In addition to **Matthew Gilkes**, the club was very fortunate to have legendary Bee's **Christopher Tremain** and **Daniel Christian** back after an extended absence, playing as many games as possible around their 1st class and BBL schedules. All three are fantastic players, and terrific blokes – true Bees to the core.....

LIFE MEMBERSHIP INDUCTION - MRS. JULIE ALICE LAWSON

At the Annual Dinner on 22 May 2021, Julie Lawson was inducted into Life Membership of the Club. In our 70 year history, she is our 39th Life Member. On the night, **David Jebb** gave a speech of introduction for Julie's acceptance and response along the following lines:

"Julie first appeared at the Bees in 1978 at Hurstville Oval, when she went along to watch her flatmate (Steven Campbell) play 1st Grade for UNSW. During the day, as she sat on the hill on her own, a young bloke called **Geoff Lawson** went over and introduced himself, and the rest, as they say.....

Tonight we recognise Julie's longevity, generosity, good humour and many hours of work for us.

For four decades, Julie (with Henry) has been something of a "go to" for overseas and new country player settling in accommodation, including the odd crisis. Whether it's been a bed, food and jet lag by the pool for a few days or a late night trip to a broken down bomb, Julie has always been a willing helper.

I did a bit of research on this with some of our players from the 80s. As usual, Disco (**Jim Dixon**) was eloquent:

Julie really came into her own as the (I would almost say) mother of the many young players coming through in the 80s and 90s. I cannot remember how often I (and a large number of my clubmates) were invited and warmly welcomed back to Mount Street, to be fed and "watered" and entertained and "revived" (what a great scene their backyard pool and spa was). I reckon it was at least 2 or 3 times EVERY week with Julie cooking and organising and joining in with everyone. Always with a smile on her face and hopefully knowing how much we enjoyed, appreciated and benefited from being looked after like that. And for blokes like Shawy (Andrew Shaw) and Kurlly (Michael Kovacs) as examples, as young lads in the big smoke to become cricket stars, this probably happened even more often.

Clearly Henry was the connecting point in all of this but I truly believe it was Julie who made it happen – and made it happen in such an enjoyable and beneficial environment at their home.

You know as well or better than I what a massive contribution Julie has made so directly in recent years with things such as the canteen so I only really wanted to add this kind of "behind the scenes", but massive, contribution she made to the club as our (almost) mother during some very formative grade cricketing years for many of us."

With regard to Julie's more recent extra contributions, the context is this:

We are part of a substantial cricket competition that is part of a direct pathway to the Australian teams. Only here can a late call up from 2nd Grade a player find himself batting against the Test bowler the next day. Only here will a Henry or a Dan Christian strap 'em on for his original club, whenever he can. Meanwhile, for example in the UK, the most you see of a Test or County player around his original club is when they drive past in a car with their name and sponsor on the side.

So we know how important and unique our comp is.

However, it would be fair to say that not many of Sydney's 5 million people know or care about this. In fact, let's say, boosted by the introduction of Frogbox, the number of people who give a shit about Grade cricket is probably about 5000, including 2000 players. About .001%. OK, let's double it - 10,000 or .002%.

So, it's not easy to find volunteers. For some reason, more than 99% of the Sydney population prefer shopping, going to the beach, visiting cafes and restaurants, sailing on the harbour, watching TV or lying in bed all day after a big one, to watching or getting involved with Grade cricket. And every year we make the "motherhood" assertion that we need more volunteers - we've had, and currently have, some outstanding ones but, to state the bleeding obvious, the more you have, the better it is for the players and for the club in meeting the significant expectations we have from the outside.

A decent, well organised canteen and arvo tea is an important part of how our days are expected to go. Clubs look down on us if it isn't and it's a nice thing for the players and umpires if it is. And drinks - three times a day, on time or it's just not good enough. The glamour of doing these jobs week in, week out, is fluctuating.

And canteen stock doesn't turn up by osmosis. Shopping trips to bulk buyers and cashflow management have all occurred during the week to achieve that full fridge and 5 food groups on display at arvo tea.

Julie stepped up when the Van der Gughtens moved on in 2012 and, for the next 7 seasons, when we started looking at the season ahead, there was the relieving news that Julie was again good to do the canteen for 1sts. A COVID no canteen season on the heels of her declaring her innings closed has probably camouflaged the hole she left year a ago but no doubt we will feel it this September when things are back to normal.

Julie has never been the slightest bit transactional in giving her time to us for this - unless you want to call a little bit of manners and thanks a transaction. She's had no kid playing in the club (in fact her commitment to the job saw her miss seeing the only game BL and Henry ever played together), her husband already stands as a legend in the game and, while it probably helps that she doesn't hate cricket, she's already had plenty of it in her life from other sources.

In all this, and in all her interactions with the club, Julie has maintained something of an ethos of:

"I'm not any more special than you and you're not any more special than me".

What was in it for Julie? Simply, she loves the club and the people in it. She thinks we are worthwhile and worthy of her time.

Julie, for 43 years you have laughed with us, been outraged with us, enjoyed our successes and been saddened by our losses. And, in helping us like you did, you helped us to get on with the playing. I hope there was some sense of reward for you in putting in all those hours but, obviously, we were, overwhelmingly, the beneficiaries.

On behalf of all of us, thank you and I am very pleased to be able to welcome you to Life Membership."

UNSW DOUG CRAWFORD SPORTS RECOGNITION AWARD

GLEN GREENBERG & GREGORY LIVINGSTONE

At the UNSW Blues Dinner on the 12th March 2021, two outstanding club volunteers were honoured by being awarded Sports Recognition Awards by the UNSW.

By definition, a UNSW Sport Recognition Award is awarded to club members for their continuous outstanding contributions to sport at UNSW. The nominee shall have actively supported the nominating club for a minimum period of five (5) years including the year of nomination, either by consistent participation in the club's sporting or recreational activity or by valuable service to the club's organisation and administration.

Both Glen and Livo by far and away meet these criteria, which are best put into context by our application to UNSW:

Glen Greenberg:

Glen is a "once in a generation" club volunteer who first became involved with the UNSWCC through our relationship with our feeder club for young players, Randwick Junior Cricket Club. He has played a leading role in the delivery of our junior clinics for nearly a decade and also managed our A.W. Green Shield (U16) for several seasons. Three years ago he joined the club's general committee and immediately took a leading role in match day and facilities management, promotion and marketing, and social activities. He is first to volunteer for any number of the extra tasks that emerge during a season, from scoring to BBQs, from executing live streaming of our home games to co-ordinating four hour training sessions. The club's competitiveness, betterment and standing in the cricket world is at the heart of all that he does and his constant energetic and ambitious efforts are reflected in and pivotal to our culture of egalitarianism, achievement of playing potential and playing the game with sportsmanship, humour and integrity. He has also established himself as an important "on the ground" liaison point between the club and both Arc and the grounds contractor.

Glen is a unique individual - a selfless "doer" who takes pleasure in making things better for others at the club and his enjoyment of our successes is without peer. He richly deserves nomination for a Doug Crawford Sports Recognition Award for his volunteer services to UNSW Sport and the UNSWCC.

Gregory Livingstone:

Greg has been a member of the UNSWCC since 1976, when he came to UNSW from Albury to study surveying. He made his way into the 1st Grade side in his first season, and was part of the legendary 76-77 1st Grade team which, against all expectations, won the premiership in an epic Grand Final at Petersham Oval.

In an outstanding playing career he scored over 9000 runs for the club, including over 7600 in 1st Grade. He was awarded a UNSW Blues Award in 1988 and made a UNSWCC Life Member in 1993. However it is for his overall contribution to the club that he is nominated for the Doug Crawford Sports Recognition Award. He has performed many off field roles throughout the last three decades, being one of those rare and valuable individuals who continue to contribute to and work for the club long after his playing days are finished. As a player he served on the general committee for many years and was heavily involved in organising social events, including his notorious Harold Park Trots night, held annually on a Friday and purportedly responsible for many ordinary playing performances the next day over the years.

He also has been heavily involved in the organisation of club reunions, including last year's 40th anniversary of winning the Sydney Grade Cricket Club Championship. Additionally, he has taken a leading role over many years in the research and establishment of significant club historical records and a comprehensive statistical database, which has helped make our annual report one of the best and most admired in NSW Premier Cricket.

Greg has also directed his considerable coaching talents back into the club in both formal and informal roles. He was the Head Coach from 1995 to 1998 in the days where there was no remuneration for the role and, throughout the next two decades, regularly attended club training as a batting coach.

More recently, he has been Poidevin Gray Shield (Under 21) coach for the last three seasons and in 2019/2020 steered the team into the semi-finals, for the first time in 8 seasons. Greg is much respected throughout the club cricket world as a player of excellence who could have easily gone much further in the game and a modest, humble and selfless individual and an important club role model, who has been willing to give his time over many years to the hard work of running a club in arguably the top non-professional cricket competition in the world.

He richly deserves to receive a Doug Crawford Sports Recognition Award and it is the club's honour to nominate him.

Please join me in congratulating Glen and Livo !

HISTORY AND ORIGINS OF AWARDS

E.H. “TED” DAVIS AWARD FOR PLAYER OF THE YEAR

The E.H. “Ted” Davis Award (originally named “All-Rounder” of the Year) was first presented in 1968. Edward H. Davis (known as Ted) was the UNSW Registrar and club Patron from 1967 to 1972 (taking over from G.L. Macauley - another notorious figure in UNSWCC history) Ted did an enormous amount of work behind the scenes during the club's application for entry into the Sydney Grade Competition to raise the profile of the UNSWCC.

W. JOHN ROGERS AWARD FOR POIDEVIN-GRAY SHIELD (U21) PLAYER OF THE YEAR

The W. John Rogers Award was first awarded in 1983. William J. Rogers (known as John) was a former St. George and NSW State batsmen who joined the club in 1975/1976, although his initial association can be traced back to his days as a student at UNSW in the 1960s where he played in some very successful Inter-Varsity sides. His dedication over the following seasons as an extremely skilled, inventive and intuitive 1st Grade Captain, an outstanding mentor to all players in the club, along with his innate energy assisted and directed the club through the tough years of transition into the Sydney Grade Competition. Ultimately, his influence led the club to its first big successes in Graded Cricket – in the form of a 1st Grade and Poidevin-Gray premiership in 1976/1977 (5th Grade were also finalists that season), a 2nd Grade premiership in 1977/1978, and then to arguably the club's most outstanding achievement, a Club Championship in 1978/1979. As a consummate professional, John left the club after 1978/1979 to pursue a role as a NSW State Selector (for only two games!), then moved to WA to take the role as General Manager for the WACA. JR is the Father of Australian opening batsman Chris Rogers and was awarded Life Membership to UNSWCC 1982.

MICHAEL J. “MOB” O'BRIEN SHIELD FOR A.W.GREEN SHIELD (U16) PLAYER OF THE YEAR

The A.W. Green Shield Player of the year was instituted upon the Club's inception into the Green Shield competition in 1997/1998. In 2018/2019, the Club's general committee saw it only just to recognise the invaluable contribution by the late Michael O'Brien and renamed the award after him. Michael J. O'Brien (1953-2018), known as “MOB” to his mates, first came to the UNSWCC in 2005/2006 through the Club's connections with Randwick Juniors (notably his son Christopher and step son Nicholas Bannehr who both played for the club) and at the time filled the much needed post of A.W. Green Shield Team Manager. Over the following 7 seasons, MOB poured his heart and soul into mentoring and developing our junior players, and was primarily responsible for creating our Green Shield program and pathway that we have today. MOB's love for the club was obvious, displayed by the fact he would do anything to help, be it jump on a scorebook, assist captains with match day duties – in essence anything to make the UNSWCC a better place. He was also an active member of the Club's social scene, where his trademark Hawaiian shirts were legendary. MOB was nothing if not a straight shooter – be it delivering stern words or supplying a player with some good advice – he would tell you exactly what he thought. But he was a humble and intelligent man at the core, routinely greeting you with a smile and a quip before going about the next task selflessly and totally without ego - he was one of those rare individuals that you could class as an all-round good bloke. MOB was Awarded UNSWCC Clubman of the year in 2008/2009 and a UNSW SRC in 2010/2011. Thanks must be given to Mr. Matthew Sanders for donating the perpetual shield marking the renaming of this award.

CAPTAIN JOHN MORRIS FIELDING TROPHY FOR FIELDSMAN OF THE YEAR

The Captain John Morris Fielding Trophy was first awarded to John Middleton in 1959 (who was arguably the most outstanding cricketer in the first 20 years of the club's history). The late Captain John Morris served in the Indian Army during the days of the Raj. For many years he was Vice President for both the UNSW and Sydney University cricket clubs, in addition also scored for Sydney University for many years. He had a pet theory regarding the importance of fielding in the game of cricket – and would never stop talking about it. Reportedly, he would talk about fielding to anyone who would listen. Skip was awarded Life Membership to UNSWCC in 1960.

THE BARR-TURN JACKET (TROPHY)

The Barr-Turn Trophy was instituted by the late Clem H. Barrington and A.R. Turner in 1969, and was awarded to the most notorious player of the year for both his on, and off field performances. Clem Barrington was a wicket keeper who took 137 catches and 68 stumpings over many years during the Shires era of the club, was club President from 1966 to 1976, and was one of the club's primary movers for entry into the Sydney Grade Competition. He was also an engineer on staff at UNSW. Bob Turner bowled left arm orthodox and took 255 wickets during the club's years in Shires. Bob was also on staff at UNSW. Together, they made the first ever Barr-Turn Trophy (a statuette) however, this was disposed of in 1976 by the wife of 70's fast bowler Dick Pym, due to its unsavoury, disgusting nature. Many luminaries have won the Barr-Turn - BUT never by those who have tried to win it. Clem was awarded Life Membership to UNSWCC in 1960.

PETER D. RICHARDSON AWARD FOR CLUBMAN OF THE YEAR

The Clubman of the Year was awarded for the first time in 1976/1977 but was renamed The Peter D. Richardson Award in 2009/2010. The late Peter D. Richardson (1943-2009) joined the club in 1999/2000 when his son, Tim, came to play for UNSWCC. For almost a decade until his sudden passing, Peter immersed himself in the club's unique culture, and dedicated himself to its many facets – most notably that of 1st Grade Team Manager and Training Coordinator, for which he travelled from Wollongong at least twice a week during the season to attend. A devoted family man, he was recognised as a man of dignity, wisdom, humility, wit and was totally reliable, whilst always maintaining his unassuming nature. Peter was a fantastic advocate and representative of UNSWCC and had a profound impact on the ethos and culture of the club – truly one of nature's Gentlemen. His talents as a team manager and advocate were recognised when he was awarded with the role of team manager for the SE Sydney State League Representative Team in 2005, and a UNSW SRA in 2007.

Peter, who was known as a “cricketing tragic”, early in life had a legendary career with Shires Club Burwood Briars (with whom he is also a life member) as a grafting opening batsman. He was a prominent member of the Australian Cricket Society and was very well respected in the cricketing community by team mates and opposition alike. Richo was Awarded UNSWCC Clubman of the year in 2001/2002 and became a Life Member of UNSWCC in 2008/2009.

The club would like to formally thank the following people for their insights and assistance with compiling this information – Geoff Garland, John Rogers, Mark Ray, Geoff Lawson and David Jebb.

HONOURARY STATISTICIAN & RECORD KEEPER

ABOVE LEFT: Hammad “Hammer” Ahmed pictured here giving Rattler the bird. Was one of the big improvers this season, having regular impact on game winning performances that left an impression on his peers – thus earning himself the new but prestigious **Player’s Player Award**.

ABOVE RIGHT: Gavin Ho pictured here bowling his offies for 4th Grade in their Rd 14 fixture vs. Campbelltown. After having a few years out of the game, Gav had an immediate impact and picked up the **Capt. John Morris Fielding Trophy**, as well as breaking the 4th Grade catches record previously held for 14 years. Welcome back Gav !

PRESIDENTS REPORT

It was an honour to be asked back as President of UNSWCC this year. It was also an unexpected pleasure.

I say that because club administration can be a challenging task: at Cricket NSW one often observed that it was much easier to run a State cricket organisation with \$25m in the bank and 150 paid staff than it is to run a Premier Club with 1% of the financial buffer and reliant on the goodwill of volunteers. That remains true, but the UNSWCC I returned to is blessed by a wonderful core of workers, the majority of them volunteers. Importantly, there seem to be quite a few more of than in my last stint 2008-13 and that is making a huge difference to both the operation of the club and the wellbeing of the Committee. The following people did the real work in running the club and it is important they are recognised:

- Vice President **Matt Sanders** returned this year after a well-earned break and was his usual industrious, wise, practical and unassuming self,
- Our cricket operations committee including Mr Reliable **Glen Greenberg**, chief Selector **Rob Bennett**, gear guru (the) **JP Gavan** and new Clubman of the Year **Tim Stewart**, who selected an outstanding group of captains and ran selections, match operations and gear with aplomb,
- Our captains themselves, **Brandon McLean**, **Sutha Thanabalasingham**, **Aaron Crofts**, **Jack "Blocker" Roach**, **Charles Williams**, **Jack Attenborough**, **Nick Everitt** and of course repeat Premiership-winning skipper **Chai Motalla**, who together with our coaches and their teams delivered a Premiership, a conference title, 3 finals appearances and a significant lift in the Club Championship from 18th to 12th,
- Those coaches, led by **Corey Richards**, **Murray Creed**, **Sutha Thanabalasingham** and club legend **Greg Livingstone**. While Corey and Murray leave us next season to coach Bankstown and Sydney Uni respectively, they have given tremendous service and will always be friends of the club. Murray of course is also one of the club's greatest-ever players while, thanks to an injury to one of his charges in the warm-up, "Spoons" also leaves with a First Grade bumblebee cap!
- Our practice co-ordinators, including **Rob Bennett** and **Chai Motalla** – having a well-run "book" allows our coaches to coach and our players to get the most out of the training time available,
- Our match day officials, including managers **Richie Bowman**, **Peter Byrnes** and the scorers **Janelle Carew (c)**, **Glen Greenberg**, **Ian Gillard**, **Peter Calov**, **Steve Everitt** and **Thomas Siu**, with an honourable mention to **Chai Motalla**, who in our Metro Cup batting innings kept the most beautiful and colourful scoresheets you can imagine,
- Our photographer, Saturday Sledger and SCA Delegate **John "Rattler" Lupton**, who also designed the IT system used by the selection committee – a man of many talents,
- Our Administrator, **David Jebb**, who wrangled grounds, grants and many other things besides,
- Our comms manager and committeeman **Mitch Law**, who spread the good word online and also organised the social events we so missed during Covid, the virus that stopped the world in March 2019,
- Our Treasurer, **Peter "Springer" Scolari**, who balanced the books and also sold his accounting firm for a packet – congratulations Springer!
- Our spiritual leader, **Geoff "Henry" Lawson**, who also tried valiantly (but unsuccessfully) to coach the golfing incompetence out of me at Bonnie Doon,
- The secret army behind this Annual Report, including stats men **Chris Ward** and **Peter "Jerry" Maguire** and all-time great club administrator **Paul Serov**,
- Club legends **Mark Ray** and **John Rogers**, who produced the extraordinary book "Pariahs to Premiers", documenting the club's first ever First Grade Premiership in 1976-77,
- And last, but frankly most, the inimitable **Darren Sue**, who was club secretary, trials co-ordinator, practice co-ordinator, fee collector, head statistician, Annual Report wrangler, and general organiser. A titan who has contributed so much to this club over 2+ decades. We're lucky to have him.

Others to thank are our sponsors, especially our major benefactor **Mike Gregg**, who makes a substantial annual contribution to our administration costs. We also acknowledge the many contributors of the Classic Bees, who between them contributed over \$23k to our funding this year. Platinum Members include **Mike Gregg**, **Phillip Day**, **Jim Dixon**, **Peter Jourdain**, **Ian Kelleway**, **David Lemon**, **Andrew Muller**, **Bill Pulver**, **Peter Scolari** and **Peter Trimble**.

On the field, 2020-21 was a very good year. 3 of our 6 grades made finals and every grade (bar PGs) improved on last year. This is a testament to the tremendous work done by our captains, coaches, committee and players, not just this year but also in recent seasons laying the foundations for improvement. I would particularly like to recognise my predecessor as President, Alex Charlwood for his efforts.

We are building success from below, with our coaches and selectors having made a conscious effort 2-3 years ago to bring young players through under the guidance of committed and personable senior leaders.

The improvement is most evident in our lower grades but the improvement in 1s – the Sixers Conference T20 Champions – and 2s is no less significant:

UNSWCC PERFORMANCE BY SEASON		
Grade	2019-20	2020-21
1st Grade	17	15
2nd Grade	19	12
3rd Grade	11	9
4th Grade	9	4
5th Grade	13	3
Metropolitan Cup	1	1
1 st Grade LO	14	15
Kingsgrove T20 Cup (Sixers Conf/Conf finals/Overall)	9	4/1/2
Poidevin Gray Shield (Sixers Conf)	2	10
A.W. Green Shield	13	11
Club Championship placing	18	12
Club Championship points	772	975

Off the field, things were more challenging. Late in 2020 we received the bitter news that David Phillips North had been given away via a long-term lease to the NSW Waratahs, whose connection to UNSW remains unclear. This followed the decision some years ago to convert the Village Green into a “wellness precinct”, i.e. an artificial soccer pitch surrounded by a running track put through a corporate jargonator. This at the expense of cricket, AFL and green grass, all of which, in my view, UNSW hugely undervalues.

This news provoked a genuine existential crisis, i.e. will we continue to exist? Or should we just pull stumps, save our time and money and send our kids to Sydney Uni? We felt we owed it to the club to play on. Hence Mike Gregg & I shared the club's views on our facilities situation clearly and robustly with the Chancellor and Vice-Chancellor. We noted that UNSW had delivered:

- A bad result – getting rid of 2 cricket grounds out of 3
- Via a bad process – no consultation and indeed actively misleading us (for both VG and DP we were told we would not lose access long-term)
- And with no alternative put in place – “I’m sure we can find something” instead of “here is the alternative we are putting in place”

To offer a constructive way forward we suggested the uni reverse its decision on VG and/or pursue a new sports precinct at Astrolabe Park, which adjoins and is indeed bigger than the DP complex, and which could be converted from a wasteland into a wonderful community park, complete with a cricket ground or two of course. Our message was heard and we hope for progress in the year(s) to come.

COMMERCIAL & FINANCE REPORT

It is with pleasure that I present the 2021 Treasurer's Report.

The club this year has showed an operating profit of \$4,233. The result has primarily been due to approximately \$42,000 being an amount taken from our Foundation Account, including the monies being raised by the great Classic Bees initiative (\$22k). Many thanks for those that were able to support the club in this way.

After the pandemic and reduced sponsorship, it's clear that if we did not have these monies, the result would have been in negative territory and/or reduced resources for the club. This will be an ongoing issue that we will need to keep an eye on for future seasons.

A of 22 June 2021, we have not yet received funding from Arc for 2021. Approximately \$10,000 is expected which will improve the result reported above.

In terms of our balance sheet, we have approximately \$47,000 sitting in bank accounts with approximately \$1.1k owed to the ATO in GST.

I would like to thank the support of our major sponsors & supporters:

- **Shearwater Growth Equity;**
- **Workspace Commercial Furniture;**
- **Run With The Pak Pty Ltd (Mellick Wealth Management) and;**
- **Total Physiotherapy;**

Also to the following for giving goods, services & support, which also can never be under valued:

- **The Doncaster Hotel;**
- **JP Gavan Cricket (Bats and kit for player sponsorship);**
- **ASB Marketing (player pack);**
- **Kachink Communications (Graphic design and stationary) and;**
- **Touchpoint Chiropractic.**

Again, I would ask that we support these organisations wherever we can.

As always, ("copy and paste"!!!!) thank you to Suey for his efforts in chasing subs.

Thank you to Jonesy, Matty Sanders and the Committee whose contributions to the club can never be underestimated.

Finally thank you to my team at Scolari Comerford / Tribel Accountants team for the work they have put in to keep the accounts, GST and invoicing up to date.

Note full financial statements are located at the end of this annual report.

PETER SCOLARI
HONORARY TREASURER

HIGH PERFORMANCE REPORT

Firstly, I would like to congratulate **Chai Motalla** and the Metropolitan Cup team on going back to back and winning the 2020/2021 Premiership, also the 1st Grade team on winning the Sixers Conference T20 final and being a finalist in the tournament. All of you should be proud of your achievements over the past 12 months. Another shout out to 4th Grade and 5th Grade on making the Semi Finals and I believe that one of these teams will hoist the trophy next season!!

On an individual performance note, I would like to congratulate **Sutha Thanabalasingam** on winning the Player of the Year award, also to all of our players who played representative cricket. Having **Matthew Gilkes, Chris Tremain** and **Dan Christian** playing 1st Class and BBL, **Ethan Jamieson** in the NSW U/19's and **Nicholas Everitt** in the NSW U/17's, the club is going from strength to strength and the future is bright.

Season 2020/2021 was a continuation of the development of UNSWCC as a whole and with the club winning a couple of titles, and another 2 teams playing finals cricket we should see this as a successful year and a benchmark to set for future seasons. What has been most impressive this season is the continued positive attitude and club culture. From 1st grade down, everyone was willing to help each other become better and the support at all finals games that the club played in was excellent and if the players can continue their ability to learn, adapt and execute your skills under pressure to compliment the positive culture then there is no reason why the club can't continue to prosper over the coming seasons.

Finally, thanks again to everyone for your commitment over the past 7 seasons there are too many to mention, however special thanks to **Matt Sanders** who provided the opportunity for me to coach at the club, I appreciate it. Everyone, I have really enjoyed my time at the Bees, I have made many friends and I look forward to seeing you all around the grounds next season. Good luck.

COREY RICHARDS
CLUB COACH

ABOVE: This season marks the end of an era with both our Head Coach and Assistant Coach moving on to new ventures. **Corey “Spoons” Richards** (right) after a 7 season tenure moves back to his cricketing “home” to take the Head Coaches role at Bankstown CC, and **Murray Creed** (left) is taking on an opportunity at Sydney Uni as their Director of Cricket. Both have been invaluable assets to the recent success of the club, and will always be honorary Bee's.....

CRICKET OPERATIONS / CLUB OPERATIONS REPORT

It is with pleasure that I present my report on club activities and operations.

SEASON OVERVIEW

Covid19:

As has been remarked upon elsewhere in this annual report, this was a season like no other. Managing the club's pre-season at the peak of covid19 was challenging to say the least, and as for in-season itself, like a grain of sand was a constant irritation.

Through the haze of number restrictions, hygiene requirements, some heavy duty compliance and financial penalties imposed by Arc Sport, and the usual, but now ever exacerbated, competition with winter codes to gain access to the David Phillips practise facilities, we found a way to navigate through the murky waters of pre-season.

It was ultimately necessary to practise in smaller groups and conduct practise more often. Had it not been for the willingness of our coaching and training staff to be flexible and the patience of the player group, pre-season would not have run as smoothly - which is to say there were not still boulders on the road.

On-Field:

On the playing front, some might consider the season as a success. 1st Grade under the leadership of **Brandon McLean** embarked on a T20 finals series, big **Chai Motalla** convincingly secured the Metropolitan Cup silverware for the second season running, and 4th and 5th Grade has successfully made the Semi-Finals. The measure of this success was no accident as it occurred under the guise of a new and improved player leadership group, under the watch of a superb club coach in **Corey Richards**, as well as assistant coaches **Murray Creed** and **Sutha Thanabalasingam**. Congratulations to all for a job well done.

Off-Field:

The specter of covid19 aside, things off the field were quite a deal more challenging. As alluded to in Jonesy's report, UNSW have been far from supportive in assisting with our plight to address our grounds situation and having one of our lower grade team's being forced to play away games only is simply not acceptable. This makes the acquisition of facilities one of the clubs' top priorities for the future.

Additionally, the strains of covid19 lead to a reduction in the generosity of our long term sponsors, and funding cuts by the UNSW. Inevitably, this meant expenditure on operational items such as indoor net hire, gear and coaching all needed to be subject to careful control. **Matt Sanders** must be recognised in this space, who's budget updates every other week kept expenditure in check, as well as **Andrew Jones** for leading the charge on the Classic Bee's initiative and creating new revenue streams for the club.

Culture & Processes:

Off the back of cultural issues experienced in previous seasons, the general committee commissioned an operations sub-committee "think tank" to provide recommendations and ideas, such as:

- casting, vetting, and assembling the best available player leadership group (i.e., Captain's);
- setting cultural expectations, roles, limits, and alignments around Captain's;
- setting expectations – both cultural/behavioural – around club culture, playing, performance and training for the playing group;
- evaluating the selection policy and selection process, including pathways development;
- evaluating the role (s) of the Club Coach, and processes and philosophies applied at training;
- rectifying match day volunteer and other operational issues (particularly for 2nd grade).

Granted, not everything went to plan – but the results, significant improvement in club harmony, and the quantifiable feedback received in the end of season surveys, speaks for itself.

The lesson learned here is that when it comes to the pursuit of success, regardless of form or measure – culture is everything. Those who do not wish to embrace the club's vision of culture and destination, well - they would be best to play at other clubs.

Although this pursuit of club culture and alignment is driven from the top (via Jonesy's general precept of "all things being even we will be at least 75% in agreement – but after debate we must be 100% in alignment"), its deliverance was most visible from the player leadership, so acknowledgement must go to our team Captain's for their efforts, in particular **Brandon McLean** who led the narrative.

CRICKET NSW & METROPOLITAN CUP ACTIVITIES

Firstly, an extension of gratitude must be given to Premier Cricket Manager, **Roy Formica**. Roy is always on-hand to render assistance when needed, and an up-front straight shooter when required. Also, to our local CNSW South-East Metro contacts **Samad Shaikh** and **Jay Lenton** for assisting with local area issues, like those relating to RJCC and coaching courses. CNSW sponsors McDonalds and Kingsgrove Sports certainly play their part in keeping Premier Cricket functional.

Metropolitan Cup manager **Glen Workman** does an excellent job of dispensing the draw (as the last cab of the rank), operational and match day logistics for the competition. Glen's efforts over the years have seen the professionalism of this competition steadily improve. Thank you all.

Competition Winners:

I would like to congratulate the successes of teams and clubs who were premierships & award winners (particularly Northern District, who kept our 5's in the field for 170 overs in their semi-final):

Club Championship (The Sydney Smith Cup)	Northern District CC
1 st Grade (The Belvidere Cup)	Sydney CC
1 st Grade Limited Overs Cup	Randwick-Petersham CC
Kingsgrove Sports Twenty20 Cup	Bankstown CC
2 nd Grade (The Albert Cup)	Manly-Warringah CC
3 rd Grade (The Mitchell Cup)	Northern District CC
4 th Grade (The Reid Cup)	Sutherland CC
5 th Grade (The David Sherwood Cup)	Northern District CC
Poidevin-Gray Shield	Parramatta CC & Gordon CC (Joint winners)
A.W. Green Shield	Northern District CC
Metropolitan Cup	University of NSW CC

Playing Conditions:

On the playing condition and logistics front, the most significant introductions were:

- specific measures to combat covid19 (example's - protection of umpires by eliminating contact with bowlers' apparel, mitigating direct contact with the ball itself, not allowing polishing of the ball using saliva, and the end of "served" drinks breaks);
- the Duckworth Lewis system into lower grades by use of the phone App;
- an extreme heat policy;
- a split competition start-up (1st/2nd grades end Sep 2020, lower grades end Oct. 2020) as to allow winter codes to finish their competitions (this resulted in a change of format for the lower grades with significantly more LO games being played).

Game Day:

Some match day highlights saw the celebration of Aboriginal culture during NAIDOC week by forming a barefoot circle and recital of the welcome to country (thanks to **Djali Bloomfield** for facilitating this).

Otherwise, it was a season of extremes relating to the elements. The extreme heat policy was enforced during the heat wave in November, and we saw plenty of rain affected rounds in regular intervals throughout the season, including qualifying finals and the PG's grand final being washed out. But the main point of fortune was that we had only one week cancelled, and some postponements to the Green Shield schedule, due to covid19.

As a playing group, we kept our noses clean with only one player being cited with code of conduct, and there were no playing condition breaches, or protests recorded this season.

ARC SPORT / UNSW SPORT ACTIVITIES

It was a very “lite” season with relation to Arc / UNSW activities. Covid19 effected usual operations with the cancelation of the 2020 UniSport Nationals (T20 Cricket), O-Week being facilitated via discord server as opposed to the usual face to face stall, and no regular sports club meetings.

However, Arc Sport still actively engaged with all sports clubs and provided support during covid by conducting webinars on club management, student leadership, and exercise and mental health, continuing the She-Can initiative supporting female participation in sport, and the creation of a Sport’s Club Executive Facebook page facilitating discussion amongst sports club managers on common issues.

The Blues Dinner still went ahead in March and was represented by a stoic collection of Bees. The night facilitated UNSW Sports Awards for 2020 and 2021, included much deserved SRA awards for the legendary **Greg Livingstone** and **Glen Greenberg**, and a coach of the year nomination for **Corey Richards**.

HIGH PERFORMANCE

New Player Try Outs:

Covid19 restrictions at David Phillips saw our NPTO held over a single session at Norm O’Neill Cricket Training Facility at Penshurst. From the approx. 200 email enquiries received during the winter, a modest 35 new players turned up to try out, however the process produced a few diamonds. My thanks to the NPTO team whose assistance saw the process run, as usual, like clockwork.

Recruitment / Selections:

Club Coach Richards ran a directed recruitment drive in pre-season, and we acquired some quality players in **AJ Isherwood**, **Suffan Hussan**, and **Ethan Jamieson** (also - did I mention the return of **Dan Christian** and **Chris Tremain**!). Others such as **Annay Chauhan**, return of stalwart **Gavin Ho**, and several other talented players arrived via the NPTO and Green Shield programs.

Integrated with the much improved group of current players meant the selection process with plenty of raw material at the selector’s disposal, was pretty smooth this season. Overlayed with an aligned and collaborative approach to selections by the captain’s and selectors, plus the aggressive approach tactically by our captains, you will more often than not find the formula for success.

It was not all plain sailing (are selections ever?). Injuries to fast bowlers at key points of the season caused a few headaches when it came to qualifying players for finals. This was further compacted with CNSW refusal to recognise the Metro Cup as a conduit for Premier Cricket finals qualification (perhaps a petition should be submitted to remedy this issue in the future).

Full marks must be given to the selection committee comprising **Rob Bennett**, **Tim Stewart** and **Corey Richards**, who consistently saw that ultimately our teams found the right balance, including the optimal mixture of pathways players, justifiable talent, plus a few “bankers” in each side.

Special mention must be made of our Chief Selection Officer, **Rob Bennett** (whose posting is a thankless one, and probably the 2nd least popular behind the guy who collects fees!) who adapted brilliantly to administer four teams to finals qualification. Sorry Rob, we hope you need to do this every season!

Club Practise:

There were 12 Top Squad pre-season training sessions conducted with the expected zeal, plus an additional 4 full club practise sessions (more for lower grades due to the split season start up).

This season saw the introduction of “split” in-season practise sessions where the club was split roughly into two practise groups. Despite some minor opposition and a few teething problems, this increased the resourcing ratios and efficiency of practise considerably. Of the 40 in-season practise sessions held, attendance averaged 42 players per session, 9 sessions were held indoors on account of wet weather, and 6 washed out altogether.

The quality of the turf practice wickets whilst excellent at times, where concerningly inconsistent. Several factors contributed to this including the indifferent weather experienced throughout the season effecting preparation, also the club’s management (overuse) and style of use as the season drew on. This is

something that we must address next season to mitigate those concerning elements and establish some longevity in quality (we can't have our cake and eat it as well).

Trial Games:

Thanks to Sydney University for sharing our usual trial games (although the 1st & 2nd grade games were washed out) additionally, we were extremely fortunate to squeeze in 3 internal lower grade trials, one of which included the Green Shield Squad.

ADMINISTRATION

General:

- Annual Report - production is always significant and would never be possible without the submissions of those who provide reports, **Chris Ward**, the various photography contributors including **John Lupton & Mitchell Law**, and of course co-editor **Paul "Sneaky" Serov**. Thank you all for your support.
- Captains Handbook - **Michael "Kurly" Kovacs** once again provided his graphic design and printing services in producing our handbooks (which contains contact info, SOP's, PC's, etc), as well as other flyers during the season.
- Child Protection - CA commenced the next phase of this initiative (which goes above and beyond that of a WWC check). This required some additional process for all members, and basic courses for club leaders, all for the purpose of education and awareness.

Comments on coaches, Training & facilities	On the three surveyed categories (Technical knowledge, Communication skills, & Attitude) all three of our club coaches scored very well.			

	Some comments surrounding the structure of training & deliverance of skills included the request for: • Greater access to coaches for lower graders; • More structure, variety, skill deliverance involving game scenarios conducted at game level intensity, specific skill & tactical/game plan drills for different formats; • Advance notice of training programs & session goals; • Greater expectation to do fitness at training; • Clearer communication surrounding expectations for training attendance (for all grades); • Review of split training sessions - difficult for club to mix, player development, club connection; • Improve quality and consistency of turf practise wickets (poor weather notwithstanding).
Comments regarding individual Captain surveys (Senior teams)	The player group were asked to rate Team Captains on the following aspects: - Fostering enjoyment, - Knowing how to win, - Communication of plans & player roles, - Fostering team culture, - Communication of selection rationale, - Style of decision making, - Match day management. All Captain's achieved excellent scores across the board in all aspects (<i>although, the "love" of Roachy by his players was disturbingly obvious!</i>)
Comments regarding enjoyable aspects of the Season:	• Growth in player leadership; • Growth in results, a much greater competitive and "must win" mentality, winning more games we previously would have lost, self-belief that we can win; • Growth of club culture across all grades, inclusiveness, positive atmosphere, camaraderie, integration between grades, inclusive and equal, competitiveness mixed with a great social environment; • Club supporting 1st Grade in T20, club sense of community; • Older players assisting and mentoring younger players.
Comments regarding less enjoyable aspects of the season:	• Facility issues, not having a third ground; • My form / season performances effecting opportunity, being injured, loosing winnable games, missing out on finals, performances by PG's; • covid19 and consistent wet weather!

The above, which by no means is totally conclusive, is a generally good representation based on verbal feedback received. However, one point of contradiction is the request for access to coaches vs. split training sessions. Not having one will have an impact on the efficiencies of the other – we can't have both. Evidentially, there is a need to try and find some balance in this space.

Player:

- **Registration** - The compartmentalisation of life due to Covid19, made it necessary for the bulk of this task to be done electronically via email this season, as well as other activities such as the NPTO and GS Try outs required players to pre-register for allocation into small groups. A process we were forced into, but efficient none the less and will likely be used moving forward.
- **Defaulters** - Regrettably, at the time of writing this annual report, two players have been added to the CNSW payment defaulters list due to non-payment, otherwise our outstanding's are not in bad shape standing at less than \$1000.00.

GEAR & EQUIPMENT

Joshua "JP" Gavan reports that we entered the third season in our deal with ISC, and the ordering and distribution process went relatively well as we made no changes to garment designs, except for running low on training shorts due to a logistical issue, and Bumble Bee's during the season. Given this was just a "top up" year with gear ordering, players had the option to use the previous season's gear, and just pay for fees only. However, our garments will be subject to a full mini-tender process next season, fully updated with current sponsors logos.

Thanks once again to ASB Marketing and **Glen Greenberg** for providing all players with a complementary pack (bag, drink bottle & towel)

The cost of game balls, match day equipment, and in particular practise balls is an ongoing issue and will be the subject of tighter controls next season.

AWARDS & ANNUAL DINNER

As always, our Annual Dinner was marked as the club's premier social event of the season (and unfortunately one of the few due to covid19!). On a Saturday night in May, 74 club members enjoyed an excellent 3 course, black tie affair hosted at The Bonnie Doon Golf Club. The evening included the comical antics of MC **Glen Greenberg**, trivia by **Mitchell Law**, interviews with our two most successful Captain's and Club Coach, a review of the UNSWCC look a like's, a fine choice for the Barr-Turn, Statistics galore, not to mention some choice photography of players (i.e., **Tom Scoble**) in a compromised position.

One of the highlights on any presentation night however are the award winners, all of whom are listed earlier in this annual report. Special mention must be made of the long standing contributions of **Julie Lawson** as the club's newest Life Member, and Player of the Year **Sutha Thanabalasingam** for winning this award for the second time. Congratulations to all.

PERSONNEL

Firstly, a huge welcome back to **Andrew Jones**. Jonesy's acumen could not have arrived at a better time with a few serious issues relating to the club's direction pending, and with the backing of **Matt Sanders** make a great team to navigate the waters ahead.

In addition to their experience and wisdom, having these two gentlemen handling the pointy end of the equation allowed myself and the rest of club management to effectively manage the day to day aspects of the club. So, to **Glen, Rob, JP, Mitch, Jebby and Springa**, coaching staff **Corey, Sutha & Muz**, and captain's **Brandon, Aaron, Roachy, Charles & Chai** – very well done on a season of success and teamwork.

Additionally, I would like to thank our loyal and reliable group of scorers – **Janelle Carew, Steve Everitt, Peter Calov, Glen Greenberg, Thomas Siu & Chai Motalla** (who, evidently, would rather score than bat!). Your contributions are greatly appreciated, and certainly make my life much easier when it comes to compiling statistics.

Otherwise thank you to all club volunteers (you know who you are), your efforts are greatly appreciated and should never be undervalued.

STATISTICS

The following table illustrates some noteworthy statistical highlights for the 2020/2021 season – be they team, partnership, individual or seasonal association records. All association type records are based on the information provided in My Cricket at the time of publishing this annual report. There are some excellent results featured, perhaps the most noteworthy are that by **Jack Attenborough** who recorded the club's first T20 century, the highest team totals compiled by our **T20** and **Metro Cup** sides, and the 288 run stand between **Suffan Hassan** and **Matt Gilkes** will be tough to beat in the future. Additionally, I would be remis in not mentioning **Athul Rajesh's** Metro Cup Hat-trick.

STAKEHOLDERS & SUPPLIERS

Considerable energy, planning and logistics goes into the running of this great club of ours, and it would not be possible without the contributions and cooperation of it's stakeholders and suppliers (other than the ones I have already mentioned above):

- the team at Arc Sport - **Lucas Thiessen, Matthew Corso, Sarah Dawes**, and in particular Facilities Manager **Craig Davis**, for their support and cooperation as always;
- UNSW Sport' s **Roger Carter, Mark Wright & Helen Bryson**;
- **Darren Goodger** and the team at NSWCUA for facilitating and training umpires;
- long time club supporter, Randwick Junior CC's **Vic Ferrara** for facilitating our junior feeder club;
- grounds contractor Green Options, inparticular **Jordan Peacock**;
- Mina's Café owner, **Amina Bounouar** for facilitating match day catering;
- and last but not least, Norm O'Neill Cricket Centre's **Hamish Solomons**, who always did his best to accommodate our last minute requests for indoor bookings on rainy days.

CLUB RETENTION

Sadly, there are a number of Bee's who will be "shipping out" at season end, or rolling back their involvement at least, who would be classed as more than just significant others -

- staunch clubman **Mitchell Law** will be resigning from the committee, and (mostly) hanging up his boots. An excellent contributor, fantastic bloke, and we hope to see him on "Home and Away" in the near future;
- **Joshua "JP" Gavan** has made the call to see if the grass is any greener at that other Uni. Has been a fantastic contributor at committee level for any years, is a nice guy, and good mate, all the best JP;
- **Joshua "Picasso" Bennett**, has made the decision to move his life to the more affordable confines of Newcastle. Has been a loyal and hard working 1st grader for many years, a good bloke, and as it turns out an aspiring street artist;
- **Murray "Muz" Creed** had the opportunity to take up the challenge as Sydney Uni's Director of Cricket after a comeback as our Assistant Coach for 3 or 4 season's;
- last but not least, **Corey "Spoons" Richards** after 7 seasons felt it was the right time to move back to his roots as the Head Coach at Bankstown. Spoons has contributed more to the club than he probably relises, to say he will be missed is an understatement.

CRICKET OPERATIONS – FACILITIES REPORT

Season 2020/21 for the Bees was a success both on and off the field. Whilst we deal with continual frustrations with the diluting of our facilities, we push on and make the most of what we have. David Phillips Fields as our home base for games and training provided some brilliant highlights of our season, and our two home grounds continue to be a fortress for our teams against visiting clubs.

DP South with it's new picket fence and massive changeroom facility, welcomed many a surprising reaction from our visiting teams, all enjoying the space on offer. A great viewing ground for cricket, DP South from it's vantage point on Henry's Hill and on the terrace is a cricket lover's venue. This was our first season for some time without our newest Life Member Julie Lawson running the canteen, with COVID restrictions and no afternoon tea or drinks as per our normal procedures.

DP North, thanks to considerable rain provided an improved lush outfield – although the usual road of a wicket that normally proves to be a batsman's paradise was at times more challenging. In any case our home teams always love playing at DP North, none more so than **Jack Roach** and many a win was celebrated at DP North again this season. Due to ground challenges, our 5th Grade Nomads were forced to play away over the whole season, and to their absolute credit did not let it affect their performances at all, and marched all the way into the finals with a very consistent season. Special mention to our 5th grade squad, who did a wonderful job to play so well without enjoying any home ground advantage all season.

Overall, training at DP in our practice wicket area was inconsistent – wickets were at times challenging due to the extra rain and limited preparation at times. Whilst the outfield for fielding was always exemplary, the wickets were a constant battle and narrowed the gap between batsman and bowler under friendly fire.

A good new innovation we employed this season was the live streaming of our games at DP South with the installation of the Frog Box System. This allowed us to feature our 1st grade and PG's home matches, and allow our supporters far and wide to follow the action closely. It also gave our coaches the chance to review games and highlights, of which there were many to enjoy – this new initiative was enjoyed by everyone in the Club. A special thanks to **Matt Sanders** who was responsible for the time consuming and at times frustrating set up of the new system when we first got started, and for **Janelle Carew** who also had to adapt to accommodate the live tracking with scoring duties. Frog Box will continue again next season as we look to feature more games and highlights of Bees matches.

Some thank you's from the season – firstly to **Richie Bowman** for his commitment to 1st Grade matches and taking on the management role. A terrific guy to have around, thank you Rich from everyone in the Club especially the First Grade Squad. To Janelle who once again scored all our 1st Grade, PG's and Green Shield matches this season, we would lost without you and thank you so much for everything you do for the Club. To our other scoring volunteers who once again helped throughout the season, **Thomas Siu** and **Steve Everitt** in particular who always put their hand up.

A special thank you to both **Corey Richards** and **Murray Creed** who are moving on next season, thank you for all your work and support over the years, and we will miss you. However, friendships remain and know you are always welcome at the Bees.

See you all next season, for what shapes to be a huge year for the Bees.

CRICKET OPERATIONS – GROUNDS BOOKING & ADMINISTRATOR'S REPORT

The Pandemic

In future years, 2020/2021 might well be referred to as the "COVID season". Like everything and everywhere else, our operation was turned upside down by, firstly, NSW being plunged into lockdown in March and then, restrictions and procedures being put in place during the winter to mitigate against the spread of the virus. This was a particularly complicated situation for us as a University team sport club. As well as being required to comply with State Government and Cricket Australia guidelines, we were also affected by a highly risk-averse approach to the pandemic by UNSW. So, measures in place for the student population and greater campus translated to our shared sport facilities.

Before we could even consider pre-season training, we were required to complete and submit a comprehensive COVID Safety Plan that satisfied the various State, Cricket Australia and UNSW requirements. This included distancing, hygiene and recording measures and heavily impacted the way that training could be organised and executed. Then we had to comply with it – which, of course we did (!). Add to this the fact that the winter codes had been in shutdown for half their season and were, following agreements with Cricket NSW to accommodate each other, trying to construct something meaningful from already fully utilised training and game facilities in half the time.....it was a pre-season like no other.

Anyway, we got there. With the large part of our pain borne by our lower grades, who unfortunately lost much of their normal access to nets and grounds due to number and time restrictions, our 1st and 2nd Graders got away on time and the rest of our teams at the end of October. Much patience and a little bit of luck was required as *everyone* had to adjust in one way or another.

If all this wasn't enough, we were also advised by UNSW Sport (but only after gently enquiring) that all sports club ground hire would be suspended due to the financial effects of the pandemic. So we, at short notice, were down to two grounds, with Alexandria Park gone. With no time to dither, we obtained approval from Cricket NSW to have 5th Grade play away fixtures only, wherever possible. This in itself was not as simple as it might seem as some other clubs in Sydney also have issues with their third ground and it must be acknowledged that Roy Formica from Cricket NSW was extremely helpful in addressing this problem in both accommodating us in the draw and providing advice to us for liaising with other clubs.

Our Facilities

It's no secret that our facilities are a constant battle for us and, at the time of writing we are fighting some significant battles regarding the future loss of DP North to the Waratahs to go with the existing ongoing need for us to find a satisfactory third ground following the loss of the Village Green.

In 2020/2021, DP North and South carried on without the normal use of dressing rooms and without a canteen – fortunately for us, Mina Café's operation in the centre of the complex filled a need for us without giving us the service responsibilities for staying COVID-safe.

Our turf practice wickets were the subject of some very good and some very bad reports, and all things in between. However, it must be said that we get on them in August and are using them for three days a week for most of the pre Xmas session (including weekly Green Shield sessions, which would be unparalleled in Sydney). It's all very logical with a living thing and what you will end up with is very much determined by how you look after them. Practice use is a heavy use and three days a week of it, week in, week out, requires some management and TLC – from us as well as our groundstaff. So it is, perhaps, something for us to look at some more if, overall, we would like better practice wickets than we have at present.

The hard work and assistance of Green Options (specifically **Jordan Peacock**) and Arc (**Craig Davis**) really does see us with a situation that is a lot better than it could be at UNSW and they deserve our thanks. Jordan's existence in a contracting world (which is always about cost) is a demanding one which sees him constantly balancing the needs of various stakeholders and, in this, he usually gives us an "over and above" attention (including such things as heading off to Bunnings for flamethrowers to dry out wet spots!). The relationship we have with him is helped by his laid back and fair approach to accommodating us and willingness to "cop it on the chin" when we have complaints – a good fit for our club. From Arc, Craig continues to be an ally in the middle of a challenging situation of being "the messenger" and balancing the needs of many sports competing for resources and time. His positive "can do" approach saw us get various problems and desires met during the season. Thanks, Craig.

Our facilities and infrastructure could probably be described as adequate at present. DP South is not the worst place to play and watch cricket, and we have no issues with Cricket NSW in using it as a 1st Grade ground, but it clearly would be better for it to be bigger and have better sightscreens – basically, this just won't happen in the current circumstances. Hopefully the situation forms part of a justification to push on with the idea of redeveloping Astrolabe Park into a top class facility.

Grants and Funding

Each season we are eligible to receive assistance in the form of Cricket Australia funding, Cricket NSW grants, and UNSW High Performance Club funding, which all have a specific application process and criteria to satisfy. In 2020/2021 we were successful in securing the following grants and funding:

Coaching:

We received assistance from Cricket NSW in the form of a set amount coaching grant which was approved by them after consideration of our training facilities, our intended coaching program (and our subsequent delivery of it), and its associated structure and staffing. Our 2020/2021 application was strong due to the significant dedicated resources we were able to outline and our coaches of a very high level (i.e. their background and formal qualifications). To have two Level 3 coaches and one Level 2 coach in our group makes us the equal of any setup in the competition. In 2020/2021 we also received assistance from the Australian Cricketers' Association (ACA) who run a program to promote the involvement of its members (ex-First Class players – so Corey and Murray) in Premier clubs.

General Cricket NSW Grant:

When the club meets a set of criteria set by Cricket NSW for Premier Cricket clubs, we receive a general grant. This is for such things as satisfying registration, financial reporting, uniform and competition sponsor requirements, providing scorers and canteens in 1st Grade and adhering to the SCA Code of Conduct. We met these requirements in 2020/2021 and received the full grant.

Cricket Australia (CA) Funding:

Rather than a grant, this assistance is funding from CA on the basis of direct reimbursement for costs associated with approved activities that are seen to promote the growth in participation of the game. Our support of Women's Cricket (grounds and grounds administration for the Universities teams), our Woolworths Blast activities, our Junior pathway/Academy/Green Shield trial processes and our conduct of an additional (to Grade) Metropolitan Cup team all met this category and we received the maximum allocation available.

UNSW High Performance Club Funding:

Due to the COVID pandemic, there was a pause in all sports club funding in 2020, so this left a \$10,000 "hole" in our budget. We have recently received advice that we will return to a normal situation in 2021 – that is, a base figure of \$8,000 due to our status as a High Performance Club, with a "top up" (usually to a total of about \$10,000) for each student and/or active alumni member that we have.

CNSW High Performance Matters

Coaching Summary – L1, L2 & L3 nominations

In a COVID-19 environment, the delivery of programs for formal coaching qualifications was affected and restricted. We were, however, able to work with Cricket NSW in providing our facilities for the conduct of a Level 1 course in October 2020, which was made available to our club members. With regard to Level 2 courses, the delivery of these was delayed and then modified to incorporate online components and, when applications were called for, demand was very strong and our nomination for the first program was unsuccessful. After discussion with Cricket NSW about this, we are confident that our nomination for the next course (Assistant Green Shield Coach, Tarik Viswasam) will be successful.

U17 and U19 Representative Nominations

The club nominated six players for the Under 17 Metropolitan Academy trials with Nick Everitt successful in being selected for the squad.

Ethan Jamieson was re-nominated for the Under 19 Metropolitan squad and his previous selection confirmed.

COMMUNICATIONS REPORT

A COVID-19 affected season limited the social events we were able to host this year, however, electronically we were able to achieve good outcomes.

As at season's end (28/05/2021), the club currently has 1,352 Instagram followers, almost double that in 2018 (700+), and 2169 followers plus 2008 likes on Facebook. This has had a great impact on our online presence against our competitive clubs. It has had the ability to generate online traffic which assists in player retention and recruitment to the club, particularly A.W. Green Shield, UNSW students and others wanting to attend the clubs New Player Try-Outs.,

Additionally, our socials, Facebook, Instagram and website, harness the ability to keep current and former players (Old Boys) well informed of the club's results, updates and movements, team selections, and player performances and achievements, and other club information to a distant, and sometimes international, audience. The return of our beloved **Chris Tremain** and **Dan Christian** was of particular interest.

COVID-19 saw the end of our monthly face to face committee meetings, which were instead conducted via Google meet. This was initially a change of pace that we had no choice but get used to, and has evolved into an efficient means for the committee to discuss club issues without the need to travel to a central point like The Doncaster (and like in the business world, will be here to stay for the foreseeable future)

In future seasons, I believe the club would benefit from having additional club members managing the clubs social media and collating information for posting, as gathering information for creating and uploading a post can be time consuming. Having more people assisting will logically lead to better (and quicker) outcomes. Perhaps such candidates can be found by tapping into networks at UNSW.

Social events were severely affected by COVID-19 this season. The clubs season launch, The Snake Rooter Cup, our Christmas Party, Pub Crawls, Fines Day (s), The Annual Old Boys match, and anything relating to use of facilities at David Phillips (i.e. BBQs) simply could not go ahead due to safety restrictions.

However, the clubs excellent culture was put on full display with outstanding turn outs at the 1st Grade T20 fixtures (particularly Chatswood Oval, Drummoyne Oval, Bankstown Oval, and David Phillips Double Headers), the End of Season Celebration at David Phillips, The Club Golf Day, and of course the great successes of the Annual Dinner (to which huge thanks must be given to the organisational skills of Suey, Glen for being MC, JP for organising awards & Rattler's photography)

Thanks to **Joshua Gavan** for overseeing the website, and **John Lupton** as always for going around the grounds and providing the photos I use for social media, as well as management of the Saturday Sledge Facebook page.

Unfortunately, I'm not intending on returning to my general committee role next season. However, it has been a privilege and an honour to contribute to this great club off the field as well as on it. I am grateful for the support and contributions of fellow committee members, players, captains, coaches and volunteers; you all know who you are. I really enjoyed organising club social events, overseeing and building the social media platforms and overall leaving the club culture in a better place than I found it.

GOLF DAY REPORT

In what can only be described as a master stroke by organisers, the 2020 UNSW Golf Day had a relocation to a Friday afternoon in March and was again held at the immaculate newly completed Bonnie Doon Golf Club. Truth be known the relocation was a result of COVID, but we are claiming it.

A wonderful turn out of more than 80 past and present Bees showed up around lunchtime to ensure sufficient hydration for the afternoons golf. The 2pm shotgun start ensured everyone was adequately lubricated and the groups headed off to their designated tees.

Record bar and drinks cart sales at Bonnie Doon for the remainder of the afternoon means my recollections of winners is somewhat blurry, but thanks to **Paul “Sneaky” Serov’s** better memory, I can report that his team, comprising Sneaky, **Chris Tremain**, **Peter Tremain** and one of Trem’s high handicapped burgling mates took out first prize.

It was a wonderful reunion of so many past players, supporters and sponsors and it was especially appreciated that Trem and **Dan Christian** to make the effort to travel up from Melbourne for the day. Dan’s driver, driver, putt on for an individual eagle on the 14th was my teams highlight ! Both are now Bonnie Doon members they loved it so much !

A huge thanks to current Bonnie Doon President, **Peter “Jacky” Jourdain**, and Operations Manager **Blake Ballinger** for having us and adjusting the Friday members competition to accommodate us. The overwhelming feedback was to continue on Friday, so plans are underway to have the 2021 Golf Day sometime in early October.

See you next year

Season 2020/21 was a season of development and improvement. After bleeding a number of players through the existing season, we started to see the rewards in development and performance. Whilst our red ball season still has a wealth of improvement to be had, our white ball season was much more reflective of the performances we are capable of. This was especially capped off by our success in the T20 comp, where we won the Sydney Sixers conference final to take a spot in a 1st Grade Grand Final – the club's first for the best part of two decades. Whilst we were outplayed on that day by Bankstown, it was a remarkable campaign from the team that included a number of wins against teams much more fancied than we were on paper. The 'youthful exuberance' show by the side shined through with a number of outstanding performances with both bat and ball. What was most exciting for the team, was the wonderful support we received from the club throughout the comp – the Sydney, Gordon and Bankstown games were especially highlights. It is a great example of the culture the club has been building over the last year and puts us in a strong position to keep improving.

On behalf of the side I want to give a big thank you to our brilliant coaching staff in **Corey Richards** and **Murray Creed**. It is with great sadness that we are also saying goodbye to them both as they take up new roles at the Bulldogs and Sydney Uni respectively after many years of service to the club. They were selfless throughout the year with their time and support and it was especially rewarding with the team's T20 success as a repayment for their help over the years with the club. Both are extremely valued members of the UNSWCC fraternity and always will be. Coaching is more than rocking up and throwing balls to batters, it is about improving cricketers and teams, both of which they have accomplished over the last few years. Again, a big thank you to you both.

Two other legends who deserve a massive call out are our tireless scorer **Janelle Carew** and our stylish team manager **Richard Bowman**. Both are extremely dedicated to the club and their commitment to the first grade side was nothing short of outstanding. They are much loved and cherished parts of our side and we hope they continue to be a part of it for as long as they can put up with us! In the same vein, I would also like to give a big thank you to **Glen Greenberg** & **Matt Sanders** who were always on hand to assist

the 1st grade side when they could, and often alongside Richie played the role of IT as they set up the frogbox camera week in week out.

On a playing front, we were extremely fortunate to have the services at times from our representative players **Matt Gilkes, Dan Christian & Chris Tremain**. For a young side, their experience and skillset is an absolute blessing and their attitude towards supporting/educating their teammates was invaluable. We hope to have them all around for many years to come!! It felt like every time they played; it was a highlights package. Gilkesy double hundred against Wests was a 'joke' due to how well he hit them from start to finish, DC during a number of his T20 outings played ridiculous slog sweeps off seamers and outsmarted many batsman with the ball, and Trem blasted batters out and with the bat did the same to bowlers. Was elite viewing.

Jack Attenborough – (right) in my report last year I wrote *'I am earmarking season 2020/21 as the year he will cash in'* and didn't he ever. In his second full year of 1st grade, Jack went to another level not only scoring his maiden 1st grade century but adding two more in the season to that tally. What impressed me most, was his value across all formats for the team – he found a way to get it done and make teams pay. It is worth noting that Jack is still only 19 and to already have been the club's leading run scorer for the season, I am nothing short of pumped to see what he can achieve next year. Respect silver spoon.

Suffan Hassan – (left) came to UNSW for his 1st season in the hope of more opportunity and absolutely made the most of it. Suffan became our rock at the top of the order throughout the season, scoring 570 runs at 52 through the regular two day and one day seasons. This was a big gap that our team was looking to solve, and we couldn't have asked for more. Two first grade tons were great reward for his effort and resolve during his time at the crease. Brilliant bloke with many more UNSWCC runs ahead of him!! Also a designated driver for night's out and always willing to give people a lift, except maybe for Scobes after he painted his vehicle in Wallace and Gromit.

AJ Isherwood – the little westy from Penrith. His impact on our side however was the antithesis to his stature, churning out over 500 runs and taking over 30 wickets for an incredibly impressive all round season. AJ was very social throughout the season often having a number of 'discussions' with opposition players – definitely highlighted by his antics against Gordon. He was an integral part of our successful T20 season and his ability to often bowl 2 or 3 of the first 6 overs was extremely valuable to the side, and typically set us on our way for a positive result. Whilst it is sad to be losing him to Shires next year, I am sure we will cross paths again and am hoping for a return to DP!!

Tom Scoble – (below) arguably the most improved player in Sydney grade cricket. His second full season in the top grade, and he went to different level in white ball. Promoted to the top of our T20 and one day batting lineup, Scobes bludgeoned attacks – hitting the ball very long and very straight, an absolute pleasure to spectate. He has consolidated himself as a true allrounder in the white ball teams and am sure he will continue in the same trajectory. The Inverell express also did plenty with the ball nabbing 26 poles but was probably best known for bringing in mindbending board games for our rain delays. A captain's dream with bat, ball and in the field (second year in a row I am using this, but deserved).

Ethan Jamieson – (right) an extremely young and talented cricketer, Ethan joined us from St George and was a brilliant addition. Starting in 2s, he earned his stripes and was presented with an opportunity to debut prior to Christmas and never let his spot go. For a 17-year old batting in 1st grade, Ethan made it look effortless. The stylish left hander made a number of handy contributions with the bat and looked well and truly at home. I am very excited to see his progression next season as he will no doubt take his game to the next level. Well done Ethan!!

Hayden McLean – (Above left) mr bloody reliable. After many years of consistent performances, it was brilliant to see Hayden's effort and perseverance pay off with his best output in 1st grade to date. He was joint top wickets for our side with Declan with 35 poles and churned out almost 200 overs at one of the flattest wickets in Sydney. His ability to build pressure with the ball is what has stood out for me as a captain, very often tying up an end to allow the other bowlers to rest and rotate up the other end. One of

the best work ethics in the club, I am sure this season will be a taste of what is to come. Happy to be the shitter brother as he continues to succeed!

Tom Byrnes – (below) another member of the youth brigade, Tommy is maturing as a first-grade player following his second full season. Starved of opportunity for much of the season due to some heavy runs up the top of the order, Byrnesy showed glimpses of the damage he can cause. His clean hitting to ice the conference final as well as in the last round against NDs are examples of how clean TB can hit them. More clarity in his plan next year will set him up for plenty of success!!

Declan White – (right) gecko was back to his best this year. After a couple of years with niggling injuries, Declan was back at the top of his game taking 35 wickets at 20 odd to take out the bowling award for the side. His control, consistency and efforts were superb and the side was much better for it – respect. To top things off, Decs was in career best knick with the stick barely missing the middle of his bat for the last 3 months of the season. He innings of 63* against Mosman was a particular highlight as he found the fence with ease in between waring the bowlers out with his defence. Great season legend.

Josh Bennett – (left) after many years with the club, it is with great sadness that season 20/21 was his last as he has moved up to Newcastle. Benno for the tenure of his career busted his arse week in week out, typically on very batter friendly wickets. This year was no different and it was a pleasure to have him around the side. Wishing you nothing but the best for your time up North!

Over and above those already mentioned, we had a number of players who also contributed throughout the season including **Ash Kakkerini, Vivek Kashyap, Joe Byrnes Nick Everitt, Vincent Hreszczuk, Will Wolter, Sutha Thanabalasingam, Sanjit Selverajoo, Ridham Vadalia and Djali Bloomfield** (pictured right). There are a few individuals in this group who I am sure will have very prosperous 1st grade careers ahead of them and look forward to seeing them continue to develop next season.

Cheers to a bigger and better 21/22 season!!

SECOND GRADE REPORT

It would be easy to judge the 2020/21 season on ladder position and total wins. We had a total of 5 wins, 6 losses and 4 draws. However, such an evaluation would, in my view, fall considerably short of recognising the growth and progress of several present and future stars. We challenged some serious competition and though we were not able to gain victories, I am confident that these experiences will make us a better team in the years to come.

Kabilan Bascaran (Kab) – An amazing keeper when he arrived with a legal blood alcohol level, who has a lot of potential and talent. A more senior member of the team who has great hands and took some amazing catches and leg side stumpings. Side note – Kab took 27 catches and 7 stumpings which made him the best keeper in 2nd Grade this season. Same old story for Kabilan with another year that his batting has let him down in playing higher grades. An awesome guy to have in the team despite some rare chat that he could provide at times.

Nicholas Everitt (Azog) – What a debut season Nick had in 2nd Grade. A very young batsman who has immense talent and potential and I am excited to see what he has in store for the upcoming seasons. Nick's innings against Penrith was the highlight for me as he took down the Penrith attack and won the game with a solid 56*. Nick showed real tenacity with his batting and proved that he will be a future prospect for this club. Nick also was named in Under 17s NSW Metro squad. Big future ahead for Nick.

Sanjit Selverajoo (Gina) – Bowled some amazing opening spells that beat a lot of high quality batsmen. A little unlucky with not having the stats to back up his bowling, but in my opinion bowled at a very high calibre. Showed glimpses of batting potential, with some handy lower order runs. Sanjit's 5fa against Hawkesbury was his highlight for 2nd grade.

Will Calov – Mr Consistent himself! Bowled some excellent opening spells on a flat DP wicket that was on the money and picked up some crucial wickets. Highlight for me was against Sutherland when he took 5fa and bowled an absolute seed – pitched on middle and knicked top of off.

Will Wolter (Wolts) – Mr Reliable with the bat. Wolts was our best batsman this year scoring 500 runs with an average of 40. Like most of our batsmen had a few starts and looked very good early in the innings but would have moments where his concentration will let him down. With a strong off-season, I have some high expectations for the upcoming season.

Ridham Vadaliala (Rids) – At the start of the season it was hard to get any words out of Ridham. As he got more accustomed to the team, he became more open and often provided some great banter. Rids was very handy with the bat and has a lot of potential. His innings against Easts was by the far best innings I have seen from him. Slog sweeping the leg spinner consistently with 2 guys out on the boundary too. Rids was handy with the ball too and is a great death bowler.

Joe Byrnes (Bunna) – Joe was injured at the start of the season and missed the whole of last season. It took Joe a few games to get into the swing of things but the game against Sutherland was amazing. Smashing square drives on off peg consistently and we won the game on the first day due to his performance. He had glimpses of the old Joe but then found ways to get out. I am sure a full pre-season for Joe will get him back to playing 1s.

Taz Rahman – 1st change the bowling for 2s. Taz really showed his true potential against North Sydney where he bowled 10 overs straight restricting the runs and grabbing a few wickets. His best game was against where he took a 3fa and bowled unbelievable taking. Taz is an aggressive batsman and showed glimpses of potential. Could put a higher price on his wicket, which is something that can be worked on in the off-season.

Annay Chauhan – New kid on the block. Very shy but came out of his shell throughout the season. A solid opening batsman who gave 2nd grade a good foundation for our middle to bat against an older ball. His 100 against Sydney was a great innings which showed great tenacity and grit. I am sure Annay will work hard in the off-season and score runs in 2s and get a place in 1s next season.

Rohan Indap (Ro) – Started the season very strongly with some great innings. The highlight for me was the way he batted against Easts. Scored 50 and we lost but Ro was aggressive and I hope to see more of this type of cricket in the future. Trained very hard and has a great work ethic. Ever reliable in the field and a great guy to play cricket with.

Jake Greenberg (Tripod) – Jake is a young passionate cricketer who I think will be a great addition to 1s in the future. He is handy with the ball but more importantly a very aggressive top order batsman. Jake had very little opportunity with the bat in 2s but his innings against Penrith was awesome. He took his time but also when he took down the spinners. Jake's bowling against Sutherland and Hawkesbury showed how crafty he can be with all his variations. Jake next season hopefully gets the opportunity to bat in the top order so he can really showcase his skills.

Ethan Jamieson (Jamo) – Jamo is talented young cricketer. His innings against Fairfield was something to watch, being aggressive against spin and took control of the game. His bowling came through against Wests and Sydney where he was unplayable. I know Jamo will be working hard in the off-season to work on his craft and score plenty of runs and wickets in 1s next season.

Glen Greenberg, Steve Everitt and Peter Calov were our volunteers and they did an amazing job for 2s. It took a lot of pressure of me so I could focus on the on-field work. Drinks, scoring, sweeping the pitch, you name it. Everyone in club really appreciate their work off-field.

I enjoyed the responsibility on captaining a young side and I am looking forward to watching the future stars shine for UNSW. I am sure 2nd grade for UNSW next season will be playing finals cricket.

If there was one word that described 3rd Grade over the last decade it would be 'deflating'. However, in 2020/2021, UNSW third grade wiped the slate clean and began a new era with a level of prowess and energy. It was my first season as captain at the club and I was eager to re-shape the way we prepared, played and reflected on our performances. Although we missed out on the finals by a whisker, the season deep down was a success, a form of rehabilitation that now sees 3rd Grade UNSW as a respected foe within the competition. The number one goal for the season was to learn how to 'win'. In fact, I would argue that Premier Cricket is all about winning but sometimes the outcome doesn't mirror the process and sometimes we fall short. Our biggest achievement of the season was being "in" every single game we played. It could be argued our shortfall to the finals was purely based on our depleted state of mind, after what had been an energy sapping season. However, in a nutshell, our attitude, intensity and commitment were second-none and I am pleased to say that 3rd Grade at UNSW has now built the platform for captains, players and the club to reach a premiership in years to come.

The transformation of the side did not go without its events. The team most certainly pushed the boundaries over the season to challenge its ability, commitment and desire to be the best possible cricketer for the team. In reflection, by pushing our limits we achieved results that many have not envisioned over the last few seasons. It is for these reasons that our aggressive and attacking style of play was a product of our much-improved season.

The season started slow, with early losses to Parramatta and Bankstown by an identical score line (3 wicket loss), where our batting was sloppy despite a solid score from **Rohan Indap** against the Bulldogs. However, these losses hurt. The substance of our style was evident, but the result was just out of reach. Our winning ways began against Sydney at home in Round 4 where we chased 160 only three down thanks again to **Rohan Indap** and **Ridham Vadalía** who chased it down with ease. Dominating wins against Wests and Fairfield put us in a run of form with contributions across the board, especially from our mainstay bowling attack; **Vivek Kashyap**, **Dean Jones**, **Aaron Crofts** and **David Barber**.

Heading into Xmas we were knocking down the door of the top 6. Despite a loss against North Sydney, where off-spinner **David Barber** arguably bowled the spell of the season of 4/16 off 10, UNSW 3rd Grade were content. A mental freshener and a few nights in Paddington with the team over Xmas was timely, to sit back and switch off.

A trip to Bensons Lane post break was interesting. For those who don't know much about Bensons Lane, it's one of those trips where anything can happen. In fact, we were 4/20 off 19 overs in a one-day game and we went on to win by 30 runs. Go figure. It was a win that inspired our run towards the finals. **Nik Tsoukalas** was outstanding with the bat in very boggy conditions and the bowling effort was phenomenal that rallied the team together. In reflection, it was these wins across the season that rewired the way 3rd grade played at UNSW.

The back half of the season was undoubtedly our most dominant. We demanded our intentions and by round 12 we were sitting in 5th position. I'd need to see the stats, but I think this is the first time in eight or nine years where UNSW has at least held a position in the top 6 for third grade. Momentum was certainly in our favour, with our batting becoming a powerhouse of the 2-day format from rounds 12-14. Although slow at times, we built partnerships, batted time and made sound scores that our opposition were incapable of chasing. The fondest moment was our triumph win against Penrith at Bill Ball Oval. After being sent into bat, appalling conditions and the slowest outfield of the season, we batted until the cows came home. Despite claims from Penrith "we batted them out of the game", we went on to skittle the panthers for 120 inside 29.3 overs on the 2nd day. It was at this moment the third-grade identity was truly transformed. Those gruelling wins are difficult and often require extra mental energy to win. A win that many won't be forgetting anytime soon.

No doubt our loss to premiers ND's in the final round was hard to swallow. It not only eliminated us from our finals hopes, but it halted our coming of age. A season that grew from day 1, with plenty of spectacular moments that could be reminisced for years on end. It is only fair to summarise our season by alluding to the 'winning' feeling that is now sprinkled across third grade. For the first time in a long time it was extremely disappointing to miss out on finals, but it was a season that shifted momentum, earned respect amongst our competitors but importantly revealed how good we can be.

It was a privilege to captain this season, a time that I will certainly be forever grateful and would like to thank UNSWCC and the committee for appointing me. It was a success without claiming the ultimate prize, but we had a massive crack and I am really proud of all the players who bought into what we did this season.

AARON CROFTS
3RD GRADE CAPTAIN

FOURTH GRADE REPORT

4th Grade – Semi Final vs. St. George

Back Row (L to R): Corey Richards (Club Coach), Anshul Baruah, Mitchell Law, Gavin Ho, Jack Roach (c), Danny Bhandari, Dayle Carew, Max Nathan (12th Man). **Front Row:** Arunav Duggal, Athyban Kumanan, William Cameron, Hammad Ahmed, Adam Finkelstein.

A very solid season from 4th Grade that ended in a hard-fought semi-finals loss to St George. The Covid19 Interrupted start to the season and subsequent extra one-dayers played into our hands and at five from five we were flying.

This start had involved nail-biters in rounds one and two, with more comfortable wins coming in rounds three, four and five. 120 to **Keiran Jayasekera** and 6fa to **Jack Hardwicke-Owen** in round five were the standout performances in the early weeks. Some chasing wobbles before Xmas had us sitting in 5th at the break but crucial wins against Hawkes and Easts in January had us back on track.

The last three games of the season had us pursuing some nervy totals but each time we were able to hold things together (just) and reach the target eight, seven and seven down respectively. Getting a game at Coogee oval in round 13 was a highlight, with **Gavin Ho's** 77 and **Hammad Ahmed's** 5fa being the highlights. After a strange and interrupted season 4th placed was locked up after round 15 and into finals cricket we charged.

The quarter-final at Sydney Uni was a huge non-event with the 300ml deluge cancelling any possible cricket. **Dayle Carew** telling the Sydney Uni captain that their Super-sopper was floating away was about the only highlight. Thanks to our 4th place finished we'd secured a shot at minor premiers St George in the semi. Sent in on a lively Hurstville oval things were looking dire at 5/28 but as always the lads fought hard and 36 to **Gavin Ho** as well as useful runs to **Athy Kumanan** and **Mitch Law** allowed us to muster 107. Under par for sure, but potentially enough with a fast start. Two early poles to Mitch and Hammad blowing a front pad off had Saints at 3/12 and us right in the contest. Despite the ebb and flow of the contest and our never say die attitude, Saints snuck home in close one, taking 63 overs to nick and nudge the 108 required.

Finals don't come around all that often so to bow out in a close one was hugely disappointing, but it could not take the shine off an excellent year from 4s. The manner in which we played our cricket, the enjoyment all players got out of the season and the results and success we had throughout the season were all exemplary. I'm sure a trophy isn't too far away!

Players

Hammad ‘Iceman’ Ahmed – (right) A great team man on and off the field who had a wonderful year with the ball, playing all games and claiming 26 poles. Iceman’s success was ultimately rewarded with not only the 4s bowling award but the Club’s Players Player as well. Well done mate! A 5fa at Coogee oval and rolling the Parra tail when they needed 12 off 18 with 4 wickets left were Hammad’s highlights.

Anshul ‘Boat shoes’ Baruah – Consistent performances with bat and ball in 4s saw Anshul spend large chunks of the season in 3rd grade. His ability to blunt the new ball and knack for getting important wickets made Anshul such a valuable member of our charge at finals. Anshul would define his highlight of the year as ignoring the captains field-placement to create a direct hit runout against Parra.

Danny ‘Bowling allrounder’ Bhandari – With a neck injury nullifying his pre-Christmas availability, the evergreen Bandit returned to 4s for the run at finals. Filthy that Gav had stolen his spot in the cordon, Bandit busied himself by bowling non-stop from one end or putting Dire Straits on the UE. Flogging Anshul at chess in the Usyd rain-off was Bandit’s favourite moment of the season.

Akash ‘I work with Anshul but don’t speak to him outside of Cricket’ Biradar – Another whose season was sadly cut short by multiple injuries, Akash’s ability to move the new ball yielded him 17 poles at a tick over 10. Akash is destined for higher grades, with 5/32 against Fairfield being his best of the year.

William ‘I love Bondi Beach’ Cameron – (left) A break-out year for future higher-grader Will who spent time between both 4s and 5s, but always contributed when in either side. An unbeaten half-century on his 4s debut was his stand-out performance along with playing in a finals campaign at such a young age.

Arunav ‘Jaddu’ Duggal – A new 4th grader this season, Arunav was classy and controlled in compiling start after start before finding inventive ways to get himself out. To be fair, some of them – like getting BBQ’d by the skipper on his 4s debut – were not of his own making. Arunav’s consistency was rewarded with a 3s debut, with 56 in a successful chase against Hawkesbury 4s his best moment.

Sam ‘I’m a batsman now’ Edwards – Dayle getting 65 is bad enough, but when Sam got 49 in the same game and they added 133 for the 6th wicket it was a disaster for all genuine batsmen in the side! Sam will classify this as his highlight, but I believe his real value lay in his team-first attitude and ability to mentor young quicks within the side.

Adam ‘I’m good on the Apps’ Finklestein – Another young quick whose season was curtailed somewhat by injury. Fink is a great and selfless guy to have around any side and was a crucial part of 4s push at finals as his body healed. 48* to see us home 7 down in a tight and nervy round 14 run chase was his best day out and was also a huge moment in the teams season.

Fionn ‘Lucky not to win a Barr-Turn’ Geraghty – Fionn’s loyalty and personality make him a great asset to any side. With safe hands in the cordon, the happiness Fionn got out of being around the lads made everyone’s Saturday more enjoyable. A stable 62 in a chase against Campbelltown was his highlight.

Dayle 'Let me bowl with the newy' Carew – (right) Another really steady year from Dayle, who thrived in the one-day format and played every 4s game for the year. His ability to tie sides down and dismiss set bats was invaluable to the team. 1/15 off 10 against Easts – the form side of the comp – should be Dayle's highlight, but he will never let anyone forget the 65 he made batting at 8 against North Sydney.

Jack 'I genuinely dislike bowling' Hardwicke Owen – One of those naturally gifted cricketers in all three facets, Jack's uber from 5s stopped briefly at 4s but he didn't hop out, continuing on to 3s where he averaged a lazy 48 with the bat. The entirety of Jack's 4s season (two whole games) was his highlight, scoring 35 and taking 6/32 in game one, then 3/22 in game two.

Gavin 'Han' 'Salad' Ho – Another gifted all-rounder, after a few seasons off, Gav returned this year and contributed in all matches he was involved in. Notorious for his bomb-hitting abilities, Gav launched an impressive 14 this season. 13 poles and a couple of 50s were in many ways overshadowed by the 14 snares he took – the most out of any player in the 4s comp. These, and he's general fielding prowess, won Fieldsman of the Year at the annual dinner. Out of too many highlights to list, 77 (with 6 bombs) at Coogee oval to get us home eight-down against the local rivals was a special day.

Kieran 'KJ' Jayasekara – A really solid year in 4s from Kieran who excelled whenever he came down to us from 3s. 200+ runs in 4s at better than 40 were highlighted by a run-a-ball 125 against Wests in round 5 on an exceedingly hot day in Western Sydney, setting up a bonus point win. Kieran's positivity with the bat and range of strokes were a feature of the 4s batting this year.

Mitchell 'reckon I could play 5s as a bat?' Law – (left) Where do I start? One of the great clubmen at UNSWCC, Mitch is always there to lend a hand or offer some unhelpful advice. After his excellent season last year Mitch struggled for consistency this year having good days and bad. Having said that, he always grabbed regular wickets due to his extra pace. As per usual Mitch saved his best for the big stage surviving 73 balls in the final to nudge us over the 100 mark. He then flew in and knocked over Saints top order to give us a real chance at an unlikely win, finishing with 3/42 off 16.

Shubham 'I only field in the cordon' Kaushik – Shubs is another very talented young all-rounder who only showed glimpses this season in 4s of what he's capable of. A lovely guy to have around the side, 3/25, a run out and 30 against Mosman in round 11 was his best outing in 4s and provided an insight into what he's capable of.

Raghavan ‘Any danger of an over Roach?’ Selvaratnam – (right) Yes Rags, there is. Having played with Rags for four seasons now, I finally relented and gave him a bowl against wests. One over, no wickets, one run – not too bad considering three of the six didn’t bounce. Rags is a talented top-order bat who’s at his best when he’s looking to dominate attacks and is a fantastic personality to have in a side. He’ll tell you that his season highlight was BBQing me out against North Sydney.

Athyban ‘Keeping at DPN sucks’ Kumanan – After a bit of a shaky start to the season with the bat, Athy became an important middle order cog late in the season. He finished not out in three successful chases from rounds 13-15 and contributed nicely in the semi-final loss as well. Athy set the tone for his year with a great pre-season losing 15+ kgs. This worked wonders for his keeping which was far more consistent this year allowing him to take 16 catches and 4 stumpings. His one-handed screamer in the semi-final off Lawsy was one of the team’s great moments.

Nirmalan ‘Marcus Burnett’ Thanabalasingam – Another great man to have around the team, Nirm’s weekly anecdotes about living with Kab or being related to Sutha were always sought after in the sheds. A torn quad coming back for 3 in round two ruled Nirm out for large chunks of the season and his presence was missed by the side. I’m not sure if annoying someone else can be a season highlight, but Nirm is at his very best when winding up Tsoukalas.

Nik ‘The Barr-Turn himself’ Tsoukalas – Congratulations mate, a select few have the honour of wearing the jacket. Tsouka was only with us briefly in 4s this season, averaging 36+ and confirming to everyone he’s far too good for this grade. One of the nicest and most genuine blokes there is, Tsouka was fantastic for team morale and was a major reason we started the year 5/5. His 75 off 61 against Parra in round 2 was one of the knocks of the year.

Jack ‘I’m going to hide at 5 or 6 thanks’ Roach – (left) I absolutely loved captaining the side this year and giving the competition a real shake. To a man, everyone who played in the side this season was helpful, committed and genuinely loved their teammates having success. Personally I took 10 catches, snuck past 300 runs and was most proud of the fact I red-inked four different chases to see us home. My highlight however was having the honour to captain such a lovely group of guys and hang-out in the cordon with mates like Tsouka, Gav, Nirm and Bandit with whom I’ve played a LOT of cricket.

Congratulations to the other sides who had success this year. Metro going back-to-back is such a good effort, as is 5s making the semi without having a home-ground. 1s T/20 team were great to watch and did our club proud on a big stage! Thanks to the club leadership for everything they've done this year. Particularly **Andrew Jones** and **Matt Sanders** who've donated a lot of their time to ensuring our future as a club, as well as the game-day work of guys like **Glen Greenberg**, **Tim Stewart**, **Mitch Law** and **JP Gavan**. Thanks as well as the coaching group of **Corey Richards**, **Murray Creed** & **Sutha Thanabalasingam** who were a big part of 4s success this season – I wish you guys the best of luck next season whether it's at the bee-hive or other clubs.

My first season of captain certainly was a great experience, and it was handy having the brains trust in **Daniel Bowcock**, **JP Gavan** and **Fidah Chowdhury** hanging out in the cordon with me managing the young hormones. These three, along with the other captains and support staff, all helped me tremendously to get through the season and improve on the ladder to finish top 3 in 5th grade. What a great achievement, especially when we had no home ground! This was particularly hard with the amount of soft pitches we experienced throughout the season, but luckily my winning toss ratio really gave us the best opportunity to capitalise on the muddy soft pitches.

Looking at the statistics, we were ladder bullies throughout the season, beating all teams ranked 5th or below. Our only losses were vs teams ranked 1-5. These matches really brought our lack of experience and discipline to the forefront. Saying that, our games vs Penrith and NDs in the regular season were both tightly contested matches that went down to the last half- hour of the game. Other tight matches were vs Mosman and Hawkesbury, where **Danny Bhandari** and **Adam Finklestein** respectively took control of the games and saw us through.

On field Highlights of the season were **Daniel “Barr-Turn” Bowcock** hitting the only hundred in 5th grade vs Bankstown, **Vibhu Karthikeyan** taking 8 in our big outright win against the Ghosts, **Shubham Kaushik** taking 6fa vs Sydney, and **Jack Hardwick Owen** (6fa) showing all the young hormones how to bowl on a wet “borderline dangerous” pitch.

The ‘hormones’ showed the older heads how it’s done for most of the season. Opening bowler, **Cooper Kostopoulos**, along with opening bat, **Will Cameron**, always got us into a commanding position in the games they played, followed by Rookie of the year and 5th grade bowling award winner, **Vibhu Karthikeyan**. Overall, we had 7 hormones who played in 5th grade throughout the season, all of which brought their own unique personalities and only complained a little bit when we implemented a phone ban during games after **Will’s** snapchat shenanigans.

I have only played two quarter finals in Premier Cricket, both being monsoonal washouts. Fortunately, both times we had a free ride into the semi's. Our semi final vs NDs was, however, a different experience. Never in my sporting history have I ever not even had a chance to win a match. This game is one that is hard to relive. 171 overs out in the field, on the world's flattest and boringest oval - Asquith. Credit to the whole team though - I never heard complaints and only wanted to keep cracking into the batting order to give us a chance to have a bat. Big mention to the bowlers in this game, **Cooper Kostopoulos** (1/63 off 30), who played mildly injured but never let up on his pace and discipline, as well as **Vibhu Karthikeyan** (40 overs 2/84), **Shubham Kaushik** (3/42 off 22) **Fidah Chowdhury** (2/32 off 21) and the marathon man, **Lachlan Forrest** (1/53 off 41), who always looked threatening. On a friendlier pitch, Vibhu and Lachy would've cleaned up that match.

POIDEVIN GRAY SHIELD REPORT

Theres not much I want to say about PG's this season. Not winning a game after our great run last year was a hard pill to swallow, especially as captain. While many might put the losses down to the multiple injuries we had, it was individual performances and the lack of belief we had in each other that cost us.

Yet despite our losses, if cricket has taught me one thing its that you learn far more from your mistakes then your successes. The glimpses of individual brilliance we saw, **Tom Byrnes'** batting against Easts, **Vibhu Karthikeyan's** debut, **Ethan Jamieson's** starts with the bat, **Jack Hardwicke Owen's** & **Akash Biradar's** amazing 10th wicket partnership, these moments reassure me that the potential for this group is limitless. I learnt a lot as both a player and a leader this year and I'm sure everyone in the team is better off for the hard losses we had to endure.

With most of the senior players eligible once again and an extremely talented group of youngsters coming up, the future for this team is bright. Next year, we'll be a team to look out for.

JACK ATTENBOROUGH **POIDEVIN-GRAY CAPTAIN**

The 2020/2021 A.W. Green Shield season was like no other due to some interruptions with COVID, but it did not deter us from giving the season our all. We had a great team culture within a great group of talented players. We started the season well with two comprehensive wins, one being a bonus point win. The middle of the season didn't quite go our way but that's cricket. The final game of the season, which was one of the hardest games, saw us play Gordon and we came away with a win. It was a great way to finish the season. All the batters were exceptional in the way they approached their innings and the way they executed their plans. All the bowlers kept their plans simple and nailed them.

Every player in the squad including the development players, played their part throughout the season. Week in week out everyone showed up to training and put 100% in. By the end of the season it was clear that we all had a much better understanding of our games and how to approach each match.

The Players:

Angus Hughes - in the few games that he played he showed a great deal of potential as a left arm bowler. A great team player.

Bailey Creer - a great new addition to our team. A dedicated player who travelled from Newcastle each week. A great leader in the team and an outstanding batsman and wicketkeeper. A fantastic season with the bat, 217 runs with an average of 36 and a highest score of 68.

Ben Coates-Grayson - another new addition to the team. Ben was one of the standouts in the field, was very quick on his feet and had a rocket arm. He brought positivity to the team and was a solid middle order batsman.

Flinders Zhang-Langley - another team player who never gave up and was always looking to improve his game. Displayed a great work ethic at training.

Hayden McCarthy - turned up every week at training and always put 100% in. He played in the last game and picked up his first wicket. Hayden has a great future ahead of him.

Hirav Gandhi - had a great season with the bat and ball. He improved both areas of his game and was a great team player.

Hwi Sharples - our leading wicket taker who had an amazing season. He took 12 wickets with an average of 17.50 with his best figures being 4/28 off 10. Hwi was also a great batter in the team, always showing aggression and positivity at the crease. An impactful player.

Joey Gillard - Vice Captain and Mr Consistent. A player with a great attitude and positive mindset. 288 runs with an average of 41 and a highest score of 108. Joey played a massive part in the team culture, always putting 100% into each game. Also did a great job sharing the role of wicketkeeper.

Max Nathan - a left arm quick who took 3 wickets against Sydney in our first game. A player with lots of potential which he will no doubt show in his next season of Greenies.

Nirav Prasan - even though he only played one game, Nirav turned up to training giving 100%, always looking to improve his game.

Oliver Sissian-Turnbull - a handy all-rounder. A consistent bowler who always did his job. Always brought energy to the team.

Vibhu Karthikeyan - had an outstanding season taking 10 wickets with an average of 18.60, his best figures being 3/31 off 9. He opened the bowling in a couple of games and really showed what he is capable of.

Will Walker - a great team player who always puts his best foot forward. His bowling at the start of each innings had a massive impact on putting the opposition on the back foot. His silly slurs and personality was great to have around the team, always making the team a happy environment.

Will Cameron - a smart, opening batsman who got each innings off to a good start. An injury did not stop him from putting in 100% into all aspects of his game. A strong, determined player.

Thank you to the train on squad players - **Nick Allen, Manav Rindani** and **Jamie Pavey** who turned up to training and trial games, determined to improve their game in any way possible. A special mention to Nick, who travelled from Canberra to attend training and games.

I thoroughly enjoyed captaining my last season of Green Shield. Thanks to the senior players who supported me throughout the season. A huge thanks to Sutha, Tarik and Dayle for your guidance, coaching and mentoring. Also, many thanks to Janelle for scoring. All the best to the boys who will continue Green Shield next season

A dominant 2020/21 season for everyone that represented the Metropolitan Cup squad. Back-to-back Premierships are rare, and it is a feat that everyone at the club can cherish.

Every player worked hard at training to earn their place in the team, and we were well rewarded with victories due to this immense effort. Pre-season was great and new talent at the club was promising for a great season ahead. The internal practice game helped most of the boys get some crucial game time before the busy calendar kicked in. With the season start delayed due to COVID, we were to play most games in Limited Overs format as opposed to the traditional style of fixtures. This put a lot of strain on everyone at training and in the game as there was a full intensity performance required almost every weekend. However, training efforts and player commitment, especially from the young players ensured that we ended up on the victorious side (again) towards the end.

Round 1 vs. Sydney Uni Gold (Limited Overs) - First game of the season as defending Premiers on a Sunday, we were all set to get out there and get the points table ticking. However, our chances were dampened with a heavy downpour on Saturday night and water seeping in under the covers. There was no game possible. Saturday games resulted in a couple of teams securing bonus point wins. Which meant we had a humungous task in the following rounds to catch-up with the difference in points due to the washout.

Round 2 vs. Sydney University Blue (Limited Overs) - Students won the toss and elected to bat on what looked to be a good deck to bat first. Our young bowlers were up to the task and Oli created a tough chance in the first over which was spilled. But he came back strong, and **Oli Sissian-Turnbull** (3/12) took 2 poles in the next 2 overs. **Dan Siu** and **Chai Motalla** picked one pole each in the next few overs and **Lachy Forrest** grabbed a couple in the middle overs. Couple of partnerships with the bat and when the students seem to be running away to set a strong total, **Don Dasanayake** (3/14) surprised everyone with the turn and bounce he was able to extract from the wicket and cleaned them up with ease. They have folded for 198 in 40 overs.

Our chase started well, and the new ball was a challenge to face with variable bounce. **Dan Siu** was out early which bought **Dan Bowcock** to the crease and what followed next was pure class of an innings. Together with Dinuk, they put on a 93-run partnership. **Dinuk Karadeniya** (33) got out and **Shashank Nampalli** was the next man in. Both worked the gaps and sent the bad balls to boundaries. Bowie (79) holed out to deep mid-wicket trying to hit a big one. With just 8 required, Shashank (39) got out followed by **Hirav Gandhi** soon after. **Lachlan Forrest** and **Anim Huq** saw us home with Lachlan hitting a boundary to seal our first victory of the season with 1 bonus point.

Round 3 vs. Georges River (Limited Overs) - A win for the record books. River boys won the toss and put us to bat first. We got off to a pretty good start with the first wicket of **Dan Siu** (38) at 95. Young **Ben Coates-Grayson** and **Dinuk Karadeniya** kept the scoreboard ticking. The scoreboard read 1/196 at second drinks break. Both the batsmen were asked to up the scoring rate a bit, but the carnage after that was unprecedented. Dinuk (195) and Ben (95) put on a mammoth 244 runs partnership. Dinuk got to his 100 in 106 balls, 150 in 123 and 195 in 139 balls. **Oscar Howard** and **Don Dasanayake** continued the fireworks after Ben and Dinuk were out. Oscar (44* off 15) and Don (20* off 8) got us to a mammoth total of 4/427 in 50 Overs.

Due to a scheduling conflict, Waratahs were to play on the adjacent field. While the massacre was in progress, Don sent one right into their scrum. Maddened with the ball coming their way one of the players yelled, "Pitch the #@!##@% ball up, will ya." That didn't budge them to stop, and they went on with their game. Do they even feel pain?

Defending half the score (213 runs) mean we will be awarded double-bonus points to partially offset the washout in the first round. Disciplined bowling and they showed no intent to score any runs. Wickets started to fall at regular intervals. **Oli Sissian-Turnbull** (1/8), **Angus Hughes** (1/14), **Chai Motalla** (1/6), **Kabir Agrawal** (3/3), **Don Dasanayake** (2/28) and **Lachy Forrest** (1/12) and with an excellent run-out by Ben, they were all out for 74 runs resulting in a 353-run victory with double bonus points. A game that set us up to intimidate the opposition in the rounds to come.

Round 4 vs. Gordon (Limited Overs) - First away game of the season. Lost the toss and we were bowling first. It was hard work to get the wickets, but we managed to get them at regular intervals. 7/95 and the tail started putting up a good resistance and they ended up on 9/188 in 50 overs. **Vineet Pulikottil** (3/28) and **Vibhu Karthikeyan** (4/26) were pick of the bowlers.

Our batting got off to a good start. **Dinuk Karadeniya** (29) was the first wicket to fall in the 9th over. **Dan Siu** (78*) and **Ben Coates-Grayson** (54*) saw us home in 32.2 overs with a 130 runs partnership, securing us a bonus point win.

Round 5 vs. Warringah (Limited Overs) - The weatherman predicted a hot day coupled with very strong winds and no cricketer wants to be out there in such conditions. Warringah lost the toss and we decided to bowl first in anticipation to get them out early and score it quick and avoid the heat wave during late afternoon.

Warringah batsman started off cautiously against our opening bowlers. But **Kabir Agrawal** (2/32) with his experience drew first blood in the 6th over. Tight bowling forced the batsman to take risks and the golden arm **Menuja Goonaratne** with 2 direct hit run-outs put their batsman in a spot of bother. While there was resistance from one of their senior batsman, the other end kept losing wickets at regular intervals. We folded them with 125 on the board with **Don Dasanayake** (2/17) and **Lachy Forrest** (2/15) cleaning up the tail in a hurry.

Our both openers were back in the sheds really quickly. With 2 early wickets, young duo **Menuja Goonaratne** (66*) and **Will Thorpe** (35*) got to work. They took time to settle down and understand the conditions. Once they had a read of the pitch, it was just boundaries galore and the runs were chased down in 22.0 overs awarding us 2 bonus points. Finished at 2:11PM, right when the heat was peaking.

Round 6 (Bye) - A well-earned rest for everyone. Odd number of teams in the comp and we could use the time off for our bodies to recover.

Round 7 vs. Blacktown Mounties (Limited Overs) - Lost the toss and we were bowling.

Blacktown Mounties started off cautiously and scored off any bad ball bowled at them. An early chance went begging. **Ed Walker** (3/26) got us the first break. Riding their luck many times, a partnership of 121

runs got them past the 150 mark. Spinners, **Henry Snyman** (1/34) and **Hirav Gandhi** (1/34) put a check on their chase for quick runs and the pressure got their #3 departing, courtesy of an excellent catch by Ed at Long-on. Wickets fell quick after this, and they ended up 8/222 for 50 overs.

While the openers seemed to have looked comfortable, poor shot selection put an end to their innings quickly. **Menuja Goonaratne** (59) and **Henry Snyman** (82*) built a solid partnership with Menuja playing the aggressor role. He frequently sent balls to boundaries which included the only 6 in our innings at the MCG sized Whalan Oval 2. One too many shots and Menuja was out and is back in the sheds. **Will Thorp** (42) joined Henry for a good stint which almost got us home and he was out to a freakish catch at gully. Henry took on the charge with **Tarik Viswasam** and finished off the chase to get us home with 1 bonus point win.

Round 8 vs. RP Green (Limited Overs) - Last round before the break. Weekend was a washout with no games happening anywhere.

Round 9 vs. Hawkesbury (Limited Overs) - Undefeated during first half of the season, we were well set to repeat the performances for the remainder of the season.

Hawkesbury turned up on a Sunday with a couple of 3rd Grade and couple of 5th Grade players backing up from the previous day. A very stacked side indicating their intention to not lose (to us) at any cost. They lost the toss and we decided to bat first. Pitch and outfield were very slow and getting runs was a nightmare. Coupled with that, there were some horrible decisions from the umpire. **Dan Siu** (56) played a brilliant knock to steady our innings from one end. **Don Dasanayake** (24) and **Oscar Howard** (22) were the next 2 best contributions and we ended up all out for 185 in the 45th over.

With a decent total to defend, **Kabir Agrawal** started off the proceedings with a wicket- maiden off the first over. A very tight spell from Kabir and **Shubham Kaushik** put Hawks under a lot of pressure. **Don Dasanayake** reaped the rewards with a couple of quick wickets. **Will Thorp** (1/18) and **Menuja Goonaratne** (1/24) got a wicket each and Hawks were 6/66. With another 120 runs needed to win, Hawks' higher-grade batsmen got to work. **Dan Altman** (2/22) persisted with some tight line and was rewarded well with a couple of wickets. A little resistance from Hawks until Kabir (3/6) came back for his second spell and dismissed 2 quality batsmen in the 1st and 6th ball of the over. Don (3/19) put an end to their innings the next ball. A well-deserved victory for the team with 1 bonus point.

Round 10 vs. North West Sydney (Limited Overs) - Another lost toss for the opponent and we chose to bat first on a crumpled DP North wicket, which looked like it will only get worse as the day went by.

A below-average batting performance by us on a slow DP North wicket saw us get bundled for 105 runs in the 42nd over. **Lachy Piyasiri** (22) played a gritty knock before getting run out. **Athul Rajesh** (17) and **Oli Sissian-Turnbull** (16*) displayed maturity in their innings supporting the other batsmen around them.

A very small total to chase and a golden opportunity to avoid humiliation of the being the last team on the table, Norwest started off their batting with some power hitting by their skipper. 3 overs gone, pacers were not getting any support from the wicket and Norwest cruising away at 0/22. Quick change to tackle the situation meant early introduction of spin. **Don Dasanayake** (4/16) and **Will Thorp** (1/20) challenged them with some quality spin and variations which pushed them on the backfoot and lost 4 quick wickets for a score of 38 runs. A crucial drop catch by skipper Chai enabled them to build a good partnership and slowly inched towards the target. **Athul Rajesh** (4/14) broke it with a hat-trick and **Kabir Agrawal** (1/28) claimed a wicket right after that, to get them down to 8/79. 26 runs to defend and 2 wickets to take, very disciplined bowling from Athul and Don put an end to Norwest's run chase at 97 runs. 8 run victory, but the belief instilled in each of us was worth more than that.

Round 11 vs. RP Gold (Limited Overs) - I lost the toss and RP Gold chose to bat on a wicket that looked flat.

RP Gold got off to a good start. Couple of early wickets by **Oli Sissian-Turnbull** (4/33) and we had the game under control with 4/77 in 22 overs. Owing to some luck RP Gold started to pile up runs and we were looking down the barrel of 200+. **Don Dasanayake** (3/22) and rest of the bowlers bounced back cleaning the tail quickly bundling them up for 190. Wicket and outfield were pretty good, and the target was very well achievable.

2 very early wickets and we were in a spot of bother. **Ben Coates-Grayson** (17) played a couple of good shots and we looked comfortable again. His dismissal at 3/35 put us back in a slump. Couple of good partnerships but none that lasted very long. **Max Nathan** and **Vineet Pulikottil** put on a good show with some boundaries that got us to 126. Max (15) was dismissed and Athul soon followed him to the pavilion. 50 more runs and 3 wickets to spare, a good resilient innings of Vineet (77) came to an end. A bit of class from **Dan Altman** and brutal hitting by **Don Dasanayake** saw us inch towards the total. A horrific LBW decision saw Don (15) back in the sheds. Dan Altman (15*) and **Oli Sissian-Turnbull**, the last pair almost carried us home. But we fell agonizingly short by 7 runs and registered our first loss of the season.

Round 12 vs. RP Green - First two-day round of the season and day 1 was washed out due to rain. Day 2: Stand-in skipper Dan Siu won the first toss of our season and chose to bowl.

Kabir drew first blood claiming 3 quick wickets and Oli got 1. Golden arm **Menuja Goonaratne** and **Dinuk Karandeniya** combined for an excellent run-out saw RP Green reeling at 5/10. Constant interruptions due to rain and bowlers could not find their rhythm helped RP batsmen put on a 55-run partnership. **Kabir Agrawal** (7/15) broke the partnership and claimed another 3 wickets. **Oli Sissian-Turnbull** (2/6) claimed the last one and RP Green were all out for 71.

Batting was tricky on a tough pitch. Struggles continued in the top order, and we lost 3 early wickets. Skipper **Dan Siu** (33*) and **Adam Finkelstein** (27*) partnered up and got us home comfortably (Fink getting bored and hitting a bomb to finish off).

Round 13 vs. Penrith - Persistent rain through the week and Day 1 was called off. Day 2 saw us turning up at Rance for what looked like a pitch that wasn't covered well for rain. We lost the toss and were sent to bat on this soft and tacky wicket.

Patience of our batsmen was tested with the variable bounce and enormous turn from the pitch. Getting a run an over was getting hard, and with bad shot selection we were 5/50 off 40 overs at lunch. **Don Dasanayake** (48), **Oscar Howard** (79) and **Athul Rajesh** (15) batted smartly to get us into a commanding spot. We declared 9/213 with 39 overs remaining in the day.

Couple of early wickets and Penrith shut shop and defended for a draw.

Round 14 vs. Mosman - Once again rain played a part deeming the field unfit to play on Day 1. Day 2: Lost the toss and Mosman sent us in to bat on a deck that had a little in it initially. Couple of questionable decisions from the umpire and lack of application from the batsmen saw us all out for 92 in 43.5 overs. **Athul Rajesh** (24) top scored for us.

93 runs for a win against the table toppers, Mosman started off their batting playing some big shots and rode their luck well. They chased the score 4 wickets down in 28.4 overs.

A very disappointing loss to finish the league stage of our season. Nevertheless, we were Minor Premiers with an 8-point margin.

Qualifying Final vs. Penrith - For the first round of finals, we hosted Penrith (who are probably the toughest opponent to beat) at Blick Oval. A neutral venue as we are a round early compared to NSW Premier Cricket.

Penrith lost the toss, and we chose to bat. A very shaky start to our innings with 2 back-to-back early wickets. **Dinuk Karandeniya** and **Ben Coates-Grayson** looked to steady the ship. But both got out in quick succession. **Oscar Howard** followed them soon after. **Will Thorp** and **Don Dasanayake** seemed to have found the rhythm and runs were slowly trickling in. This did not last long either and Don was back in the pavilion after a good 30-run partnership. **Vineet Pulikottil** (25) joined Thorpy in the middle for a very gritty innings. A 70-run partnership ensued and Thorpy looked bulletproof during this period. While wickets fell at regular intervals on the other end and running out of partners, Thorpy increased the pace of scoring by taking calculated risks. Will Thorp (104) was the last wicket to fall to a freakish catch at square leg. His lone fight earned us a respectable total of 207 runs to defend the following day.

Heavy downpour overnight which continued in to the morning and caused massive water logging in the outfield. With the drizzle persistent and no end to it in sight, umpires and captains have agreed to call it off and we are through to the semifinals.

One over before lunch with score at 4/77, **Don Dasanayake** was given the opportunity to see if we can get a wicket to end the session in a high. He did not disappoint and picked up a wicket after a controversial discussion between the umpires. **Will Thorp** (2/24) and **Don** (4/1) joined forces to clean up the remaining 5 wickets with a mere 18 runs scored after lunch.

96 runs to win the first innings and bat time to claim the Premiership for the second time, sounded simple enough. But we were put to test with our openers back in the sheds and not many runs were scored. Score trickled at snail's pace, but the wickets kept tumbling at regular intervals. A wicket right after the tea break and we were in a spot of bother at 7/77. The depth of our batting was put to test. **Athul Rajesh** and **Oli Sissian-Turnbull** put in a good show to get us past 96 to win the first innings. A sigh of relief and smiles in the dressing room.

Semi-Final vs. Warringah - With 120mm rain on Saturday and constant downpour on Sunday, the game was abandoned. As the highest-placed team, we are through to the grand finals.

Grand Final vs. Mosman - Magnificent DP South is all set to host the pinnacle event. Though, we suffered a loss to Mosman during the league phase, our hopes are very high with a strong and confident team. Almost 3 weeks under the covers, the square did not get much of sunlight and looked like a plank of wood. An absolute road.

Mosman lost the toss and we decided to bowl first.

Oli Sissian-Turnbull (1/30) picked up the first wicket in the 3rd over and **Kabir Agrawal** (2/17) removed their in-form batsman a few overs later. A wicket each to **Chai Motalla** and Kabir and we are nearing the end of first session's play.

The objective to win first innings was achieved and the boys reset to put down their heads and bat time to reduce any chance of a second innings. An unfortunate run-out put an end to Athul (36)'s innings. He deserved a 50. **Will Thorp** (77) joined Oli (65) and this young duo put on a surgical 107 run partnership for the 9th wicket watering down any chances of a second innings. With an extended post-lunch session on Day 2, we were all out for 264. Only 34 overs remaining in the day and with a mammoth lead of 195 runs, it is impossible for Mosman to get an outright win. With their skipper conceding, loud applause from the Bees followed by handshakes for an amazing game played over the weekend.

UNSW Metros are 2020/21 Premiers!!

A loud rendition of "The Grundler" saw Club President **Andrew Jones**, **Tim Stewart**, few 4th Graders, and a couple of bees from the past seasons in attendance.

While the Premiership cannot be attributed to a single person or performance, often it was the young players who displayed maturity and character in difficult times. These are promising signs for the club's future. They can only get better from here on and take higher honors. The camaraderie made us the wolf pack taking on the season one round at a time.

A total of 31 players represented UNSW Metropolitan Cup this season and every one of them have contributed to the premiership equally. I feel privileged to have led such a great side to victory and cannot thank the club enough for granting this opportunity.

Corey Richards, Murray Creed, and Sutha were always around to put in a lot of effort at training to shape each and everyone of us to become a better version of ourselves. On behalf of the Metro Cup team, we wish Corey and Muz all the best for their future endeavors.

Rob Bennett and Tim "Sensei" Stewart probably had the toughest time with selections this season with lower grade sides putting in spectacular performances each round. Player availability has been so volatile throughout the season. But the selections were near perfect week after week ensuring the skippers have the best teams to go out there and do their best in the field.

Sincere thanks to **Darren "Suey" Sue, David Jebb, and Glen Greenberg** for providing the necessary support to training, games and grounds so they could go on without any hassles.

Thomas Siu had been phenomenal with his scoring duties and providing stats throughout the season. Saved us a lot of admin work to manually feed in scores and validate them week after week.

A special mention to the First Grade side to have made the finals of the Kingsgrove T20 Cup. You guys have shown immense character in beating various strong teams during the tournament. All those performances instilled a lot of belief in me to always put in your best effort no matter the opposition. I am sure many others at the club felt the same.

Not forgetting to thank All the Captains for staying patient with me while I picked your brains for valuable inputs that helped me make meaningful decisions at various stages of the season. I sincerely apologize if I have missed to mention anyone else.

Can we make it a hat-trick? Bring it on 2021/22.

UNIVERSITIES WOMEN'S CRICKET CLUB

What a wild year this has been. While there were many ups and downs for us this season, we were all excited to return to playing the sport we love after a turbulent start to 2020. While we are still not quite out of the woods in regards to the pandemic, the extra difficulties that it presented were more than compensated when we could see how much our players appreciated their cricket and the sense of connection and community a day on the field brings.

We had 3 teams across 1st, 2nd, and 3rd grade. While we weren't able to add any silverware to the trophy cabinets this season, all of our teams played consistently and there were definite improvements noticed as the season went on.

Tim Carter, our Director of Cricket from last season, unfortunately had to step down part way during the season, however returning coach Nathan Williams stepped in to the role and helped us in a huge way. Alongside his coaching team of Sanjay Anandarajah, Jarrod Cable, and special guest appearances by Alex Blackwell, Nathan led our teams through a tough but definitely enjoyable end of the season.

We would like to acknowledge and thank UNSW Cricket Club, UNSW Arc, Sydney Uni Sport and Fitness, Sydney University Cricket Club, and our sponsors FDC Construction and Fitout for their continued support. Livestreaming several of our matches for the first time was wonderful and we thank the UNSW Cricket club and their Committee for going out of their way to make this happen.

RETROSPECTIVE CHANGES DIARY

2007 – 1LO - The Sydney Cricket Association made the decision to combine the statistics for 1st grade two day and 1st grade limited over (50 over's) competitions for historical purposes. (Which was not done in the initial seasons following the inception of the 1st grade limited over's competition in 92/93). As a result there are some changes to the records that have been published in past annual reports.

June 2010 – 1T20 – The Sydney Cricket Association made the decision to combine 1T20 statistics for the 2009/10 season with the other 1st grade competitions (as 1T20 games formed part of the 1st grade competition) As a result there are some changes to the data that was published in the 2009/10 annual report.

However, the inaugural season of the 1T20 (2008/09) still remains separate from the rest of the first grade statistics as it did not form part of the 1st grade competition that season, and was run as a separate tournament.

To be clear – 1T20 statistics from 2008/09 now contribute toward player 1T20 career statistics, combined season statistics for 08/09 and player combined career statistics, but **do not** contribute toward player 1st grade statistics.

2014 – 1T20 – The 1T20 competition for 2012/13 did not form part of the 1st Grade competition, did not contribute to club championship points, and therefore should not have contributed to player 1st Grade statistics.

Our statistics database has been updated and may lead to changes to certain players 1st Grade statistics.

August 2015 – 1T20 - The Sydney Cricket Association made the decision to combine the 1T20 statistics for seasons 08/09, 12/13, 13/14, & 14/15 with 1st grade two day and 1st grade limited over (50 over's) competitions for historical purposes. (Which was not done initially for those seasons). As a result, there are some changes to the records that have been published in past annual reports.

September 2016 – 1LO - The Sydney Cricket Association made the decision to include the Limited Overs Competitions played in the 1970s and 1980s (Rothmans Cup 1973/74 – 1976/76 & Limited Overs Competition 1985/86 – 1987/88) with player combined 1st Grade, 1LO and combined Grade Career statistics (statistics for these competitions were not previously recorded). As a result, there are some changes to the records that have been published in past annual reports.

INITIATIVES

The clubs statistics are in a constant state of review and improvement. Efforts to source and fully digitize scorebooks from past seasons continues. Any errors found when digitizing scorebooks have been correct which has resulted to some minor changes to certain player's career statistics.

In the spirit of continual update and improvement to our statistics and other historical information, please forward your information or comments to unswccsec@gmail.com

Notes to the Financial Statements

University NSW Cricket Club For the year ended 30 June 2021

1. Statement of Significant Accounting Policies

The directors have determined that the company is not a reporting entity and accordingly, this financial report is a special purpose report prepared for the sole purpose of distributing a financial report to members and must not be used for any other purpose. The directors have determined that the accounting policies adopted are appropriate to meet the needs of the members.

The financial report has been prepared on an accrual basis and under the historical cost convention, except for certain assets, which, as noted, have been written down to fair value as a result of impairment. Unless otherwise stated, the accounting policies adopted are consistent with those of the prior year.

The accounting policies that have been adopted in the preparation of the statements are as follows:

Income Tax

The income tax expense for the year comprises current income tax expense. The company does not apply deferred tax. Current income tax expense charged to the profit or loss is the tax payable on taxable income calculated using applicable income tax rates enacted, or substantially enacted, as at 30 June 2021. Current tax liabilities are therefore measured at the amounts expected to be paid to the relevant taxation authority.

Inventories

Inventories are carried at the lower of cost or net realisable value. Cost is based on the first-in, first out method and includes expenditure incurred in acquiring the inventories and bringing them to the existing condition and location.

Property, Plant and Equipment

Property, plant and equipment is initially recorded at the cost of acquisition or fair value less, if applicable, any accumulated depreciation and impairment losses. Plant and equipment that has been contributed at no cost, or for nominal cost, is valued and recognised at the fair value of the asset at the date it is acquired. The plant and equipment is reviewed annually by directors to ensure that the carrying amount is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the utilisation of the assets and the subsequent disposal. The expected net cash flows have been discounted to their present values in estimating recoverable amounts.

Freehold land and buildings are measured at their fair value, based on periodic, but at least triennial, valuations by independent external valuers, less subsequent depreciation for buildings.

Increases in the carrying amount of land and buildings arising on revaluation are credited in equity to a revaluation surplus. Decreases against previous increases of the same asset are charged against fair value reserves in equity. All other decreases are charged to profit or loss.

Any accumulated depreciation at the date of revaluation is offset against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

Intangibles

Goodwill is recognised as the excess of the purchase price for a business acquired over the fair value of the net assets at the date of acquisition. Goodwill is assessed for impairment annually and is carried at cost less accumulated impairment losses.

Trade and Other Receivables

Trade receivables and other receivables, including distributions receivable, are recognised at the nominal transaction value without taking into account the time value of money. If required a provision for doubtful debt has been created.

Notes to the Financial Statements

**Financial Assets**

Investments held are originally recognised at cost, which includes transaction costs. They are subsequently measured at fair value which is equivalent to their market bid price at the end of the reporting period. Movements in fair value are recognised through an equity reserve.

Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the company that remain unpaid at 30 June 2021. Trade payables are recognised at their transaction price. They are subject to normal credit terms and do not bear interest.

Employee Benefits

Provision is made for the liability for employee entitlements arising from services rendered by employees to 30 June 2021. Employee benefits have been measured at the amounts expected to be paid when the liability is settled, plus related costs.

Provisions

Provisions are recognised when the entity has a legal or constructive obligation resulting from past events, for which it is probable that there will be an outflow of economic benefits and that outflow can be reliably measured. Provisions are measured using the best estimate available of the amounts required to settle the obligation at the end of the reporting period.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held on call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

Revenue Recognition

Revenue from the sale of goods is recognised upon the delivery of goods to customers.
Revenue from the rendering of services is recognised upon the delivery of the services to customers.
Revenue from commissions is recognised upon delivery of services to customers.
Revenue from interest is recognised using the effective interest rate method.
Revenue from dividends is recognised when the entity has a right to receive the dividend.

All revenue is stated net of the amount of goods and services tax (GST).

Goods and Services Tax

Transactions are recognised net of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the balance sheet.

Leases

Finance leases are leases of fixed assets where substantially all of the risks and benefits incidental to the ownership of the asset are transferred to the entity, but the legal ownership is not transferred to the entity.

Finance leases are capitalised by recording an asset and a corresponding liability at the lower of the amounts equal to the fair value of the leased asset, or the minimum lease payments measured at present value including any residual values.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term.

Operating lease payments are charged to the income statement on a straight-line basis over the term of the lease.

Lease incentives are deferred and amortised over the period of the lease.

Notes to the Financial Statements

Profits and losses on sale and leaseback transactions are recognised in the reporting period in which they occur.

Grants

Grant revenue is recognised in the income statement when the entity receives the grant, when it is probable that the entity will receive the economic benefits of the grant and the amount can be reliably measured.

If the grant has conditions attached which must be satisfied before the entity is eligible to receive the grant, the recognition of the revenue will be deferred until those conditions are satisfied.

Where the entity incurs an obligation to deliver economic value back to the grant contributor, the transaction is considered a reciprocal transaction and the revenue is recognised as a liability in the balance sheet until the required service has been completed, otherwise the income is recognised on receipt.

University NSW Cricket Club receives non-reciprocal contributions of assets from the government and other parties for a nominal or zero value. These assets are recognised at their fair value on the date of acquisition in the balance sheet, with an equivalent amount of income recognised in the income statement.

Donations and bequests are recognised as revenue when received.

Government Grants

Government grants received are recognised as revenue on a basis to match the recognition of revenue with costs incurred in the project. The design, development and trials extend over a [Insert number of years] year period and revenue from the government grant has been recognised on a straight line basis over that period.
