## **PRESIDENT'S REPORT**

The great season for first grade really sparked some life into our club. It was great to see the support from all eras.

We need to now capitalise and continue to improve as a club. The first grade double is not beyond us and neither is a Club Championship.

The success started with our terrific coaching staff of Smithy, Scorch and Pete Richo. The time, effort and enthusiasm that these guys put in had to be seen to be believed. It is also great that Warren is committing to another two years with the club and will broaden his role to help with the younger players.

Henry also deserves a special mention on the coaching front. His devotion to the club and the coaching assistance he gives to all, including the juniors, is outstanding.

I would like to thank your hard working committee and others who helped out this year. It is good to get some young guys like Stu McKay and Mandy now helping.

Paul Serov does an amazing amount for us and Jebby, Disco, Ollie, Jerry, Dan, the Carsos, Crewers, Suey, Thommo, Shaker, Plugger, Matty Sanders, Dan's mum Toni and Livo all helped out during the season.

One of the big successes last year was the Foundation lunch and hopefully these can build to a major event every year. Thanks to Mike Gregg, Andrew Jones and Matty for doing most of the organising.

These fund raisers and our sponsorship from Horwath and Horwath, Randwick Labor Club and the Palace are becoming more and more important if we are to remain competitive. We are already on notice from the Sports Association, who continue to be a big supporter of the club, that if compulsory student union fees are abolished, we may face funding cuts.

I would like to acknowledge the outstanding input that Dave Carson has made to our club over the past years and wish him well overseas and look forward to his return some time.

Our junior club continues to grow and this augers well for our future.

This is a great club to be part of and hopefully we can all work hard this year and a Club Championship will be the result.

**PETER JOURDAIN**

## COACHING REPORT

The photo at the bottom of this report probably says it all as regards “coaching” at UNSWCC in season 2004/05. Four very happy and proud MAJOR contributors to a successful 1<sup>st</sup> Grade season...almost an amazingly successful 1<sup>st</sup> Grade season.

Two stalwarts (Lawson and Richardson) who deserve every ounce of the accolades that might come their way for the successes achieved. The time and energy each has expended over many years (not just this successful season) on our “elite” players, in particular, has finally paid off. Congratulations to two of the truly fine clubmen.

Then there are two newcomers (Smith and Evans) who have helped so significantly in changing the playing and training culture of our higher grade players – the changes that have transformed us from being a competitive side, full of potential, to a side brimming with confidence and able to match and beat any outfit thrown up against them. What fantastic additions to this fine club – particularly the coaching experience and dynamism they have added. Hopefully they can produce even bigger and better things in seasons to come. The Club would need to look back to the time of John Rogers’ introduction to this Club to identify as beneficial and as significant an arrival as that of Warren Smith this year...“long may he reign”!!!

A successful 1<sup>st</sup> grade side means a successful season. However, we are in a position where we need to make sure the (unusual) underperformance of our lower grade sides does not go unchecked. It is hard to know what caused our problems in the lower grades but I believe a couple of things are likely to have played a major role. I think the unstable captaincy scenario in 2<sup>nd</sup> grade and the impact that had on 2<sup>nd</sup> grade performance was an issue that impacted all lower grades...the stability of our 1<sup>st</sup> grade side sheltering them from these effects. I also believe our focus on 1<sup>st</sup> Grade training (their predominantly insular involvement in centre wicket practices virtually every Tuesday and Thursday) meant our lower grades did not benefit as much as they have in the past from training with our best players. This is an issue that will require some thought because there is no doubt that our approach to 1<sup>st</sup> Grade training, and particularly their almost exclusive use of centre wicket practice, was a key in our improved performances this year at that level. The benefits obtained cannot be lost but some “massaging” of the arrangements may be in order to address our lower grade issues from last year.

1<sup>st</sup> Grade received a lot of attention this year – and I hope they appreciate the support they got and I hope they always look to contribute what they can back to the Club. They were a wonderful team this season, obviously one of the finest this Club has ever fielded, and virtually everything they have done vindicates the efforts that have been put in to optimise their performance. There is plenty left to do and there is plenty of improvement possible in both training attitudes, approaches and performance – all great signs for next season and beyond.

Another thing that was very satisfying this year was training attendance. This was by far the best attended season of practice sessions at the Club for something like 15-20 years...anywhere between 70-90% of players were there most Tuesdays and Thursdays. I am sure Warren Smith’s involvement inspired many to get along more often. The efforts while at training too were improved though far from my expectations of the Club generally...we had a long way to go from prior years and this year showed encouraging signs.

I must also say thank you on behalf of the coaching personnel to our groundsman. I have mentioned that we had centre wicket practices virtually every Tuesday and Thursday, certainly when we were at DP. This is a significant benefit to our players and a huge advantage we have over all Grade sides and, probably, most 1<sup>st</sup> Class sides. It cannot be underestimated the impact this had on our 1<sup>st</sup> Grade performance and Jebby, Campo and Ray need to be thanked and appreciated for their efforts in helping us in this critical way. Beyond them we have the Uni to thank for the best facilities going

around, including the installation of new lighting over our turf practice wickets. The additional quality training opportunities this opens up for us should play a big part in our continuing drive to maintain the momentum achieved this year as regards training and match performance. We really have few excuses as far as our match preparation goes – 5 coaches and all of the equipment and facilities that 1<sup>st</sup> Class cricketers might aspire to have.

Also big thanks to Livo for his help with batting coaching at many trainings. He could play that bloke and it seems he can translate that into coaching – something many have tried but not been able to achieve.

Our challenge is to now ride and build on this year's momentum, take advantage of what we have provided for us, and ensure every player is striving to, and achieving, improved cricket performances next season and beyond.

Cheers

**JIM DIXON**  
**CLUB COACH**

Four happy chappies at Sydney Uni Oval after our first 1<sup>st</sup> Grade premiership since 1980/81. Warren Smith, Geoff Lawson, Peter Richardson and Rod Evans were an awesome coaching resource for 1<sup>st</sup> Grade to have this year. On the face of it perhaps our success could be expected. But the efforts put in by this group, particularly Warren and Peter, cannot be overstated as being the basis upon which the Club's 1<sup>st</sup> Grade performances were turned around this year.

Even better....what a bunch of good blokes!!!! We are a lucky club!!!

## **FIRST GRADE REPORT**

The 2004/05 season must undoubtedly rank as one of the most memorable for the first grade side in the Club's history. The team essentially comprised the same young group that had been developing over the previous five years or so with the addition of Cade Brown and Tim Lang, with Murray Creed playing his first full season with the Club. Furthermore one of the Club's favourite sons, Ian Salisbury, joined the team early in December and played most of the remaining preliminary rounds and the final.

The performance of the playing group was immeasurably enhanced by the introduction of highly credentialed coach, Warren Smith, ably supported by Rod Evans.

Although there was a recognition within the Club that the group had a strong underlying potential, there existed the frustration that in the previous five years, the team's final position in the table ranged from twelfth to eighteenth.

The start to the season was hardly conspicuous, with only two wins (and two draws through inclement weather) after the first nine rounds, albeit three of the losses were against the respective competition premiers of each of the preceding three years.

Then commenced an incredible run of twelve consecutive wins, culminating in being placed third in the premiership table at the conclusion of the preliminary rounds.

In the course of the one day competition, the team after the eight preliminary rounds was placed second, with five wins, two draws and a loss, six points behind first placed Sydney University.

Our one day semi-final was against Fairfield-Liverpool, played at David Phillips North. With continuing showers, it appeared that any play would be unlikely. However due to the sterling efforts of David Jebb and his ground staff, play commenced with 27 overs scheduled for each side.

David Carson won the toss and took the initiative by deciding to bat. Our top order batsmen began most aggressively, but lost early wickets to be 2-23 before Cade Brown (30) and Murray Creed (28) consolidated, taking the score to 69. We then lost five wickets for 20 and may have struggled to reach 100. However sensible and later attacking batting between Ian Salisbury (25) and Andrew Neilan (24) enabled the side to reach 153, the last wicket falling in the final over.

Set five and a half runs an over, the Fairfield batsmen succumbed to the pressure created by our four seam bowlers, who all bowled an immaculate line and length, not allowing the opposition the basis to establish the one or two vital partnerships needed to meet the competitive target. Possibly the turning point was amazing direct hit from fine leg by Tim Cox to run out one of the opposition's key players. Fairfield were all out for 91 in the 22<sup>nd</sup> over. Tim Cox led the way, taking the first three wickets with 3-25 (6 overs), ably assisted by Eric Zehner (2-22 off 5 overs), Jimmy Day (2-21 off 4 overs) and Ian Salisbury (2-9 off 2.1 overs).

This set the scene for the one day final between the two universities at Sydney University No. 1 Oval on Sunday, 30 January. The ground and wicket were in immaculate condition in contrast to the conditions we faced when playing there at the beginning of the season. Sydney University won the toss and elected to bat in overcast conditions. Again our bowlers led the way creating the pressure that enabled a continuous flow of wickets with the opposition moving from 0-24 to 8-89 after 30 overs; with the ninth wicket accumulating another 40 runs for a final score of 8-129. The bowling statistics tell the story, with Tim Lang (2-24), Tim Cox (2-23), Eric Zehner (2-38), Jimmy Day (1-13) and Ian Salisbury (1-22) all off their completed ten overs. The bowlers were supported by a fielding side that was superb, with Ian Salisbury taking a couple of sharp slips catches and Michael Elliott, as substitute fielder, running metres to take an amazing diving catch at wide mid on.

Pursuing the target, we were in early trouble to be 2-10, before Mitch O'Connor (20) and Dan

Christian consolidated taking the score to 64. We then lost two quick wickets to be 5-90 with still plenty to be done. However Dave Carson (39 no) played a real captain's innings ably supported by the cool hand of Tim Lang (12 no) to take us to a comprehensive five wicket win off only 31.2 overs. Dan's contribution of 49 was crucial to the win and he was deservedly awarded the Bevan Medal as man of the match.

The celebration of the first grade team's first premierships success in nearly twenty five years was one to remember with current Club players and those of years gone by, all of whom had been a strong support factor on the day, joining the team for the after match function.

Our focus was then applied to working towards the ultimate achievement of the overall premierships. The accompanying match summaries show that all of the wins in the consecutive sequence leading up to the finals were by comprehensive margins, giving rise to a degree of confidence leading into the final series.

In the third v fourth qualifying final we played Campbelltown-Camden at the Village Green. Now without Ian Salisbury, who had returned to his county duties, and with Jimmy Day suffering the first of a series of injuries which would keep him out of the remaining games, the opportunity arose to allow Tom Cooper to join the team after arriving at the Club late in the season from Lismore.

Batting first, Campbelltown, after at one stage being 5-79, declared at 8-221 with three overs of play remaining on the first day. Bowling honours went to Eric Zehner (3-32) and Tim Lang (3-47). On the second day we were in early trouble at 2-8 and then 3-37 before Mitch O'Connor (58) and Dave Carson (47) took the score to 4-124. In his first grade debut Tom Cooper showed maturity in making a hard fought 37, but with the loss of his wicket and a couple shortly after we were 8-203, with another 18 required to secure a semi final place. The experience of Tim Lang (38 no) and Tim Cox saw us through without further loss.

Our semi final, at the Village Green, was against Northern District. Unfortunately due to frequent rain squalls during most of the first day, it was not until relatively late that play was able to commence. Aware that a draw would be sufficient to see us progress to the final, we proceeded to bat for the rest of the game with Dan Christian and Dave Carson taking the score from 3-104 in a new Club fourth wicket partnership record of 192, with Dan compiling a magnificent 136 and Dave 81 no. The final score of 4-309 did not provide the opposition with an opportunity to bat.

For the second time in the season a final was to be played between the two universities, again at Sydney University Oval No 1, on the 1,2 and 3 April.

The match commenced in sunny autumn weather, with Sydney University winning the toss and electing to bowl on a wicket which early in the game allowed the ball to seam about and was somewhat two paced. Our side was significantly boosted by the return for the match of Ian Salisbury who had been released from his county commitments for the weekend.

The loss of our openers with seven on the scoreboard posed an early setback and we did particularly well to be only three down at lunch, with Dan Christian showing his undoubted skills batting through most of the pre-lunch session on a wicket that fully tested all of the batsmen. Tempering his natural aggression, and by adjusting his shots with soft hands when needed, he played each ball on its merits. He was unfortunately dismissed for 40 straight after lunch. This innings, albeit relatively short, was probably one of the best, under pressure, that Dan has played for the Club. Despite some resistance from Dave Carson (26), Tom Cooper (15) and Ian Salisbury (12), we were dismissed at tea for a total of 137, which was quite commendable given the wicket conditions.

Sydney University innings progressed without too much drama reaching 3-84, then in an amazing transformation, late on the first day and early on the second, Tim Lang and Ian Salisbury absolutely demolished the opposition for them to be all out for 108, leaving us with a first innings lead of 29, which given the circumstances of the wicket early and having been sent in, was a valiant effort. The

performances of Tim Lang, with 5-40 off 16.4 overs, and Ian Salisbury with 4-22 off twelve overs were magnificent.

With virtually two days play remaining the match was set up for a thrilling finish. And so it turned out to be, with fortunes fluctuating one way and then the other throughout the time remaining.

Batting a second time we were traveling comfortably at 1-73, when in the space of half a dozen deliveries from the opposing team's legspinner, we lost three of our top order, all LBW. This was probably the major turning point of the match. However Murray Creed (57), who, given his massive run accumulation during the season, but was now having a relatively modest time in the finals, demonstrated his class and, together with Tom Cooper (55) showing maturity well beyond his years, combined for a fifth wicket partnership of 62. Subsequently there was only limited resistance and we were dismissed for 174, leaving Sydney University, who needed to win outright to secure the premiership, with 203 for victory.

At 3-132, Sydney University appeared to be progressing comfortably, but this time it was Eric Zehner, together with Tim Lang, who put his hand up with a devastating spell, including an amazing reflex return catch, to have the opposition again under immense pressure and finding it difficult to build the partnership necessary to secure the winning runs. The ninth wicket fell with three runs still required but, despite having the opposition on the rack, were unable to secure that final wicket, thereby losing the final, by the narrowest of margins - one wicket late on the final day. In a season when the team had maintained a strong discipline, we nevertheless conceded a total of 23 wides and no-balls in the second innings, which may well have been a telling factor in a low scoring game. Eric Zehner finished with a wholehearted 4-41 off sixteen overs. Tim Lang completed a truly magnificent double taking 3-46 off 29 overs in the second innings, with a match analysis of 8-86 off 45.4 overs. Tim, who gave everything possible to secure his team victory, was awarded the Benaud Medal as man of the match, a richly deserved honour.

Our congratulations to Sydney University on their deserved premiership success. They were the front runners throughout the season, winning the minor premiership by a margin of 22 points. Against a team comprising one current and one former test player and three current state players, our boys certainly took the game right up to them to the end. In one of the closest and most exciting finals in recent times, all, who are associated with UNSWCC, would have tremendous pride and admiration for the way the team played right throughout the season and most particularly in that final game. Although they lost at the final hurdle in the years ahead they will realise that they all played a major part in a great game of cricket.

The team also deserves accolades for the manner in which they conducted themselves at the pre final breakfast at the SCG, at the post match presentation function and at the Club's own function later at the Palace, where the atmosphere was hardly that of a losing team.

The team's thanks goes to all the current and past Club members who attended the match over the three days and provided tremendous support to the side. The Club spirit that was evident before, during and after the match was enlightening and augers well for the Club's future success.

Some thought has been given as to the reasons for the dramatic transformation in the team's performance. Obviously the introduction of the key players mentioned earlier in this report was an important factor. The emphasis upon skills development and mental toughness and the unbounded enthusiasm of Warren Smith as team coach created a new refreshing approach. This was complemented by the behind the scenes support of Rod Evans who assisted with fielding drills and was able to impart his knowledge and experience throughout the season. Through concentration on these skills the team has developed into a very good fielding unit and the pressure they were able to exert on the opposition on a consistent basis was a telling factor in their success. Without an express fast bowler, the seamers complemented each other particularly well, bowling in partnerships. The fact that over the season there were only four individual five wicket hauls shows the teamwork involved.

Carso getting ready for official "tossing" duties in the game against Himachal Pradesh at the Daram Shala Cricket Stadium at the foot of the Himalayas. It was certainly a great year to be playing 1<sup>st</sup> Grade!!!

As success followed success and with each individual lifting their own contribution to the team effort there developed a very strong sense of self belief.

The team was most capably led from the front by **Dave Carson** both with the bat but also very much in the field. Dave was able to be one of the boys, but when the occasion demanded was able to step forward and capture in a concise and articulate format the plan to be implemented. Since the end of the season, and after ten years with the Club, Dave has taken off on a two year overseas working holiday. His leadership and gritty determination will be sorely missed and difficult to replace.

From an overall season point view **Dan Christian** probably did not achieve his preseason goals, but his time will come and higher honours are within his capability. There were clear signs towards the latter part of the season that his fast bowling was returning to the rhythm and accuracy of old, and he showed that he has the big match temperament with his innings in the one day final, the semi-final and the first innings of the final. His enthusiasm and ability in the cover point area or outfield must place him as very best in the first grade competition.

The introduction of **Murray Creed** to the Club mid-way through last season has been a revelation. With 1102 runs for the season, he surpassed the Club's previous best aggregate for a first grade season by over 200 runs, as well as providing the highest aggregate in the SCA for the season. A truly outstanding performance. Represented the state at 2<sup>nd</sup> XI level and looks to be well in the frame for a step up to the next level.

**Cade Brown** with 708 runs was second in the team's run aggregate and produced some most valuable batting contributions at vital times. Assisted in lifting the team's overall fielding performance by taking some very good catches at first slip. A strong contributor to the team on and off the field and provided very good support to the captain.

**Mitch O'Connor**, at the beginning of the season took up the challenge of opening the batting and invariably was able to see off the opening attack, without consistently converting to the more substantial innings he is capable of producing. Took a few sharp chances in the slip/gully area and with his attitude and dedication is developing into a very good first grade cricketer.

Mention has already been made of maturity shown by **Tom Cooper** in both the qualifying final and the final. His response to the pressure that was exerted by the opposition in the final was outstanding and augers well for his future in the game.

What an outstanding acquisition **Tim Lang** has been to the Club. With 469 runs at 36.08, and 51 wickets at 18.08, sound fielding and a great attitude, Tim's performance and contribution to the team has been superlative. Has grasped the opportunity afforded to him by his new Club and should be in line for representative honours next year.

It would not seem strange that the team's resurgence after a mediocre start coincided with the arrival of **Ian Salisbury** back to the Club. His dedication to the Club was so well exemplified with his decision to fly out from the UK for the final. Demonstrated his undoubted legspinning skills with 32 wickets at 12.28. But his influence extended well beyond this, with his experience and leadership contribution playing an enormous role. Hopefully will see Ian back to continue to play a significant part in the team's further development.

With 55 dismissals, including 15 stumpings, **Andrew Neilan** established a new Club first grade record and again headed the SCA statistics. With exceptional hand/eye skills he was a major factor in leading the team's outstanding fielding performance.

**Eric Zehner** provided the variation in our predominantly seam based attack. Worked hard at his game this season and with the late movement is capable of producing the unplayable ball. Would have been very much encouraged with his second innings effort in the final, which almost brought off a thrilling win.

With 35 wickets and an economy rate of 2.5, **Tim Cox** provided a most reliable foil for the other bowlers, helping to apply the pressure that produced the results for the team. Tim is able to maintain a consistent line and length with just enough movement off the seam to pose problems for the opposing batsmen.

Unfortunately **Jimmy Day** was not able to experience the season's rewards by missing the finals through injury. Nevertheless he played a significant role, particularly in the one day format where his 16 wickets (3.49 runs per over) was the highest number in the SCA for the season, and also created and new Club LO record. Unselfishly took on the difficult role of opening bat early in the season so that the team could maintain a balanced batting order.

**Michael Elliott**, after being in the team earlier in the season, showed his team and club qualities in his support role in the one day final and the final series. Another newcomer, **Glen Dobbie**, made his first grade debut in the demanding context of the qualifying final.

Thanks to Rae Stein who has been the team scorer for the past couple of years. A great supporter of the team, Rae reluctantly now bows out with much regret, after having one of her most enjoyable seasons in a long career.

Thanks also to Toni Christian who looked after the canteen at the first grade home games, Olly Higgins for maintaining the canteen, Bob Patterson who travels regularly from Newcastle in his role as our number one supporter, Warren Campion, the groundstaff and also Ray Galway for providing first class cricket facilities at the VG.

Again to Henry and Disco for the parts that they have played over the years in helping this first grade side achieve its potential. Also to Peter Jourdain, Paul Serov and the Committee for all their work and support behind the scenes.

Finally it has been a great pleasure to have been part of the first grade coaching/management team along with Warren and Rod. Our involvement has been well rewarded by the manner in which this fine group of players have achieved.

## **SECOND GRADE REPORT**

The season of 2004/05 will go down as a season of vastly opposing ups and down's, and for some, a season of change. From the humiliating defeats of Wests and Balmain, to the total outplaying of Gordan and Parramatta. Not to mention 4 captains, two home grounds and individuals that would be extremely disappointed with the figures they returned for the year.

Coming into the side in round 8, still winless, I noticed a few disturbing things about the functioning of the side that within a month, I ended up being responsible for. None of these problems where as a result of one person or any one situation, but more likely a combination of all of them. The fact that there'd been 3 captains inside 7 rounds was a bit disturbing to say the least, and coupled with individuals grossly under performing, placed undue pressure and stress upon the captain and the group.

The side contained a number of young guys, or new players to 2<sup>nd</sup> grade and as such probably lost a couple of close games through lack of confidence, say, had they come in the second half of the year, would have quite possibly won. In saying all that though, the individual results were the major area of concern. There where only 5 hundreds scored and not a single 5 wicket haul. Whether the individuals performances were reflected upon the leadership instability is still open for discussion, but still unsatisfactory to say the least. As we proved with the games we won, we had 1, 2 or 3 players bat out a session and post a big score and as such place "pressure" on the opposition. This in turn gave our bowlers something to bowl at, and as usual they very rarely let the club down.

Post Christmas, apart from the Balmain game, we played some very good cricket. In two of the games we where on the wrong side of the conditions in both weeks of the match. The skipper can probably take some of the blame after winning the toss and batting on both occasions and less the perfect batting conditions. But, to everyones credit that played in the Gordan and Parramatta matches, we ignored the conditions and put our heads down with bat and ball and played disciplined, tough, patient cricket. Respecting the ball outside off stump, playing straight, running hard between wickets, partnerships with bat and ball, hitting the top of off stump and holding catches. This is the standard you have all set yourselves and doing this on a more consistent basis will see improved performances from all of you in the next season.

There were a couple of very good individual efforts that can't go unrecognised. **Danny Bhandari** with the bat, 435 @ 29 including 101\*(Easts) and 109(Mosman) and with the ball, 174 overs 24 wickets @ 25. Danny was someone very reliable to turn to with the ball whenever we needed a wicket or to reduce the run rate and build some pressure.

**Chris Thomas** had another very good season 23 wickets @ 24 with a best of 3/87. Thommo again shouldered the majority of the workload from one end and in a lot of occasions extremely unlucky. Also worth saying that he had a batsmen stumped this season too!

**Roger Smith's** efforts with the gloves this season was first rate, 20 catches and 8 stumpings was an excellent return. Some of those leg side stumpings off Danny where top shelf. But it's also the intangibles that deserve a mention, his talk and enthusiasm behind the stumps was always a joy to play with.

**Sam Robson's** results in his first half dozen matches in two's was also very pleasing to witness. Before we lost him to Sydney High, Sam had scored 227 runs @ 37 and 9 wickets @ 13. Performed very maturely with both and ball and in some circumstances under quite a bit of pressure.

**Glen Dobbie** proved a valuable asset to the bowling department with his control of outswing proving very useful for early wickets. 16 wickets @ 21 were a good return in half a season.

The efforts of veterans **Dan Culhane** and **Gary Fuss** can also not go without mention. You two both showed a level of commitment, intensity and enthusiasm required at this level that a number of other

players didn't show on a consistent enough basis

I'm only mentioning the better performances of this season, but I haven't forgotten about all the other guys, of which all of you contributed to the performance of the side in some way through the season. **Tim Richardson, Peter Carson, Matt Owers, Mark Leahy, Ollie Higgins, Robbie Dooley, Richard Nikalovski, Andrew Langdon, Peter Maguire, Greg Dennis, Steve Norbury, David Jebb, Mitchell Sykes, Tom Cooper.** To all of you thanks, and be proud of the way you performed in second grade, your efforts could not be questioned.

Lets build off the success of the second half of the season and use it to lay a platform for a successful 2005/06.

"Get your stingers out"

## **THIRD GRADE REPORT**

I have to take a step back every now and then and remember that we are only playing cricket. It's only a game so I mustn't take it so seriously. It's easy to have fun when you play with such a great bunch of blokes, but I still take it personally when we get beaten by teams that don't really seem like better blokes and aren't any better cricketers than us.

To finish in the bottom half is always disappointing, but there is hope. There was a definite 'changing of the guard' at the club this year with many players experiencing grade cricket for the first time. I am confident that the groundwork has been done and bigger and better things are expected from many players next year.

### **The Batting.**

Batting on Dave Phillips is always taken for granted, and the batting performances of our side this year were a little disappointing. With the exception of a few contributors we had an inconsistent year from the middle order. The lower order and tail end should also be doing some damage on Dave Phillips but rarely did.

**Oliver Higgins** was the best performer with the bat, he averaged 59.75 and thoroughly deserved his opportunities in second grade. He showed he has the temperament and the ability to bat for a long time. With a little self belief and continued hard work I think Oliver can go on to bigger and better things.

**David Jebb** was probably the most consistent performer, he averaged about 40 and managed to juggle wicket preparation, bad directions and warm up fiascos and still managed to concentrate when required.

**Simon Cowan** was another solid performer who probably deserved a recall to the thirds after injury. Simon can be a valuable contributor with bat and ball and, with some off season attention to his fitness, will be a force again next season.

Other valuable contributors were **Richard Nikolovski**, and **Jim Dixon**. All other specialist batsmen need to develop a little more consistency, perhaps this will come with a year of experience. **Stuart McKay**, **Joel Tibbetts** and **Gav Pereira** have all shown that they have something special and a lot can be expected of them.

### **The Bowling.**

The bowling was also a little disappointing, probably due to the fact that it was impossible to get the ball off the captain at one end and everyone else had to bowl into the wind. In all seriousness, no other bowler really stood up consistently. **Robert 'Hooley' Dooley** must put restraints on that section of his brain that insists 'now would be a good time to go walkabout'. He must recognise his role as an important player and step up! Perhaps receiving the prestigious 'Barr turn' will instigate a change.....I doubt it. I am reminded of Hooley when I see a 'P' plater driving a Subaru WRX.

### **The Fielding.**

We were awful.

I did enjoy the season and I hope I can be involved in some way next season. If Josh Webb comes back and he can guarantee a bit more support from his better half I will be encouraged to run around with the boys again.

Thanks.

2004/05 Clubman of the Year Oliver Higgins in action at Trumper Park for 3rds. His batting came on in leaps and bounds this year and he played many deserved games in 2nds. The 70 odd scored this day was worth 120-130 anywhere else and threatened to get us home in a game we played rather poorly.

## FOURTH GRADE REPORT

This season was an enjoyable one for UNSW 4th Grade: A mix of jubilation and great achievement, disappointment and some scratchy performances. We started the year with the nucleus of the previous years team, minus a couple. Good news was the return of the brilliant Mullins from his time abroad.

The season started with some great batting, unfortunately our bowlers seemed to be not oiled right or should I say the pitch. From the very first ball of the season it appeared Jamo was going to have a cracking season however, this did not happen. All our bowlers had purple patches, but with the upper grades needing players every game it appeared we would not have a stable team all year. This ended up being very true as 4th Grade this year had 38 players.

As you would know it is very hard to have a game plan to work to each game as we did not know what players we would have. I suppose from that point of view we really did struggle at times through the year from an outright defeat one game to beating one of the top teams the next game.

Our Batsman all year were very up and down and at times players were going up with only getting very small totals. On a better note we recruited some new blood to the club and it was good to see these players moving up through the ranks.

Before I'm done I'd like to extend my appreciation for the efforts of all who played in 4th grade this season. Hopefully if we all get back into it and have no injuries next year it may well be a brighter outcome.

GARY FUSS

## **FIFTH GRADE REPORT**

Our season started with the correct padded leg forward, with a comprehensive win over Bankstown, followed by a tight loss to Sydney Uni. All the signs were there that this year this side was going to become a competitive team. I felt that we had just the right balance of youth, and importantly experience, from a few club veterans that we lacked our last season. The enthusiasm from our new players, Chris Morris, James Glenday and Hugh Backman, combined with guidance from Jungles, Dr. Gerber and Pete Mitchell, I felt that the season showed all the makings of being a success.

As we travel further down the list of games that we call our season, our match against Easts saw us score over 300 runs, but unfortunately our bowlers just couldn't take those last crucial wickets that were holding the game in the balance for us to achieve a win. This was to become the way our season would unfold. For the majority of the following games, we showed that when focused we could actually be competitive, and we were given our chances, by the plenty. However we just lacked the follow through to actually take control and grab the game from the opposition. Whether it was a stamina problem, communication problem or a motivational problem we did not seem to successfully work through these obstacles.

Despite our lacklustre, we did have some stand out performances. The incredible number of 'centuries' scored showed that we did actually have the talent. Hugh Backman, Chris Morris, Pete Mitchell, and myself all achieving this bat raising accomplishment.

Alex Stuart showed he had the makings of a higher grade player, when given the chance he showed us his batting prowess with constant runs tallying in the 80's. Chris Morris was another to show us what could be done with a lump of willow. Chris showed tremendous concentration as a batsman and behind the stumps all season.

Another new member to the bumble bees was Jimmy James Glenday. He, who bowled admirably, and skillfully every time he took to the deck, did so without lady luck by his side. That elusive 'bag full of wickets' just never came his way. He truly deserved a greater reward for these efforts than he received. I have no doubt that next season will see him luckier.

Jungles once again proved age shall not weary him. Together with Senior Sergeant Stark these two showed they still had the ability and passion to stride confidently onto the field and to menace the opposition with finely honed skill and wit.

Although we felt we were competitive enough to make the finals, this was not to be the case. All we can do is learn from the situations that were presented to us this season and look forward to conquering those tribulations in the 05/06 season.

I would like to thank all the coaching staff for their time and expertise this season, and to all the players who took to the pitch for Fifth Grade. It was all of you, as unique and talented individuals who as a team made it an extremely enjoyable season.

Thank you for your company, thank you for your camaraderie and thank you for giving me the opportunity to be your captain.

## **SIXTH GRADE REPORT**

Season 2004/2005 for 6<sup>th</sup> grade started out like any other season. Half the team were survivors from the previous season, eager to get stuck into another season and possibly push their claims for a place in a higher grade. The other half were the newcomers to the club, who, after the rigours of preseason had found themselves, sometimes unluckily, running around in the Metropolitan Cup.

Looking back over the season, one could say that it was not that successful, finishing well out of finals contention. In that sense it was disappointing. Our perennial problem of not being able to perform solidly each week saw us losing to sides that, in terms of talent, were no better than ourselves. However, there were a number of highlights throughout the season that demonstrated that improvements were being made.

One weakness of 6<sup>th</sup> grade has always been our ability to bat out our 80-odd overs in the day, especially when the wicket is good and the sun is shining. This season we did this four times, a considerable improvement from previous seasons and illustrative of the players determination to concentrate out in the middle and value their wicket.

Our fielding this year was probably the best I have ever seen from a 6<sup>th</sup> grade team. Dropped catches were an exception, rather than a regular occurrence and our ground fielding was consistently of a high standard. This was probably a reflection of the fact that many of the 6<sup>th</sup> graders were some of the best trainers at the club, consistently spending time on the slips cradle and participating in Disco's outfield drills.

What probably let us down most this season was our bowling. Our bowling was not bad. We bowled very tightly and did not give away easy runs. However, we lacked penetration with the ball and allowed the opposition to build solid partnerships, thereby making it doubly difficult to dismiss them.

There were some notable individual performances so now to the players (in rough batting order).

Batsman of the season was **Peter Harris**. Pete had a stellar season (340 runs @ 42.50) including an exceptional 136 (off 151 balls) against South Sydney. He went in to the season determined to curb his natural aggression so he could spend more time in the middle. This new approach, defending balls that should be defended and punishing any loose delivery saw Pete become the mainstay of our top-order. Opportunities in 5<sup>th</sup> grade later in the season were a worthy reward.

Pete was also, after much badgering of the captain, given a bowl this season. His 6 wickets @ 26.50 were a nice reward for his tight bowling.

Although the runs did not come as easy, **Andrew Jones** was once again a vital component of the team. A self-confessed "grundler", Jonesy can occupy the crease for a long time, thereby shielding the middle-order from the new ball. His wise counsel in the middle was also a welcome balance to the usually impetuous 6<sup>th</sup> grade top order. Jonesy also filled in as captain a couple of times when family commitments had me otherwise engaged so for that I am extremely grateful.

Coming in first-drop was 15-year old **Michael Krigstein**. With a family overseas holiday excluding him from Green Shield, Michael was looking to a season in 6's to help develop his game. Michael has a very good technique and played well against all types of bowling. He would invariably get a start most innings only to throw his wicket away just when he was starting to look good. If Michael can get over this hurdle then there is no telling how good a player he may become.

Improving with the bat this season was **Ben Tate**. Ben has a propensity to play across the line early in his innings often bringing about his downfall. He demonstrated however that once he gets his eye in his technique and concentration improves and he can build a big innings. A couple of half centuries and nearly 300 runs for the season was illustrative of this. His wicket-keeping was generally very

solid and showed improvement throughout the season. This together with his improved batting improves his chances to play higher grade cricket.

One player who should be playing higher-grade cricket is **Jonathan Tan**. He has probably the best batting technique in the side and could dominate any 6<sup>th</sup> grade attack. He must also be one of the better fieldsmen in the club. If Jon can find some time to commit some time to his cricket then he will be playing a much higher grade next season.

Jon's college partner-in-crime **Mitchell Lawrence** also demonstrated his prowess with the willow. Starting out in the middle-order, Mitch struggled facing spin early in his innings and this is a weakness where he will need to improve. A move to opener late in the season however allowed Mitch to demonstrate his obvious skills against the quicker stuff.

For the first half of the season while injury forced him to give up bowling, **Mark Appleton** masqueraded as a middle-order batsman. He did this with a degree of success, including 70-odd versus South Sydney. A bouncy green-top at Jubilee Oval mid-way through the season enticed Apples back into the bowling fray and we soon lost him back to 5's. With non-sensical chatter to rival even Mitch Smith, Apples was a great team man and also filled in as captain for one game.

One of the finds this season was **Richie Sullivan**. A leg-spinner from Canberra, Richie demonstrated from game one his ability as a wicket-taker, quickly earning promotion to 5's. Richie struggled at times with bowling a consistent length, probably causing him to float between 5's and 6's for much of the season. However, when he was on-song, spinning the ball considerably and armed with an excellent wrong-un, Richie was a handful for any batsman. His 5/77 off 27 straight overs against South Sydney was a highlight of the season.

**Matt Garland** continued to make improvements to his bowling throughout the season. Matt was given the opportunity to bowl some good spells with the new ball this season. Although not the most penetrative bowler, Matt developed a very good line and length and was able to tie batsmen down for considerable periods. I am sure that the more work Matt puts into his bowling, the more the wickets will follow.

Green Shield player **Matthias Treuberg** demonstrated that he is definitely a bowler of the future. At only 14 years old, Matthias generates considerable pace and bounce for his age. As he grows there is no telling how good a bowler he may become.

**Steve Halikas** had an up-and-down season. He bowled some very good spells but it seemed the more he experimented with his bowling the less consistent he became. Steve's best spells were when he bowled tight and to a plan. He would keep the batsmen on the crease and get his wickets bowled or LBW. If he can take this approach into next season then I am sure he will take plenty of wickets.

Special mention must be made of **Madan Kandara**. Even though he only played a handful of games, Madan helped out by umpiring for a number of games when he was not playing. His half-century in the last game suggests he still has a number of seasons left in him.

Despite our lack of victories, the team was a tight-knit group who enjoyed turning up each Saturday to play cricket and to drink beers and relax with a few stories after the game. This made the season hugely enjoyable and I must thank all the guys who played in 6th grade this season.

Family, work and club secretarial duties will see me relinquish the captain's role next season. However, I look forward to playing with all you guys next season and pestering the new captain for a bowl.

Cheers.

**PAUL SEROV**

## **POIDEVIN GRAY SHIELD REPORT**

A good season for our PG's side – 2 wins and 3 close losses. A much improved performance in all area's, partly due to the arrival of some new talent, bringing a fresh outlook to the side, and also due to good side balance and depth.

Under the leadership of Mitch O'Connor, season's high lights include (but are not confined to):

A solid consistent season in all facets by **Jim Day** (earning him PG's player of the year)

A couple of great dig's in tight situations by **Mitch O'Connor** against St George and Bankstown. In particular, Mitch's innings versus Bankstown was a hallmark of his ability.

**Gavin Pereira's** blinder of a season both on an off the field. Look's best when he play's in the V, and has all the shot's. Played a number of vital innings, particularly against West's and Penrith.

One of the most determined inning's ever seen by **Sam Robson**, batting through the innings against Northern District.

**Rich Nikolovski's** nac to always score runs right when we really need him to. Found his spot batting in the middle order, and had a good season with the gloves taking 13 dismissals.

The "lack" of pace generated by **Stu McKay's** gentle med's made some side's look ordinary. Almost always bowled where his Captain wanted him too. He also made some very useful contributions with the bat.

**Robbie Dooley** at times went for a few, but always bowled with pace and aggression, earning him 13 scalps for the season. By all account's had a reasonable season off the field, was a most worthy recipient of the Bar Turn.

**Dave Ross' & Jim Glenday's** contributions as two of the sides best team men. Both possibly suffered from a lack of opportunity, but always put in when the going was tough.

The most significant highlight of the season (in fact, of the last few) was comprehensively flogging a predictably over confident Bankstown side on their home turf.

Thanks go to all the lad's who played PG's this season, all of whom conducted them selves in a manner reflecting the best tradition's of the UNSWCC, to our tireless scorer Rae Stein, and to the side's regular spectators and supporters.

With the majority of players still eligible for next season, the side will continue to improve on the back of this season's efforts. That elusive PG's flag might be just around the corner.

Hope to see you all next season.

Cheers.

## **A.W.GREEN SHIELD REPORT**

I must admit it was with mixed emotions that I put my hand up to assist in the coaching of the Green Shield team for this season. I had a brief affiliation with the team two years prior and had only recently completed my therapy and psychoanalysis and my doctor warned me that further traumatic experiences could prove fatal. When I enquired as to what the definition of traumatic was, he produced a medical journal depicting the previous UNSWCC Green Shield teams, all in colour and accompanied by a compilation of statistics that only Suey could be proud of.

I needed to enlist the assistance of a technical coach and manager and fortunately Oliver Higgins, who coincidentally is under the care of the same doctor but for another affliction, needed something else to enliven a rather sedate and monastic lifestyle, agreed to sign on for a similar fee as to the one that I had negotiated with a committee that can only be described as "as tight as a fish's arsehole".

A couple of practice games were organised and a couple of nets and the difficult task of picking 12 kids from such a motley bunch was not going to be easy. Olly's theory that they should be in the team if they had a 20 year old sister was quickly dispelled as was my theory that only kids with single mothers should be picked. Already the coaching staff was at logger heads and the season hadn't even started!

Game 1 arrives against Wests and the rest is history. The boys win and win well taking on a team that boasted a 25 strong squad, (not including physios, massage therapists, etc). Ryan Medley takes 5-16 & Sammy Robson 2-42 and the Magpies all out 199. Ryan Medley makes leg spin bowling look easy and thanks his coach back in Dubbo, currently undergoing a 3 month detox program, for his great success. I rate Ryan a 37.4% better bowler than Shane Warne at the same age but not quite as good as I was. We chase with an alacrity rarely seen in junior cricket with Ben Wakim cracking an even 100 and Sammy 22. 5/197 and we are leading the comp!!

Game 2 arrives and the pre match talk by the coaching staff was an outstanding success with every one of the boys listening intently and digesting the pearls of wisdom coming from two of the best grade cricketers running around. With this information safely tucked away into their "brains" the Uni boys proceed to show glimpses of previous Green Shield teams and are flogged unmercifully by Randy Petes. Randwick 4-264 with Ryan Medley deciding that he'll take all the wickets and still only go for 29 off his 12 overs. Ryan's performance puts him at an even higher 41.23% better than Shane Warne rating. Uni then smash their way to 125 with Sam Crichton 49 and Julian Mark 34 the only ones to show much resistance. Luckily for the coaching staff one had to spend half the day protecting the public whilst the other didn't sober up until about 4pm and they managed to miss most of the carnage, either through not physically being there or mentally being there. We are no longer leading the comp!

Game 3 and it's against the Club that shares it's name with the greatest football team ever assembled. The Dragons have first hit and manage to fumble their way to 8/181 (should have been all out 130). Sammy 3-38 and Chris O'Brien 1-8 pick of the bowlers whilst Ryan Medley proves that it is only blood that flows through those veins and makes Shane Warne look like a much better cricketer at the same age. Uni take up the challenge and are cruising then for some reason decide to give the game to Saints. When the rain and lightening finally call a close to the proceedings we find ourselves 0.018 behind on run rate. Julian 45 and Petal Bachmann 32.

Game 4 against Penrith. Uni bats first and amasses a very competitive total of 99. Sammy 37 and Paddy Windred stout resistance at the end on 25\*. They get them 3 down with Sam Crichton 2-24 and Chris O'Brien 1-6. We are now leading the comp from the bottom up!!

Game 5 and the coaching staff are at a crossroads. How can you drop all 12 kids and keep your credibility. After much discussion it is decided not to drop anyone and to pretend that we are actually performing community service work.

Balmain bat first and are all out for 182 when they looked like they could have got 482. Medley back amongst it with 3-16 and Sammy 2-33. Not a bad effort all things considered. Uni bat and are 5-20 and the coaching staff maintain that it could be worse, such as 6-20. Anyway Sam Crichton and Tim Vandergugten decide it's too early to go home and finish off their homework and put on 130. Sam 76 and Tim 60. Paddy Windred throws dummy spit of the century and bat 35 metres to create two new records: First Green Shield player to be cited and first Green Shield player to throw bat over 30 metres. Congrats Pat (he must come from a mixed up family!!)

Uni now two wins (most successful team ever in Uni history) and the chance for two in a row by playing the minnows NDs next game.

Game 6. Uni 139. Julian 48, Sam Crichton 34. ND's 4-140. Paddy 2-17 Sammy 1-12.

Thanks for coming. Well done boys. Great effort. Only rubbed in by the fact that the NDs coach had to drive home and get a copy of the Club song for his team because they had never sung it in three years together!!!! Without doubt our worst performance of the year but luckily this time around the boys knew it and we could sense something special was going to happen next game. How right we were!!

Game 7 versus the heavyweights of the comp, Bankstown. This was a game we were never going to lose and the boys played to their maximum. Everyone contributed on the day and it was a great way to end the season. Uni 216. Sammy 103\* and Petal Bachmann 71. Bankstown 181. Jack Standing 3-34 & Sammy 2-44. We finally proved to our main detractors (ie the coaching staff) what a talented bunch of cricketers we had at our disposal. I won't say much more other than the fact that we beat a team that treated us with disdain and ultimately wore the consequences. I might say that it wasn't just the players that had this pre conceived idea that we were wasting their time: how sweet it was.

Anyway what a great year. Three wins and two games that should have been won. We beat three of the top six teams and these boys will at this stage in time go down as the most successful Green Shield team. Why? Purely and simply the coaching staff. There can be no other reason. Yeah they were talented cricketers and I suppose they were the ones performing on the field but at the end of the day I reckon everything goes back to Olly's inspirational team talks where no punches were pulled and no egos massaged. These kids were told the truth about their performances and they responded. That part is true but in all honesty it was these very talented kids that brought credit to our Club. I would not swap any one of them for any other player from any other Club. Both Olly and myself were extremely proud of their performances.

The stats are below for all to see. Compare these stats to years gone by and you'll see a real team effort. No real individual brilliance but just 12 kids who enjoyed each other's company and finally found pride in the bumble bee cap.

Thanks to O.Higgins for all his hard work. Without him this season would have been a logistical nightmare and his hard hitting summation of the players at the close of play was just what these kids had to hear. It will only put them in good stead when they enter the grade playing arena.

I am not going to single out one player because as I said this was a full on team effort, so well done to each and every one of the team. It's amazing what you can do when everyone is behind each other 100%.

Thanks to the parents for scoring and afternoon tea and thanks to the Club members who found their way down to DP and supported the team. It was very much appreciated.

Olly and myself are deep in negotiations with the committee for next year and rumour has it that unless Suey and Crewers lift their game in PGs, well who knows.

## **UNIVERSITIES WOMEN'S CRICKET CLUB**

The 2004/05 cricket season was undoubtedly a great one. A historic merger occurred between the Sydney University and University of New South Wales Women's Cricket Clubs to form the Universities Women's Cricket Club.

At the conclusion of the 2003/04 season, Sydney University Sport and the University of New South Wales Sports Association came together to discuss the prospect of a combined Universities club. Realising that we could become a strong force as a combined entity, Ann Mitchell from Sydney and Jeff Hargrave from New South Wales proceeded to work out the details. Upon approval and support from both Universities, a joint committee was formed.

Gaining New South Wales and Australian representatives Lisa Sthalekar, Alex and Kate Blackwell allowed our club to build on a solid foundation. Lisa, a Sydney University graduate was appointed coach and first grade captain. Alex and Kate are current students and scholarship holders at the University of New South Wales and Sydney University respectively. Other Sydney University Sport cricket scholarship holders are Sara Hungerford, Tiffany Patrick and Elizabeth Wheatley. Sara Hungerford and Tegan Clarke were selected in the NSW Under-19s squads.

Upon a successful tour of Sri Lanka with the Australian Under-23s squad, she earned her selection in the senior Australian team. She made her debut during the Indian tour in December 2004, making Alex and Kate the first female twins to play for Australia. Congratulations to Lisa, Alex and Kate on their successful campaign against New Zealand in the Rose Bowl Series and most importantly, their contribution to the Australian team in winning the 2005 World Cup.

UWCC entered three teams in first, second and third grade for the 2004/05 season. Our first grade team finished fifth out of eight teams winning, narrowly missing a berth in the semi-finals. Second grade finished fifth out of five and third was placed seventh out of seven. The first grade team performed extremely well with seven wins, and has three players who have scored centuries, Lisa Sthalekar (120 n.o.), Sarah Tsukigawa (108 n.o.) and Kate Blackwell (111), while Rosamond Kember became the first Universities player to claim a hat-trick with her bowling (5 for 16). The second grade team, whilst only having one win, had a number of extremely close losses. Third grade also with one win, had continually improved during the season.

Playing cricket is not the only focus of the UWCC. Throughout the year, there were many fun and interesting social events, including the club's season launch at The Grandstand, dinners and drinks at our club sponsor The Boundary Hotel (including a World Cup celebration party), social BBQs after matches, and great fundraising competitions such as the "Ugly Shirt" training day.

The Universities club would like to acknowledge those who have made this venture possible, especially Sydney University Sport and the University of New South Wales Sports Association, Ann Mitchell, Jeff Hargrave, David Brady, and Nicole Searle. We would like to also thank the Sydney Cricket Association and both universities Men's Club for their support, in particular Darby Quoye, Greg Matthews and Geoff Lawson. Thanks also to Rebecca Lane for her logo design options. Most of all, thank you to all the players for an exciting and wonderful first season.

In the UWCC's first season, over 50 players were registered with our club, ranging from beginners to Australian representatives, including university students, school students, and community members. Entering three grade teams was a great achievement for our new club, and in the near future, we hope to also develop junior or schoolgirls teams. The amalgamation of the Sydney University and the University of New South Wales women's cricket teams will provide female students with the opportunity to play cricket during their university years and beyond.

## **UNIVERSITY OF NEW SOUTH WALES CRICKET TOUR**

### **India April 10<sup>th</sup> to April 23<sup>rd</sup> 2005**

The UNSWCC selected an almost full strength squad for its inaugural tour of India. Three players from the highly successful team that won the SCA Limited Overs Competition and failed by just one wicket to win the two day competition, were not available. Ian Salisbury returned to England for first class duties with Surrey, opening batsman Cade Brown employed as an auditor at Walter Turnbull could not get time off work and wicketkeeper Andrew Neilan, the most successful 'keeper in the SCA for the second year running, was to be married the day after the squad returned and was not given permission by his higher authority to tour.

The squad was captained by Engineering Honours Graduate David Carson.

The team was managed by UNSW Council Member and former Test cricketer Geoff Lawson (author of this summary), the assistant manager was Peter Richardson who is the usual first grade match day manager and coach Warren Smith made up the 16 man party.

The team left Sydney in the morning of 10<sup>th</sup> April landing in Mumbai at 4:30pm local time. They were met by one of the principal organisers, Sachin Bajaj from the World Cricket Academy. Five vehicles then drove them to Pune, a journey of 3 and a half hours.

UNSW has direct connections with the University of Pune. On the 11<sup>th</sup> April the team visited two schools, speaking to students about Australia, UNSW and of course cricket. Coaching clinics were run and a number of UNSW branded cricket bats, t-shirts and baseball caps were handed out to the kids. A lunch was held at the Pride Hotel which featured the awarding of medals and certificates by Geoff Lawson to those students from the region who had excelled in the IAIS (International Assessments for Indian Schools) run by MacMillan Publishing and sponsored by UNSW. The MacMillan organisation of the school visits and the lunch was first class and the media covered the events thoroughly. I did several newspaper interviews and local television.

Late in the afternoon a practice session was held on the Pune Club grounds, the traditional home of cricket in Pune since the British arrived. The team were staying at the accommodation associated with the club.

On Tuesday the 13<sup>th</sup> UNSW played Pune University, an institution of some 400,000 students at the Jawaharlal Nehru Stadium. This stadium is used for one day international cricket matches (Australia played NZ there in December 2003).

An outfield requiring some water but a good batting pitch greeted the players and David Carson (despite some intestinal turbulence) won the toss and batted on a 35 degree day but low humidity. Murray Creed 121 and Mitchell O'Connor 89 put on a substantial opening partnership. Tom Cooper 44 and skipper Carson 33\* topped off the 5-302 in 45 overs. Pune U began well but the run rate blew out and some outstanding fielding by UNSW in particular Daniel Christian who hit the stumps directly 4 times and takes a brilliant catch at cover to finish the innings at 203. The match was competitive and co-operative, just as you would like varsity cricket to be. Eric Zehner 2-31, Dan Christian 2-42 were the best of the bowlers. Presentations were given after the match by former Indian Test captain Chandu Borde and the Vice Chancellor of Pune Uni. A very nice trophy to the winners and a smaller version for each of the players plus the 'garlanding of our players and management by the Pune University officials.

The local papers carried pictures of yesterday's training session and the Pride Hotel presentation. Today I did interviews for three different language papers. This covered the latest India v Pakistan matches, one of which concluded this evening when Pakistan chased India's 315 and got them off the

last ball.

13th April saw a 4am rise for 5am drive back to Mumbai airport. We flew to Chandigarh in the Punjab via Delhi where our plane sat on the tarmac for 40 minutes. We were not allowed off at this stage. Short flight from Delhi to Chandigarh, quick call by the PCA Stadium at Mohali to drop unnecessary gear and then a 6 ½ hour drive to the foothills of the Himalayas. This epic journey of 240 kms includes 120 kms of winding road and an increase in elevation of 5,500 feet. Petrified but enthralled we arrive in the Dalai Lama's resident city in the dark at 9pm to find we need to go another couple of hundred feet straight up to get into the hotel. The players are truly weary and we have a game tomorrow at 9am against the Himachal Pradesh first class state team.

What a sight it was to awaken at 7am to a hot cup of tea and vegemite on naan and the sight of the snow capped peaks stretching all along the northern horizon. The lads just stood and stared at the sight. They were not expecting to see snow on this trip, more like heat and dust in India's hottest month. China is only 150 kms away over the mountains and Pakistan 70 kms west.

We arrived late at the ground as a result of mountain gazing and excessive photography. The Daram Shala Cricket Stadium will become one of the world's great grounds. It has a view to surpass Newlands in Capetown and a playing surface worthy of Lords or the Sydney Cricket Ground. The Dalai Lama's house is visible in the distance on a hill crest from the players area and main grandstand. Mind you the grandstand and surrounds have not been finished just yet. The Pakistan national team had played the Indian Board XI at this venue as a prelude to their current Test and One Day series.

UNSW lost the toss and fielded on a day when they were weary from the previous days journey and still on another time zone would have liked a bit more rest. After a very rusty start against quality opponents they bowled and fielded well to hold them to 5-229 off 45 overs. Once again the fielding was of an international standard. Zehner again 2-32 and Tim Lang 1-17 before he injured his groin were the best. The injury to the leading strike bowler and all rounder of the season was a blow to the Bumblebees in this match and those to follow. Roger Smith our wicketkeeper appears to have broken his index finger so we are down to 10 ½ fit players and it is only game two of the tour. UNSW replied with 143, Murray Creed 30, Tim Lang 30\* with a runner and Tim Cox 29 at number 10. The batsmen were tied down by very good spin bowling as you would expect in India.

During the match I convened a press conference which 12 local journalists attended. They were given the information about UNSW's growing influence in India and the role this cricket tour had in that. Three television channels also did interviews with myself, Warren Smith and David Carson. These included Dordarshan (the local ABC national broadcast equivalent), JAIN TV, and ANI (Asian News International). Highlights of the match were to be played that evening on the local network. The local government authorities presented all of the squad with traditional headwear and scarfs. UNSW branded clothing, bats and training equipment was presented to the local junior players and the player of the match from the Himachal Pradesh team. A UNSW plaque was presented to the HP CA secretary. Once again a wonderfully well organised fixture and Sachin Bajaj had galvanised the press expertly. Sadly we had to depart immediately the match finished so that we could get down the hills before dark. Our next port of call was Jalandar, about 4 hours away. The 120 kms of narrow winding road was no less palpitating on the way down. Most arrived at Jalkandar around 8pm after sampling some local brews by the roadside. The hotel Leo port was excellent.

Next morning we visited the KB bat factory in Jalandar where the players ordered personalised bats and equipment at a fraction of the price of retail in Australia.

By 3pm we were back in Mohali at the Punjab Cricket Association Ground where we were staying in the club accommodation. Warren Smith and I had coaching clinics on that afternoon. The players were given the afternoon off but many elected to help out with the clinics and also have some practice themselves in top class training facilities.

I spoke to three newspapers and one TV station at the clinics where UNSW goods were given to the most promising young players. Bats, caps, T-shirts were delivered. The only problem being that we did not have enough for all the kids present.

On the Saturday 16<sup>th</sup> UNSW played another first class team in the Punjab at the Test venue. India had played Pakistan at the PCA ground in the first Test of the current series.

Once again the Uni boys were rusty early but did a splendid job to hold Punjab to only 189 all out in 45 overs. Dan Christian 4-28, tyro left arm spinner Mitchell Sykes 2-42 bowled well. Unfortunately The Bees started badly and made only 128. However, there was some irregularity with the scoreboard and the last 4 UNSW wickets were thrown away when they thought they were chasing 9 an over when it was actually less than 6 an over. The big scoreboard was some 20 runs behind and this severely influenced the manner of batting. Creed and Christian 22 each and Michael Elliot 21\* made most. Apart from the scoring hiccup the hospitality was once again first class. With 9am starts in the matches due to the heat, breakfast is served in the dressingrooms before play and it was a complete meal with a number of staff to serve it. We shared the dressing room that Test players frequent and it was another special venue for the team.

The match highlights were again covered by local TV news. I did another round of media with four press and two television stations and presented the Punjab captain with a UNSW bat. I presented the President of the PCA who is on the BCCI with a UNSW commemorative plaque.

Sunday 17<sup>th</sup> was a travel day but only after Warren Smith and I did some coaching clinics at 7am with the usual presentation of black and gold gear. The flight was at 3pm but such is security at Indian terminals especially those that began life purely as military airports and are close to the Pakistan border, we had to be there at 1pm for domestic flight.

A problem arose when we were checking the baggage in. Naturally a cricket team has lots of extra gear compared to a normal passenger and the Indian Air staff wanted to charge Rs 40,000 in excess (roughly \$1300AUD). This of course was not in the budget, was not charged getting up to Chandigarh and came as quite a jolt to me. Sachin Bajaj had left Chandigarh the day before to organise the Mumbai end of the trip and I was left to my own devices to solve the problem. Fortunately Sachin had his mobile phone on. One call to him and his chat with the local airline staff and the fee was waived, saving me the production of the credit card and UNSW around \$1300 dollars. ....it's not what you know..... More on excess baggage later.

Once again we stop at Delhi where India are playing Pakistan today but we stay on the plane again. Into central Mumbai at 7:30pm, check into the Cricket Club of India and retire down onto the Brabourne Stadium outfield for a few refreshments in the wicker chairs, served by white suited waiters. Very Raj, very old school British and very relaxing on a warm evening with just enough breeze to make it pleasant.

Monday 18<sup>th</sup> is another high standard match against Mumbai University at the Police Gymkhana ground a few minutes down Marine Drive from the CCI. Mumbai Uni have 150 residential colleges, 26 campuses and a lot of cricketers who want to be in this match. They are quite good. Pitch looks red, dry and doubtful but plays very well indeed, even has a bit of pace in it. Carson loses yet another toss and Mumbai are away to a racing start but as usual UNSW show considerable ticker and work their way back into the game through outstanding fielding and tight bowling. Tim Cox takes 5-30 and has his 6<sup>th</sup> wicket disallowed after a late no-ball call. MU get 216 which is not all that much on a smallish ground with a lightning outfield. James Day, in his first match since badly tearing ankle ligaments before the grade semi-finals opens the batting and looks as though he has never missed a week. Jimmy makes 72, Murray Creed 57, Dan Christian 22, but a late order collapse takes the match to the final over where the bowling hero Cox cover drives his first ball to the boundary for the victory with one ball to spare.

The official party for this match include the convenor for All India Universities Sport, the Vice Chancellor of MU, MU Registrar, the Principal of Rizvi College, the major residential hall of MU, Dr Sheel Nuna from the Department of Foreign Affairs who has been instrumental in organising the university teams, a director of MU. A large trophy is presented to David Carson and numerous speeches are made. All players are introduced and mention the courses they have completed or are undertaking. Felicitation of flowers and we present UNSW bats, shirts and caps. Interview with Sahara TV after the presentation. Times of India, Midday and the Hindu all have reporters at the match.

Tuesday 19<sup>th</sup> April, match versus All India Universities. Our troops are feeling a bit weary by this stage. A couple of injuries plus some illness means we will have a tough match today.

Presentations before and after today's match!. They do like a ceremony. At last Carson wins the toss but after another good start (James Day, Murray Creed opening) we fall away to be 6-90 odd. Young Tom Cooper 89 and younger Mitchell Sykes 68 then play like veterans to get us through to a very respectable 9-248 in 45 overs.

All India Uni's have some quality batsmen and Tim Lang's pace is missed. AIU look like getting the runs easily but the never say die spirit which was evident in the Sydney finals once again serves the Bees well in 38 degree heat. Captain Carson bowls himself and gets 3-46, Zehner takes late wickets and almost wins the game 2-27 and the AIU need 9 from the last pair to win. They get the winning runs on a very close run out in the last over. Great match, good quality fought with toughness and terrific spirit. Good media coverage. As India is represented by players from Delhi, Bangalore, Calcutta, Ahmedabad, Indore and Mumbai the story of the game will be widely disseminated. Good crowd for closing hours of match.

Wonderful trophy again, heartfelt thanks from the Indians for us making the journey and hopes that it will become a regular occurrence. Once again they are wonderful hosts. Food and water always on hand, generous people. They are very keen to tour Australia next season. The UNSW black and Gold gear is much in demand. Plaque presented to the VC of Mumbai who is representing all universities. The Indians do love to beat us at cricket as we are representing all of Australia not simply UNSW!

Wednesday 20<sup>th</sup> sees us back visiting schools. Mumbai Scottish are first on the list, one of the oldest schools in Mumbai at 7:45am. Coaching, presentations, attending school assembly (including singing out of the school song book). Our players really did join in well with all the activities and they should be commended with how they dealt with the cultural, religious and language issues. Cricket of course speaks all languages in India.

The School First XI are presented with UNSW Caps, shirts and a some UNSW branded bats. There is no mistake where we come from and who we represent. We then visit the former school of Sachin Bajaj and do more presentations. David Carson myself and Sachin Bjaj then go to the MacMillans head office at Nariman Point for some photo' opportunities and to meet the staff who have worked so hard. They are all looking forward to getting the IEIS numbers up around the one million mark, very optimistic but with these people nothing is impossible. Presentation to Mr Modi of UNSW autographed bat, caps and t-shirts for all the staff.

Lunch is at the Mumbai Yacht Club and is sponsored by MacMillans. The players are in formal gear for this as we do the medal and certificate presentations for the regional winners of the IAES. This is another well organised and classy function. We do many photographs and autographs for the winners who range from 7 years old to 17. They are wonderfully polite and enthusiastic people. The older students want to know much about UNSW, the courses available, the size of the campus, who are our other Test cricketers etc. In my speeches I mention numerous times that UNSW is the largest in Australia and they are too polite to laugh when I say 40,000 students and Mumbai U has 600,000. The players get a couple of hours to shop and unwind before the team meeting at 7pm.

At 12:20am Peter Richardson and myself find ourselves wending our way to Bombay General Hospital with a suffering Warren Smith. Sachin Bajaj had gotten out of bed and rushed to the CCI then provided his car, driver and himself to make sure we are looked after. Warren is admitted with chest pains but improves a little after an hour or two. At around 3am Peter and I go back to the CCI sure that Warren will be okay. He is put in Intensive Care and is surrounded by many staff. Early next morning we are back with Warren and he has improved a great deal. Professor Goyal (Cardiologist to the President of India) is on the case and assures us that all is well. Warren will need some rest and a couple of more tests before he allowed to leave. As he has several good looking nurses at his bedside and a view over the famous cricket maidans of central Mumbai from his 12<sup>th</sup> floor corner room where at 7am several hundred white clad youths were practicing cricket, we feel he is in some kind of cricket heaven.

Thursday 21<sup>st</sup> is the final fixture against the Cricket Club of India Select XI. As we are staying at the CCI no one is late for the match. For those up early we have breakfast with the "7:15 Club" on the patio of the CCI, a group of former Indian payers who are members of the CCI. Nari Contractor, Raj Singh (President of CCI) and Chandu Borde, Moraji Desai among others. The venue is wonderful, good pitch, and you could almost walk straight from your room to the batting crease. In fact the Australian team did just that back in the 1950's. Only a 30 over match on this very hot day to conclude. UNSW make 9-182. Carson 54, Creed 34, Christian 27 in 11 balls including one huge six over backward square leg which landed 20 rows back in the stands, Cooper 21\*. CCI make a good fist of the chase and for the third match in a row the result goes down to the last ball. CCI need a six, and a catch is taken not far inside the boundary. Sykes 2-29, Carson 2-35 and first year accountancy student Glenn Dobbie 1-21.

The end of tour dinner is at the Taj Mahal Hotel, a classy and fitting end to a rapid but packed tour.

Friday sees Warren Smith out of hospital and frantic bag packing for the flight this evening. We leave the CCI at 2:30 after the lads have been shopping. More press there to see us off. Good coverage this week in some of the major papers of my comments and the matches.

Check-in goes well until the 570kgs of excess baggage is mentioned to me. The bill will be around \$10,000 AUD and I have no idea how to handle it. Once again an airline should expect cricket teams to have more than the 20kg allowed. QANTAS had no problems getting us to India, why is there a problem now? My main concern is to get the guys on the 'plane and worry about the baggage later. Surely Professor Ingelson can pay the excess baggage!!

Fortunately the QANTAS Mumbai manager is familiar with Test cricket and cricketers of the 1980's and we are allowed on the plane. The bill may be following us home.

Brett Lee is catching the same plane home with us and has a chat with the lads about the tour. Some know him from club cricket. A nice touch to end a memorable 12 days abroad.

In summary: The interest and media generated by the tour was considerable. TV and newspaper coverage was excellent considering that India were playing Pakistan at the time. We may have gotten even more space had not that historic series been on. MacMillans organised the school visits and the presentations extremely well. Sachin Bajaj had the travel, food and accommodation planned expertly. He was invaluable with local issues and especially the excess baggage problem in Chandigarh. The clothing for the players and the branded shirts, caps, bats were outstanding.

We were lucky with health and in the right spot to deal with the problems. A physio and/or doctor would have been helpful. Once again Sachin Bajaj was indispensable with getting doctors, physios, and the cardiologist in Bombay. He paid personally for the physio and the doctor we had in to look at Tim Cox who had a virus.

Good, tough cricket, an adventure in another culture and the UNSW reputation spread around.

Pete Richo with our game against Himachal Pradesh in the background, along with the Himalayas. Pete Richo was a driving influence behind our successes this season and, as usual, ran a very successful Indian tour for the boys (with Henry of course).

## WORLD VINTAGE CRICKET CARNIVAL

The (ultimately unpublished) team preview for the Club's 35+ side, entered in the 2005 World Vintage Cricket Carnival, read as follows:

*The University of NSW has a proud tradition of being an "ideas club" and this side should have no trouble continuing its perennial and abjectly unsuccessful quest to translate cricketing theory into practice. A squad that some might accurately describe as one bloke who did play Test cricket and twelve who think they should have, they are likely to hold up the bar in the evenings and lower it on the field. Some in their number can claim impressive CVs, not the least the stubborn lower middle order batsman Geoff "Henry" Lawson, also the taker of 180 Test wickets, and former 1st Grade captain, Jim Dixon. Many of the rest would qualify by birth for the 45+ competition and certainly be far more at home there. Cricket pundits will be keenly watching the reaction of a fairly well balanced and competitive bowling attack to the efforts of an abysmal fielding side, while the batting will be a case of players coming to grips with limited preparation, many years off the field, and the fastest, bounciest wickets they have seen in their life. An interesting time should be guaranteed.*

And so it proved. After various flights to Perth converged, the smiling face and immediate theories of Gallo at the airport were the signal for our respective versions of the "Veterans concept" to begin. The Dixon brothers' concept appeared to be something along the lines of "play as much golf and drink as much piss as humanly possible and fulfil all cricket commitments without compromising them (the golf and drinking) too much". Faultless really, and at the packed opening function at the WACA that night it seemed that they would have a few mates along the way. It also seemed that we might be guilty of forgetting how famous Henry is sometimes and that Joel Garner, who was also playing, must be a very patient man to endure endless references to his height and the size of his chopper wherever he goes.

Our first game was something of a middle-aged cricketer's nirvana, played in perfect conditions on the beautifully set Uni of WA's main ground, with the dressing rooms and pavilion placed right in the middle of a student thoroughfare. It was all too easy to allow your mind, and your gaze, to wander from the play, blissfully unaware that it was to be the exception rather than the rule for our venues for the week.

On the field we were beset by early injuries, a fairly logical conclusion to our decision to pass on a warm up. Tragically for form followers, our beloved Henry was the first to separate muscle from bone, his cry of exasperation, no doubt rooted in the knowledge that he was teeing off at The Cut the next day, echoing all around the ground and sending the bookmakers scurrying. These same bookmakers were strangely unmoved when Gallo managed the same injury a few overs later. Uni of WA, bolstered by a couple of distinctly twentysomething "thirtysomethings", piled up 240 in their 40 overs. Our chase never really threatened it, ultimately finishing at 7/219, a score inflated by a brave late partnership between a rampant Disco and a measured JPC. The legendary John Rogers (hereby called JR) popped in a couple of times to sledge us during the day.

Monday evening was spent in the comfortable surrounds of JR's suburban mansion, with food, drink, ridiculous theories and heated debate in abundance. It could and might have gone on forever, except for the fact that the blue riband golfing event of the tour kicked off with a bus trip at 6.00 the next morning.

Indeed, the next day's golf was up there for highlight of the tour. I rely on hearsay as family duties sent me elsewhere, but the evidence suggests:

The Cut, a championship course designed and recently brought into play by our own Jimmy Wiltshire, and set amongst cliffs overlooking the Indian Ocean, brought our increasingly sleep-deprived and alcohol not-deprived troupe to its collective knees.

Golf over, Henry casually rings up one of WA's richest men to suggest a visit to his utopian property. Confronted with opulence on a grand scale and offered the option to drink wine worth more than most people's cars or smoke a couple of buckets of balls on the private driving range, the Dixons, having only played 36 holes that day, choose the latter.

With hedonism reaching overload, the party bravely pull up stumps in time to return to Perth to attend a Uni of WA Cricket Club do, reuniting and commemorating their 1<sup>st</sup> Grade premiership team of 1975. After being heavily promoted as a significant function it suffered a mysterious late change of venue and ended up being held in the top of a restaurant in the style of any spontaneous night out for a bunch of cricketers, with the attendance significantly bolstered by our own party. Dick Campbell, having been plucked from one of the great days of his life to attend, drank to forget and became ever more savage in his appraisal of the various speakers' as the night wore on.

Our second game was against a local sub-district club, Claremont Nedlands. Inspection of the "sporting" wicket and a disturbingly big overlap in the boundaries of the two grounds to be used for the day promoted a diminished keenness in some of our party and the unanimous hope that the opposition would include nobody who could bowl above slow medium. Sadly this was not the case, although their only real "star" was ex-Shield player Mark Lavender, whose presence immediately sent us trawling through our memories to determine how long ago it was that he was the next big thing in WA cricket.

Their star ponged us around for a while before some order was restored, initially by a ridiculous one handed diving slip catch by Pete Richardson, and later by some tidy spin from Gregggy and Peachie Dixon, the latter hampered by knees which, with each step, made the sound of walking on gravel. Chook Ryan did a hammy to make it three for the week, and your writer strained a side searching for that extra yard of pace, i.e. very slow, plus one yard. They totalled 184 on a minefield.

The Perth boys played it pretty hard and we went down in a close one. A bloke named "Gallo", who looked nothing like Gallo, but a lot like a bloke who works with Gallo, batted No. 3 for us but didn't get going and Marty Palin looked promising before unluckily becoming the only LBW victim of the week – a dodgy one at that and not quite the script. Chook bravely hobbled out to try for a miracle at the end, but we fell 20-odd short when his runner Gav Harris completely ignored his own firmly stated instructions about who would do the calling to run out Chook's partner. JR popped in again to sledge us all after the game.

After bidding farewell to Marty Palin and surveying the walking wounded, it was decided, when some cleansing ales in the night air of Fremantle brought a beautiful clarity to our thinking, that JR should be ordered to don the Bumblebee for the first time in over 25 years for the Friday fixture against Auckland University. How he must have wished he could withdraw his disparaging remarks about his (now) team mates throughout the week.

For the last game, played on a cold day at a greener version of Dave Phillips, the format was to be a sort of extended 20/20, over four alternating 20 over innings. This was a concern for most of the team, who now had difficulty walking from their cars to the dressing room, let alone getting warm, then getting cold, trying to get warm again, then getting cold again. Mercifully our opposition was more like what we expected for the whole week and we were able to hobble through, all except JR who displayed nimble footwork and an enthusiasm the rest of us simply didn't have the energy to muster – until he too pulled a muscle while bowling. Some highlights were 43 from a delicately stepping Henry, 24 not out from a twinkle toed JR, more wickets from Peachie, not bad from a bloke who from the outset of the tour being floated made it clear that he wanted to play as little cricket as possible, and one final ridiculous catch from JPC off the bowling of Pete Richo to bring the week to a close. However doubtless, *the* highlight was the sight of Henry, surely for the first time in his career (as protested by the disbelieving bowler, Chook Ryan), recalling a batsman who had been given out LBW and had carried on like a pork chop about it.

The closing function at the Perth Casino was notable for JPC dominating the dancefloor with his mate's wife, Disco and Gallo successfully setting out to get a photo with the lead singer of the band and guest speaker Barry Richards parking out the one about Joel Garner and Viv Richards having a piss off the Harbour Bridge, with Joel sitting a few feet away. It finished with a Mexican standoff between our table and a table of Kiwis after Gallo loudly challenged them to see who would be the last to leave (out of an initial crowd of 500). With chairs being stacked and cleaners wondering what was going on, the Kiwis finally prevailed when what remained of our table decided to find a bar.

This week was a lot of fun and we will do it again sometime. If you are approaching 35, keep some leave in the kitbag, a bit of cash under the bed and be ready to leave your ego at home.

Some statistics:

- The Dixons played 108 holes of golf and three games of cricket in six days.
- JPC accused all three of our opposition teams of cheating.
- No one enjoyed the flight home.

- Only includes official practice sessions were all club members are invited to participate.
- Includedes certain designated pre-season practice sessions.
- Does not include official practice sessions that have been "rained out" , or that fall on or around public holidays.
- Points for practice attendance are awarded to those who are absent due to representative duties.

Murray Creed reaching an awesome 100 vs St George at Hurstville Oval as we crushed them en route to our 1<sup>st</sup> LO Premiership.

Fittingly it was scored in partnership with Tim Lang (here seen enjoying a "high five" with Murray) as these two were worthy winners of the "Player of the Year" award 2004/05. This is the first year there has been a joint winner of this award but it was impossible to separate these two as far as their individual performances, AND team impacts on our 1<sup>st</sup> Grade success this year, went.

They had some great partnerships with the bat – this one against St George and the one against Mosman being the most memorable and outrightly destructive of their opponents.

## CAREER STATISTICS

The career statistics provided are limited to the details of those players who have achieved designated milestones in runs, wickets or dismissals.

At this stage in our Club's relatively short existence (particularly at a Grade level) these milestones have been set at the below indicated levels. For more comprehensive career statistics please refer to the 1998/99 Annual Report, or for the complete details of every club representative, please refer to the Club's database which is (hopefully by now) contained on the UNSWCC Website.

It should be noted that "milestone" thresholds have not been detailed for the 1<sup>st</sup> Grade one-day statistics or the Womens' career statistics (please also note that the Women's statistics have not been updated from last year due to the unavailability of their statistics for inclusion at the time this Report needed to go to print). This is due to the relatively brief existence of these respective competitions.

The UNSWCC would like to again recognise the enormous amount of work and effort put in by **Greg Livingstone** in compiling and maintaining the career statistics database after many years of neglect by the Club in maintaining these records. Also, thanks to **Darren Sue** (our "Stats Nazi" as Starky likes to call him), and **Peter Maguire** (who assisted Suey in compiling the stats and developed the database to view current season stats on the club's website). The comprehensive stats throughout this report are entirely their efforts. They are performing an invaluable job that the entire Club (past and present) can and will benefit from (certainly has made the Annual Report Editor's job much easier).

Here are a few UNSWCC illuminaries enjoying 1<sup>st</sup> Grade's one day winning performance at Sydney Uni Oval. In fact, the dodgy bloke in the cap was a very helpful batting coach again this year AND compiles our career stats each year (with the help of Darren Sue and Peter Maguire who produced such comprehensive, timely and helpful statistics all season). The only thing missing in the photo is someone normal – ie a fast bowler...but I think I can see Heyso and Jebby in the background so we may be OK.

## CLUB RECORDS

Team and partnership records apply to the years in the Sydney Grade Competition - from and including the season 1973-74. For records prior to the 1972-73 season refer to the 1972-73 Annual Report Municipal and Shires Competition. Performances in teams for which not all club members are eligible (Poidevin-Gray and Intervarsity) are not included - details can be obtained in past annual reports. Records for the Women's teams are still being collated. A minimum of 250 runs or 15 wickets is required to qualify for batting or bowling records. Only the initial record maker is identified for individuals and partnerships in the event of tied records.
