**From the Editor –**

The 2008/2009 season marked the final season as President for Peter “Jacky” Jourdain. The club owes an enormous debt to Jacky for his many years of service to the club. This has included eight years as President (2001-2009) and an extraordinary 11 years as Treasurer (1986-1997).

As a player, Jacky was a member of two premierships winning teams – the 1976/77 Poidevin-Gray Shield team and the 1977/78 2nd Grade team.

Jacky, from everyone at UNSWCC ... thank you!

The following description of Jacky was provided by Andrew McMaster and John Rogers when describing some club champions as part of the club's 2007 publication “UNSWCC – Five Summers, Five Flags 1976-1981”:

**Peter Jourdain** - ‘Jacky’ was part of the Southern Riverina mafia that invaded the club in the mid to late 70s. A seriously good middle-order batsman, who honed his financial skills during a period as club treasurer before continuing this in his career as the ‘fix-it’ man for various accounting firms and international media barons. Nicknamed ‘Jacky’ after a Pot Black personality, many of his wayward Uni days were spent in snooker halls all over Sydney.

The 1976/77 Poidevin-Gray Shield premierships winning team.  
Amongst other club luminaries, that's Jacky in the front row, first on the left.

## **PRESIDENT'S REPORT**

This was my last year as President of the Club. I feel very confident that the future will be bright. **Andrew Jones** as the new President brings a great deal of enthusiasm and experience. He already has in place exciting initiatives to enhance the club for the upcoming year and beyond. The club's coaching group led by Warren Smith has a good mix of the skills required to take our youthful and talented group of players a long way in the next few seasons.

To provide top coaching and other initiatives that Jonesy has planned requires funding. I again encourage any members of the club that may have sponsorship ideas or contacts to come forward. You do not have to be on the committee to help out.

There are many people to thank for their contributions last season and over the eight years that I have been President.

**Tim Lang** as first grade skipper took on an enormous challenge with the loss of experienced and talented players we have seen in the last couple of seasons. He, along with **Murray Creed**, have excelled both personally and from a team building perspective. **Mitchell Gowland's** undoubted talent was recognised with selection in the NSW Second XI.

**Darren Sue** took on the Chairman of Selectors role with great rigour. I cannot imagine how many hours Suey has put in for the club in doing this and his other roles.

**Paul Serov** does an amazing amount for our club, this year taking on the role of Treasurer as well as Secretary. I thank Paul for his huge contribution over many years.

I was privileged to award **Peter Richardson** Life Membership of the club at the Annual Dinner this year. As first grade manager and practice coordinator he has been incredible for our club over many years.

**Stuart McKay** is a great clubman and is continuing to grow as a cricketer. **David Jebb** took on Café VG as well as being a huge contributor in all aspects of the club, which he has done for many years. **Peter Carson** as well as conducting specific roles on the committee, is always proactive and helps enormously right across the board. **Michael O'Brien** has become a vital part of the club and continues to be an active member on the committee. **Phil Hood**, as manager/captain, organised and lead our AUG's side at the national championships in Brisbane. Thanks also to **Alan "Wally" Reid** (first grade scorer) and who is now becoming more active in other areas of the club.

The University grounds staff, **David Jebb** and **Simon Wright** continue to provide outstanding facilities including centre wickets for practice, something most other clubs have no chance of having.

Thank you to the coaching staff, **Warren Smith**, **Murray Creed**, **Langy** and **Paul House**.

We now have a few of the younger guys taking on roles. **Michael Rea**, **Alex Charlwood**, **Hugh Le Lievre** and **Chris Ward** have been on the committee for a couple of years now and are contributing more and more each year.

**Matt Sanders** organised the golf day and continued In2Cricket under the banner of UNSWCC. Matt is another that is always doing positive things for the club, often behind the scenes.

I would like to thank and acknowledge over the years the contribution of Livo, Henry, Disco, Dave Carson and Mark Ray.

And last, but certainly not least, I would like to thank **Andrew Jones** for his outstanding contribution so far and wish him well as President. I am confident he will lead the club to great heights.

**PETER JOURDAIN**

## THE STANLEY LIVINGSTONE INTERVIEW

At this year's Annual Dinner, the club was honoured to have as a guest Emeritus Professor Stanley Livingstone – one of the founding members of the UNSW Cricket Club and a former President. The following pages are the text from his interview with MC Andrew Jones – all in Stanley's own handwriting.

### QUESTIONS AND ANSWERS AT AN INTERVIEW AT UNSW

CRICKET CLUB ANNUAL DINNER, 4 APRIL 2008

Q1. I understand that you saw Sir Donald Bradman bat a number of times, did you?

A. Yes I did and I don't think that there will ever be anyone else to equal, let alone surpass, him. Recently I made a list of the 50 most important people in the western world in the past 5,000 years. In my list I had Alexander the Great, Archimedes, Julius Caesar, Joan of Arc, Galileo, Elizabeth I, Sir Francis Drake, Shakespeare, Catherine the Great of Russia, James Cook, and James Watt, who started the Industrial Revolution in 1769. My last name was Sir Donald Bradman. Recently at the wedding of my third grandson, who incidentally was best man at my second wedding (my first wife died ten years ago) I was telling my fifth grandson about my list and he said I should have included Socrates and Aristotle and I had only included Bradman because of my interest in cricket. I disagreed, telling him that Bradman was the greatest sportsman in two hundred years. The only other person to come near him was Babe Ruth, the American baseball player of the 1920's and 1930's. I once saw a picture of Bradman and Ruth shaking hands in New York in 1932.

I am not going to summarize Bradman's achievements but his average was more than 50% greater than anyone else's. Bradman hit the ball hard, but so do most modern batsmen like Hayden and Ponting. The difference is that Bradman placed the ball

- 2 -

~~that Bradman~~ placed the ball so as to bisect the angle between two fieldsmen. When looking, Bradman looked into the ground and never got caught in the deep. He seemed to get to the pitch of the ball more quickly than other batsmen. He had every shot in the book plus a few of his own. His best shots were the coverdrive and the late cut. He often pulled balls from outside the off stump; he said that he learnt this shot playing on matting wickets. I saw many long partnerships between Bradman and the New South Wales captain, Alan Kippax, who was a stylist; his bat caressed the ball as he turned it to fine leg in contrast to Bradman's brutal aggression.

I saw Bradman make his 100th century at the Sydney Cricket Ground against India in November 1947; he turned a ball to leg in the last over before tea to bring up his century. Bradman rarely hit sixes, since he tended to drive along the ground, but after tea he scored 72 runs in 19 minutes, including four of the biggest sixes I have ever seen and I have seen Mark Waugh hit some big ones.

Bradman's knowledge of cricket was so great that in my opinion he was Australia's greatest captain. I can give two examples of his good captaincy. In the 1936-37 season he was appointed Australian captain. In the First Test he scored 38 and 0 and in the second he made 0 and 82, losing the first two Test matches. In the Third Test he scored 13 in the first innings and rain came and he closed the innings at 9 for 200. The English batted stubbornly, particularly Leyland and Hammond, on an atrocious wicket. England closed at 9 for 76. In bad light with rain threatening Bradman decided to open with his number 10 and 11 batsmen, O'Reilly

- 3 -

and Fleetwood-Smith. The latter was so nervous he could not put his pads on. He said: "I won't hit 'em Don". Bradman replied: "If I thought you could, I wouldn't be sending you in". O'Reilly was out first ball; Fleetwood faced 13 deliveries without hitting one and he had the longest innings of his life, being not out all week-end. On the Monday, he was out first ball and Bradman went on to score 270. In the Fourth Test Bradman scored 20 and 212 and in the Fifth he made 169. He is the only captain that I know of who lost the first two Tests and won the next three.

In a match against an Indian XI in 1947 Bradman said to his off-spinner Ian Johnson: "I'll take mid-on away and if Armanath comes out to drive the first four balls, give him a full-toss on his hip". Armanath popped the ball to the vacant mid-on, while Bradman ran across from mid-off and caught the ball. Johnson said: "That's the first time I've been told to bowl a full toss to get a wicket".

Q2. Stan, you saw the First and Fifth bodyline Tests, in Sydney, didn't you?

A. Yes, but first let me describe what bodyline was. Hammond described it as:

1. Delivered by a speed merchant,
2. Bumped so as to fly high above the wicket,
3. Delivered straight at the batsman,
4. Bowled with a leg-side field of six to eight men.

Bodyline, called initially "fast leg-theory", was devised by Carr, captain of Notts, the Notts fast bowlers, Larwood and Voce, and Jardine, the captain

- 4 -

of the M.C.C. team to Australia in 1932-33, in the Silver Grill of the Piccadilly Hotel, London at the end of the English summer of 1932.

Jardine wrote to F.R. Foster, the fast-medium bowler who helped England win the Ashes<sup>4-1</sup> in 1911-12, asking him for his field placings. Foster had bowled "leg theory", that is, he attached the leg stump. Foster later said: "If I had known to what purpose they were to be put, I wouldn't have given them to him".

I saw every day of the First and Fifth Tests in 1932-33. That was over 76 years ago; I was just turned 12, so that makes me 88 now.

The first ball of the First Test in Sydney was bowled by a man in a brown suit; he was Tom Garrett, aged 77, and the last survivor of the first ever Test match played in Melbourne in March 1877. His great-grandson is Peter Garrett, the singer and Federal member for Kingsford-Smith, which includes Kensington. Ponsford patted the ball back along the pitch and the game began. Australia did not fare well, losing early wickets.

Facing bodyline bowling the batsman could not easily play a dead bat to a ball delivered to his body because there were four men clustered around him at leg slip, short backward leg, short square leg, and silly mid-on. He could not hook, since there were at least two fieldsmen in the deep at backward square leg and deep mid-wicket. The only thing he could do was duck or take the ball on the body. In those days helmets had not been invented and batsmen did not wear chest pads or arm pads.

- 5 -

Q3. Will you describe Stan McCabe's innings?

A. Yes, he played one of the three great innings of his life, scoring 187 not out out of 360. At his best he could, but like Bradman, his other two great innings were 189 not out against South Africa in 1935-36 and 242 at Trent Bridge in 1933. However, he lacked Bradman's consistency and his Test average was less than half that of Bradman's.

In the first Test in Sydney he and Jim Wall put on 54 runs for the 10th wicket, of which Wall contributed four. I can still visualize McCabe going down on one knee and sweeping Harwood for six into the Paddington tunnel.

Q4. Stan, can you tell us more about Harwood?

A. Harwood was short for a fast bowler, only 5 feet seven inches; that is 170 cm. He had the most beautiful action I have seen; he ran 25 metres and delivered the ball with a high action with his head turned to the left to allow his arm to come over vertically. He delivered the ball with his whole right foot parallel to the ground, unlike Lindwall and Lawson, who dragged their right toe. This put a great strain on his knee, which broke down in 1933. Unlike Brett Lee, he rarely, if ever, bowled a no-ball.

Contrary to what a lot of people may think, Harold Harwood did not like hitting batsmen, but he was a professional cricketer during the worst days of the Great Depression and he did what his captain told him to do. He could swing the ball late. His best ball was pitched on the leg stump or just outside it and could take the off bail. The left-handed Bill

- 6 -

Voce was not quite as fast as Larwood but he was over six feet tall. He could bang the ball in just short of a good length and make it rise sharply. His temperament was that of a real bodyliner; he attacked the rib cage and, unlike Larwood, was not concerned if he hit batsmen. Richardson said that he took block two feet outside the leg stump and Voce still aimed the ball at his ribs.

I knew George Bonnick, the umpire who "stood" in all five Tests in 1932-33. In the 1950's he was Vice-President of the University of New South Wales Cricket Club and he often gave talks to Club members about his experiences as an umpire. He said that "Tiger" Bill O'Reilly was a nice bloke off the field but was a fierce competitor on the field. When Bonnick turned down a leg-before appeal, O'Reilly would shout: "It would have taken the bloody middle dolly!"

Bonnick recounted that one day as Larwood was leaving the field one of the Australian players swore at him. Larwood did the only thing he could do; he reported it to his captain. The irate Jardine came to the Australian dressing room, demanding to see Woodfull, the Australian captain, but he was taking a shower, so Vic Richardson, the vice captain came to the door. He managed to pacify Jardine, who left. He then turned to the Australian team and said: "Which one of you bastards does not know the difference between Larwood and Jardine?"

Q5. When did you first play cricket for the Club?

A. In 1948-49 I played in a team of people from the school of Chemistry in what was Sydney Technical College

-7-

The captain was John Gannon, who later became Registrar of the University, I rang him recently but he is not well. We played in the Public Service competition on mats in Moore Park on Saturday mornings, I captained the team for the next three seasons.

Q6. But when was the Club, as we know it, actually formed?

A. In 1951 by Dr Laurie Lawrence of the School of Geology; he had played First Grade for Balmain at the age of 17.

Q7. In what competition did the Club play?

A. The Municipal and Shires competition. The Club's home ground was Randwick Oval, which is now the University Library lawn. In the season 1951-52 the Club played only in the B grade, performing quite well, scoring 6 for 400 on one occasion and was Runners-up.

In the following season I began playing in the B grade team. Lawrence captained the A team and Dr Russ Burden of the School of Geology captained the B team but neither team fared very well. The next season I took over the captaincy of the B team for the ensuing three years and <sup>then</sup> I went to London on study leave and played for University College London.

The present oval was available in 1959 but it was not fenced. As Acting President of the Club I wrote to the Vice-Chancellor, Professor Baxter, a number of times, requesting that the oval be fenced but he wanted to have a "Village Green" atmosphere; the name has stuck. I got to know Sir Philip Baxter very well and I really admired him, autocrat though he was. This University would not have become

what it did without Baxter's guiding hand,

I was going to South Africa in August 1964 for a lecture tour, then on to a conference in Vienna, and to spend a year in London. The day before I left I drove into the university and was pleased to see that the fence panels had been delivered. I really do think that the fence is my memorial.

Q8. Did you ever get any awards from the Club?

A. Yes, I received a small trophy in 1958 for being the first player to score 2,000 runs and take 200 wickets: 2044 runs and 283 wickets. Also I received the bowling trophy for the 2nd XI for 1962-63: 30 wickets at 12.2 and the batting trophy for the 4th XI for 1972-73: 321 runs at 24.7 when I was 52 years of age. I played my last game for the Club in 1980 when I was 59 and my last game of cricket <sup>runs</sup> in 1989 when I opened the batting for Sydney High school staff against the School 1st XI; I was 69.

Q9. In what way were you connected with the Club's entry into the Grade competition?

A. In 1973 the late Clem Barrington, the Club President, and I were interviewed by the Grade Committee at Cricket House in George Street, City and the Club was admitted to Grade status in 1973-74. A few years later the Club won the First Grade Premiership by defeating Petersham at Petersham Oval by 15 runs. I saw Geoff Lawson hit three sixes in one over. Some years later Lawson took 8 wickets for 66 in a Test match against the West Indies. I think that everyone should now drink a toast to "Henry" for that great achievement.

Ladies and Gentlemen, thank you for listening.

**Hugh Le Lievre passes on the Barr-Turn jacket to new recipient – Club Secretary Paul Serov**

*Editor's Note* - I was going to leave the above photo out of this report until I was advised that the integrity of the governance of this club might be compromised if I did.

The psyche of the club can be gauged quite accurately by the journey this jacket (awarded for the season's most questionable cricket-related conduct either on or off the field) has traversed over the years. A couple of years ago, the incumbent holder of the jacket was made Chairman of Selectors. A couple of years later its gets awarded not to a player, but the Club Secretary!

On to whose shoulders will this jacket be draped next year? This Editor awaits developments with interest.

## **COACHING REPORT**

### **1. Overview**

Our playing performances were, in Club Championship terms, very poor. The age profile of our players puts the majority of them in the 16-21 age bracket making "experience" (or lack thereof) one of the key factors in our performance this season. In addition, the club lost two players, Daniel Christian and Tom Cooper to South Australia. Both players had strong and pivotal leadership roles within the club and proved difficult to replace.

The club held a senior players/coaches/officials meeting in April 2008 to review the previous season; identify our strengths, weaknesses, opportunities and threats; and to develop a strategy for the 2008/2009 season. Outcomes from this meeting included a revision of the coaching panel to provide a better structured training environment for all grades and teams. This included the appointment of:

- Warren Smith as Head Coach with a focus on the 1st/2nd grade squad and Green Shield;
- Paul Howse as Assistant Coach (Lower Grades)
- Murray Creed as Assistant Coach (Batting)
- Tim Lang as Assistant Coach (Fast Bowling)
- Hugh Le Lievre as Junior Teams Coach
- Matt Sanders as Coordinator of the club's in2Cricket Program.

Despite the poor results on the field, the consensus of senior players from all grades was that the coaching structure generally worked well and with some improvements and minor changes should be continued into the next season. Training attendances were up on previous seasons (see statistical analysis below) and the general intensity and commitment by players at training was considerably improved.

### **2. Coaching Processes**

As with previous seasons, our coaching processes provided varied and structured skill drills (particularly batting and fielding) at every practise, particularly Thursday trainings when Paul Howse was in attendance to conduct specialist fielding drills. Centre wicket practices were provided on most Wednesday sessions. The excellent lighting provided at the Village Green over our practise nets and the ground itself continues to allow for quality practise at times never contemplated before. The club increased its use of video coaching analysis with all Green Shield players and the majority of our 1st/2nd players being videoed by batting coach Murray Creed. Each player was provided with split-screen video displaying their batting technique and the optimal batting technique for a number of shots.

A program of invitations to successful ex-1st Grade or long term grade players to provide insights and, where relevant, coaching/mentoring to current players continued this season, again in a little ad hoc and disorganised fashion. In particular, Mark Ray mentored and guided a number of our young spin bowlers throughout the season.

The appointed captains assisted the coaching structure and processes by enabling important match day instruction and feedback to occur on a frequent basis and rolled out into practises.

### **3. Practise**

Season 2008/09 saw practice attendance levels increase compared to recent seasons. At season end a statistical analysis of training attendance indicated that:

- Average attendance was 40 players per session, up from 36 last season (11% increase)
- Wednesdays continue to be better attended than Thursdays, by an average 7 players. In other

words there is a 15-18% drop-off from Wednesday to Thursday.

- Training dropped off significantly after Christmas, falling from an average of 50 players per session before Christmas this season, to an average of 31 players post Christmas (38% drop off). Last season attendance dropped after Christmas from 41 to 29 players per session (29% drop off).

Weather impacted trainings on numerous occasions again this season. Up to 8 trainings had to be cancelled due to wet weather and several other trainings were reduced to the use of the Village Green Synthetic wickets and the main field for fielding drills.

The net sessions continue to be extraordinarily well run by Peter Richardson (Wednesday) and David Jebb (Thursday) enabling similar ability players to be practicing against each other and having appropriate lengths of time to bat or bowl. The availability of centre wicket sessions provided the highest quality hit outs possible and again were expertly co-ordinated by Peter Richardson along with Warren Smith. Murray Creed utilised the synthetic practice wickets to run specialist 1-on-1 batting coaching.

#### **4. AW Green Shield**

During the course of the season at least 5 Green Shield players played in Grades 1 – 5 in any given round – on occasions (over Xmas school holidays) there were up to 8 playing in a grade side (1sts-5ths). This, at least, provided these players, and the Green Shield team as a flow on, with broader and better cricket experience. Many of the Green Shield players also attended many of the Club practices – often being the dominant “group” at trainings.

The appointed coach (Warren Smith) and Manager (Michael O’Brien) worked very well with the 2008/2009 Green Shield squad and specific practise sessions provided a very good opportunity for these kids to learn a lot about the game. The sessions include net sessions but focussed mainly on fielding drills and learning many of the basic “cricket sense” skills that seem to be lacking in many of the otherwise talented U16s.

#### **5. Juniors:**

The UNSWCC has entered junior teams in the South Eastern Junior Cricket Association (SEJCA) competitions in recent years. In 2008/09 we had four teams – 1 x U12, 2 x U14 and 1 x U16.

While each team had a manager/coach, the club provided extra coaching by employing 1st grade player Hugh Le Lievre to provide specialist technical coaching at the Tuesday afternoon training sessions.

The club also conducted a special coaching clinic at the end of the season for the two Under 14 teams. Led by Warren Smith and Paul Howse, the clinic was designed to give each player technical advice on their game that they could work on over the off-season.

The club expanded its *in2Cricket* program. From 12 local junior cricketers in 2007/2008, this season the program expanded to 50 cricketers and ran from November to December and February to March. The club employed a coordinator/coach (Matt Sanders) plus four assistant coaches to provide a fun and constructive 90-minute session each Saturday morning.

The senior Club is very interested in the development and cricket enjoyment of this vast array of young players. It is hoped the UNSWCC junior teams will continue to expand and prosper and become a pool of talent for the grade ranks. More importantly though, it is hoped that these teams can assist in attracting young kids to the game, and also provide opportunities for good and ordinary players alike to learn and develop in this.

## 6. Future Focal Points

As the UNSWCC moves forward from season 2008/09, the lessons learned from this and earlier seasons and, accordingly some of the key focal points for our club and coaching programs, are:

- Providing greater structure to mid-week training sessions for 3rd to 6th grade players.
- Continuing the development and roll-out of the mentoring system for younger players.

And various focal points from prior years that remain relevant at the end of season 2008/09:

- Devise and implement better programs of mental preparedness/cricket psychology input for players as part of the pre-season program and, if necessary, extend into the season proper.
- Devise, implement and enforce a more structured in-season fitness regime.
- Ensure a more structured program of attendance at trainings by “expert” coaches to add to and compliment the current coaching input.
- Better formalise player specific coaching/development plans and consistent use of video and associated software analysis to enhance player feedback, understanding and direction.
- At a more broad cricket level, continue to promote and run Junior Cricket Coaching camps in relevant school holidays to be coached by 1st Grade players (men and women) and UNSWCC coaching staff and to be open to ALL cricketers of any ability aged 6-18 years.

## UNSWCC COACHING TEAM

At the 2009 UNSW Blues Dinner Darren Sue (centre) was rewarded for his years of service to the club with the University presenting him with a Sports Recognition Award. He was joined at the dinner by a host of other club members including Stuart McKay (left) and David jebb (right).

Looking back on the season that was it was most definitely a rebuilding season in first grade. However there are some seriously exciting times ahead for the Bumblebee's first grade side.

We were in games right up to our necks but we just failed to win the big moments in matches. We had eventual premiers St George on toast at Hurstville Oval but through lack of experience and match awareness we let them back into the contest. I'm sure this is something all the young players in the team have taken away from the season - "... never give a sucker an even break and don't leave it up to the next person." I'm sure that if we all stick together and with plenty of hard work we can be top six contenders in the seasons to come.

Youngsters like **Mitchell Gowland**, **Blake Dean**, **Timm Van Der Gugten** and **Sam Crichton** have the cricket world at their feet. The raw talent these lads showed is something all involved at the club must be thrilled about. I'm sure with plenty of hunger and hard work these boys have the potential to go the next step.

A special mention must go to **Murray Creed**. 'The Panther' had another massive year with the bat topping the Sydney first grade batting with 941 runs at 55.35 including four hundreds. What a player Muzz has been for the club over the past five seasons. His skill, toughness and will to win is second to none. He is sure to go down as one of the best cricketers in UNSWCC history. Great stuff mate.

I can't wait for the 2009/10 season to kick off. The club has some really exciting times to look forward to. I'm really pumped for a big year of winning cricket games with the UNSW Bumblebees!

**Mitchell Gowland** - Gowlo's 99 against Gordon in the last game of the season showed just how good this bloke can be with the bat. Looking forward to Mitch's development in the coming seasons. This

guy has the ability to achieve higher honours.

**Stuart McKay** - Finchy's attitude and passion for the club is world class. If I want anyone to be successful in first grade it's Stu Mac. Played some important digs throughout the season.

**Murray Creed** - It's an absolute pleasure to play cricket with this guy. Can't wait to see more hundreds at the Village Green from Muzza.

**Blake Dean** - Deano showed he has real ability with the bat. In his first season of grade cricket he made almost 500 runs. Number one trainer at the club. If he keeps up this attitude I'm sure we are going to see big things from this guy.

**Cameron Stewart** - Big Red arrived at the club mid season from Melbourne. Very experienced player and a great pick up for the club. Looking forward to working with him over the next few seasons. Tight left arm finger spin is a great asset for the team.

**Sam Crichton** - Was the best bowler the last month of the season. Showing some real improvement with the ball. Hard hitting batsmen and with a bit more experience he will be a key player with both bat and ball in the coming seasons.

**Timm Van Der Gugten** - 'The Bull' had a slow start to the year with injury but ended the season the best bowler for us. The big quick is a real prospect with the ball but with some extra work on his batting could develop into a genuine allrounder.

**Richard Nikolovski** - The big Macedonian did a great job with the gloves. Always did his best to encourage his team when things become tough. Claimed 26 catches and 2 stumpings.

**Brendon Small** - Smally was solid with both bat and ball this season. Four poles against his former club St George was a sweet moment for him this year. A stress fracture in his back ended his season prematurely.

**James McNeil** - Jimmy got his first taste of the top grade. Was impressive for a young kid that has only played a hand full of grade games. With continued hard work on his leg spinners, James will develop into a very exciting cricketer. Brilliant in the field.

**Ryan Medley** - Med's had a difficult start to the year. Showed real character after being dropped to second grade. Came back strongly late in the season in firsts with both the bat and his leg spinners. Will have an important role to play in the coming seasons in first grade.

**Ben Wakim** - Wako had limited chances in first grade. But with the innings he played looked right at home. A real player of the future.

**Ross Lyons** - Our Scottish import did a great job for the team with his left arm finger spin. Was a super bloke to have around the club. Hope to see more of Rossy at the club in the future.

**Hugh Le Lievre** - Huge Levers always puts in 110%. A real competitor on the cricket field. Although Hugh won't be with us next season as he pursues his career in medicine, on behalf of the club I will like to wish him all the best with his future studies. Hugh mate, you will be sorely missed around the club. However the door is always open for you at the club if you decide to make a comeback!

**Wil Lindsay** - Wilbur played a handful of games early on in the season. Has the potential to play a lot more first grade cricket in the future. Great trainer and a really good bloke to boot.

**Joshua Webb** - Spider had limited chances in first grade this season, however with more hard work on his batting and finger spin I am certain he will develop into a successful first grader!

**Mitchell O'Connor** - Mocca was back to the club this season, after a short break from cricket. He showed glimpses of his best, with a fine half century against Northern Districts a standout. However due to work commitments he was unable to finish off the season with the club. Hope to see Mocca back next season.

**Warren Smith** - Wazza was once again superb getting the team prepared and in the right frame of mind for our games. His batting coaching and drills are second to none and his passion and love for the game is unparalleled. Congratulations on the OAM Medal mate. A wonderful achievement and another great reflection of your success as a coach and being an all round good bloke.

**Peter Richardson** - Richo once again did a terrific job as our team manager this season. We are very spoilt to have a guy like Pete around the club. He provide invaluable assistance to each and every player and we would be lost without him.

**Alan Reid** - "Wally" once again provided the ultimate scoring service, not only recording the scores but utilising his scoring software to provide players with detailed reports of their best performances. A great clubman and a great guys to have in the sheds after the game.

**TIM LANG**

**1st Grade action at the Village Green (Round 14 v Manly)**  
Cameron Stewart on strike, Tim Lang at the non-striker's end.  
This was during the 1<sup>st</sup> innings (the less said about the score the better).

## SECOND GRADE REPORT

It was certainly a difficult season for the 2nd grade side. At times we built some good pressure with the ball however this was a rare occurrence with the bat, our main down falling.

A number of explanations and observations can be made about the batting.

Not once did we have a settled batting order. Reasons – movement between the grades (understandable), unavailability, searching for the right combination. The latter I feel was mainly due to the lack of genuine top order batsmen at the club. This was reflected in our abysmal average partnerships for the 1st, 2nd and 3rd wicket (11.71, 16.38, and 11.81 respectively). This certainly did not give the middle order a huge amount of momentum or a platform to build a competitive score. There were some talented stroke players in the middle order in **Ben Wakim** and **Ryan Medley** who both had sporadic success. **Charlie Wakim** showed he is a genuine class act with the bat in the few games he was available; he is certainly one to be nurtured for future 1st grade cricket. **Angus Robson** and **James McNeil** both showed they had the temperament for batsmanship. Both need time in 2nd grade to churn out the runs before being thrown into 1st grade. Although James batted down the order on his few appearances he certainly looks like he has the technique and steely determination to make it at the top of the order.

To take a closer look at the dismissals of batsmen we rarely looked like we had the patience to build a long innings. With the exception of Angus, we did not have the patience to leave the ball outside off early on in our innings. Therefore it would be fair to say that poor shot selection is what caused the fall of many of our wickets. This is particularly disappointing as this suggests it was our mental preparation or poor game plans that caused our wickets rather than lack of ability. However at other times we were certainly outclassed by stronger opposition, a reflection of the lack of experienced batsmen in the side. This suggests that the young batsmen with genuine first grade potential should be identified and given extended opportunities in the natural batting positions in order to develop as players and/or the recruitment of some 'older heads' is required to guide the youngsters and provide some stability.

Our lack of runs always left the bowlers up against it. The experience, and hence ability to hit the same 'spot' of **Chris Thomas** proved very useful when he was available: as was the experience and pace of **Eric Zehner** towards the end of the season. **Mark Appleton** bowled well at times with a season average of 26.36. However, we lacked depth in the seam bowling department with our seam bowlers lacking the penetration and consistency required for 2nd grade cricket. We were blessed in the spin bowling department. **Josh Webb's** off spin was the pick of the bowling (24 wickets at 24.62). He spun the ball hard with good flight and certainly has the potential to do a job in 1st grade. **Ryan Medley**, when he found his rhythm, proved to be dangerous with excellent flight and dip.

What really let the bowlers down and is arguably inexcusable was our poor fielding, especially our poor conversion rate of chances into catches. There were numerous occasions where 4 or 5 catches went down in a game. I identified the main culprits to be either those who did not attend practice often (or at all) or those who failed to dedicate enough time to their fielding when at practice. A lot of this comes down to players taking responsibility for their own game at practice. I believe if this had been done at practice our conversion rate of chances would have been a lot higher. If the player stocks were higher I would have no hesitation in dropping players whose attendance rate at practice is poor. There is certainly a case for doing this anyway.

The highlight of the season was obviously our win against Randwick Petersham, Man of the Match being **Chris Thomas** with 4 for 13 on return from injury. I believe we could have had more success with this group of players had our application with the bat been slightly more disciplined and our commitment to practice all aspects of our game been higher.

## THIRD GRADE REPORT

**3<sup>rd</sup> Grade Team – Round 14 v Manly**

*Standing (L-R):* Scott Gray, Mark Hansen, James Brown, Alex Charlewood, Pradeep Widana-Pathirana, Tom Atallah.

*Seated (L-R):* Andrew Julian, Chris O'Brien, Daniel Bowcock (c), Vince Mauric, Matthew Code.

The next era...

Third grade was somewhat inconsistent this season, we played poorly against Bankstown and North Sydney whilst we let games against Wests and Blacktown slip away. Our three victories this year against St George, Northern Districts and Randwick (all away) were fantastic and worthy of praise. We displayed some strong characteristics in these matches which should be further improved for 2009/10.

Some 35 players played a part in the third grade season. This is a amazing amount of turnover due to various factors. I have no doubt the side was always finding it difficult to have balance and structure to it with so many changes occurring throughout the season. To build a side and assist players to grow into roles within a team we obviously need to reduce unavailabilities not associated with injuries.

The positive from this is many players had the opportunity in higher grades with moderate success. I was particularly impressed with the seasons of **Andrew Lambros**, **Alex Charlewood**, **Daniel Mulvenna** and **Pradeep Widana-Pathirana** (3rds Batsman of the Year) all of whom played across several grades and never got the opportunity to really settle in a side for an extended period. They all proved at various times in the year they were up to the tasks asked of them and with this season under their belts should look to improve upon their results next season.

We were also fortunate to add a little more depth to our experience when **Eric Zehner** (3rds Bowler of the Year) and **Matthew Code** made it into the side. Both played a good part of our season and really embraced 3rds and showed the side what is required to play the higher grades in Sydney. Both were fantastic to have around the next generation and were sorely missed when not in the side.

The arrival of **Scott Gray**, fresh from Green Shield, joined the senior ranks towards the back end of the season. His efforts really stood out, including his tenacity and processes of either keeping or batting.

One thing that was certainly in abundance was our fighting spirit. I felt that we were always positive in our cricket and attitude in every game. I hope this permeates into next season.

Overall, 2008/09 gives the third grade squad something to really build upon. Many of the players that I envisage will play a major part in 2009/10 played a lot of 2nd grade cricket. We need a level of consistency from our seniors and those players that have been around the club for a few years to really need to step up and become leaders themselves.

Peace.

## **FOURTH GRADE REPORT**

I can forget 08/09.

The season for 4th grade (at least the games I played), like that of the club was very disappointing to say the least. But from my point of view, the results of the games themselves was not the most disappointing facet, it was the manner in which we lost, the manner in which we approached games ~ a malady that afflicted not only 4th grade ~ but in my view the entire club.

The truly disappointing feature of this season was the lack of desire shown by the club, the lack of will, the lack of killer instinct, the lack of mental application and determination to succeed on a personal and team level.

The UNSW bumblebees has always been a fantastic club socially with a great bunch of blokes who enjoyed a laugh and a good time, but I feel we have forgotten that once you step on the field you have to switch on and step up, show some mongrel. Enjoying one's cricket is borne of success, both of the personal and team nature, there is nothing better than sitting in the sheds after a tough win (well any win really!) with a beer in hand and 11 good blokes singing the club song - badly normally. The ensuing talking of shite, tubbing and latest instalment of Hooley Dooley's self porking and debauchery is always entertaining and worth the blood sweat and tears of a long day in the sun in Hawkesbury swatting flies the size of Shetland ponies. But in order to enjoy all this, we actually have to win a game first - and even if we don't win, if we can walk off the field with our heads held high knowing we played our ass off and were simply beaten by a better team on the day, that we played good tough cricket, than we can be confident that more times than not we will walk off with the right result.

The Bumblebees of last season were weak mentally ... we need to work on being mentally tougher, switching on and showing some real fight - rather than the all to regular backing up of the gas truck that occurs at what should be our fortress DP. How is it that visiting clubs seem to revel in the M5 like conditions of DP while we regularly fall like panties on prom night? I like to attribute it to the seemingly ubiquitous attribute at our club, the most evil of labels that is all too often applied - "Talent". We as a club do have some extremely talented cricketers - but it means nothing if you don't perform. The word we need to be using is "performance" or perhaps "tough" - I would prefer to hear us talk of "tough" cricketers rather than talented ones. Who cares what you look like batting, bowling or fielding if you perform? Of course you may be on the receiving end of some light hearted jibes for unique style, but you can be assured of one much more valuable thing, respect, the respect of your club mates and peers for your performances.

The simple message I took away from this season was; harden the fuck up UNSW! If we want to be known as a great club to play for because of our performances and tough style of cricket and not only because we are good blokes; we need people to start knuckling down and sticking our collective hands up and showing some desperation, some heart, some grit. Every game every player has to want to be the one who is desperate to score runs or take wickets, or make a run-out that turns a game, gets the job done, not leave it to some one else ... I am optimistic that next season will see a return to a culture of performance in 4th grade and the club and that UNSW will return to a position of prominence on the club championship tables because we do have the traditions, the club spirit and most importantly the people to be truly great cricket club - if we want it.

Personally I can't wait for 09/10!

## FIFTH GRADE REPORT

Fifth Grade had a below-average season, reflecting the lack of depth in the club this year. We managed three wins and two draws (one a match saved, the other a washout), but incurred ten losses.

The explanation was fairly simple: lack of runs. Averaging just 19 runs per wicket – despite playing half our games at DP – meant we only set one decent target all year (268 v. Sydney) and failed in a succession of low chases (Wests, Penrith, Gordon). Our best batting performance was against Northern Districts, when we made 6-322 away. The only problem was they'd made 6-384 the previous week!

That said, the application in the team improved significantly after lame early efforts against Sutherland and Saints, and excepting a late blemish against Randwick. In particular, our bowling and fielding at DP were both very disciplined: no side got away from us, and we nearly stole a couple of extra wins. The most notable performances were by our various spinners, including **Lincoln Liu** (twice), **Tom Atallah**, **Nick Janzen**, **Ravin Hettiarachchi**, **Mick Mag** and **Oliver Yee**.

**Luke Williams** and **Simon Pearce** were the pick of the medium pacers, and were also redoubtable with the stick. Hawkeye averaged over 30 including 76\* against NDs, while Luke was always difficult to shift.

As to other batters, **Pradeep Widana-Pathirana** hammered a ton in his only appearance in 5s, while **Matt Edwards** went close and fellow Green Shielder **James Hamilton** impressed in his couple of appearances. **Andrew Julian** and **Naser Saleh** continued to improve through the season, while **Hugh Campbell**, **Tom Atallah**, **Mick Rea** and **Chris O'Brien** made useful cameos. **Phil Goulstone** added experience in the top order and catches in the slips, while **Gayan Vithanage**, **Buddhika Wickramaratna**, **Faraz Syed**, **Naeef Mostafa**, **Ben Whitton**, **Amalesh Sukumar** and **Bikram Karmakar** all had their moments and were a pleasure to have in the side. It was nice to get a few runs myself, although the 4 self-induced run-outs were regrettable!

Also, special thanks to Bikram for your deft handling of 6th Grade – you did a superb job.

## SIXTH GRADE REPORT

The team's failure to reach the finals was disappointing and considering the gallant effort throughout the season it was at times frustrating. Failure, though, should be judged on the process and not merely the final outcome. Throughout the season the team learned from the previous week and by the end of the season there was a real collective bond amongst the players with everyone enjoying each others success.

Similarly to last season, the clubs performances meant there were new faces in the team every week. Unlike last season however, there was no shortage of players to choose from with a large talent pool forced to sit on the bench. This wasn't without its problems as the new captain was left with the impossible task of letting players know that they hadn't been selected in any team.

Despite the loss against Blacktown in the opening game of the season, there were a number of promising performances. **Amalesh Sukumar** deputised as captain and lead from the front with 3-51 followed by 42 as UNSW fell just short chasing 224 for victory off their allotted 50 overs. **Ravin Hettiarachchi** also gave an early indication of things to come debuting for the club with 3-44 and 52\*.

A washout and a heavy defeat preceded one of the more memorable performances in UNSW 6th grade history. The stage was set, round 4 against arch rivals Sydney University away from home. On the field, the team failed to capitalise on an unpredictable pitch as Sydney University managed to post a seemingly formidable score of 283. **Amalesh** with 6-78 was again the standout with the ball picking up his season best bowling figures. Not to be outdone UNSW set about chasing the total with positive intent. A moment of inspired captaincy or sheer luck prompted the team to open the batting with **Robert Dooley** in his first appearance for the season. Robert responded with 37 runs in a 104 run opening stand with **Naser Saleh**. Naser went on to post an emotional 66 runs in his first career half century. It was enough to inspire **Luke Williams** and **Naeef Mostafa** to play Bevanesque innings as they carried the team to a courageous and memorable victory in fading light in the last over.

Unfortunately the team did not manage to carry this momentum forward into the next few rounds. A couple of defeats followed with some abject fielding and batting to blame notwithstanding half centuries by **Tom Atallah** and **Julian Mark** in this period. Round 7 marked the return to form for the team. After day 1 was washed out in the two day match against UTS Balmain Gold, 120 overs were allotted to be bowled in the second day. UNSW rollicked along to 6-270 declared in 60 overs with **Amalesh** (62) and **Ravin** (56) again amongst the runs in a season record 143 run partnership. **Eriq Parsons**, **Jack McAnespie** and **Ravin Hettiarachchi** then went on to take 9 of the 10 wickets as UTS Balmain Gold was bowled out for 167.

A number of notable performances followed soon after. English import **Alastair Lewis** posted his first half century with a run-a-ball knock on route to a comprehensive victory against UTS Balmain Black. **Tom Jagot**, who turned 13 halfway through the season, showed maturity and cricket ability well beyond his years. This was most notable during his all-round performance against Western Suburbs in which he took 5-40 with his leggies and followed it up by scoring 57\* with the bat. There is no doubt the club has unearthed a serious talent for the future. **Ravin Hettiarachchi**, en-route to becoming the clubs leading wicket taker, picked up 8 wickets in a match in which UNSW came within a dropped catch on a hat-trick ball from stealing an unlikely outright victory against UTS-Balmain Black. He then followed this up with 5-20 in a comprehensive victory against local rivals Randwick-Petersham.

Special mentions should also go to **Lachlan Taylor** who leant his vast experience to a young team and led from the front with the new ball. **Stijn Allema**, our Dutch import, came late in the season but performed admirably. His talent was befitting the higher grades but was nevertheless always appreciative of being given an opportunity to play. Stijn is a real team player and he will be welcome back to the club whenever he chooses to return. **Paul Serov** was finally given an opportunity to impress, turning back the years with a successful return in the two matches he played. **Ben Whitton** kept

commendably throughout the season and played a few cameos with the bat, leading to his selection in 5th grade. **Naser Saleh**, scored consistently after making his debut half century, and finished the season with a well constructed 64 in the last match. His fielding also improved over the course of the season and with sustained hard work he will continue to develop. **Luke Williams** made the most of his opportunities with the bat, averaging 83.5 in 6th grade to pick up the best batsman award for the season despite playing the latter half in 5th grade. **Ravin** and **Amalesh** both made significant contributions with bat and ball with the former undisputedly the bowler of the season for 6th grade. Both players also filled in as captain at some stage during the season and demonstrated great leadership qualities. Other notable contributions came from **Faraz Syed**, **Buddhika Wickramaratna** and **Sabeh Hassan** who all made useful contributions with the bat and in the field throughout the season. **Mathew Mifsud** bowled extremely tight and picked up crucial wickets in the limited opportunities he was given.

It was great to see all the boys enjoy the performances of their peers even when their own performances may not have been the best. Carrying forward these aspects of teamwork into next season will no doubt put this young team in good stead for next season as there is no shortage of talent, ability and determination amongst all the players.

## POIDEVIN GRAY SHIELD REPORT

The 2008/09 PG's season was one of missed opportunities which were evident from Game 1 against Easts. Finishing the season with 4 wins from 7 could be described as a little disappointing considering the talent and skill of the 08/09 squad. After losing our first two games we put ourselves in the position of chasing bonus point wins and relying on results to go our way to make the semis. Also with your skipper only managing to win the toss once and chasing a total 6 out of the 7 games doesn't make life much easier. But it did make for some highly entertaining and nail-biting finishes. There were excellent batting displays in the chases against Blacktown and Fairfield, and also some very disappointing ones, against Easts and Hawkesbury.

Take the Easts game for example. At one stage we were 3/200 in the 37th over chasing 259 for victory at the VG. One would say that it seems a straightforward task considering the lacklustre attack. We lost 6 wickets in the final overs to fall short by 4 runs. This result would then be the story of our season.

The team had a wealth of batting talent at its disposal. The only problem was we found it difficult to tap into when we needed it most. There were flashes of individual brilliance but at no stage was there a game-breaking partnership until the final game against Mosman when **Ryan Medley** and **Blake Dean** put on 106 for the 3rd wicket. An area that we really needed to improve in was consistency, easily said now but we need to start converting on the field. We have some promising up and comers with the likes of **Angus Robson** and **Charlie Wakim**. They seem to complement each other with their style of play. Huus builds his innings whereas Chuck belts the cover off it from ball one. Green Shield skipper **Scott Gray** had his first taste of PG's and never looked out of place. Also **Sam Crichton** only managed 4 bombs this PG's season, a statistic that will tell the tale that he may be maturing into a batsman or that he underachieved and will be filthy with himself. Overall the batting was solid but no-one went on and got a hundred, with the likes of Huus, Deano, Wako and myself in the top four we should have had at least one of us dominate an attack for a good part of the innings. We have all seen Murray Creed bat and should take a leaf out of his book.

In each of the seven games we bowled and fielded exceptionally well. The quality of bowling and fielding was definitely our strong point for the season. When it seemed that a team was getting away from us, there was always someone who stepped up and took that catch or made that run out. Out of the seven games we effected 10 run outs, which is quite remarkable and reflects the effort put in by the lads every game. Some great individual performances included Meds' 6/23 against Parramatta, who seemed to have never faced leg spin before, and Deano, who produced some quality bowling spells in the middle period of matches as well as making the 'point' position his own over the course of the season. Evergreen **Hugh Le Lievre** once again had a good season taking 12 wickets at 19.

The future PG teams look good with several players still with a couple of seasons to play. With the likes of Van Ders, Huus, Chuck, Jimmy, Choppy and Scotty Gray to name a few, the future of the club looks very positive especially with so many young guys playing first grade last season. We are going to be dominant club in years to come if we can stick together.

I would like to thank **Wally Reid** for his efforts, they were hugely appreciated and when we make road trips to Blacktown, Penrith and Mosman we realise what a great club man he is. He could have easily pulled the pin and left the job to the 12th man. Also to **Jebby**, for the decks he has become famous for and to the parents who helped out along the course of the season.

Some notable highlights include:

- Crito bowling offies at 110 k's and turning them... somehow.
- The efforts of Mickey Rea at Penrith, when the ball beat him over the fence and he tried also to

beat the fence and came off second best. Very smart if it was to get out of the 50 degree Penrith heat for the day.

- When Huey was running into bowl and the wicket-keeping Wako lay dazed on the ground holding up the game.
- The debacle over whether Van Ders was allowed to bowl or not because he might be included in the NSW 19's team. Wazza blew a fuse and all was back to normal.
- Prads' batting pads.

## AW GREEN SHIELD REPORT

The 2008-2009 AW Green Shield team was fortunate to once again have the wisdom and skills of **Warren Smith** as coach for the season. The young men were ready for challenging series during which they were to learn some hard lessons.

The season started with a tough game against a strong Parramatta side at Old Kings. We lost the toss, which unfortunately became a trend, and found ourselves in the field. The opening batsmen amassed 126 runs before a wicket fell but then another 4 wickets fell quickly thanks mainly to **Ben Scott** (2-29) and **Mitch Jones** (2-31) but no further wickets fell before the end of the innings at 212. This was not a very large total to chase but the psychological barrier of 200 runs had been breached and our players were unable to maintain their wickets. **Ben Scott** (30) was the best performer with **Daniel Ferrara** (28).

The second game saw the team on home soil at the Village Green and once again after an unsuccessful toss, the team all donned their gold strip to chase leather. A solid start of 55 by Penrith and then a couple of useful partnerships with one big hitter falling just short of a century saw them post a formidable 266. This was always going to be a very tall order to chase down a total of that size. After an early loss, **James Deacon** (52) combined with **Ben Scott** (46) to get the team to 4-111 but once again players did not cherish their wickets enough and despite a useful contribution by Matt Edwards (34) the end of the innings came smack on 200. Hopefully hard lessons were being learned.

Another chance at home against Mosman in the third game gave the team the opportunity to show their skills. Starting in the field after another unsuccessful toss, early wickets were not forthcoming which saw Mosman breach the 200 barrier again posting a total of 203 all out. Best figures were **Chris Charwood** (2-57) but 4 run outs (**Tom Gallop** with 2 of them) showed the players did were not giving up. Wickets fell to quickly in the chase to see the baby bees at 4-45 but a recovery led by team captain **Scott Gray** (71) and backed up by **Steve Smith** (36) edged us closer to the target. Once again though the mental toughness to chase let the team down with the final wicket falling just 24 runs short but with another 8 overs to go. A waste of opportunity that would have put the side back on track in the competition.

The fourth game saw the team on the road for a trip to Fairfield Oval to play Fairfield-Liverpool on one of the hottest days in living memory. The scorer had a thermometer stuck to the pole of his beach umbrella to record the agony being felt by all but I don't suppose a beach umbrella gets used much out there. It was tough going for our bowlers as the heat arrived early and stayed. No early breakthroughs gave the opposition a solid start but they were left floundering by the wiles of young spinner **Daniel Altman** (4-29) and the quick gloves of **Scott Gray** with a couple of very neat stumpings to be all out for 199. Surely the 200 barrier was in our favour this time. The heat continued to rise and proved to be too much for our players to spend any significant amount of time in the middle. **Oliver Yee** (30) and **Tom Gallop** (25) stayed for a while but to be all out for 139 in the 42<sup>nd</sup> over really was a surrender. At the end of the day we were glad to be getting into the air conditioned cars for the journey home, delayed a little while when the Fairfield manager collapsed. He was OK after a while. It helped that we had several doctors and nurses as parents of our team members and thanks to those that were able to help.

After four straight losses there was no real prospect of the team making the semis but the next game was to be at Waverley against Eastern Suburbs and as everyone in the sport knows, a local derby is always the special game to win. The toss losing streak was finally broken which saw our opening batsmen padded up in the morning for a change. It was obviously to their liking with **James Deacon** (67) and **Daniel Ferrara** (55) amassing 130 for the opening partnership. **Tom Gallop** (31) playing against his former team knocked the ball around the ground and **James Hamilton** (26no) let loose towards the end of the innings which saw the team post 7-249. Easts were never in with a chance as Uni fielded brilliantly with **Scott Gray** (2 stumpings, 1 catch) and **James Hamilton** (3 catches) leading the way. James (2-6) capped off a magnificent man of the match performance and **Daniel Altman** (3-

11) was unplayable. Easts eventually gave up at all out 131. The team song was finally heard in our dressing room and probably down Bondi Road as well.

Maybe the team put too much effort into the win against Easts to back up at home against Blacktown. Our batsmen had to keep their gear in their kits well into the afternoon as Blacktown piled on the runs to reach 258 with only **Matt Edwards** (3-30) really causing their batsmen any concern. A steady loss of wickets with the sole highlight being **James Hamilton** (63) saw the chase finish at 168. The less said the better.

The season would draw to a close at the Village Green with a game against Hawkesbury and it would see the team captain **Scott Gray** win the toss for only the second time in the series post a magnificent 124no to get the team to 6-230 off the 60 overs. **Oliver Yee** (37) chimed in with a particularly enjoyable innings as well. This innings also saw the debut of young **Tom Jagot**, an Under 13 player in our train on squad who showed great poise to finish at 18 no. Whilst scores over 200 are a difficult chase we knew that Hawkesbury had a strong batting lineup. Our bowlers rose to the challenge and took wickets early and regularly and despite their best batsman playing a brilliant innings to fall just short of his century, the Hawks were all out for 195. Best bowlers were **Chris Charlwood** (3-27), **Matt Edwards** (3-31) and **James Hamilton** (3-37).

This season will be remembered for the lessons to be learned. The team won both games when batting first but fell short in the chase everytime. Other teams in the competition showed they had the toughness to see it through and hopefully our players will learn how to do this as well. Wazza was once again tireless in his effort to help the players. It is a huge effort for him to be away from home for this campaign but he loves the game. All the team and the parents are extremely grateful for all that he does.

This season saw the most marvelous group of parents supporting the team on and off the field. Warren and I greatly appreciate all the support we received. Many parents also assisted with the task of scoring and their help is greatly appreciated. The team is also indebted to **Chris O'Brien** (Cobby) for his punishing fitness sessions through the campaign and attendance at games. The players could feel every one of their muscles each night when they went to bed but their fitness level was superb. Special mention to **David Jebb** as well who volunteered to come to Fairfield to prepare the team. Considering the scorcher on this day this was a huge effort. Also to **Will Lindsay** who helped the squad in a trial match against Armidale. And a thank you to all the grade players who came to the matches ... your presence lifts the spirits of these young men and makes them feel part of the club.

## AUSTRALIAN UNIVERSITY CHAMPIONSHIPS

While UNSW's University Games performances in Brisbane this year were nothing to write home about, I am forced to write this for the Annual Report about the week that was The Australian University Games 2008. Given UNSW's good finish in the 2007 games, we were seeded 3rd this year behind hosts University of Queensland and our nearby rivals Sydney University. Fortunately, whoever does the seeding doesn't do them for Wimbledon, and rather unfortunately, they were a fair way off the mark. The Bumble Bees had a tough week on the field winning just one from five games beating Murdoch University on the fifth and final day to save a VG nude lap.

The week started off well, with the team travelling out to the infamous Normanby hotel for a meet and greet session to the sweet Aussie tunes from Tuffy the bald guitarist. **Andrew Julian** got more than he bargained for, not only meeting his Uni games team, but most of the girls at the pub. On the cricket front, comprehensive losses to hosts UQ, Monash University and University of New England on the first three days meant there was to be no finals campaign for the Bumble Bees, but two winnable games to look forward to. Taking on an under strength UTS team on Uni Oval No.7, captained by Balmain 1st grader Tim Sparkes who couldn't turn up in time for the coin toss. UNSW bowled well to restrict UTS to 5/130 off the maximum 20 overs with **Alex Charlwood** dismissing Tim Sparkes in the first over. Needless to say he wasn't happy even though you could hear the snick from the Chancellor's office. **Ryan Medley** bagged himself two wickets and kick started us with the bat scoring a quick 18. **Suda Sivapalan** started solidly also, scoring a steady 40. Unfortunately the batting fell away from there, UNSW needing 18 off the last two overs and ending up falling agonisingly short by three runs. The fifth and final day panned out a little better for UNSW, taking on Murdoch University. There was a lot at stake for UNSW in the play off for last spot on the overall table. Murdoch batted first scoring 7/116, **Nick Gorrington** taking two early ones and some all round solid bowling from the rest of the team helped restrict the scoring. Someone didn't tell their captain they hadn't won a game. There was none stop sledging coming from him, even when Meds was in the middle of an early onslaught. **Medley** (19) and **Suda** (35) again got us off to a great start, and **Naeef Mostafa** (19) guided the scoring, brushing the nervous moments and securing our first win for the week - UNSW 5/119 (17.4 overs). Well done boys!

Of the team, everyone tried to play well. **Lincoln Liu** bowled well every game in between stints at the big house. **Suda Sivapalan** was as consistent and solid as ever at the top of the order scoring 125 runs for the week (Suey, give this guy a call), and **Ryan Medley** got wickets and runs in pretty much every game. At one stage I thought for sure we'd route other teams. That was until I realised that **Amalesh Sukumar** wasn't Murali, just a splitting image. Big **Alex Charlwood** bowled his heart out for team, as he so often does. Other players to make contributions were **Pradeep Widana-Pathirana**, **Naeef Mostafa**, **Bikram Karmakar**, **Nick Gorrington**, **Andrew Julian** and who could forget **Jeff Zhang**.

While Uni Games is all about your chosen sport, it is also about having a dip, meeting new people and just having a crackerjack time with both new and old mates. Even though our performances on the field were not up to scratch for a UNSW cricketing side, I am pretty sure we all had a dip and with visits to places like Albert's, The Big House, the GABBA to watch Dan Christian and The Normanby to name a few, it was impossible not to enjoy spending a week away with the boys. Sharing a dressing room with Murali and Medley alone made it worthwhile. Good on you all for participating. All hands on deck for coming games in Perth 2009.

Thanks must go to **Helen Bryson** and the UNSW Sports Association for the help with organising the trip away. Also to **Paul Serov** and the club itself for helping support the trip financially. Suey deserves a thank you for keeping the stats, even though some of us would wish he didn't for this particular week and finally, thanks must go to UQ campus for the terrific hospitality they showed towards us. Somewhere to stay and three meals a day were terrific.

## **UNIVERSITIES WOMEN'S CRICKET CLUB**

The 2008/09 season was jam packed with cricket. UWCC held a free skills day for Newcastle Juniors players, assisted by their coach Barry Elliot. Thank you to everyone who helped out on the day, Kate Owen, Alex Blackwell, Kate Blackwell, Ros Kember, Alison Parkin, Fraser Wunsch, Sara Hungerford and Barry Elliott. Thank you to the Newcastle Juniors team and their parents for travelling so far. It was a highly successful event and one that we are eager to continue for future seasons. All of these players are valuable assets to the club, and we need to ensure they are utilized. It will be the role of the recruitment co-ordinator to set up programs for junior development for the coming season, and repeat the junior skills day in 2009.

*CricHit* was run again in 2008, by UWCC player and committee member Kate Owen, and was the most successful season so far for the UWCC program. Thank you to UNSW for the use of the grounds, and to Kate Owen for her tireless efforts in keeping the girls on track. It is hoped that these girls will continue to move forward in their development and compete in the Sydney Rivers Girls Competition in the 2009/10 season.

*Twilight12s* succeeded again in 2008/09. Thank you to Erica Meyer for organising and co-ordinating the competition. We are hopeful it will continue this year as it exposes women to the game of cricket, and provides a fun social activity for the players.

As for inter-club matters, the weekly newsletter proved very effective this year and is an initiative that will be continued next season. The responsibility for doing this will fall under the communication and publicity committee members, Sarah Brennan and Susan Daniel. UWCC would like to apologise to those who may have missed emails or messages during the season, and will ensure this does not happen in the future.

We would like to thank all UWCC players for continually turning up to training and matches each week. In particular our second grade side, with special mention Vic Rawlings, Kailey Bogan, Cathy Murphy, Claire Hodgkinson, Bernice Ngo, Emma Vickers, and combined grade players Tayla Seymour, Fraser Wunsch, Ellie Bath and Alex Vaughan. Thank you all for your commitment and dedication. UWCC has recognised the need for improvement in our second grade side, and are determined to change the club's focus to second grade and junior development. The 2009/10 season will be one of immense change as the club's committee structure is being rebuilt, and our second grade players get the attention and recognition they so much deserve.

Special thanks to the parents of these players Peter Seymour, Patrick Wunsch and Steve Bogan for your encouragement and support of the club. Thank you for all your help at trainings and matches, in particular with the 2nd grade side, and your daughters aspirations in the game of cricket.

The Women's World Cup was held in NSW in March of 2009. This year UWCC had two Australian representative players, Alex Blackwell and Lisa Sthalekar. Australia finished fourth overall, while England pipped New Zealand in the final to hold the trophy once more. Cricket Australia Ambassadors Kate Blackwell and Alex Blackwell ensured the message got out to the public and the World Cup proved a success with the crowds. Hopefully women's cricket in Australia, and in particular Sydney, will continue to expand on the back of this success.

The 2008/09 season saw a transition in the administration of the club. The club presidency role was vacated and Lizzy Farrell took a well earned break from the role of Secretary. She was replaced in this role by Sara Hungerford for the season.

Unfortunately the transition wasn't as smooth as anticipated. On several occasions, correspondence with both the university sport organizations and the Sydney Women's Cricket Association was overlooked or not adequately dealt with. This can be attributed to inexperience in the new role as

well as failure to hand over pre-existing tasks.

We would like to take this opportunity to apologise to Sydney University Cricket Club, UNSW Cricket Club, Sydney Women's Cricket Association and both university sports associations, SUSF and UNSWSR, for the poor communication this season, and have instituted measures to ensure this won't happen for the upcoming season. Sara Hungerford has been allocated as the committee member responsible for liaising with all affiliated bodies, and will attend meetings with incoming secretary Lizzy Farrell.

Issues likely to impact on our club in the following season is the introduction of the player points system, as well as the likely entry of ACT into the Women's National Cricket League and requirements on club members to play cricket there. It is important that we stay abreast of all changes by attending SCA meetings regularly, and continue to recruit players from the universities, schools and community.

Thank you to the UNSW and Sydney University groundsmen for providing quality grounds for trainings and matches, we are proud to call the grounds of UNSW and Sydney University home.

Thankyou also to both mens clubs, Michelle Nancarrow, and Sydney Uni Sport and Fitness, Helen Bryson, and UNSW Sport and Recreation, Paul Taylor and the Sydney Women's Cricket Association, for your continued support of UWCC, as well as your patience and assistance during a particularly difficult transition period in our club.

Finally thankyou to Erica Meyer, Alex Blackwell, Kate Blackwell and Lizzy Farrell for taking on a huge administrative role at the back end of the season. The new commiittee structure for the year ahead looks more sustainable and effective. Here's to 2009 bringing Obama like "change we can believe in".

## UNSWCC JUNIORS

This season we fielded 4 teams: U12, 2 in U14s and a new team in U16s. Once again the spirit of giving everyone a fair go was our main priority. The U16s recorded their first win as a team ever during the season, and wound up their time as juniors in a positive frame of mind. The U12s again learnt new skills and teamwork, but with many boys choosing to play with their friends who are slightly older than them, playing up an age group at this stage was a challenge week in week out. The U14s appeared to be our strongest division, one team narrowly missed out on the semis, whilst the other finished in the middle of the table. We again had several rep players from this age group and the foundations for Green Shield look strong.

The UNSW Juniors runs largely as a series of independent teams, relying on the great generosity of the coaches and managers to coordinate the boys each week. They cannot be thanked enough for their time and commitment to the players. We were fortunate to have the services of **Hugh Le Lievre** to assist the juniors each week at our common training sessions. His skills and patience were an enormous benefit, not to mention having the additional support for the coaches, and we owe him a huge vote of thanks.

The support of the senior club through the provision of David Phillips for training, gear and general administration was again important to maintaining the viability of the club at junior level.

2009/10 looks to be a tough year for the juniors, where we will perhaps have 2 teams at best. Some flow through from players in the in2Cricket program into junior teams is one way to ensure the ongoing survival of the juniors. It seems unfortunate to have so many young players involved with UNSW through in2Cricket, only to see them move off to register with other, much larger clubs. With Randwick Juniors having around 33 teams and Easts 28 in 2008/9, UNSW Juniors is in danger of being lost as a small, friendly alternative to these giant clubs.

## COOGEE BAY HOTEL REBELS

The CBHR are a club who fielded 3 teams (one in 1st grade, one in 2nd grade & one in 5th grade) in the local MPSEDCA (Moore Park) competition. Contacting Jonsey pre-season, they proposed an alliance that would see the UNSWCC send them players (that would not have otherwise got a game) from the train on squad. This turned out to be a mutually beneficial arrangement, as it not only provided the Rebels with an additional source of players to assist in filling their roster, but also ensured that as many Bee's as possible got a game of cricket on any given weekend.

The Rebels had a season of up's and down's, but were eventually successfully in getting all three of their sides into the Semi Finals, 5th grade were successful premiership winners.

Thanks must go Rebels President **Matt Donovan**, who took things all in his stride (even when we took a few players back on the odd occasion to fill our Metro Cup side).

Hope we continue this alliance next season

## SNAKE ROUTER CUP

Carso's legacy lived on again this season (al be it a cut down version) and was, as per last season, incorporated into the club's Christmas Party, and is fast becoming one of the clubs main social events. Two sides comprising of 1st graders and up-and-comers did battle in this Twenty20 fixture. Thomo's Troopers won the toss an elected to bat, scraping together 138. A hostile opening spell from **Langy** and **Smally** saw their demise, however useful hands were still contributed by **Deano**, **Redman Stewart & Hanso**. Tappy's Tigers only received one over (in which **Prad's** pumped **Bossy** for 10) before the biggest storm in history arrived.

Thanks must go primarily to **Jebby** who organized the canteen and catering, to **Charlie** and **Julie Lawson** for helping in the canteen, the tunes provided by **Tiffany Towers** on the boom box (my Ears are still bleeding !) and the musical talents of **Ben Lawson's Band**, to **Hans VDG** on the scoreboard and to our Ump's for the game - **Paul "Sneaky" Serov** and **Bowy** - who so willingly provided his ruthless interpretation (although apparently unaware of certain complexities regarding the LBW law at the time). Lets do it again next season!

## CAREER STATISTICS

### OVERVIEW

The individual, team and partnership records published on the following pages are for those seasons since the clubs inception into the Sydney Grade Competition (1973/74). For records prior to this time, refer to the 1972/73 annual report, which was the last for the clubs affiliation in the Municipal & Shires Competition.

Qualification for club records are as follows:

**Batting\*\*:** Two day competitions: 250 runs, Limited Over competitions (i.e. 1st Grade Limited Overs, Poidevin-Gray Shield & A.W.Green Shield): 150 runs.

**Bowling\*\*:** Two day competitions: 15 wickets, Limited Over competitions (i.e. 1st Grade Limited Overs, Poidevin-Gray Shield & A.W.Green Shield): 8 wickets.

In seasons where these qualification requirements have not been met, the following has been applied:

**Batting:** Two day competitions: minimum of approx. 4 innings, Limited Over competitions (ie.1st Grade Limited Overs, Poidevin-Gray Shield & A.W.Green Shield) minimum of approx. 3 innings.

**Bowling:** Two day competitions: minimum of approx. 40 overs, Limited Over competitions (ie.1st Grade Limited Overs, Poidevin-Gray Shield & A.W.Green Shield) minimum of approx. 30 overs.

Figures for the seasons of non-qualification have been printed in *italics*. Current record holders have been highlighted in **bold type**. Records can be held by multiple players.

\*\* Records for 1st Grade are a combination of the two day and limited overs competitions.

### INITIATIVES

The clubs statistics are in a constant state of review and improvement. This season, all partnerships for 1st grade have been compiled, and the top 10 partnerships for each wicket have been published in this season's annual report. The career statistics per grade for current players (i.e. played at least one game this season) have also been included, and are highlighted in **bold type**.

In 2007, the Sydney Cricket Association made the decision to retrospectively combine the statistics for 1st grade two day and 1st grade limited over competitions for historical purposes (which was not done in the initial seasons following the inception of the 1st grade limited overs competition). As a result there are some changes to the records of past annual reports.

In future years, the following data will be compiled and will appear in future annual reports:

- All centuries scored by batsmen.
- All 5 wickets in an innings taken by bowlers.
- Game scores and results sorted by opposition, venue and team Captain.
- A complete compilation of all available partnerships, and publication of all partnerships of +100 runs (which as already been done for 1st Grade, 1LO, PGS & AWGS).
