1ST GRADE LIMITED-OVERS PREMIERS 2004-05

David Carson ©, Daniel Christian, Murray Creed, Mitchell O'Connor, Cade Brown, Jim Day, Tim Lang, Ian Salisbury, Andrew Neilan, Eric Zehner, Tim Cox, Michael Elliott.

PRESIDENT'S REPORT

The club went into season 2006/2007 with high expectations following a strong fifth place in the club championship the previous season. Talk of challenging for the club championship drifted around the club during the pre-season but unfortunately this talk did not transpire to results. Despite some outstanding individual performances, none of the men's teams were able to make the finals.

First grade struggled with seven consecutive losses to start the season however they won nine of their last twelve games to finish in the top half of the table, defeating a number of the eventual finalists along the way. Outstanding performances throughout the season included **Dan Christian** at his explosive best for Sydney South-East in the State League, earning a spot in the NSW limited-overs team (going on to be their second-top leading run-scorer). **Tim Lang** had another stellar season with the ball, earning a place in the NSW 20/20 team alongside Dan. **James Day** had a great season with bat and ball, deservedly winning a University Blue in his final year of study. **Tom Cooper** continued to improve and it was great to hear that he and Tim had retained their State-contracts.

The club's lower grades all struggled at certain times during the season with player unavailability being a problem that impacted significantly on team cohesiveness. The off-season has seen considerable thought by the club's senior players into developing a strategy to rejuvenate our on-field performances, notably initiatives to restructure practice sessions and our social calendar. I am sure that all players will see the benefit of this new strategy in the coming season.

Last season was also notable for the performances of some of young brigade. **Timm Van Der Gugten** represented the NSW Under 17's and became the club's youngest ever first-grade player and **Sam Robson** represented the NSW Under 19's. Fourteen-year-old **Angus Robson** peeled off over 700 runs in his first season of a grade cricket and was deserved recipient of the Rookie of the Year Award.

The Universities Womens Cricket Club are continued to develop in their third season of operating and it was great to see their third grade team become their first team ever to make the finals. Our junior club entered five teams this season from U10's through to U16's. A big thanks to **Michelle Dunn** who has coordinated the junior teams the last few seasons and is now taking a deserved rest.

A big event this season was the "Five Summers, Five Flags" Reunion Dinner attended by past and present players to celebrate the 30th anniversary of our first first-grade premiership. It was a great evening and enjoyed by all who attended. A special thanks to **Greg Livingstone, Mark Ray** and the rest of the organising team. The commemorative book published for the occasion is a must read for any current club member wishing to gain an appreciation of the history and the many characters who have contributed to the development of our club.

The club would not operate without the efforts of our committee and I would like to thank guys like **Henry, Disco, Paul Serov, Jebby, Peter Maguire, David Mann, David Carson, Peter Carson, Stuart McKay, Olly Higgins** and **Darren Sue** who contribute many hours to the club. I especially thank Paul for the countless hours he spends dealing with many of thankless tasks that must be done.

I would also like to thank **Peter Richardson, Graeme Smith** and **Rod Evans** for their efforts with first grade and club training sessions, **Warren Smith** and **Michael O'Brien** with Green Shield and **Suey** and **Olly** with PG's. Also, **Toni Christian** did a wonderful job running Café VG.

Finally, I would like to make special mention of two club legends – **Geoff "Henry" Lawson** and **James "Disco" Dixon**. Both of these guys will be notably absent for this coming season, Henry heading to Lahore as coach of the Pakistan national side and Disco and his family moving to Canberra. These guys have been involved in the club for 30 years and the contribution each has made to the club both on and off the field is impossible to measure. Their departure will leave a large void in the club that will be impossible to replace. I would like to thank both Henry and Disco for all their efforts throughout the years – the club without doubt owes a large slice of its success to you two guys – and to wish you the very best in achieving the goals you have set yourself over the next few years.

PETER JOURDAIN

COACHING REPORT

2006/07 – let's just say we "stalled" a bit as a club. Perhaps having four key players now on State Squad duties and missing many practices was a major adjustment to the way we operate and we just weren't prepared for it ... that's an excuse I am happy to run with in order to keep this report succinct and just leave 06/07 to the history books (namely this annual report). In looking at my last year's report (which quoted substantially from my 05/06 "coach's message" because I thought that message was extremely important to our club and its on-going successes) I am left convinced that writing anything meaningful here is not really worth my (or anybody's) time – it is either never read or simply ignored. So I will say little other than a few formalities and a few "necessities".

The same big thank you as is justified every year to **Pete Richo** for his tireless efforts in ensuring the smoothly run training program and net sessions we have – and for his supportive (almost paternal) care for our 1st Grade side. He is one of the most deserving recipients of the UNSW Sports Association Sports Recognition Award that I can think of. A wonderful, generous, helpful and cricket savvy contributor who is fast becoming the most irreplaceable clubman going around in grade cricket. I will miss your company and support Richo – but leaving the Club I love knowing you are around is about as comforting as things can get.

Graeme Smith did a superb job in his coaching role which spread well beyond his 1st grade duties (including plenty of "on-field help"). Always keen, enthusiastic and constructive it was unfortunate, and I am sure frustrating for Smithy, that the Club decided to put in its biggest shocker just when he appears on the scene. Fortunately he is continuing to help us next year and I am sure a rejuvenated Club will see many benefits from his coaching. Thanks to **Wazza Smith** also for the main bright spot in the Club's season – a happy, committed, over-achieving and well run GS side. Wazza catch was the perfect man for this job and we are very happy that he has agreed to continue this role next year with another wonderful contributor (**Michael O'Brien**) to lead us to perhaps greater success and development of our fine young GS players. Wazza was also the man in charge of our very successful Junior Coaching Clinics and will continue with these next season – a really important initiative for the Club and Wazza is the perfect man for the job.

Henry, of course, was around as much as he possibly could and is undoubtedly the finest coach and cricketing mentor our players could hope to have – I just wish our players would even try to appreciate that and reap the inevitable rewards. Thanks to **Jebby, Ray** and **Simon** for 1st class facilities, brilliantly prepared in often more than trying conditions and circumstances. I am sure I have missed plenty of people involved on the coaching side of things – it goes without saying, though, that we are all indebted to the effort and work put in by **Paul Serov** to help this Club run smoothly. He can't correct training attitudes, unavailabilities and lack of socialising – but he certainly runs a Club where there are really no excuses for performing as poorly as we did in 06/07.

There is to be no dwelling by me on last season – only learning from it and getting as many people as possible to commit to doing something about correcting the problems. A sign of character – pretty much the sign this Club has displayed so many times in its relatively short history – is to face your problems and sort them out ... don't run from them or leave them to someone else. Right from the end of the 06/07 season many players and supporters have stuck their hands up and commenced the process of ensuring next season and beyond are vastly improved experiences for the Club and all its members. I can honestly say that next season is shaping as being the best prepared we have ever been on the training and preparation front and I wish all our players the best for that season and for the many thereafter that they spend with this great club. The important thing will be how much each player is willing to put in – not only for himself, but for his team and this Club. Everyone needs to stick their hand up and have a crack on the field, at practice and at the Sam Crack each Saturday night when we celebrate our performances and we celebrate what a wonderful Club we have.

JIM DIXON
CLUB COACH

Win %	= Percentage of matches won from matches played with a result
Pos.	= Final position/placing in competition

FIRST GRADE REPORT

I may have played some of my junior cricket out there, but I hate Raby Oval. The dressing rooms are dark and dingy, are shared with 3rd's, 5th's and whoever else wants to go in there, and you have to turn around half a dozen times to get wet in the unheated bore water showers. The drive out there is long and arduous, and costs around \$8 before you even put petrol in the car. The grass on the outfield makes you itchy, and the locals don't seem to like anyone who lives east of them – even to the point of refusing your help with the covers after a rain delay.

Needless to say, being handed our 7th consecutive defeat of the season by them wasn't very pleasant. We were last on the table, with 0 wins from 7 starts. Not exactly what we were looking for – 7 of us had played representative cricket in the State League Cup before the grade season began, and later on an 8th would earn representative honours via the Australian U/19's. So the experts would say that we should've at least been in the top 6.

But it wasn't to be. Some hard fought losses against Bankstown, Fairfield and Gordon gave us some positives to draw on, but we still couldn't manage ourselves a win.

1ST GRADE TEAM (ROUND 15 V PENRITH)

BACK ROW: Alan "Wally" Reid (Scorer), Andrew Jeffrey, Sam Robson, Tim Lang, Rich Nikolovski, Mitchell Sykes, Peter Richardson (Manager), Murray Creed

FRONT ROW: Mitchell Gowland, James Day, Daniel Christian (Captain), Tom Cooper, Graeme Smith (Coach).

When we turned up at Hurstville about to play the 8th match of the season against St George, finishing in the top 10 come March 15 was probably the last thing we were thinking of. Just getting off the mark was going to be nice. Inspired by 149no from Tom Cooper, we successfully defended our 277, with the help of a 5 for from Eric Zehner, to give us our 1st win of 2006/07.

Fast forward to the last round against Penrith. We've got a more than competitive 253 on the board, and Penrith are 6-38. Winning has become a habit again, and we went on to win our 9th game from the final 12 to finish in 10th position on the table.

As a bowling unit this year, we performed very well. We took 187 wickets at an average of 26.13, putting us in equal 3rd position in the competition. In almost every game we had the opposition under pressure with the ball. Tim Lang, Jim Day, Eric Zehner, Sam Robson, Mitch Sykes, Graeme

Smith, Tim Cox and myself all took part at some stage in match winning bowling partnerships.

But unfortunately, our batting seemed to be the biggest contributor to our lack of early season success. The statistics back this up – 4737 runs scored at an average of 27.7, putting us in 14th place in the competition for total runs scored for the regular season.

While there were some brilliant individual performances throughout the year, (Tom Cooper (2), Jimmy Day, Dave Carson and Sam Robson's hundreds) we were unable to consistently put together the same kind of partnerships that were putting us in winning positions with the ball.

However those 9 wins from the last 12 games included some very good allround team performances. We were able to generate some decent momentum that we'll be looking to build on next season.

Carso joins the 200 club.

Only four players have played 200 games in 1st grade for UNSW Cricket Club:

Jim Robson

Greg Livingstone

Jim Dixon

and

David Carson.

Livo is seen here presenting Carso with his commemorative mug prior to playing his 200th game during Round ??.

Congratulations Carso!

The Players

Andrew Jeffery - In comparison with his impressive debut season for the Bees, AJ would have been disappointed with last season's return. I'm sure next season he'll be looking to recapture the kind of form that saw him our leading batsman in 05/06. AJ along with Gowlo and Jimmy formed a valuable part of our slip cordon this year, converting almost all of our chances into wickets.

Sam Robson - Continued his development again last year, started the season batting 11, and went on to score a hundred in his first match opening the batting. However a combination of the team's poor batting and the wicket conditions regularly hindered Sam's development as a leggie this year. On many occasions both Carso and myself found ourselves defending low totals on wickets favouring our seamers who had been consistently making breakthroughs – therefore not leaving a 17 year old legspinner many opportunities. I wish Sam good luck in 2007/08 and I hope that his decision to depart our club will suit his personal aspirations.

Murray Creed - Muzza was disappointed at the end of the season that he wasn't able to convert any of

his eight 50's into 100's. However, many times during the year he would come in at number 3 when we were in a difficult position, and he would fight to get us out of it, deserving a hundred almost every time. Easily our most experienced player, again we'll be looking to Muzz to be the rock of our batting order next season, and his continued improvement with the ball should hopefully burgle us a few wickets!

Tim Lang - Congratulations to Langy on his well deserved debut for NSW last season in the 20/20 competition. Unfortunately he missed a few games in the middle of the season after splitting the webbing in his right hand, which may have hindered his chances of getting a call up earlier. He was unlucky not to get more opportunities after finishing NSW's equal leading wicket taker in the 20/20 competition, but his taste of the higher level will only give him more incentive to work harder and make himself irresistible to the selectors.

Jim Day - Had a good year again for us with the ball, stepping up and taking a wicket whenever we needed it, or holding up an end when the wind was howling. Jimmy started the season down the order, but put on a 200 run partnership with Coops against eventual competition minor premiers Fairfield, finishing with a brilliant century after being promoted to number 5. That innings alone will continue to give Jimmy the confidence that he can be a consistent run scorer in our top 6 next season.

Dave Carson - Dave admirably relinquished the captaincy duties halfway through this year to make way for the younger guys coming through. However his match winning 157no against Sutherland this year signified he was still good enough to be not only playing 1st grade, but doing very well. Even though his work commitments have increased, the stability provided by married life with the lovely Holly is the factor Dave has been looking for to drive his cricket forward. Along with his experience, his passion for the Bees is a link in the chain we'll need to be successful this coming season.

Tom Cooper - Played well all year, and along with Muzz saved us from humiliation a number of times. His 2 best innings were his 120 vs Fairfield where he and Jimmy rescued us from 3 for not many, and also 145 against St George. Coops determination to improve his game would suggest that he was disappointed with his post Christmas return. But bear in mind he is only 20, and the lessons he has learnt from this season will only stand him in good stead for next year.

Eric Zehner - Zoomer was a quiet achiever for us this year. 21 wickets may not seem like many over the course of the season, but Zoomer's contribution to our bowling unit as a left-armer who swings it, cannot be underestimated. He made a breakthrough whenever he came on, normally breaking a solid partnership, and continued to improve game after game. Supported his theory of "the ball always swings after Christmas" with some brilliant displays in the last few rounds.

Mitch Gowland - Mitch showed some good signs this year that he can be an important part of our top 6 in years to come. With 4 allrounders in our side, we felt last season that we had a good opportunity to give Mitch some 1st grade experience. He also filled a void for us by slotting nicely into second slip, taking 10 catches in only 9 games. Mitch's intention to move closer to the city from Kiama will benefit his development greatly this coming season, allowing him to commit more time to his training.

Richard Nikolovski - Niko came in towards the end of the season following some good performances in 2nd grade. In his 1st grade debut took 7 catches in the 1st innings, and 3 in the 2nd to show that he was good enough to do the job permanently. We will be looking for Niko to keep improving for us next year, and also to hopefully produce the form for us that saw him score a 2nd grade hundred last season.

Andrew Neilan - Neilo's work commitments and also an on-going back injury unfortunately prevented him from contributing as much to the team as we have come to expect over the past few years. His ability as a cricketer remains as good as anyone in the state, but those hindrances were unable to do that ability justice last season. Neilo, if you truly have retired, congratulations on what you have achieved at the club, and I wish you all the best in the future.

Graeme Smith (the player), **Tim Van Der Gugten**, **Tim Richardson**, **Tim Cox**, **Mitch O'Connor** and **Mitchell Sykes**. All of these guys played important roles in our season last year. As well as a couple of cameos from the coach, the progression of Tim van der Gugten was a highlight (a wicket with his 1st ball in first grade at the age of 15). Although they had limited opportunities last year, these guys all have the ability to perform well in 1st grade. Along with the rest of the 1st/2nd grade squad we'll be looking for them to keep performing strongly, in order to create a healthy competition for spots next season.

Graeme Smith (the coach), **Pete Richardson**, **Scorch (Rod Evans)** and **Mum**. Smithy did a great job co-ordinating our warm ups and practices, and his passion and will for the club to succeed rubbed off on all of us. Although we've come to the conclusion that 1st grade do not require a full time coach next season, I'm extremely happy that the club will be engaging Graeme in a more rounded club role.

Pete Richo was again brilliant in his role managing the side, making sure that all we have to do is worry about what happens on the field. As I found out in the second half of the season as captain, Pete makes sure he's on top everything; fills out team sheets, brings balls, looks after umpires, brings spare one day shirts when someone inevitably forgets theirs, the whole lot – not just the drink bottles and sunscreen! It makes life off the field extremely easy as a captain to have Pete in your corner and I can't thank him enough for his help.

Scorch and **Mum** again did a fantastic job helping out with the teas, canteen and barbeque this season for our home games. Special thanks and congratulations to Mum for persevering with the job she said she would only do briefly until we found a more permanent option 2 years ago!

The intent and enthusiasm to improve, shown by the whole of the club at the end of last season, will lead to more success both on and off the field this year. We've identified what has been successful in the past, and we're working on ways to build on that to be successful in the future.

For 1st grade in particular, it's been a slap in the face to lose an up and coming player that we've strongly supported on the back of his potential, more than anything else. However, it's provided us with an added incentive to prove to ourselves that we can not only be successful on the field, but also continue be a nursery for talented players in the future.

DANIEL CHRISTIAN

The Village Green looking resplendent in the final game of the season versus Penrith (a shame we had no teams to utilise the ground the following week in a final – hopefully next season!). In this photo, Dan faces up with Muzza at the non-strikers end.

SECOND GRADE REPORT

It was a terribly disappointing season to say the least. Consistently poor results, splattered with periods of brilliance, was the end product of a lack of preparation for games. How we were still in contention for the finals going into the last three rounds is beyond belief, but a comforting reminder that we are still in the top echelon of second grade outfits.

Our standout matches as a team were against Premiers Mosman, an excellent one day effort against a firing St George, and overall good matches over Fairfield, Parramatta and Hawkesbury.

The major disappointment of the season came with the amount of players that were unavailable to play. This led to a very unstable outfit, as the results showed, but it also enabled a number of younger guys to gain exposure at a higher level. Sure we mightn't have got the results this year, but this experience may come in handy of the next 2 – 3 years.

With Shaker, Zelly, and to certain extend Hayers, departing, it was good to see a turn over of bowlers. The likes of **Sam Crichton**, **Matthias Treuberg**, **Timm Van Der Gugten**, **Steve Towers** and **Stu McKay** contribute strongly at this level, perhaps a little inconsistent and without the figures they would've liked, but augers well for the future if they continue to work at their game. Confidence will grow moving forward and you'll look back on the opportunities gained over the past 6 months and realize how valuable they were for your development.

Breakthrough performances were also achieved by **Mitchell Sykes** and **Richard Nikolovski**. You never forget your maiden grade century, and the respective innings against Hawkesbury and North Sydney will be remembered by all of us that witnessed. Sykesy's knock was a patient dig with a very steady tempo highlighted with some strong drives and hard running between wickets. Niko on the other hand, just went to town on the small North Sydney No 2. The tail held strong with him, he took some calculated risks and came out with the ultimate result.

The other outstanding individual performance came from **Chris Thomas**. For those of you that are unaware of what happened at Rawson Oval against Mosman I'll quickly fill you in, although I'd gather Thommo already has! A Hatrick! Not only was it a hatrick, but it proved a major part of us knocking off the premiers on there own soil. Well done mate. I'll let Thommo tell you the finer details.

Tim Richardson once again showed his class opening the batting. His timing and grace make him a pleasure to watch when batting. To watch him caress a back foot cover drive is arguably one of the finest sights in cricket!!! Scores of 99 (Randwick), 164 (Fairfield) and many other consistent contributions throughout the season saw another solid season. Also a good guy to have around the set up, as his experience is invaluable and reads the game very well. Tactically very astute!

Sam Crichton was the other standout player of the season. His bowling was up and down, but when he was on song he proved very awkward to play. Those of us that stood in slips would be able to attest to this by the unpredictable pace of the ball!! The encouraging sign we were all delighted in watching was his batting. Sam started the season at 9-10, but as some good scores were built, opportunities were made for him to work his way up the order to 5. Sam has the destructive ability to clear most fences in the world. I'm waiting with excitement to watch his batting develop next season and see if he's willing to take his game up another level. Scoring hundreds and winning games!!

I'm also going to praise Sam for the decision he made in continuing to play with UNSW next season. There was a lot of pressure coming from the other clubs, and for him to make the decision to stay at his age is a credit to his character. Sam, we are all looking forward to playing along side you in the future as you're good fun to have around and play the game the way it's meant to be played.

I won't miss the rest of the players that provided contributions through the season, **Pete and Dave**

Carson, Olli Higgins, Danny Bhandari, Mitch Golwland, Peter Maguire, Mark Appleton, George Walker, Steve Lane, Pete Groves, Mitch O'Conner, Tim Cox, Matt Turner, Richard Leischman and Eric Zehner, thanks for all your efforts under trying conditions and let's hope that all our results and performances improve next season.

Go you bees.

MICHAEL ELLIOTT

THIRD GRADE REPORT

With three straight losses to begin the season 3rd Grade's endeavors never really got going. A win in round four against Fairfield-Liverpool gave us all a real boost that we may have turned the corner but unfortunately we came up against a red hot Mosman that put us to the sword as we avoided an outright loss.

In our next two games we played St George and Sutherland (who were leading the comp at this stage). We experienced heartbreaking losses in both, losing by 1 wicket against St George in the final over and 1 wicket against Sutherland. We played some very good cricket against these teams and probably had the better of both games but lacked that ability to close the game out in our favour.

We put together solid wins against our next opponents Blacktown and Hawksebury but after Christmas we lost consecutive matches against Easts, UTS Balmain and Northern Districts. Our victories, against North Sydney and Parramatta gave us some credibility as we managed to end the season in 15th position.

We were competitive without really threatening the top bracket of teams, a look at the table at the end of the season showed that we only recorded one victory against a team that finished above us on the ladder.

A common theme amongst the lower grade sides was the inability to field consistent teams week in week out, unfortunately the club suffered from injuries and withdrawals on such a scale that teams that turned out on the Saturday, were often vastly different from the ones originally selected mid week. Our poor showing on the table (reflected by only 5 wins) does not show the potential we have discovered this season by giving the next generation of players their opportunities. The development and improvement of the debutants that played in the side throughout the year hold us in good stead for the future ...

Steven Towers put in some fantastic performances throughout the year, his knocks against Easts and North Sydney were sensational and his bowling really took off towards the end of the season as wickets fell and his athletic fielding conjured run outs of the highest quality. His knowledge of Sydney Grade Grounds provided amusement and refreshments for the rest of the lads. Playing with Tiff you know your going to get more than 100%.

Joel Tibbetts came into the side in the second half of the year and demonstrated the temperament needed in batting, the first centurion for the grade against Balmain was disciplined and I hope the other batsman really took notice. As an opener JT has it all. His bowling also was of great importance to the team and I look forward to seeing the lad in action next season.

Chris O'Brien also made his way into the team and performed well. His contributions with the ball were very rewarding and his fielding and batting will be further improved next season.

Matt Turner performed the role of keeper with style, his innings at St George was worthy of being a match winner, a beautiful timer of the ball Matt always looked in and set for big scores until he found ways to get out.

Other notable mentions include **Sam Crowl**, who was a victim of team balance and never got into a rhythm but performed well and young **Angus Robson** who debuted in the last game of the year in his first year of grade cricket.

Of the older brigade **Peter Maguire** had a memorable year, Taking out the 3rd Grade Bowler of the Year award, including his man of the match figures of 6/34 against Fairfield. Jerry's performances warranted promotion to 2nd Grade where he also excelled and as the ultimate club man his loss will be felt even harder as he explores the world over the next couple of years.

Oliver Higgins was a consistent performer, taking out the Batting award with his interrupted appearances a result of his stints in 2nd Grade. Oliver is a great team man able to inspire and cajole

the players around him and he showed with his performances that better days are ahead.

The departure of **James Dixon** will leave a void not just for this team but also that of the club, which the other senior players must step into. James's leadership of third grade will be sorely missed. For my part as captain, was made all the more rewarding of playing and indeed learning from Disco's experience.

I enjoyed the year we faced as a team and a club, I eagerly await the start of next season to right some to the wrongs we experienced and to ensure that UNSWCC again fulfills it's potential

DANIEL BOWCOCK

Chris O'Brien charging in at DP North - one of the younger brigade who performed very well this season.

Known more as a bat than a bowler, Tim Elliott bowled some handy spells this season.

FOURTH GRADE REPORT

In what was a particularly poor season for the Club overall the fortunes of 4th Grade in 2006-07 certainly fell into the same category. An overall record of 5 wins, 1 draw and 9 losses resulted in a 15th placed finish and a significant step backwards from the previous season when 4's finished within one win of the finals.

It was a particularly disappointing result as the season started very encouragingly with an outstanding bonus point victory in the opening round against the eventual competition runners-up Randwick-Petersham. It was a complete performance that was backed up in Round 2 against Bankstown and again in Round 4 against Fairfield where we chased down 330 at DP North. A poor batting performance in Round 3 against Wests looked like a genuine "blip on the radar" when three brilliant batting performances from Hugh Backmann (151*), Steve Towers (101) and Joel Tibbetts (86) against Mosman in Round 5 helped the team post a record UNSW 4th Grade total of 5/418. The 5th wicket partnership between Hugh and Steve of 195 was also a UNSW 4th grade record and I would like to again congratulate them both on achieving this feat. It was a great day out and at the time simply added to the growing belief that this was going to be a successful season. Unfortunately Day 2 against Mosman was rain marred and we had to settle for a draw but the team still scrapped hard in the testing conditions and things were still looking very positive. However this proved to be false optimism as after that record-breaking batting performance we racked up just 2 wins from the remaining 10 games. The wins against fellow stragglers Blacktown and North Sydney were decent performances and of the other games only some poor middle and lower order batting resulted in a cruel 2 run loss to ND's but it is safe to say we were deserving losers in our other games.

Besides our early season form the other major positive to come out of this season was the performance of the school-aged cricketers in Angus Robson, Chris O'Brien and Kieran Emery. All performed exceptionally well against men much older and experienced than themselves and showed they have great talent. It is encouraging for the Club to have young players of this ilk coming through the grades.

And now back to those last 10 games. Quite rightly given 4's strong start to the season several players were promoted to 3's but unfortunately no players really came down to replace them. If there was one prevailing theme to team selections across the board this year it was "player unavailability". As the season wore on putting an in-form and balanced 4th Grade side on the park became an increasingly difficult task. It is easy to speculate on but difficult to pinpoint the reasons for the unavailability problem this year but I think the lesson to be learnt from this season is that unless we have an entire playing group at the Club that is committed to doing everything they can to be (a) available and (b) thoroughly well prepared each Saturday, we will go on losing far more matches than we win. Remarkably 37 different players played in 4's this year which understandably meant it was difficult to maintain anything resembling a consistent team. 90% of team changes were forced by players pulling out and/or returning up the grades after being out rather than due to form. There was very little genuine competition for spots in 4's this year and it showed. Put simply, the overall commitment of the playing group at this Club this season was nowhere near good enough. That is my opinion anyway.

Players who played 5 or more games in 4's this year were:

Mark Appleton: Apples was Apples yet again. The fact that he performed well when given a chance in 2's this year shows what he is capable of. It is only a lack of consistency that is holding him back from having a top shelf year with the ball. Of the 5 games he played his best effort in 4's was against Blacktown where he took 5/45 and used the favourable conditions perfectly to help us to a rare mid-season win. Either Apples is getting saner with age or I am just used to him now as he didn't seem as "off the wall" with his general antics this year. On reflection though, it is probably the latter as he managed to consistently max out at the fines meeting each week.

Hugh Backmann: Petal was the leading run scorer in 4's this year and was a deserving winner of the 4th grade batting award. His innings of 151* against Mosman was an outstanding display from a very talented batsman. Like last year Petal either cashed in or missed out completely but his good days tend to be very good. He struggled when promoted to 3's but is certainly more than capable of playing at that level and beyond. When it comes to pre-game and post-game obligations Petal certainly plays by his own rules which he needs to address. He doesn't do himself any favours but then again I don't think that bothers him which is part of the problem!!

Sam Crowl: The Growler is still learning the difficult art of left arm legspin but has a great attitude and put together a couple of excellent performances in 4's this year. He bowled us to victory against Bankstown taking 4/50 and finished the year with another great spell against Penrith. Got a taste of 3's and he will certainly be better for the experience next year. Given his age and his craft patience is the key word here. He also has ability in the field and a solid technique with the willow. By season's end it was encouraging to hear him filling us in on mysterious late night encounters with hooting owls in Enmore. This sort of wacky talk is precisely what you want to hear from a bloke who has taken up the esoteric art of Chinaman bowling.

Tim Elliott: Rowdy played most of the year in 3's but he occasionally found himself in 4's which wouldn't have been in his plans at the start of the year. Rowdy always looked like he was destined for a big score but only passed 50 once in 5 digs in 4's. If he begins to turn these starts into big scores he won't grace 4's too often. He also bowled a handy spell in the one-dayer against ND's and is certainly a useful bowler. A man who chooses his words carefully Rowdy was always a tough man to fine this year.

Tal Fleming: Some people say cricket is 95% mental and Tal Fleming is your perfect case study. Why he continues to struggle for runs is as mysterious as the man himself. Smoked a promising 50 in Round 2 but struggled thereafter. A mid-season trip to South East Asia and a persistent knee injury didn't help this year but his batting return was sub par no matter how you analyze it. Announced his engagement at season's end and had sports psychologists the world over buzzing with anticipation in the hope that this will unlock that run-scoring Beast within next year.

Pete Groves: Grover landed in Australia and pretty much walked straight to the middle in a 2nd grade trial and peeled off a hundred. Once over his jet lag Grover went into a sharp form slump and somehow found himself in 4's a few rounds later. The slump continued until Christmas but a new man emerged in January as he peeled off a pair of good fifties against Easts and ND's and bowled some impressive spells to successfully force his way back into 3's. No doubt he returns to England better for the experience and it was a shame it took him half the year to get going. He also took to the Sydney nightlife with all the expected enthusiasm of an 18 year old on the other side of the world and had plenty of tales to disturb the sheds with. Spent a lot of time with Angus and Cobber when they were in the team and for their sake I hope he didn't pass on any of his acquired phone numbers.

Chris Morris: Slippery Morris is a sporting cliché ... in a good way. "Gives 100%, 100% of the time," "always puts the team first," "never takes a backward step," "plays to win" ... you get my drift. Slippery played a bit of 3's, 4's and 5's this year in various capacities and never complained. His season highlight in 4's was a gutsy 69 against Norths to help us to a win and he was always one of our best in the field and set a great standard. Announced his retirement at the end of the season to concentrate his energies on the "Oust Doust" campaign down at Kogarah but hopes to be back in a few years if allowed by his wife.

Angus Robson: Considering Gus is a Robson I guess few people were surprised that he had a great first year in Grade but looking at his performances objectively they were quite remarkable for a 14 year old. There are plenty of very decent cricketers around Sydney who never score a Grade century despite years of trying and Gus already has two. His 108 against Norths on a bouncy Tunks Park deck was an innings of great concentration and ability that belied his age and he looked more and more comfortable each week which suggested he was always learning. His legspin bowling is also very

promising as he already possesses the full repertoire of tricks and has a very safe pair of hands. He will need to reconsider that Barry Dawson hairstyle though...

Matt Sanders: The Colonel returned to the cricketing arenas of Sydney after a very long lay off for one last tilt at winning a comp and it was a real shame we performed so poorly as a team. What can you say about The Colonel that hasn't been said before? A true legend of the Club and a champion bloke all round it was a privilege to play another full season with him. Even when his body (particularly his routinely dislocated fingers) and maybe his wife were saying no he kept fronting up to do his job behind the stumps. With the bat he routinely saved us from embarrassment and usually did so while belting the absolute crap out of it, as is his style. The Colonel was a great help to me as skipper which was unusual in itself as he was my captain 10 years ago! Thanks again for everything, Matty. If he wasn't already running a million dollar business he could've made a fortune this year by charging blokes for lifts. He fair dinkum had half the team in his car on plenty of occasions this year.

Joel Tibbetts: JT was the star in 4's during the first half of the season before he was rightly promoted. Started the year with a string of 80's and was one of the key reasons for our great start to the year. JT bats with enormous determination and concentration and is very difficult to dislodge. In this modern era of super aggressive batting it is actually refreshing to see an opener go out with the plan to bat for the day. In any cricket team, particularly one that plays at DP most weeks, an opener who can take you to tea is priceless. His bowling is almost always economical and will only get better. It is genuinely frightening how much he looks like Nathan Bracken.

Steve Towers: Basil arrived at the Club this year from Easts and took a few games to settle into his new surrounds but once he did he made a big impact. Put together a match winning 67* against Fairfield to steer us home under pressure in Round 4 and then backed it up the following week with a run a ball 101* against Mosman. His bowling is skiddy and well suited to DP and his fielding is first rate. I reckon Basil was one of the success stories for the Club this year. Based on his strike rate with the trivia questions from the Carlton Draught bottle tops after the game we might have a new Andrew Jones in out midst too ... or not.

Gihan Wijeratne: The Wij would have been disappointed with his final numbers in 4's and looked pretty ready for the season to end by March. Started promisingly though with his highlight being the 48 he scored against Blacktown, which worth a lot more given the conditions and illustrated his undoubted ability. Tended to get out the same way a lot as the season wore on so he just needs to work hard on that aspect of his game in the pre-season and come back a better cricketer for it next year. Ended the season in style with a particularly hazy night at the trots which will live long in everyone's memory I'm sure, except maybe his own!

Other players to play 4's this year were **Faisal Afzal, Daniel Bowcock, Alex Charlwood, Greg Dennis, Rob Dooley, Kieran Emery, Dave Heysen, David Jebb, Suresh Kalagara, Steve Lane, Richard Leishman, Ben Lockett, Clint Maddock, Dave Mann, Vince Mauric, Chris O'Brien, Gavin Periera, Jordan Roche, Rob Stark, Jono Tan, Matt Turner, Christoph Vonwiller, Ben Wakim and Chris Ward.** Of these blokes Groggles Dennis averaged 166 with the bat from three trips to the crease and really should go round for a full season at least one more time. Dave Heysen played a few games after Christmas and added genuine hostility to our attack, cigarette smoke to our change rooms and proved that he is without doubt the best fines master in the game. Bowy smashed 'em for a few games at the start of the year before getting a deserved promotion to the 3rd Grade captaincy and Club Stalwart/Legend/Hearthrob Starky peeled off a regulation 6-fa against Parramatta in Round 14 in one of his two games in 4's.

For me it was a very disappointing season at the helm results wise, which is what counts. I desperately wanted to bring a Premiership to this Club and 15th place is obviously nowhere near that. I have already expressed my frustration at the player turnover this year but nonetheless as a captain I am responsible for the performance of this team and it was not always good enough. There is simply no way a team should ever perform like this one did against Parramatta in Round 14 for example. I

certainly take something away from every game where I am captain and I can't wait to put those lessons into place and have another crack next year.

Despite the ordinary results it was, again, an honour to be offered the chance to captain a side at this Club. I hope everyone who played 4's this year enjoyed their time in the team and felt they were given every opportunity to perform at their best. The spirit in the team was excellent and it was always a pleasure to sit back with a cold one at the end of the day to talk some rubbish. There should be way more of it.

See you next year.

MICK MAG

FIFTH GRADE REPORT

In 2006-07 5th Grade had what is usually described a “mixed” season. With 6 wins and 9 losses we finished in 13th position out of 20 teams. This was an accurate reflection of how we played: statistics rarely lie, despite their bad reputation.

The biggest challenge during the season was our inability to field a consistent team: 39 players appeared in 5th grade at some stage this year, and we had as many as 4 captains: **Rob Stark, Jim Robson, Pete Mitchell** and yours truly. We also lacked a bit of punch in the pace bowling department after Keiran was injured and consistency in the top 5 (i.e. until Jungle came in).

There were positives, however, particularly the emergence of young players such as **Angus Robson, Gihan Wijeratne, Keiran Emery, Jordan Nabarro** and **Chris Ward**. Angus and Gihan were both promoted to 4s after strong starts to the season, while Keiran and Jordan were mainstays of the batting by season’s end and “Bundeena” Ward bowled a tight line and length all year. Jungle had another extraordinary season, at least by anyone else’s standards, leading the run-scoring, wicket-taking and stress-fracturing (of his back), although Starky perhaps topped him statistically (picking up his 600th wicket for the club) and medically (doing so after open heart surgery).

As for results, pre-Christmas wins were achieved against Bankstown (Rd 2), Wests (Rd 3), St George (Rd 6) and Blacktown (Rd 8), while we had success after the break against Northern District (Rd 12) and Parramatta (Rd 14). We lost the rest, including close games against Randwick-Petersham (Rd 1, 9 runs), Fairfield-Liverpool (Rd 4, 18 runs), Sutherland (Rd 7, 2 wickets) and Penrith (Rd 15, 5 runs). We had shockers against Mosman (Rd 5, rolled for 114 at DP), UTS Balmain (Rd 11, losing 20 wickets for 143 at ELS Hall, admittedly on a lively deck) and North Sydney (Rd 13, all out 134 at DP).

A quick run through the highlights, and key players:

Angus Robson peeling off a lazy 162 in just his second game for the club, against Bankstown no less, taking us (with Matt Turner’s 66-run help) to 4-354 and a good win. Gus backed it up with 83 against Fairfield in Round 4 and was not seen in Fifth Grade again (although he did make another ton).

“Jungle” **Jim Robson** watching his younger son beat his own career-best score for the club at the second attempt (see above), before hitting back with 165* against Sutherland. Cop that, kiddo! Jungle scored 426 runs at 71 and took 23 wickets at 13. Unbelievable.

Keiran Emery overcoming spinal misalignment (a.k.a. growing pains), which prevented him bowling most of the season, to become an incisive middle order batsman with a number of useful scores, including 43 in the win against Parra and an ominous 30 against Penrith. (That 30 looked like becoming a match-winning 70 when Keiran was inexplicably adjudged run out while (a) not in fact running and (b) standing with his bat in the crease. Baffling.) Keiran has great power for a young bloke and is a player of the future.

Jordan Nabarro emerging as a genuine No.3 prospect, with 41* in the defeat to Norths followed by an outstanding (and winning) 95 against Parramatta. He also effected 10 dismissals behind the stumps, although he needs to improve his footwork. Jordan is a bright young bloke with excellent timing and a good temperament, and has a solid future in grade cricket if he wants it.

Chris Ward compensating for some poor tonsorial choices (head and facial hair) with some excellent left-arm orthodox spin. Second only to Jungle in overs bowled and wickets taken, with 17 victims in 122 overs at an average of 21.

Vince Mauric taking 5-24 and 3-25 against UTS Balmain with outstanding swing and seam bowling. Sadly Vince was entirely unsupported by his teammates and we crashed to outright defeat!

Starky claiming his 600th wicket for UNSW – Round 13 v North Sydney

Above: Regulation Rob Stark dismissal – good length, good line, bit a movement and the ensuing edge to the keeper. Below: celebrating with the rest of 5th grade.

Jonathan Tan outscoring Jungle with a blazing 88* (Jungle made 60*) to run down Blacktown in a December one-dayer. Jono also contributed a couple of important wickets, none more important than the first two at Somerville against Northern Districts. Let's hope Jono makes it back to the club after his stint overseas.

Jordan Roche contributing 3 classy 50s when not playing 4s or managing a nightclub near you. Talented player could go a lot further if he makes cricket a priority.

Chris O'Brien contributing runs and wickets in early rounds before finding his rightful place in higher grades.

Pete Mitchell helping us post a competitive total at NDs before moving to Melbourne for work. (Pleased to say the last time I spoke to Mav he was in fact sitting on a tram.) Mav has been a fine servant of 5th grade over many years and we thank him for his contribution.

Julian Mark, Michael Rea and Nivan Weerakkody forming an unlikely mid-innings pace attack over the last 4 or 5 rounds, in addition to their "day jobs" of scoring runs. Julian made 45 against Mosman and 52 against the Hawks to stave off outrights, then bowled incisive spells against NDs, Norths and Penrith. Mick took time to adjust with the bat but picked up 5 wickets at just 12 over the final few games. Niv could not repeat his record run-scoring feats of 2005-06 (there were lots of starts but few finishes) but scored a match-turning 47 on a sandpit at Somerville and with 9 wickets fell one short of winning a case of beer from the captain.

Alex Charlwood, Paul Swanwick, Luke Williams and Mike Walters all contributing with the ball at various stages, with 20 wickets between them. Not so much with the bat, though, as they collectively compiled 62 runs from 13 digs! All good team men, and greater consistency will bring greater rewards.

Many others made cameos in 5s through the season, including personalities such as **Serov, Afsal, Garland, Halikas, Jauregui, Kalagara, Morris, Stuart A, Wakim B and Mann D**.

However, the cameo of cameos goes to **Robert Stark**, who, it is worth repeating, returned from heart surgery to take his 600th wicket for the club and then was promptly promoted to 4th Grade. With **Greig Robinson** (630 wickets in all grades) in his sights, I am 99% sure we will see Starky back next season. If this captain has anything to with it, 5th Grade will also be challenging for the finals.

ANDREW JONES

SIXTH GRADE REPORT

It has been well documented this year that the club struggled to put out reliable sides due to unprecedented difficulty with last minute pull outs. Sixth grade had a mixed season where I feel some reasonably enterprising cricketers felt the brunt of Friday night / Sat morning call ups to higher grades. Be that as it may 6th grade was an interesting mix of youthful exuberance, some new players to the club, some dependable hands and some more experienced types ...well a lot more experienced (like Fingers). Said it before but massive thank you to **Andrew Jones** for organising EVERYTHING. I filled in for part the season and thanks to Jonesy I ended up doing less cricket administration than Punter.

Across the season we had 3 wins, 8 losses and a washout from 12 rounds of cricket. By around round 8 we were out of the semis race but there were some good efforts nonetheless.

Mike Gregg bowled some inspired spells and was easily the most consistent bowler. He captained the side at times and at others times led by example. In particular 3 for 29 against Balmain coming on to bowl and taking wickets at times we really needed a wicket.

Luke Williams and **Steve Halikas** were reliable new ball bowlers. Spinal's 4 for 61 off 13 overs a highlight against Hawkesbury. Luke bowled a very dependable line and length and was easily our best fieldsmen, also showed he is handy with the bat scoring 53 not out against Gordon.

School holiday cameos from **Eric Parsons**, **Murray Crowe** and **Alex Kemmery** were more than useful. Eric bowls with great rhythm and accuracy damaging the Balmain top order to great effect with only 10 fieldsmen. Murray gives the ball a great rip, his enthusiasm for the game is unrivalled – at times he'd be more effective if he could reign it in a little. Alex bowled well and scored a useful 31. All cricketers to watch in the future.

Mick Rea bowled some useful spells before returning to 5th grade and Kushal and Chenna also chipped in from time to time with a useful spell.

New players to the club **Paul Grzadka** and **Brendan Johnson** chipped in with 20s and 30s in only a few games. I don't think we saw the best of either of these players and it would be great to see them both work on their respective games next season. Paul's bowling was a useful addition to the side tying down an end at times when we needed to try to build some pressure. **Rich Coomber** was very tidy behind the stumps and batted well playing only a handful of games before stepping up to 5th grade.

The one hit wonder of the season had to be **Hashan Panditaratne**. Hashan bowled a quick accurate spell against Sydney Uni producing 4 for 89 off 24 overs. Where did he go????

The usual suspects made contributions over the year **Vic Jaregui** scored a 42 not out and 55 in consecutive games. An avid student of the game was not quite content with his game this year but never gave his wicket away and gave us some solid starts. Jonesy probably averaged 50 in the few games he played. We saw **Nivan "the great" Weerakkoddy** on a couple of occasions where he chipped in with runs and some wickets. His innings against Balmain got us over the line. **Robbie Dooley** filled in while injured chipping in with two useful 50s and some dressing room banter I'd rather repress.

Kushal Das was perhaps the player I was waiting to watch dominate opposition bowling attacks. Kushal gave us a hint of his capabilities against Balmain scoring 32 not having to retire at the end of the day because of unavailability in week 2. It was a shame as he was well established in control. Kushal works hard on his game and I will be interested to see how he fares next season – perhaps some untapped potential.

Thanks for the season gents and would be great to see some of this year's side put claims up for higher grades in the coming August/September.

DAN CULHANE

POIDEVIN GRAY SHIELD REPORT

The 2006/2007 Poidevin-Gray season was very positive and enjoyable, even though we did not enjoy the same fruits of success as the previous season.

Although it is fantastic to see so many of our under 21 players to be included in representative sides (i.e. 2nd XI, NSW U17 and U19), this does not necessarily reflect good results (in terms of winning games) in Poidevin-Gray. The absence of these players at various times during the season, along with inclement weather which, amongst other things, resulted in washouts in round's 1 and 7, definitely affected the teams overall effectiveness.

Of the five games where play was possible the team enjoyed two victories versus Sydney University and a very strong Manly side. On both of these occasions this would be attributed to an outstanding effort in the field – everything went to the Captain's plan, and the execution was top class.

Of our three losses, we were just simply outdone on the day (except against Penrith – guys, we should really have reeled this one in!).

Batting: -

Sam Robson and **Mitch Gowland** were much improved performers this season. Sam scored a very well compiled 79 vs. Sydney University and 70 vs. Manly (both in reasonably quick time), and Mitch scored his debut century for the club vs. Penrith.

"Billy" Joel Tibbetts and **Matt Turner** were both solid steady performers opening the innings in most games and usually provided the side with solid starts.

Apart from their comical ramblings, **Hugh Bachmann** and **Sam Crichton** provided the team with big hitting when required. **Mitch Sykes** had a very lean season by his standards, but did score a hard hitting 50 vs. Sydney University. **Peter Groves** who was struggling to get a start in the side at the beginning of the season hit a very entertaining 62* (off only 48 balls) vs. Manly.

Bowling: -

Although our pace attack was inexperienced and had problems with technique at times **Sam Crichton**, **Timm Van Der Gugten**, and in particular **Matthias Treuberg** all improved significantly as the season progressed.

Matthias unlocked the key to bowl very tight spells on most occasions which is so vital to obtain that early break-through. His fantastic spell vs. Campbelltown-Camden is a good example of this.

Our spin bowlers toiled hard this season, **Mitch Gowland** was probably our best and was rewarded with 4/44 off 10 vs. Campbelltown-Camden. **Sam Robson** chipped in with a spell of 3/42 off 10 vs. Manly.

I would have to rate **Joel Tibbetts** (with his very under rated gentle left arm med's) as the only bowler who consistently attacked the stumps. His 5/32 vs. Gordon was a vindication for his hard work on his bowling as the season progressed.

Fielding: -

Overall, our fielding was of a high standard, particularly in the catching department.

Out field catches by **Sam Crichton**, **Peter Groves**, and **Chris O'Brien** are fantastic efforts that easily spring to mind. **Matt Turner** did a good job behind the stumps as a part time glove man.

I would like to extend my personal thanks to:

- Captains **Mitch Sykes** and **Tom Cooper** for their time and effort during the season.
- **David Jebb** and **Jim Dixon** for their usual input on selection matters (also to Jebby who prepares the best strip in Sydney)
- **Paul Serov** who administers the clubs secretarial duties in a manner second to none.
- **Matt Garland** who in the depths on injury showed he is a true spirited clubman and volunteered as the team scorer.
- **Chris Gowland**, **Mick O'Brien**, and Big **Hans Van Der Gugten** who were only too happy to help in anyway possible – scoring, playing canteen attendant, assisting with drinks breaks, marking the pitch during change of innings – whatever, they were happy to help.
- Last but not least, **Oliver Higgins** who, if nothing else, provided us with a comical overview of Saturday night's proceedings.

In closing, I would like to say that I truly believe the club now has sufficient talent and depth to sustain ongoing good results in Poidevin-Gray for at least the next few seasons and beyond.

I know it sounds old and over used (like me), but that PG's flag is just around the corner – it has to be.

A.W. GREEN SHIELD REPORT

The club was very fortunate that **Warren Smith** stepped up to coach the AW Green Shield team for the 2006-2007 season with all players set to benefit from Wazza's vast experience and unique style. Even the selection of **Timm Van Der Gugten** for the NSW Under 17 side, which would see Timm available for only 2 of the Green Shield games, did not deter the team from believing they were to have a great season.

The campaign was expected to be a difficult one with UNSW playing Campbelltown-Camden on a very soft green pitch at Raby. The Ghosts had previously held a monopoly over the Green Shield trophy having been unbeaten in the competition for the last three years. Of course the hosts were keen to send us in and they had immediate success with the Bees losing a wicket without getting the score off the mark. Several batsmen dug in namely **Charlie Wakim**(35), **Eriq Parsons**(25no), **Jordan Nabarro**(25), **Alec Kemmery**(22) and **Kieran Emery**(21) and we finished up at 9-165 off 56 overs. Wazza worked his magic with a lunch time gee up to see Campbelltown dismissed for 138 with **Eriq Parsons** taking 4-27 and **Tom Atallah**'s brilliance in the field snaring 3 catches and a run out. The phones ran hot during the lead up to the second game with everyone wanting to know how we had knocked the champions off their perch.

After the Christmas break the team traveled to Penrith for the second match which would be **Timm Van Der Gugten**'s last Green Shield match and he did not disappoint. Sent in once again we lost some early wickets without many runs. **Timm** batted bravely for his 87 but had little support and after 55 overs Uni were all out for 161. **Eriq Parsons**(1-15) and **George Harris**(2-16) got the defence off to a great start with early wickets to have Penrith 4-24 after 15 overs but some stubborn batting and a couple of missed chances saw the hosts pass our score 7 down. Whilst the boys missed some difficult catches, **Jordan Nabarro** caught 3 behind the stumps and **Murray Crowe** took a blinder at square leg.

Game 3 saw Uni at home at the Village Green for the first time. Once again we failed to get a good start and only **Jordan Nabarro**(40) got runs. All out for 120 in only 44 overs. Gordon had no trouble chasing this down only 2 wickets down.

A sunny day at Manly Oval greeted us in the field first at last. An early wicket and then some tight bowling meant Manly scored slowly and it looked like the chase would not be too big. **Charlie Wakim**(3-25) was the best of the bowlers but then a disastrous last 3 overs cost 45 runs which got the hosts to 7-242 off their 60 overs. Uni lost an early wicket but then a solid innings of 83 from **Charlie** kept Uni in the fight. **Angus Robson**(27) supported as well but then we fell away to be all out 196.

On the road again for game 5 at Rosedale against Fairfield, Angus won the toss and chose to bat. Our best 1st wicket stand of 35 due to **Alec Kemmery**(25) was followed by a few wickets to be 5-78 but then **Kieran Emery**(77) and **Mitchell Phelps**(47) put on 130 for the 6th wicket with both batsmen suffering from the heat. The tail didn't offer much but the score of 217 was an improvement on previous games. Fairfield batted patiently and only **Tom Atallah** (3-34) caused them much trouble as once again we were passed with only 7 wickets lost.

Game 6 was played at our other home ground at David Phillips North against Sydney University who were having their best season for many years with only 1 loss to date. Sent in on a good deck **Alec Kemmery**(88) and **Angus Robson**(45) followed by **Jordan Nabarro**(36) and **Tom Atallah**(38 no) got Uni to 250 at the cost of only 6 wickets. **Wazza** congratulated the boys on batting through the 60 overs which he said was essential if they were to win. Sydney Uni were in trouble from the start chasing this total and **Eriq Parsons**(3-31), **George Harris**(3-23) and **Adam Gulden**(2-20) saw them dismissed for an even 200 in the 57th over. Whilst UNSW had lost any hope of making the semis, the team showed what they could do if they put their minds to it.

The season finale for UNSW was at the Village Green against Northern Districts and unfortunately we failed to bat through the overs again being all out for 131 with **Nick Bannehr**(20) and **Tom Atallah**(36) providing some resistance. The total was not too difficult for NDs to pass with only the loss of 6 wickets with **Eriq Parsons** once again the pick of the bowlers with 2-31.

I know the team learnt much from **Wazza** and hopefully over the seasons to come they will apply what he has taught them and all the players are extremely grateful his advice and encouragement.

Thanks also to the parents who unselfishly took the players to games and training and prepared afternoon tea. Many dads also assisted with the task of scoring and their help is greatly appreciated.

A very promising start with the historic win over Campbelltown but then only one other win, however this is not a true reflection of the team's skills and abilities. UNSW had the toughest draw in the competition playing against 4 of the 6 semi finalists and actually beating the team that went on to win the trophy again. All Uni's opponents finished in the top half of the table so the players can be assured that their success is in their development as cricketers with tough games rather than having wins against weaker teams. Seven players from the team are eligible to play again in 2007-2008.

UNIVERSITIES WOMEN'S CRICKET CLUB

At the first glance the 2006/07 season, the third for UWCC was not as successful as we'd hoped with our premier sides, First and Second grade, putting in uncharacteristic performances. It is fair to say that more was expected of both sides as there is a great deal of talent and experience in both sides. However this would be unfair to the club as both teams have had difficult periods throughout the season and as a whole we have achieved a great deal this season.

Now to our successes! On the field we had our first team make the finals. Third grade stormed into the finals on the back of some strong team based performances. I want to highlight how impressive this achievement is. It took 18 months for Third grade to win its first game - not until after Christmas of their second season. From this point onwards they have not looked back and made the semi finals this year. Further they have succeeded with a small core of players, with 4 different captains over the past 3 seasons and varied line ups through-out this season. This is testament to their positive, never give up attitude and commitment to playing cricket. Congratulations to the all the third grade players on this wonderful achievement. Third grade are on a roll now and it's unlikely that they will be the easy beats of the competition for quite some time.

Off the field we had a bumper year financially and will have a carry forward of approx \$10,000. This allowed us to heavily subsidise our presentation night for the players and places the club in a very secure financial position for future seasons which, amongst other things, will hopefully aid in attracting a non-playing coach.

UWCC also ran two very successful development projects, one aimed at our long term survival and the other with an immediate focus. We ran the Twilight 12's competition for a second year and this year we varied the format and the length of the competition hoping to attract more players. In an effort to improve this competition we also applied for a Cricket Australian grant through our men's club, UNSWCC, and won \$5,000. This money was used to improve the running of the competition by developing a purpose built web-site, a logo and equipment. In our second year we registered 42 players, approximately ten more players than in our first season. The Twilight 12's continues to provide UWCC with the opportunity to introduce the game of cricket to females that may not have considered the longer form of the game. In addition, three Twilight 12's players have joined the club to play grade cricket with us. I would like to thank Emma Vickers who ran this season's competition for her hard work and devotion to ensuring a fantastic competition.

We also moved to invest in our long term future by becoming a CricHit Center for 8 – 15 year girls. As many as 8 girls attended these Cricket NSW sponsored sessions in November 06 to partake in a 5 week program where they learnt the basic skills of cricket. This is a long term development for our club and if continued UWCC may be in a position to field a Brewer shield side in 4-6 years.

I'd like to congratulate all the UWCC award winners and make particular mention of Emma Vickers who was awarded the Anne Mitchell Shield Club person of the Year. Emma has been recognized for her unconditional willingness to assist the Club both on and off the field.

To this season's committee, captains and vice captains I thank you for the time and commitment you've given to run the club this year. Your roles in this club are vital to our successes and I am grateful that none of you are afraid of hard work!! I would also like to acknowledge the support of UNSW Cricket Club, UNSW Sports Association and Sydney University Sport for their continued support of our Club.

Finally, the direction of this club is in each and every player's hands, a uni club unlike other clubs does not have the luxury of sitting back and leaving the running of the club to parents and former players. I have played and been involved administratively with university sport for 12 years and I can

confidently say that the secrets to a successful uni club regardless of the sport is that the players must get involved, they must take an active interest in the running and success of their club and above all they must work hard and together for common goals.

LENA CARUSO

Inclusion's / Exclusion's

- Includes points obtained through playing Grade's 1 - 6 ,Rounds 1 - 15.
- Does not include points obtained through playing 1st grade LO games played on a Sunday, Poidevin-Gray Shield, A.W.Green Shield ,Quarter Finals, Semi - Finals or Finals.
- Only includes official practice sessions were all club members are invited to participate.
- Includedes certain designated pre-season practice sessions.
- Does not include official practice sessions that have been "rained out" , or that fall on or around public holidays.
- Points for practice attendance are awarded to those who are absent due to representative duties.

CAREER STATISTICS

The career statistics provided are limited to the details of those players who have achieved designated milestones in runs, wickets or dismissals.

At this stage in our Club's relatively short existence (particularly at a Grade level) these milestones have been set at the below indicated levels. For more comprehensive career statistics please refer to the 1998/99 Annual Report, or for the complete details of every club representative, please refer to the Club's database which is (hopefully by now) contained on the UNSWCC Website.

The UNSWCC would like to recognise the enormous amount of work and effort put in by Peter "Jerry" Maguire in compiling the statistics, both for this season and the career stats, and for developing the fabulous statistics package available on the club's website. Also, thanks to Darren Sue (our "Stats Nazi" as Starky likes to call him), Greg Livingstone (who has managed the career statistics database for many years) and Olly Higgins (who has taken on the stats while Jerry is overseas). The comprehensive stats throughout this report are entirely their efforts.

They are performing an invaluable job that the entire Club (past and present) can and will benefit from (certainly has made the Annual Report Editor's job much easier). Please note that the career statistics, together with the current season statistics, are updated regularly throughout the season and can be viewed on the club's website:

CLUB RECORDS

Team and partnership records apply to the years in the Sydney Grade Competition - from and including the season 1973-74. For records prior to the 1972-73 season refer to the 1972-73 Annual Report Municipal and Shires Competition. Performances in teams for which not all club members are eligible (Poidevin-Gray and Intervarsity) are not included - details can be obtained in past annual reports. Records for the Women's teams are still being collated. A minimum of 250 runs or 15 wickets is required to qualify for batting or bowling records. Only the initial record maker is identified for individuals and partnerships in the event of tied records.

INDIVIDUAL GRADE RECORDS

FIRST GRADE

Highest Score	5/400	v	Manly	1997/98
