energy and intensity is nothing but outstanding. Jim will be looking for big runs in the middle order over the coming years and a few cheeky wickets with his Murali/Aaron Bird like action.

Ben "Leb Jew" Wakim - Benny forced his way into first grade with some strong performances in seconds. His selection was justified with a classy half century first game against Campbelltown and a fine fifty in the Qualifying Final. Highly talented like his younger brother, the Leb Jew will be looking to put this talent into consistant performances. Great team man and a pleasure to have around the group.

Left: Ben Wakim

Right: James Byrne

Jim "Christian Bale, Tilsy" Byrne - Burner once again showed how valuable he is to the first grade line up. His all round skills and experience is something we shouldn't take for granted. He showed his experience in both two day semis with two vital knocks to help his team build winning scores. On par with team mate Day as the best looking player in the world. I'm sure Burner has many good years ahead of him. And if one player deserves a first grade premiership it's Jimmy Byrne.

Chris "Chowmain, Cut snake" Tremain - The Tremulator had a massive season for us taking 41 wickets at 11 in only 13 games. Now settled down Trem led our attack with pace and aggression throughout the summer taking five 5 wickets hauls along the way. But for me his half century in the T20 semi final when we were dead and buried speaks volumes about this bloke. He has that special X factor that not many players have and I'm sure we will see him in that baggy blue and on our television screens for many years to come.

Left: Chris Tremain

Right: Richie Banham

Richie "Beak, Mr Beaks Pastries, Gonzo" Banham - Where do I start with Banners?? First season with the Bees and didn't he make an impact! This fiercely competitive fast bowler went on to take 43 wickets for us and at the same time being awarded Best New Player at the club. He charged in for us all summer bowling with good pace and accuracy. Although I found it difficult to handle Banners at times it was a pleasure to play alongside him and i hope he stays in Sydney and continues to play at the club. Some of his banter was first class and his sledge to a former state wicket keeper was right up there on the comical scale.

Mike "Reedos , Bruce" Reed - The big man from Glamorgan was a late inclusion for us after the England Cricket Board decided to send him out to Sydney for a summer of cricket and to fine tune his game under Henry's guidance. The Steve Harmison clone was a brilliant addition to the team. The way he went about training and preparing for a game is something the younger players at the club should keep in mind. Reedy took 33 wickets across all forms using his height and seam to great effect. He's currently on fire for Glamorgan in the English County competition taking a heap of early season poles. Will play some form of cricket for England.

Angus "Michael, Horse" Robson - Gus started the season on a positive note but found himself in second grade for the majority of the season. Not a season he would want to remember but we all know what ability Gus has and I'm sure he will mature into a fine cricketer. He is currently playing for Leicestershire as a contracted player in the UK. We wish him well with his season over there.

Nick "Richard, Cheeqs, Asian" Walker - Walks filled in for Dawso on several occasions and did a fine job behind the stumps. His athleticism was on show when he took a hanger against Easts at the Village Green. Talented player who needs to step up and be a consistent performer in first grade over the next decade. One of the sweetest timers of a cricket ball going around.

Shashi "Shasmo" Keshar - A new addition to the club coming from the dark side in the offseason Shash had limited opportunities in first grade due to our quick bowlers going through sides for fun. His spell against Gordon at Chatswood stood out for me. He was unlucky not to pick up a bag after a few appeals went against him. With more exposure and bowling under pressure in first grade I can see Shashi having a successful career with his sharpe turning leg breaks.

Louis "Lukey Lou, Good Oak" Talay - Louis missed the majority of the season due to injury. It's a testament to the blokes character the way he tried to get back on the park while clearly suffering pain. He was sorely missed in our finals campaign as I think it probably hurt our chances not having a front line spinner. I love having this kid around the group. Tough, deep thinking cricketer that I would have in my team any day of the week. A true good oak!

Tom "Sauce, Fountains" Jagot - Tommy got a taste of first grade this season on a green deck in Mosman. Although he missed out we all know this young gun will be scoring big runs for us sooner rather than later. Played for NSW Under 17's and

was rewarded for a fine tournament by being named in the Australian merit squad. Great achievement mate! Looking forward to watching him develop over the coming seasons.

John "V Man, Mute" Venianakis - Johnny was another young gun given an opportunity to get a taste of first grade and didn't he make the most of it. V-man took a wicket with his very first ball and then backed it up with another two poles in a fine spell of left arm fast bowling against Gordon. This kid swings the ball both ways and with further development is sure to test many a good Sydney batsman in the years to come. Rewarded by being selected in Combined Green Shield and NSW Under 17's squad.

Will "Barr" Lindsay - Baa played one game for us early season before getting married and injury got in the way of his cricket season. Hopefully we will get to see more of Wilbur bowling his deadly accurate seamers in the years to come. One of the good guys and a fine clubman.

Michael "Mob, Markel" O'Brien - What a legend Mob is! He looks over us like a father figure always making sure we are happy and in a good head space. Great bloke to sit down with and have chat with and always available to offer advice or to lift spirits when the chips are down. We really are spoilt to have someone managing our team the way Mob does. The truck loads of tasty lollies he supplied kept me buzzing but made my dental bill sky rocket!! Thanks for everything you have done for us mate.

Julie Lawson - Thanks Jules for running the VG canteen all summer. Those wholemeal chicken rolls washed down with a can of Coke are amazing. I know all the boys appreciate the fantastic teas you put together and the amount of time it takes out of your weekends. Thanks once again.

Thanks to all the scorers in **Micky Rea, Claire "Choc E" Whitmore** and **Alan "Taronga" Xu** for giving your precious time to score for us. It's a thankless job but you guys need to understand how important you are in making first grade a quality team. Micky did his own bit of scoring the night before he scored for us at Sydney Uni. Well played!!

The committee and especially **Jonesy, Jebby, Bowie** and **Bandit** thank you for the wonderful support and guidance over the past few seasons. You people have made the club into the powerhouse it is today and you should be very proud of what you have done for this great club. We are so lucky to have such quality individuals being in charge of our club.

Thanks to **Henry** for offering all his knowledge as a former international cricketer and coach. The amount of time H spends at training and games passing on ideas and tactical knowledge to the club is outstanding. Henry has played a major role in my development as a person, player and coach. Thanks for all the support you have offered first grade and especially myself. Thanks mate.

TIM LANG

This could well have been Langy's last season with the Bees, with an exciting role heading up the cricket program at a prestigious Sydney school his new focus from next season. Over eight seasons with the Bees (broken by a stint with the Redbacks), Langy has taken 245 wickets and scored 2,933 runs (all in 1st grade), won the Benaud Medal, argued with and made up with every umpire in Sydney, and more recently been our Head Coach. A true legend of the club!

SECOND GRADE REPORT

A concerted 2nd grade appeal!

Second grade went in to the final round needing a bonus point win to secure a finals place. We were not able to get there, but it was great to be in the last 50 overs of the season and still a chance of winning the premiership. As it was, Sydney Uni snuck into 6th, from 10th spot, by getting a bonus point and went on to claim the title.

A few losses before Christmas put us behind the eight ball to some extent, but the efforts of the team after Christmas were excellent (unbeaten after Christmas until the last round). We were penalised three points by the SCA also, after not getting our covers on one Friday, which cost us dearly in the washup. We had 8 wins and 2 draws - only 2 teams won more than 8 games, and yet we finished 10th. I won't bore you with the reasons, but this was the tightest competition I have ever seen. Finals chances don't come around too often in a 20 team competition but I am confident we are starting to play like a team that wants to play finals and wants to achieve it by doing the hard yards.

In Round versus Penrith at the Village Green, Tom Jagot (72) – on-strike, and Ben Wakim (160) piled on a partnership of 226 runs for the 4th wicket (the highest partnership in the 2nd grade competition for the season).

We had a fairly stable side for most of the season, more so than in previous years. In the early season, the Wakim brothers both showed their ability and played only a few games each before playing out the season in 1s. **Ben Wakim** was superb in his 4 games, chalking up a dominant 160 against Penrith after his amazing 90 odd in a chase against Sutherland. It was really pleasing to see a player dominate 2s to show they should be in 1s. He was a worthy batting award winner. **Charlie Wakim** played a dazzling innings of 146* against eventual the minor premiers, Parramatta, and it was good to see him enter 1s with such a display under his belt.

The rest of the batting was solid without any standouts. We had 5 of the top 10 individual scores made in the competition, with **Zach Churchill's** 168* the top score. **Sutha Thanabalasingam** and **Mark Hansen** showed some outstanding ability, but also were terrific contributors to the team in their approach. Sutha's 140 against finalists Bankstown was a fantastic knock, while Hanzo can bat anywhere and always looks assured. Importantly, both these guys earned their spots with big performances in 3s and showed great application to make their chances in 2s count. **Tom Jagot** and **Rico du Plessis** showed glimpses of class that will soon see them long leave second grade behind, and they are two players I really enjoy watching bat. **Zach Churchill** will go on to better things too, but sadly, not with UNSW as he left at the end of the season. **Shashi's** 20 ball half century, **Walks'** knock at Hawkesbury, and some cameos from **Whichello** and **Atallah** were also batting highlights, but overall, we have much improvement left in us, and hopefully the desire to make it happen.

On the bowling side, **Shashi Keshar** was outstanding and a well deserved bowling award winner. A great competitor with a big bag of tricks, he made many batsmen look foolish, always with a smile. With some work on consistency and pressure building, he could play a much, much higher level. **Glen Whichello** and **Will Lindsay** were great contributors, not only with the new ball, but as team leaders and role models. Terrific team mates, sadly, Wilbur's honeymoon finished him off early, but these two guys' skills, experience and attitude make them very valuable. **Rob Close** was very effective in 8 games and at times, unplayable. **Close** and **Whichello** are outstanding fielders also, even while bowling long spells. A real pleasure was seeing **John Venianakis** and **Declan White** come into 2s. Both are outstanding talents and really nice young fellas too. John V had a magic start and then went onto 1st grade. These 2 guys could be a 1st grade new ball pairing for many years and I was really pleased to see them identified as NSW Under 17s candidates for next season. **Rico** proved to be a very valuable off spinner, and all round contributor. He also had the good grace to be hit for the world's biggest ever six, immortalised by a broken window about 4 stories up the side of a distant (ok, nearby) building and take it with a smile. **Eric Zehner** wound back the clock with a few spells for us and also grabbed a 6 for against Gordon. There were also bowling contributions from **Tarun Muthanna**, **Tom Atallah**, **Marcus Atallah**, **Mark Appleton**, **Hayden Nichols**, **Scott Murn** and **Sutha's** chinamen. Marcus and Scotty were impressive with their all round game, great fielding and positive attitude having not played 2s before this season. Hopefully, they will cement a spot next season.

Tom Atallah in action at the Village Green.

On the fielding side, **Nick Walker** remains at least equal to the best keepers I have ever seen in grade cricket, with the potential to be better than all of them. Guys like Whichy, Closey, Scotty and Sutha led the way in the field and set standards for us. Our slips catching was better than in previous years too.

Some highlights were the classic games against Sutherland (won 1st innings, lost outright by 3 runs), the tie versus North Sydney, where we took 5/9 to snatch some points. Also, the demolition of Penrith on day 1 and smashing Bankstown, Parramatta, Randwick and Gordon.

I'd like to thank all the players for their efforts, as well as the committee for their continuing support and dedication to the club. Thanks to the parents who contributed and also big thanks to our scorer Terry Stamp.

Finally, I'd like to thank our President Andrew Jones. We have been exceptionally lucky to have Jonesy as President, a man who can set the vision of the club (and the state), but still roll up the sleeves and cook some snags and do everything in between. He has been a great leader of the club, a great contributor and wise counsel.

Thanks also to Anita who will never, ever read this report but encourages me to get out and do what I love doing whenever I choose.

THIRD GRADE REPORT

Our 3rd grade season had its expected ups and downs. Two wins from our first 8 rounds left us with a fair amount of both improving and soul searching to do at the mid way point. At that stage we knew that we had been up against some of the front runners in the competition so we tried to keep some perspective. We knew we had the ability so just needed a little luck to turn things around. Credit to the lads as we then won three on the bounce around Christmas and were shaping as possible finals contenders. Unfortunately that momentum was then halted by the minor premiers and our chances took another blow with our match against bottom runners Mosman. A win would have had us within a win of the Top 6 with three games to play but sadly rain stole that chance and we drew. Our spirits dampened the lads trudged on through the final rounds but coming up against the premiers in Gordon and a stacked Hawks proved a bit much.

We finished with 5 wins in 14th place. Realistically we needed 3 or 4 more wins to be giving the finals a nudge but the fact we gave some of the top teams some headaches suggests we weren't too far off. It doesn't take much to turn the close losses to wins and with a bit more consistency all around i'm sure we can do it.

From an individual performance point of view the H's lead the batting, with **Hanso** topping the aggregate with 366 supported by **Haydo** and **Hugo**. **Sutha** and **Bowie** also topped 200 runs for the season, but realistically I think all had higher hopes for their year. **Sutha's** hundred was unfortunately the only one from a 3rd grade Bee this year. "Going on with it" will definitely be a focus for next season. There were a lot of starts that didn't turn into big scores so hopefully we can change that trend.

On the bowling front the turnover of players showed it's affects with no one cracking 20 wickets for the year. In all we had 9 different opening bowlers having a crack from those in their first season to those in the sunset of their careers sending down one over spells with the new pill. **Apples** was consistent as always with 18 for the year, while a number of the lads cracked double figures. We were lucky enough to see some of the young future stars in **Declan** and **Johnny V** as they started their careers while also benefiting from **Robby Close**' (14) brief foray into 3s.

Our all rounders showed their wares throughout the season with a number deserving praise for their combined contributions. **Hugh C** added 15 wickets to his 200 odd runs for the year, while **SMurn's** meds showed some good potential snaring 12. **Hayden** was handy as always and I managed to snare a few wickets along the way. Behind the stumps **Kabs** again showed he's one of the best glovemen going around with 14 catches and a couple stumpings. I'd love to see him getting some runs to round out his game.

I'll keep the thank-yous brief as that way those who I've forgotten won't stand out as much, but first to **Bowie** who was awesome as both a guide to my captaincy as well as a stand in for a number of rounds. It was a massive benefit for me and the team having you there. Thanks also to the other captains and selectors – it was great being able to bounce ideas with a bunch of experienced blokes. As a new skipper having that support was critical. Also to the game day helpers of which there were many, from the families doing teas and scoring (the Murns in particular) to Suey and Wardy helping with the books. And of course to the players. We had a great bunch of blokes and I really have to thank you all for making it an enjoyable season.

Next year let's add 'successful' to that season description!

ERIC ZEHNER

FOURTH GRADE REPORT

When I look back on the season gone by there are a few things that I'll remember most. First grade's minor premiership, David Dawson raising his bat for NSW, Chris Tremain knocking over the Australian Test and one-day opener David Warner in the Big Bash, our club representing Australia in the World College Championships, our final standing in the club championship and finally the potential that the club has throughout the grades. It really was a fantastic season for the club and as the fourth grade captain I was thrilled to be a small part of the club, only disappointed that fourth grade could not contribute more to its success.

Overall in season 2012-13 fourth grade won four out of fifteen matches. I don't believe for a minute that this is a true reflection of the quality of the team that we fielded most weeks. What that means however, is that we didn't perform to our ability. Maybe you could look at the many games that we lost by less than three wickets or thirty runs, but unfortunately the competition ladder doesn't factor in ability, potential or how close we came to winning those games, only actual performance, and overall these were not up to scratch as a team to win enough games. Confucius says, "Hear and I forget. See and I remember. Do and I understand." What I take that to mean in this case, is that until the team and the individuals who make up that team experience winning and be part of that process; we will not understand what it takes to actually perform that way consistently and create a winning attitude. It is about applying your skills and mental strength to do what it takes to win.

There are a high number of players that pass through fourth grade each season and in the past two seasons; most of them have been under the age of 21yrs. This season in particular we had several Green Shield players each week which is fantastic to see. You obviously don't get match experience overnight, but I urge these younger players to really embrace what the club has to offer, get involved and do your best to learn from each and every match experience. With these experiences, both on and off the field, it can only be positive for your future and in turn the club's future. Though our team performances were not as good as we would have liked there were some great individual efforts worth mentioning.

Congratulations to **Scott Murn** who only played the first three matches of the season in fourth grade, but did enough to win the batting award. He scored 354 runs at an average of 177 overall, and his knocks of 125no in Round 1, 70 in Round 2 and 153no in Round 3 were exceptional knocks not made of flashy shots or luck, but rather fantastic concentration and application. Scott is also a fantastic fielder, taking some great catches all-round the field and a handy medium pace bowler. I'm confident that these great attributes will build a solid foundation for higher grade cricket.

Congratulations also to **Murray Crowe** for taking out the team's bowling award. I would say that spin bowling is a strength of the club and we were lucky to have Murray playing in fourth grade for most of the season. He had figures of 19 wickets at an average of 21 runs per wicket after bowling 130 overs. He is a genuine all-rounder too, playing many valuable knocks for the team in the middle order as well as being an exceptional fielder. You can tell from playing with Murray that he loves the game and loves competition and I think with patience, Murray has a wonderful cricketing future ahead of him. I look forward to seeing him play in the higher grades when given a more consistent opportunity.

Phil Hartig-Franc had a good season also. I knew early in the season that Phil meant business and was keen. He hit two fast 90's falling four metres short of two centuries! Overall he scored 270 runs for the season averaging 33. He also bowled well at times taking wickets most times he bowled.

Daniel Bowcock was great in his two appearances in fourth grade. He just seems to turn out runs at will, though I know it isn't as easy as he makes it look. He scored a 77 and 52 in his two knocks.

Diluka Senerath had a good season in fourth grade. He got 14 wickets at an average of 16. His attitude to the game is exceptional – always giving his all whether batting, bowling or in the field. You wouldn't necessarily pick it with Diluka, but his performances speak for themselves. His fantastic attitude was on display in the last match where he badly dislocated his finger in the warm up. After spending the first innings of the one day game in hospital getting it fixed, he went out to bat for us when the game was on the line. We didn't get there unfortunately, but not through lack of trying.

Matt Stanton also had a good season with the ball taking 16 wickets at 16. He is a good wicket taking fourth grade bowler who bowls some dangerous deliveries and is still very young. With some coaching and encouragement, he could become a very good bowler and I look forward to seeing him develop over the coming seasons.

Other notable mentions to have played fourth grade and to watch out for in coming seasons (we haven't seen the best of this bunch!): **Nik Tsoukalas**: 185 runs at 16. **Jack Roach**: 183 runs at 18. **Bo Houstien**: 177 runs at 17 and 9 wickets at 14. **Daniel Ferrara**: 163 runs at 27. **Rohan Stocker**: 14 wickets at 18. There were of course many other players to have played fourth grade this season and I thank them for their efforts and hope to see them all back next season.

I would like to also take this opportunity to thank the various supporters we had throughout the season. It was enjoyable to have support from family and friends of the fourth grade players at the games. Thanks also to Andrew Jones and the club's committee and the entire club as a community for making it a great club to apart of. Again, the fourth grade performances were not quite up to scratch, but nonetheless, it is enjoyable to be a small part of a great club. Thanks also to the coaches David Jebb and Tim Lang. It is not an easy job that you do, but given the club's performances this last season, you deserve a pat on the back. I know the players are in good hands for the future and I look forward to seeing the club develop even further again next season.

FIFTH GRADE REPORT

By the ultimate measure of the success of a team, the 5th grade season was a very disappointing one. It was the season that almost was, narrowly losing a number of our matches that could have been the difference between the season we had and a much stronger one. However, in spite of the teams overall performance, it is the fight the team showed at all times that characterise this season making it one of the better years I've had either playing in or running the side.

The season actually started in a good fashion, we lost our first round to Manly, but this was by only a handful of runs. Our bowlers, while not dominating bowled to their strengths and we were able to dismiss the opposition for a total that presented a challenge for the team without being insurmountable. Unfortunately we lost key batsmen overnight, leaving us staring at a large target at the resumption of play. Performances from **Ankit Patel**, **Murray Stanton** and **Will Craft** took us to within a breath of victory, only to be cruelly taken away by the remainder of the tail. A good platform to build on, but one we never eclipsed.

The batting was the disappointment of the season. A collection of good individual performances throughout the year contrasted with a lack of consistency that saw our bowlers trying to defend small totals. The usual statements about a lack of experience in the side can be made here, and they are as true as they ever will be. What I saw through the season were batsmen who are all potentially future stars, but not many who have the knowledge, ability and determination to hold an innings together.

The player roster boasted a total of 37 players this season, which is on par with past seasons. This instability in the team explains some of the underlying issues, I think at one point the selected team for a round nominated eight different players from the previous round.

Notable performers with the ball this year were **Will Craft**, who I was happy to hold onto in 5th grade even though his place is in a higher grade and who bowled well at all stages of the match, **Ayden Dinclik**, who progressed substantially throughout the season with his medium pace and was unlucky not to have more poles to his name and **Julian "AW" Foster-Pullman** and **John "Krusty" McRae** who provided steady, consistent medium pace through the middle sessions to back up the pies I threw down at the other end. **Sneaky Serov** gets a deserving mention for some very tidy bowling in the last round after a late call up.

With the bat, the star performer truly was **Murray Stanton**. Murray made short work of most bowling thrown at him after fighting his way up into the team as a batsman, in spite of his keeper's mantle, Murray always played with spirit and the odd filthy joke. Dutch import and Sutherland player impersonator **Pyke Gunning**, Krusty and **Ronnie Lawrence** all showed glimpses of brilliance in their own ways and could have made a lot more runs.

Murray and **Ben Whitton** kept it tidy behind the stumps all season. Disappointingly for Whitto he claimed no stumpings this season.

Two quick thanks, first **John Lupton**, he didn't play a lot of 5th grade this season but is one of the most underused resources in the lower grades and never shied away from calling me out when he felt I had made the wrong call. Secondly, **Darren Sue**, for being my second opinion. Thank you both.

Lastly, to all the players who played 5th grade this season, and the parents of the younger players, a huge thank you. We had a tough season, but you all played your part in making sure that it remained an enjoyable one.

POIDEVIN GRAY SHIELD REPORT

The 2012/13 season was an enjoyable one for all involved but ultimately disappointing. We had a team capable of pushing for finals but ended just missing out on the back of some close losses. Hopefully the team can push on next season to better things as many young players gained valuable experience. The season included many highlights with significant bowling efforts from **Tom Rogers** who led the attack admirably and provided important runs in the middle order. **Tom Gallop** continues to improve and shows that he will become a very good batsman in grade cricket as he climbs up the grades in seasons to come.

A major positive from the season was the emergence of some very young players. **Marcus Atallah** showed the ability to bowl accurate off spin and tie down some very good players, whilst **Tom Jagot** demonstrated the ability to play all forms of cricket and is another player who will push on in coming seasons.

Nick Walker kept strongly and provided key leadership from behind the stumps. He is a batsman of rare talent who can hit the ball as well as anyone, as he showed against Sydney. **Hayden Nichols** was another player who was vital to the teams performance, as he bats, bowls and is one of the best fielders in the competition.

We started well as a team and showed we were as good as any team on our day, but we unfortunately were not able to put all our skills together consistently enough. A loss against Manly at Manly Oval was a cruel blow as it was a match where we played well for large portions of the game but could never land the killer blow, where a win would have pushed us into finals contention.

All in all, the team was very enjoyable to captain and there should be plenty of wins in the years to come.

AW GREEN SHIELD REPORT

The 2012-2013 Green Shield season was one of great success. The overall placing of 6th on the Championship ladder, becoming the second UNSW Green Shield team to make the finals and the selection of 4 players in the Combined Green Shield Representative side is illustrative of the strong progression UNSW has made in its junior program. The Green Shield squad is now comprised of UNSW Academy Juniors which has not been the case in past seasons. The inception, design and success of the UNSW Academy were largely attributed by **Simon Jagot**. His foresight and determination in getting the program up and running will be an integral component in the formation of the UNSW Green Shield Team for many years to come. Thank you Simon and the many coaches who attended the Sunday afternoon sessions throughout winter.

This year's Green Shield Team played with a willingness to replicate the previous year's outstanding performance. Some highlights of the tournament were **Tom Henry's** brutal 94 and consistent batting performances, **Dan Carr's** amazing spells of fast bowling, **Nik Tsoukalas'** match winning 72 on an awful Sydney Uni wicket and **Declan White's** historical all bowled, all golden ducks hat-trick against North Sydney. Unfortunately there were a few hours of inconsistency which resulted in a draw against eventual Minor Premiers Northern Districts and a heart breaking loss against Manly. However, these inconsistencies are to be expected of this age group and the boys should be highly commended on the way they bounced back after narrow defeats and how they conducted themselves on the field.

I would like to thank Captain **Nik Tsoukalas** who did an outstanding job of leading the group and performing very well statistically himself. Also to Vice Captains **Ronnie Lawrence** and **Sam Furlong** who were always supportive and played an important leadership role throughout the campaign. All three members were superb role models for the younger members of the group.

Huge thanks to **Tommy Jagot** for his help in his assistant coaching role. His experience at this level was invaluable and the respect he gained from all the players and myself after he returned from a gruelling two weeks in the National Under 17's Championships to help coach is outstanding. A great player and an outstanding clubman.

Finally, to **Michael 'Mobby' O'Brien** for his unwavering support and commitment to the Green Shield Team. The time taken to set up databases, fill in team sheets, provide water bottles, email players and help select teams often goes unnoticed. The effort he has put in for many years is very much appreciated. Thank you Mobby.

JAMES DAY, COACH

Individual player reports, by captain Nik Tsoukalas:

Tom Henry: Tom was our recruit from the ACT this year and he was our most consistent batsmen. Tom is an elegant left-handed batsman who made playing cricket look easy; he made two fifties and plenty of good starts. He is a quality fielder and was an integral part of the fielding unit and especially getting the team off to a good start in our batting innings. Tom was rewarded with a spot in the Green Shield 2nd XI side.

Ankit Patel: Ankit had one of the toughest jobs in the team which was wicketkeeper and opening batsmen. Ankit was a player who always put in 100% in all facets of his game, and left whatever he had out on the field.

Ronnie Lawrence: Ronnie was 1 of 2 vice-captains this season and he batted in the engine room at 3. Ronnie is a very stylish batsman who had a solid season with the bat. He made one fifty and numerous starts.

John Lyras: John was our number 4 and our second left-handed batsman in our top-order. He is a very gutsy batsman who works hard for his runs and was rewarded this year with a solid season. He was our best fielder and this was evident with his catching and throwing.

Sam Furlong: Sammy was our 2nd of the two vice-captains this season. His season began slowly but he was able to recover late in the season with bat and ball. Sam was the mouth of the team, always encouraging his teammates and never letting up on the opposition.

John Venianakis: Johnny was one of our two fiery opening bowlers. He is a slinging left-arm bowler who intimidated all batsmen with his deceiving quick pace. He had a great season taking 14 wickets including 4-22 at Manly. He was a vicious customer for all batsmen with his whopping inswingers, which was the demise of many of the batsmen that John bowled too. John was rewarded with a spot in the Green Shield 2nd XI side.

Declan White: Declan was our other opening bowler whose return this season placed him as our best bowler. Declan took 14 wickets this year, including a first over hat-trick against North Sydney which he took 5-21 that day. He also had a safe pair of hands in the field and moved well for a big man. Declan was rewarded with a spot in the Green Shield 2nd XI side.

Nasif Chowdury: Nasif was a handy all-rounder who put 100% into his cricket and left all he had on the field. He is a medium-pacer which hit areas and was a convenient lower order batsman.

Saief Hoque: Saief was one of the most enthusiastic cricketers in the team who cared a lot about his cricket. He bowled nice left arm orthodox and troubled plenty of batsmen. He took four wickets this season and was able to tie up an end and get through his overs quickly.

Fionn Geraghty: Fionn was one of our two young guns this season. The little leg-spinner got one game and showed a lot of promise with his four overs almost taking a couple of wickets. He was a very keen member of the team and attended most games.

Will Todd: Toddy was the second of our young guns. He made one appearance for us in the game against and fielded well, and went in at 6 and hit a four with his first ball. He attended every game and was a quality member of our team.

Ayden Dinclik: Ayden was our first change bowler who had a solid season. He took 10 wickets included 4-23 against Penrith. He bowled at a good pace and hit his areas and frustrated all batsmen with his nagging line and length.

Dan Carr: Dan was our surprise package this season. He took 14 wickets including two 4fors which were against the eventual minor premiers and 4th placed sides. He was our quiet assassin who found his feet in an amazing 3 over burst at Mark Taylor Oval against NDs. He was rewarded with a reserve Green Shield XI position.

Steve Salakas: Steve was our first choice spinner this season. He took 3 wickets, but was mainly our most economical bowler. He was a pressure bowler, and most wickets came at the other end due to his tight line and length bowling which slowly wore down the batsmen.

Matt Scolari: Matt was a handy all-rounder, who was versatile with bat, bowl and in the field. Chipped in with handy performances when the team required it and was a good member of the side and he had a great relationship with all players.

METROPOLITAN CUP REPORT

Brilliant. If I were to put it simply. Our season had all the hallmarks of one that you'll always remember: losing outright first game, winning games outright, beating the team leading the comp in the last round, declaring at 355, a Canadian international with a wrong-un stock ball, blood, making the finals and then losing in the finals. The group of guys we had in Metro Cup this year was, as always, numerous but also a powerful, ruthless and fun team. We were caught napping in the first game and were lucky when the rain came in round two, however, after that we finished the season winning nine of the thirteen matches we played.

We bowled and fielded fantastically all year, with **Matt "Judy" Garland** leading our attack early in the season, before the bone in his thumb decided it needed a bit of sun and popped out when he dropped a catch. **Ravi Autar** then stepped up as the strike quick bowler, running in hard all season long, ending with a great return of 19 at 14. Old club heads **Jono "Cylcops" Tan** and **John "Rattler" Lupton** provided good support, experience and slip's banter for our young attack. **Matt "Gravy" Rowe** showed great pace, great swing and too much of both for batsmen to even nick in Metro. Gravy ended up with nine at 17, however, his overs usually consisted of five plays and misses and leave, which is where his ridiculous economy rate of 2.14 came from.

Ravi's figures would have netted him the bowling award in most seasons; unfortunately for Ravi's trophy cabinet, Canadian Under 19 international **Trevor Manoosingh** turned up half-way through the season and therefore not meeting the association's overseas player requirements to play grade, was only able to play Metro Cup. Trev, out in Australia training for the next Under-19s World Cup, was a little too good for Metro. If taking 32 wickets in six games at 8.94 can be classified as a *little*. Taking five-fors as regularly as Rattler sledges the batsmen, it was great to see Trev's cricket grow as he played on foreign soil and was great to see the rest of team learn by playing with someone who has represented their country.

Our batting was the only area that could be said to have let us down. We had some great performances, such as putting on 8/355 against Randy Petes and a 149-run opening stand between **Thanuja Perera** and **Shaheen "42" Kumar** against Blacktown, however, too many starts in top six and totals under 200 meant we weren't as consistent as we should have been. Thanuja had a great season with the bat, proving to all that he is no longer a blast-to-30-and-get-out batsmen. T opened well and dug-in week after week, ending up averaging 24 with a best of 84 not. The stand out batsmen for the year was **Lawrence "Vinyl" Peters**, whose aggressive opening style let him dominate attacks and show he is one to watch up the grades in future seasons. Vinyl averaged 35.75 with a best of 99 (yes out on 99, LBW too) and took home the batting award. Occasional cameos and flutters of brilliance from **Sam James "Umbilical" Nguyen**, **Saief "Joe" Hoque** and **Murray "Grandstand" Stanton** steadied our wavering ship at times.

In the end, we went down in the first round of finals, however, I could hardly be happier with the season. Great group of guys, great wins, great banter and great signs for future seasons.

TIM CREER CUP REPORT

THE MOMENT!! – Tom Stening takes the last Linfield wicket to give UNSW the game and the Premiership (the club's first in 7 years. Tom was a deserved Player of the Final with figures of 4-12 (all of them bowled).

Twenty one games (or so) later it gives me great pleasure to pen some words about the greatest team (oxygen thieves) the world has ever seen.

It was a long season but one that started and ended on a similar note. A proper bollocking. First game vs Balmain barely lasted longer than the pub session afterwards with us chasing the steep total of 32 runs with relative ease.

There were some highlights along the way. My season best 13 not out being one of them. Before we get on to the important stuff some noteworthy contributions. **Peter “Jerry the Cat” Maguire** had a brilliant season with bat ball and hands. His fielding was such that our bowlers started claiming any lofted offside shot in the nets as a wicket claiming "Jerry would have caught it" when the batters had their whinge.

Syed "Buffet" Raza also had a great season. Not only polishing off every tea ever put before him but by also polishing off opponents with both bat and ball. He also participated in fielding.

Kamal K (special k), Alexis C(Lonnie) , Max B (Brandy) and **Garland (Pull/ Judy/ Pies etc etc etc)** who formed the backbone of our bowling attack need to be mentioned as well. Not only for their antics on and off the field. Off the top of my head (I am sure the stats will back this up) these gents picked up over 65% of our wickets. In addition to picking up wickets they bowl at express pace and enjoy spending their free afternoons watching ladies take off clothing.

Then there is man of the finals nominee (or winner I can't remember) **Tom Stening** who has run 2 marathons in the process of bowling his 30 odd over's this season.

Gabe A (whose name I wrote a different way in each team sheet) **Lawrence P** (who was poached by Charlie the Poacher but came back to where he belongs for the grand final) **Bikram K** (who sledges 14 y/o kids by asking them if they cheat at work and on their wife) **Jordan M** (who bugged off to go to uni in Canberra) **Basit** and **Jerry** formed our formidable batting line up. The highlight of the season was watching **Gabe** running between the wickets with **Bikram**. Bikram is many things, a runner is not one of them. And then there was **Hassan**. Played brilliantly as an opener until he decided that he was going to try and illegally enter the USA on the eve of the grand final. He did eventually make it to the game but all the cavity searching etc made it impossible for him to take the field.

Any TC report would be incomplete without a mention of **Alan Xu**. Started off the season strongly but decided to do as his captain did and not as his captain said and stopped scoring runs. Xuey continued to be a huge part of the team all season. I am sure I have mentioned this many times before but thank you Al, you are a top bloke and an asset to the club.

We started off with a squad of close to 40 players and it would be fair to say most of them had a look in at some point in the season and it is impossible to mention everyone by name (mostly because I am lazy). But I would like to thank everyone who contributed to get us into the finals and I have been fortunate to see some of the future stars of the club.

The best story of the season though did come from **Nasser Saleh**. On his way out to bat he walked over to **Lonnie** (umpiring) and asked him to hold what looked like a picnic lunch. When quizzed on this Nasser replied "it's in case I get hungry while batting". If my memory serves me I recall the words "go fornicate with yourself (or similar)" being thrown around.

To wrap up this long yarn of rubbish I would like to thank everyone involved in UNSW cricket. I try not to mention names because I forget names and that never ends well but big thanks to **Jebby** who put in a lot of time helping us work on our game.

Last but not least a big thank you to a fantastic team. I have really enjoyed this season and that's all that really matters isn't it? On a serious note it has been a privilege and an honour to take the field with a bunch of blokes such as yourselves. Here's to more of the same next season!

P.S I am sure I missed some people but tough balls, suck it up. I still love you.

CHAANUK DE SILVA

The Tim Creer Cup Premiers of 2012/13! The team played with a great sense of comradery and spirit all season, knowing that if they made the finals they had the game to defeat any other team in the competition. And that they did, steamrolling their way through the finals and finishing with a 120 run thrashing of Linfield in the final. Special mention to their captain, Choppy De Silva, who led with commitment and enthusiasm all season in what is arguably the toughest job in the club.

AUSTRALIAN UNIVERSITY CHAMPIONSHIPS

After being in the medals for the last few years, it was finally great to break through and take home the AUGs title for the first time in 10 years. Held in Lismore, the locals arranged for the final to be played under lights – a setting in which the boys flourished and earned a trip to India (later changed to Sri Lanka) for the World College Cricket Championships.

The core of the team had competed in several Uni Games tournaments before, however the title had always just eluded us, narrowly losing a final and a semi-final, in the years previous. This time around we were determined not to suffer the same result. The sponsorship of Red Bull also meant that the winning side was to represent Australian universities at the World T20 Championships held in Colombo, Sri Lanka – adding to the lads hunger for victory.

Boarding an early morning flight headed for Lismore, the boys were brimming with enthusiasm and excitement. Our first game was against the old foe, Sydney Uni, and was highlighted as our first big challenge of the week ... at least we thought it would be! A dominant display of batting by **Nick Walker** humiliated the Sydney Uni bowling attack with the first over sailing over the cover and long off boundary. From then on we knew this would be a special week.

Opting to bat first every game we rarely lost a wicket in the first 6 overs. This steady platform allowed the middle and lower order batsmen to play with much more freedom. Some solid striking from the likes of **Hayden Nichols** and **Brent McClean** ensued and our opposition was often resigned to the arduous task of fetching the ball from the waterways running adjacent to the field.

It was our belief that by batting first and posting a total, we could apply pressure through the form of our quick bowlers. **Bucky Rogers** was unplayable all week. His pace and swing was far superior to any of the batsmen we came up against, and he sure let them know! He was complimented by the ever-consistent **Tarun Muthanna** and the reliable **Geoff Ashmore** - a player from Wests who was a great attribution to our bowling stocks. A constant barrage of quick bowling was followed by the magical genius that is **Thomas 'thing-piece' Atallah**. Rarely did he concede more than 5 runs an over, which in a T20 tournament is a serious effort.

The culmination of consistent batting and brutal bowling spells lead us to six wins from six games with the final to be played against Melbourne University under lights on the Thursday evening. Losing the toss I was a bit nervous thinking that surely they wouldn't send us in after our record all week, however to our surprise they chose to bowl. Before we went on the play, I said to the boys that we must maintain the relaxed nature which has pervaded our squad for the whole week and keep calm - no matter what! We struggled our way to 126 with the loss of some key wickets towards the end and we knew we needed a big bowling AND fielding performance. We had a few nervous moments with three catches going down before taking our first wicket and I'll be the first to admit that, contrary to my previous gee-up speech, I began panicking a little bit. Thankfully the panic was short-lived as some extraordinary fielding efforts from **Atallah**, **Gallop** and **Crowe** helped steer the ship back on track.

Melbourne was always in need of 6+ runs/over and with our exceptional bowling and fielding performances, we were able to defend our total and win the Australian Uni Championships. At the time, we didn't fully appreciate the significance of the victory but looking at it now, it was one of the greatest weeks of lives. The experience is not defined by the victory and qualification to the World Champs, but from the friendships formed and the stories off the field that will always bond the playing group for life.

A special mention to **Phil Hood** as well who organised the trip and had the guts to let fourteen 21 year olds represent UNSW by themselves in a town next to Byron Bay ... in summer! Serious Effort.

Player of the Final: NJ Walker (UNSW)

RED BULL WORLD COLLEGE CRICKET CHAMPIONSHIP

The chance to represent Australia at any level of sport is a huge achievement. As a result of winning the Australian University T20 Championship, Red Bull sponsored the UNSW team to travel to Colombo, Sri Lanka to compete in the Campus Cricket World T20 University Challenge against India, Pakistan, Bangladesh, Sri Lanka and the UK. As one would imagine this was truly a once in a life time opportunity where we were treated like professional cricketers. Media, fans, tour buses, International stadiums, 5 star resorts and all expenses paid trip combined to form an insanely surreal week of cricket.

Landing in Colombo, we were presented with 3 Australian playing kits each, along with a bag, towel and training gear, all personally fitted and embedded with our names. It was hard to set an expectation as we had no idea of the standard we would be up against. It didn't help being pooled with the two heavyweights of the subcontinent – India and Pakistan (the eventual finalists for the comp), who we were to play twice each.

Conditions in Sri Lanka were obviously foreign to the boys and we knew it would take a bit of time to get used to. Walking onto the Premadasa Stadium for the first time was an unforgettable experience - cameras in your face, crowd cheering and a local percussion band battering away all day and night. We had India first up and narrowly went down after they chased 125 with 4 balls remaining. It was a good learning curve and we believed we still had plenty left to prove. Unfortunately, the next two games against Pakistan and India again didn't reflect our true capabilities. India whacked 200 against us in a game where everything that hit the bat seemingly flew over the ropes, and Pakistan defeated us by about 40 runs.

The three initial losses was disappointing, purely because we believed we had not played even close to our potential. However we did have one more game against Pakistan to redeem ourselves. In a reduced game of 14 overs a side, we bowled first and some great efforts by **Tom Rogers**, **Tom Atallah** and **Phil 'the ferret' Hartig Franc** saw Pakistan restricted to 120-odd. Opening the batting with myself and **Tom Gallop** we knew we need to get the runs within 11 overs to have a chance of qualifying for the finals. Before going out to bat, we were all in the change room and there was dead silence only to be broken by the umpires knock on the door. This vibe was famously captured by **Gallop** booming out "Buckle up boys, we're going at 12s!" then he sprinted out of the room and onto the field.

His determination was admirable as he took down the much hyped Pakistan fast bowlers, slashing them over cover and point. Our start held us in good stead and some brutal hitting by **Hugh Campbell**, who scored 30 off about 10 balls included 4 huge bombs sunk the hearts of the Pakistani's. **Hayden Nichols** finished the game off with the most elegant cover drive you will ever see and we chased their target down off 12 overs – narrowly missing a spot in the finals. A special mention must go to **Tom Atallah**, **Brent McClean** and **Jimmy McNeil** who all received selection in the World T20 RedBull team to tour India in September this year – congratulations!

The experience was amazing and something everyone involved will cherish. Beyond the cricket we experienced the crazy sub-continent lifestyle, elephant enclosures and some of the nicest beaches in the world. A huge thanks must go to Red Bull for sponsoring us, along with **Phil Hood** who managed us over there and **Geoff Lawson** who came for support on the field. Another thanks must be given to Ex-bumblebee captain **David Carson** who is currently living in Colombo, as he came and supported us and also showed us a thing or two on a night out over there. Finally the UNSWCC was right behind us all the way and all the support we received was very much appreciated. Hopefully we can qualify again and bring back the title.

UNIVERSITIES WOMEN'S CRICKET CLUB

PRESIDENT'S REPORT

The rejuvenation of the Club was completed this year when we entered teams in all grades of the Sydney Women's Grade Competition, 1st, 2nd, 3rd Grade and Brewer Shield as well as having two teams in the Junior Rivers Competition. This marked the fulfillment of our recruitment strategies and the active pursuit of our strategic goals over the past three years.

However, 2012-13 has not been an easy season, as so many of our players have had to miss club games because of state and national commitments. Players from lower grades were promoted in their absence each week in order to get a full 1st Grade side on the park and we are very proud of how these members performed and supported each other so that 1st grade could qualify for the finals.

Our congratulations go to **Alex Blackwell** and **Rachael Haynes** who played significant roles in Australian victories at the T20 and ODI World Cups. Of course both of these players, together with **Kara Sutherland**, were also members of the winning NSW Breakers teams that created history with victories in both the WNCL and T20 competitions during the season. Other club members who represented in the WNCL were: **Sara Hungerford**, **Kate Owen** and **Alison Parkin** (ACT) and **Erin Burns** (Tas). Congratulations to these four players who were mainstays of their WNCL sides with excellent performances in all games.

Besides our senior players we had several younger members selected for State, City & Country teams this season. Congratulations to **Clara Iemma** who represented NSW at the U15 National Championships and to **Sara Darney**, **Maisy Gibson**, **Rachel Li** and **Emily Mifsud** who played in the U18 City and Country teams. Sara and Maisy went on to represent ACT and NSW U/18's respectively. We also had a large contingent of players who were part of the NSW Cricket Academy - well done to all those girls too.

The main problem this year has been finding coaches for all our teams. Despite conducting a Level 1 Coaching Course in the pre-season, advertising for paid coaches and asking Cricket NSW and Sydney Cricket Association for assistance, we could not find people to take on regular coaching roles in the lower grades and Brewer Shield. Unfortunately **Caitlin Rawstron** moved to Canberra this year and could not continue to coach 3rd Grade, while Brewer coach **Prue Jacobson** had to resign because of family reasons just before Christmas. In this situation Head Coach **James Walsh** did what he could to help out as did our senior players and some guest coaches. We thank all those who stepped in to fill the coaching breach, including **Mary-Anne Germanos** who did a great job looking after our Junior teams every weekend.

The big positive of the year has been our improved financial position - the result of constant research and application of grants by Secretary **David Mifsud**. David secured grants from : Commonwealth of Australia Federal Government Volunteers Grant, Cricket Australia / Sydney Cricket Association Clubs Grant and is waiting on approval of a few others at State level. As well, David locked in a new sponsorship with Scolarest (part of Compass Group) for hopefully the next 3 years. This will enable us to place more coaches next year (hopefully) and to employ a part-time administrative person.

Our thanks again go to **Josephine and Tony Sukkar** of Buildcorp for their continued support and advice, to the Toxteth Hotel at Glebe for generously hosting the season launch and to Mizone for the supply of drinks at the games.

On behalf of the club, I thank SUSF and UNSWSA together with their respective men's cricket clubs for their assistance' and I also take the opportunity to thank the SCA Women's Committee and **Kate Evans** at Cricket NSW for their efforts in conducting the grade competition this year.

Other achievements this year have been: the comprehensive review of our Strategic Plan at the end of last season and the production of a much more professional-looking document to guide us over the next 3 years; our participation in Pink Stumps Day which successfully raised funds for the McGrath Foundation; our Christmas Party at the Camperdown Bowling Club which involved all club members; and the award of an SUSF Gold to **Alex Blackwell** for her outstanding service to the club over a decade. These events added to a good feeling of teamwork within the club that helped produce success on the field.

Finally I thank all club members and their families for your involvement this year, especially those who managed or scored for the teams. Thanks also to the committee members who helped with the various administrative and policy matters. Without you our volunteers, there would be no club!

SCG TEST MATCH (PETER RICHARDSON MEMORIAL) BREAKFAST

We again ran our SCG Test Breakfast, which has morphed into an annual event, driven by several factors which make it almost indestructibly successful:

- Jim Maxwell's guaranteed support as MC, no small thing in a week where there are many demands on his time.
- Henry's guaranteed presence and willingness to be up for any role, large or small, that we ask of him.
- The fruits of our resident many-hatted supremo, Jonesy, who never misses an opportunity to shanghai top draw guests and pose the question to his many networks, with just the one correct answer, about attending.

And so it proved in January 2013, with the Sri Lankans touring. With a week to go, Jim Maxwell was tweeting his followers for questions to be put to his guests, two of the hottest and most controversial tickets in Australian cricket, Chairman of Selectors, John Inverarity, and General Manager of Team Performance, Pat Howard. Nice work, Jonesy. Also, on the morning, Henry casually brought Russell Arnold, all class, along.

With many topics under intense public and private debate at the time and Jim Maxwell on something of a mission to get some answers on matters dear to his heart, it was a riveting morning. Jim didn't miss and John and Pat were also, to their serious credit, not in the mood for neutral, scripted answers. Indeed they used the opportunity to strongly state their case and expand on their side of the story - matters such as rotation, selections, balancing 20/20 with Test cricket, foreign coaches, the influence of medical staff and creating the best environment for success of the Australian side. Certainly, not everyone in the room agreed with what they had to say, and this made for not only fascinating listening, but some moments of real tension. It was high quality entertainment for our room full of cricket lovers.

We had 130 attendees, which was a good result after our fairly relaxed promotion of the event and the fact that some touring sides are less of a draw (particularly with a large part of the SCG a building site) than others. Next year, the Ashes, with the new stands, will be big!

Finally, some deserved thanks for some heavy contributors:

Simon Jagot: Sorted out our venue again, pursued and provided excellent auction prizes, and also generously dealt with the not insignificant matter of short term loans at very uncompetitive rates to pay the caterers up front. This takes the heat out of our inevitable tangle in UNSW financial red tape and avoids the embarrassment of us asking the said caterers to be patient whilst that tape slowly unwinds.

Bandit: Also a strong supporter in the area of prizes and organising "thank you" tables for our beloved volunteers.

Seros: As usual, volunteered to trade in the relaxed morning that most enjoy for the hack work of payment processing and other logistics. Thank you, Paul.

The morning raised a tick under \$3,000 for use towards scholarships to send young players to the Global Cricket School in Mumbai, which happens each year, just before our season starts.

US MASTERS GOLF DAY AND BREAKFAST

This US Masters Golf Day and Breakfast was held at the beautiful St Michaels Golf Club in April. It was once again really well supported by Club members and is a highlight on the Clubs social calendar with ex players from across many decades coming along. It was a great atmosphere in Clubhouse as we all cheered Adam Scott home for a first Aussie Masters win.

Pumped up for watching Adam Scott prevail, we had perfect weather for the event and the scores on the day reflected the great conditions. The winning team on the day was long time Golf Day participant, ex Club player and Ironman Triathlete Michael "Tubby" Elliott and his burglar team from the The Athletes Foot Eastgardens with a Nett score of 16 ¼ under Par. Runners up went to the Workspace Commercial Furniture Team hosted by Peter Byrnes, who is one of only a few teams to play in the event every year since its inception. These guys were closely followed by Danny Bhandari/Tim Lang/Micky Rea/Will Lindsay team.

The best Gross score on the day went to Workspace guys with a -7 Gross. This year's prestigious last place went to a Livo's team of 3. Craig Davis for UNSW Sport took out one of the Nearest to the Pins with what was very nearly our first hole in one at the event. Better luck next year Craig!

Once again, a great day was had by all. Next year's event will be held for the 2014 US Open on June 23, 2014.

UNSW JUNIOR ACADEMY

The UNSW Juniors Academy is an initiative whereby the UNSW Cricket Club provides specialised coaching to local juniors who have been selected into the South Eastern Junior Representative squads from ages 10 through 15 years old. It also provides a pathway for these juniors into Green Shield and Grade Cricket where appropriate.

The UNSW Academy completed its second year of pre-season training under coach and current UNSWCC 1st grade player James Day. Thirty junior representative players attended the sessions which are run at David Phillips Field from late July to the season start in September. Several of the older boys moved through to represent UNSW in this season's Green Shield team including John Venianakis who also went on to make his first grade debut.

SIMON JAGOT

UNSW IN2CRICKET ACADEMY

The UNSWCC once again hosted an in2CRICKET Academy that ran for 12 weeks around the Christmas Period. The program caters for 4-8 year olds and is based on giving the kids a sound technical introduction to cricket in a friendly and fun environment. This year we had around 30 kids participate on Friday afternoons at David Phillips Field.

The sessions were fantastic and the enthusiasm showed by the kids and the coaches was inspiring to all. We have now seen many in2CRICKET participants step into Randwick Juniors and are looking forward to the first batch hitting our Green Shield ranks in the very near future.

I would like to thank all the parents who braved the sometimes poor weather on Friday afternoons to bring the kids along. I would also like to thank all the coaches from the Club who came along to help make our in2CRICKET centre the best centre around the area.

A huge thanks to Head in2CRICKET coach, Will Lindsay. Without Will we certainly could not run such a well organised program.

I am sure everyone is already looking forward to next years program.

PARTNERSHIP RECORDS

Highest partnership for each wicket (per grade) have been listed, as well as; a) All other partnerships of +150 for two day competitions; b) All other partnerships of +100 for LO competitions; c) All other partnerships of +50 for 1T20 competition. Otherwise, the top two partnerships only for each wicket have been listed.

RETROSPECTIVE CHANGES DIARY

2007 – 1LO - The Sydney Cricket Association made the decision to combine the statistics for 1st grade two day and 1st grade limited over (50 over's) competitions for historical purposes. (Which was not done in the initial seasons following the inception of the 1st grade limited over's competition in 92/93). As a result there are some changes to the records that have been published in past annual reports.

June 2010 – 1T20 – The Sydney Cricket Association made the decision to combine 1T20 statistics for the 2009/10 season with the other 1st grade competitions (as 1T20 games formed part of the 1st grade competition) As a result there are some changes to the data that was published in the 2009/10 annual report. However, the inaugural season of the 1T20 (2008/09) still remains separate from the rest of the first grade statistics as it did not form part of the 1st grade competition that season, and was run as a separate tournament. To be clear – 1T20 statistics from 2008/09 now contribute toward player 1T20 career statistics, combined season statistics for 08/09 and player combined career statistics, but **do not** contribute toward player 1st grade statistics.

INITIATIVES

The clubs statistics are in a constant state of review and improvement. Efforts to source and fully digitise scorebooks from past seasons continues. Any errors found when digitising scorebooks have been corrected which has resulted in some minor changes to certain player's

career statistics. The **scorebook digitisation table** below outlines which seasons / grades have been fully digitised, and to what level they have been digitised (based on the information currently available). The task of scanning and posing past annual reports and other publications on the clubs website also continues.

ACKNOWLEDGEMENTS

The following people should be acknowledged for their assistance with the statistics:

- Our statisticians Chris Ward and Michael Rea for doing most of the week to week leg work chasing Captains for scorecard, proofing scorecards and data entry.
- Our reliable group of regular scorers who really do make our job much easier – Michael Rea, Alan “Costa” Xu, Terry Stamp , Greg Churchill, Bruce Murn and Claire Whitmore.

In the spirit of continual update and improvement to our statistics and other historical information, please forward your information or comments to cricket@unsw.edu.au.
