#### THE UK TOURISTS 2001

Back: T Buckett, M Gregg, M Mullen, K Taylor, C Jameson, R Hamman, M Plunkett-Cole, M Mag, T Richardson

Middle: W Saunders, D Dermody, B Nott, P Carson, D Carson, A Langdon, D Christian

Front: J Plunkett-Cole, P Richardson, L Taylor, D Jebb ©, G Lawson, M Elliott, A Lamb, G Robinson

Absent: D Quinlin

Standing (L. to R.): D. Leman (Scorer), A. Wijerante, J. Dixon, B. Handley, S. Campbell, G. Livingstone, P. Tait.  
Seated (L. to R.): M. Jaxxon, G. Lawson, C. Chapman, M. Ray (Captain), N. Penger, J. Robson, C. Hanger.  
Absent: T. Buddin, D. Maagher.

Our last 1<sup>st</sup> Grade Premiership side. Some very dodgy looking blokes but, obviously, a quality outfit. Hopefully the 2001/02 side will emulate them.

## **PRESIDENT'S REPORT**

I am very pleased to report that the Cricket Club's goals for Season 2000/01 were substantially achieved, both on and off the field.

On the field, we finished 6th in the Club Championship and had four out of five grades in the Finals; in fact, we slightly exceeded the specific on-field goals that had been set at the beginning of the season. Only our failure to bring home a premiership flag and First Grade being the side to miss the finals might be seen to have taken the edge off what would have otherwise generated euphoria throughout the Club.

The truth is that "the edge" was taken off our fine on-field performances when the Board of the NSW Cricket Association effectively put a number of clubs under trial throughout the season proper. There was every chance that the substantial time and effort required today to successfully run a Grade Club in Sydney could have been diverted into meetings, submissions and strategy planning sessions that were mandatory to ward off the NSWCA Board's flawed initiative and processes. The logic and process inflicted on our Club (as well as nine others) was breath-taking in its meanness, single-mindedness, superficiality and ill-considered execution. Fortunately, the executive of the Club was not so diverted, and simply lifted its own resolve and energy levels to accommodate this substantial extracurricular workload.

It would be easy to similarly hijack this report by bogging down in a lengthy criticism and reporting of these frustrating, indeed infuriating, events but I will only comment that the Sydney Grade Cricket Competition has a self-imposed problematic future if the existing environment of uncertainty, lack of transparency and honesty that has been created continues and eats away at the very fabric of a number of clubs.

In finishing 18<sup>th</sup>, our First Grade side might find little to celebrate but it is important to note the fine line between ability or performance on the field and success on the competition table. It is no secret that our batting has been thin for a couple of years and was so again this year. At one stage, with the arrival of the talented English Test player Chris Adams, and with Tim Richardson and Dave Carson playing well, things looked quite bright and we were always more than competitive. A freakish injury to Tim Richardson unfortunately knocked the stuffing out of our batting and, consequently, our hopes of a finish in the top half of the competition. We are at a stage where we need just one or two other batsman to shine through and we will then consistently post or chase scores that will give us a shot at the finals. Also, our bowling lacks a top-notch spinner but Dave Carson's development is encouraging – although it would be ideal if he could be allowed to develop as our second spinner rather than having to take on this level of responsibility at this stage.

The performances of Second Grade through to Fifth Grade speaks for itself. Admittedly, one or more premierships were a reasonable expectation, given that 4 teams made the finals and given the quality of those sides. It was probably the comparatively weaker team (on paper at least) that performed the most admirably, under David Quinlin's astute leadership.

PG are starting to look like they can produce the performances that are expected of such a talented group. This turnaround clearly has much to do with the involvement of Kerry "Skull" O'Keefe as

their coach and manager. Very generous thanks must be extended to Skull for his contribution to the PG side and, more generally, to the Club. He also played an important role with the Green Shield side in assisting Peter Hemphill and Matt Plunkett-Cole with the more technical coaching requirements of these up and coming young players. Our congratulations therefore to these three coaches on the way in which they have brought the Green Shield squad through this season. Again, we didn't achieve on-field winning performances in this competition and accordingly suffered in the Club Championship standing. But the Club's approach has always been to concentrate on the development of cricketers at this level and not to put them under the pressures of playing a substantive role in securing a Club Championship for the Club. This philosophical approach may mean that we rarely reach the Club Championship pinnacle but it is our view that it is the coaching and development of these players that is important, not instilling in them the expectations of winning and the associated pressures of Club Championship performance. The SCA seriously needs to rethink the intentions behind this level of Club cricket.

Heartiest congratulations to Rob Stark on joining an elite group of players who have taken 400 wickets for the Club. His style and action speak highly for the virtues of guile, while he has been a legendary character within the Cricket Club and a wonderful clubman. The Club counts itself extremely fortunate to have him as a member. Chris Adams also broke the First Grade batting average record for a season (72.13) and, in doing so, showed us all the talent required to play at the International level (even for England!). Dave Carson's batting and new found bowling form meant that he was a worthy winner of the Player of the Year award.

Glenn Clark and I were honoured with life memberships this year and David Jebb was a very well deserved Clubman of the Year. My personal congratulations to Glen and David. Like Rob Stark, they just don't come any finer as role models and clubmen.

As some of you may be aware, I am about to "pass on the Presidential baton" after 10 years in the role. In more recent years my hands-on involvement has, unfortunately, been limited to throwing some weight behind our battles with the SCA and NSWCA to ensure the securing of our position in the competition. Like those other club men who worked with me in a tightly-knit and focussed group, these have entailed significant personal sacrifices that I have been only too happy to contribute on behalf of such a fine and proud cricket club. When combined with our resolve in similar circumstances in 1997, we have hopefully presented viewpoints with such passion and clarity that future half-baked NSWCA initiatives will be sanity-checked at a sufficiently early stage as to quickly warrant their despatch to the boundary fence, and save Club officials from many Sydney clubs from similar extra-ordinary personal commitment, stress and offensiveness.

As importantly, I have seen many fine examples of leadership and administration within this Club come to the fore during my years as President and it would be remiss of me not to mention Glenn Clark, Jim Dixon, Andrew Jones, Matt Sanders and Christoph Vonwiller in this regard. Jeff Hargraves has done a terrific job as Club Administrator and has been a key factor in the "glue" that magically keeps this Club ticking over so smoothly and without a trace of politics. Jim Plunkett-Cole, as our all-round "Club Manager" and host of Cafes DP and VG, has also been a wonderful more recent addition to the Club an addition that has not coincidentally seen our overall performances improve significantly. We are a Club that is moving in the right direction and will achieve its goal of being the premier club in Sydney Grade cricket in the not too distant future. I will not be the President of the Club at that time but I will continue to proudly witness it at close quarters and feel privileged that I have been able to be so substantially involved, firstly as a player, then as an administrator, and finally as a life-long supporter.

Good luck to everyone for next season and beyond. Best wishes to the UK touring party that will be heading off within a couple of days of the AGM in another fine example of what this Club (and its culture of inclusion, enjoyment and experience) can provide to aspiring cricket talent.

**CHRIS CHAPMAN**

**PRESIDENT**

An enormously successful inaugural UNSWCC Golf Day was held at Bonnie Doon Golf Club (right next door to our DP) on the morning of the last day of the 2001 US Masters. Congratulations must go particularly to Matt Sanders and Jeff Hargrave for their major efforts and sacrifices in organising the event, and to our major sponsor for the day, Excite@home. Also thanks for the invaluable support of the UNSW Sports Association, in particular David Dwyer, Helen Bryson and Lisa Carson.

The Pres and team (top) look much more confident than was warranted and the senior “mafia” team (bottom -Dick Campbell, Greg Livingstone, Peter Jourdain and David Meagher) were never going to win. The event was taken out by the team from Prestige Commercial Interiors with Andrew Jones’ illegal 5 man squad taking out second prize.

## **COACHING REPORT**

The season 2000/2001 was a very productive one, from a coaching point of view. Our goal of a top six finish in the club championship was achieved. We had four sides make the semi finals, our PG side were competitive, and our Green Shield side battled hard.

On the down side was coming up short in the semi finals, with no premierships. Add two chances from last season, and that's not a good strike rate. Maybe we have to start looking at ourselves as players, and ask ourselves, did we work as hard at the end of the season, as we did during the season. Was it enough to make the semi finals then sit back and think my job's done. Evidence suggests we may have to improve in this area, as training attendances dropped away late in the season, even though we had four sides in the semi finals.

Training started back in July at DP before moving onto the VG turf wickets in August. Once again David Heysen looked after the early pre-season fitness squad, with plenty of road runs and sprint work. We again arranged practice matches against St George and Sydney Uni. These games are always a great lead up to the start of the season.

I would also like to thank several people for their help and support over the season. Geoff Lawson was on hand whenever time allowed. Kerry O'Keefe who became PG Coach/Manager was of great benefit to the PG side, and with his assistance at training with the whole club. Jim Dixon as usual was busy at training looking after fielding drills, and taking video footage. Our first grade players who also took fielding and fitness drills and kept everybody busy was appreciated. Peter Hemphill who looked after our young Green Shield side. Peter did an excellent job with his organising of this squad, and looking after them during their matches.

I would like to thank Ray Galway and staff for their help throughout the season. Ray's effort to have the turf practice wickets ready so early, not to mention the VG for trial games, was a great benefit to the club. The standard of the practice wickets were good all season. This helps as player attendance at training is higher, and players have confidence in having a good net.

Overall a season to be proud of, with a significant improvement from last season. We achieved our goal of a top six finish in the club championship. With plenty more hard work next season, we should be pushing for a top three finish in the club championship, and to win some premierships.

**GEOFF MILLIKEN**

**CLUB COACH**

## FIRST GRADE REPORT

The year of 2000-2001 for first grade was building as a promising one. Over the past few seasons a very young side has been given valuable experience in the top grade and on the back of a tremendous year personally from Ian Salisbury the side finished higher in the competition for many a season. We managed to beat teams, which we have struggled against in recent years, and that winning feeling was becoming second nature. Therefore, as I look at the bottom line of our performance this season and see we could only manage eighteenth on the ladder, I feel somewhat disappointed that we have taken a step backwards as a team from last seasons efforts. Although there were mitigating circumstances that affected the team throughout the year, we are better than where we finished.

After setting ourselves to receive the services of Ian Salisbury again this year and finding out late that he had made the England team to tour Pakistan, it left us with a major hole to fill especially in the spin department. The prospects we managed to find to replace him became injured in pre-season and before we knew it the season was upon us and we were left with the dilemma of no full time spinner. Looking back this imbalance hurt the team in a number of games when we would have teams struggling at five down and could not finish off the tail. Having said this, I would like to highlight the performance of **David Carson**. He took it upon himself to improve his bowling to a standard that has added another dimension to his game. He became our fulltime spinner, and was thrown the ball on many occasions throughout the year to break that stubborn partnership or put the brakes on the run rate. This he did very successfully taking two four wicket hauls and finishing the year with 23 wickets @ 25.83. In the field he took 9 catches, which was the highest tally outside Ben Nott our keeper. His presence at the top of our batting lineup was just as important. He came second in the aggregates this year with 569 runs @ 33.47 and was the other half of great opening partnerships on many occasions, which laid sound platforms to build an innings. One innings I would like to highlight was against Western Suburbs. We were asked to follow on after a total of 51 in the first innings and were 6 for 57 in the second. West's were bowling well and it was dark, raining and the wicket lively. Dave stuck to his game plan and showed incredible concentration to keep himself out there and help our youngster Dan Christian hold his nerve. He ended up with 91 not out and we avoided an out right defeat. It was one of the gustiest innings I have seen for a long time. Dave was also bestowed the vice captaincy and provided valuable support and comment to myself throughout the year.

The other half of our opening partnership for most of the year was **Tim Richardson**. "Richo" put his hand up to open this year, and proved he could adapt to that role. He overcame a slow start to the year with a 99 against Campbelltown. From hereon he showed the class bat he is, and put together some match winning partnerships with the top order. It was building for a big finish to the season when unfortunately Richo broke his arm in our game against Bankstown. In retrospect, this was a defining moment for the team as a whole. We lost Richo for the rest of the year, which left a large hole in that opening position which we never covered. This was only Richo's second season in firsts, but I am sure he will be playing at a higher level if he continues to improve the way he has.

We were lucky enough to have the services of **Michael Slater** for 4 matches at the beginning of the season. "Slats" is great for the teams' morale and gives 100% in everything he does. His batting is a mixture of aggression and timing and he constantly puts the opposition under pressure. He scored 240 runs @ 60 and is irreplaceable. We wish him well for the Ashes tour and some of us hope to catch up for a pint.

Henry pulled another rabbit out of his hat, and we managed to gain **Chris "Grizzly" Adams** as our overseas player for the season. Grizzly is captain of Sussex and proved to be a valuable addition to the side. It did not take long for him to adapt to the Village Green's wicket with an unbeaten 109 on

debut for the club against North Sydney. He followed this up with a 100 against Eastern Suburbs and throughout the year scored 98 not out against Fairfield and a 107 not out against Northern Districts in our second innings. It was no accident that the games we won, Grizzly was heavily involved in setting or chasing the runs required. He is a very clean hitter of the ball, and again like Slat puts pressure on the bowlers as he has the ability to hit a good ball to the fence. Grizzly topped the clubs averages and the aggregates with 577 runs @ 72.13 and came second in the averages for the entire first grade competition. His knowledge of the game and new ideas were also a help to me and the team throughout the season. We wish him well for the upcoming season in England, and hope to play some more cricket with him in the future.

**Todd Hoare** was coming off a season that he would rather forget, but I feel he learnt a lot more than he would admit to. In the off season he put a lot of work into his game and his fitness and came out firing. He scored half centuries in both innings against Manly and a 67 against Mosman. The signs were positive that this year would be a big one. Toddy was picked in the State Colts team and was unbeaten in both innings batting well with the tail. He was captain of the PG's side that narrowly missed the semi finals. Priority one next year should be to establish himself as a 600+ runs a year bat in first grade.

After a record-breaking year in second grade last year **Alex Lamb** was in our sights to fit into first grade this year. However it was not until six rounds into the competition did "Lega" make his presence felt. He shared in an unbeaten partnership with Grizzly of 116 runs get us the points against North's. Lack of quality batting practice due to work commitments really took its toll, and the opposition bowling exploited this. Lega is renown for doing freakish things in the field, and he did not let the team down. His fielding is a captain's dream. More often than not he was the only fielder on the leg side in front of square. It is hard finding form in a losing side, and a lot of the time after Christmas, Lega was put under serious pressure just to survive and stop the wickets falling. Hopefully next year there will be less pressure and more enjoyment in scoring those big totals we know he can produce.

**Rowan Hamman** is another one of our young brigade that have had nearly two full seasons in first grade. He is a clean hitter of the ball and has the ability to score quickly. "Roggie" must learn more patience. He got several very good starts this year, but didn't convert these and made only one fifty this year. His innings' against Randwick and Bankstown showed the qualities that will hopefully turn him into an established first grade run getter. The ball is in your court Roggie!

**Ben Nott** is one of the senior members of the team and was back to his familiar role with the keeping duties. After the early season cobwebs were blown away, his glove work and enthusiasm behind the stumps was second to none. He ended the year with 27 catches, 2 stumpings and a run out. "The Ibis" had a year with the bat he would rather forget. In his defense he was put in the hot seat of opening when Richo broke his arm. This was after we had decided to bat him in the middle order to help our younger brigade.

Speaking of young, **Dan Christian** brought with him enough hormones to make us older types feel like granddads. It was Dan's first full year in the top grade, and was a great learning experience. He was selected as a member of the NSW Under 19 team, which competed in Tasmania. As the year progressed, so did Dan's game and I feel the season coming could see him establish himself as the genuine allrounder of the team. His aggression in the field was an added bonus, as he constantly created run out chances or stopped near certain boundaries. The future is bright for the youngster from the southwest.

Our most improved player this year is **Dave Langford-Smith**. "Lanky" proved by the end of the year that not only is he good enough to open the bowling and cause enough havoc to single handedly win games, he is a hard-hitting batsman that can turn games with his quick scoring. Lanky scored 209 runs @ 19.0 and captured 31 wickets @ 26.81 with 2 five-wicket hauls. Self-belief was one of the biggest hurdles Lanky had in front of him. For next season all he has to do is remember the last game in which he took a career best 6 for 89 and knocked over the last 3 batsmen when they only needed 13 runs to win, and anything could happen.

The spearhead of our attack again this year was **Dave Heysen**. His ability to bowl genuinely quick outswingers had the majority of batsmen in all sorts of trouble. He was our leading wicket taker with 32 scalps @ 24.34, which included 2 five-wicket bags. "Harpoon" made a few people take note this year, and with a big follow up year could see himself playing at a higher level. I would like to thank Harpoon for the commitment he made to pre-season training and the variety he brings to the warm-ups through out the season. A job greatly appreciated.

As with every season there are injuries and absentees. A good side relies on a squad of players from which it can pick its first eleven. **Damon Dermody, Sean Bray, Tim Cox, Danny Bhandari, Michael Elliott, Tim Buckett** and **Darren Stephen** all performed well enough in second grade to force there way into the top grade through out the year. Some played more games than others did, but all were put in the tough position of having to perform straight away in an unfamiliar team and at a higher level. One notable performance was by Tim Cox on debut in the last game of the year. He scored 70 batting at number 8 in an innings that proved a match winner.

I felt the best side available each week was chosen, and as always some players may have felt they were hard done by. I only hope this will fuel that fire beneath and spur those on with a greater resolve to wear the "bumblebee" in the top grade.

There are always people behind the scenes that put in countless volunteer hours for a club to have such a successful year. On behalf of first grade, I would like to congratulate the club as a whole for their on field performances last year and thank "Spike" and "Skull" for their coaching throughout the year. I know the first grade side felt disappointed that they could not contribute more towards the club championship table, but it was not through a lack of commitment and trying.

A sincere thank you goes to Chris Chapman, Andrew Jones, Glenn Clarke, Matt Sanders and all who were involved with the submission to the SCA for our continuing existence. Without the dedication and passion they have for this club, the SCA may well have made sure this was our last annual report.

Thanks go to Selby Mitchell and Darren Sue who shared the scoring this year. It is great to not only have scorers, but people who have a genuine passion for the game. An extra thanks to Suey who has kept the statistics up to date through the season.

Peter Richardson was the team manager this year, and did all the small things that make life playing cricket a lot easier. His analysis of the game from the other side of the fence helped immensely. I hope we will see Pete again next year.

Thank you Ray Galway and the ground staff at the Village Green who produced first class playing and training facilities throughout the year.

Thanks go to Jimmy Plunkett-Cole for the catering at Café VG and his very unbiased support. To our small but loyal band of home town supporters (i.e. The "Hoare Hill", Matty and Amy, Sterling, "Bruiser", Jules and Benny, "Snake" and The Adams Family) I am sure next year will give you more opportunity to cheer.

Lastly, to my wife who showed great patience and understanding throughout the year and like many other wives see the cricket season as a brief interruption to their marriage for seven months. Through her somewhat abstract view on cricket, she kept me from brooding too long after a loss. "Remember Waz, it's only a game!" .....Wise words indeed. See you all next season.

## WARREN SAUNDERS

### **1<sup>ST</sup> GRADE vs GORDON**

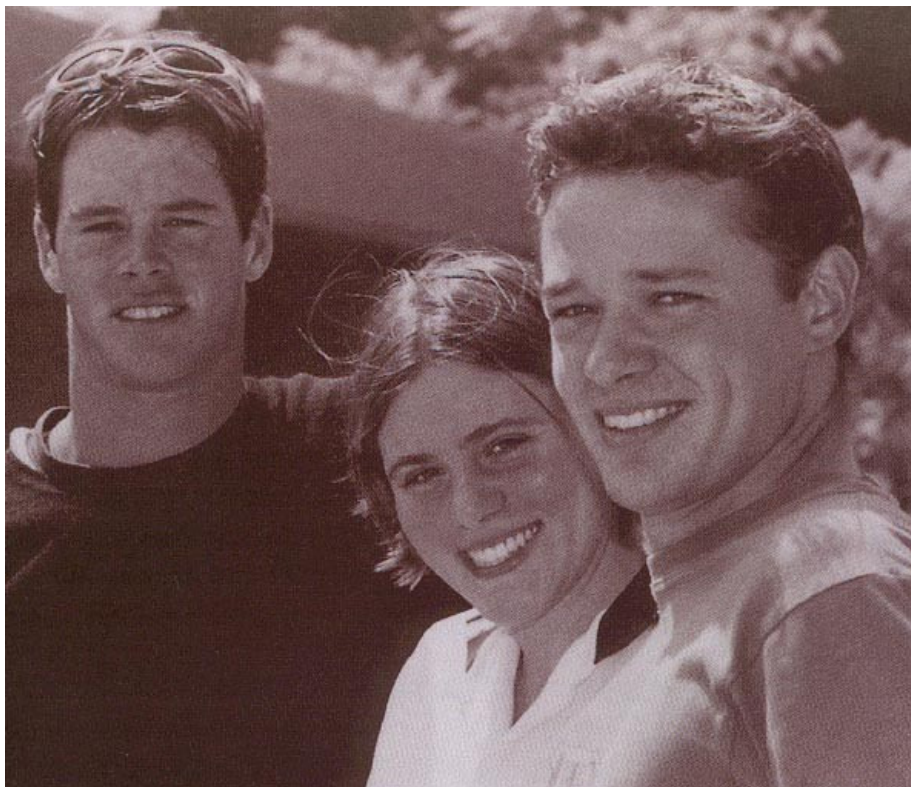

Back: D Langford-Smith, B Nott, D Christian, T Cox, D Dermody, P Richardson (Manager)

Front: R Hamman, D Carson, W Saunders ©, T Hoare, D Heysen, A Lamb

Regulars missing from the photo: C Adams, T Richardson

Langky in full flight at the VG. He had a big year with the ball, generating plenty of pace and good movement away from the bat. Finally hitting his straps.

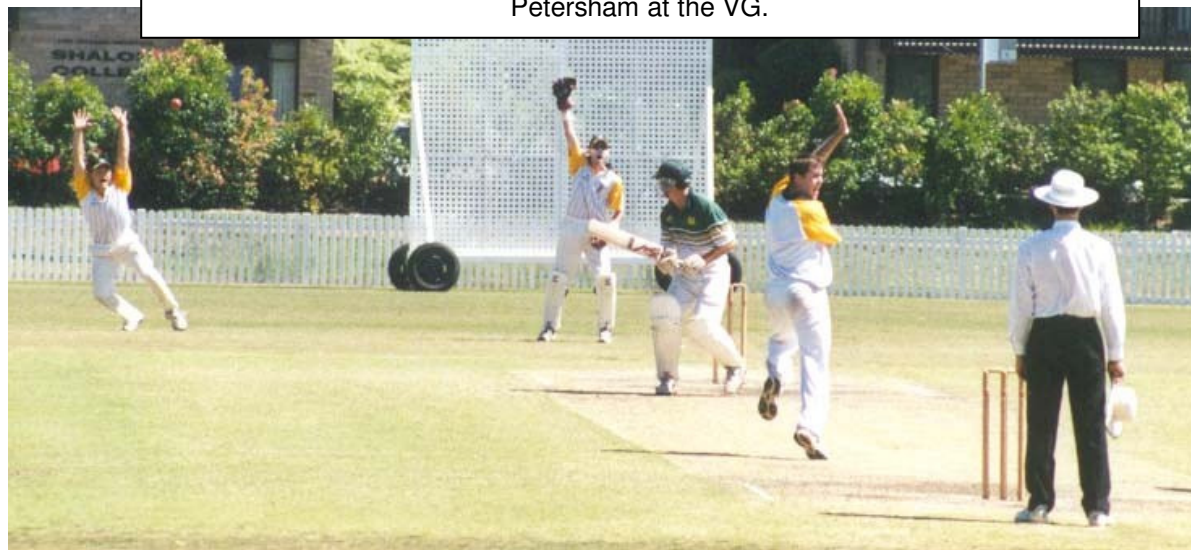

Perhaps this is the photo the women's team should use for recruiting purposes? Two of our Lexcen Scholarship hormones – Dan Christian and Tim Richardson (with another of the Lexcen scholars, who's name escapes me at this point in time).

| <b>Tim Buckett</b>          | 7        | 0        | 0        | 32          | 0\32        | 0          | -          |

Tim Cox picks up a wicket in 2nds at the VG. Coxy managed to get a 1<sup>st</sup> Grade outing in the last round vs Gordon and made a crucial 70 to rescue our innings. Unfortunately illness prevented him from bowling on Day 2 and being on the field for a nail-biting win.

## SECOND GRADE REPORT

Again our 2<sup>nd</sup> Grade unit couldn't get out of the blocks in a hurry. First round we were nearly beaten outright by Manly. Second round we chased a modest total against Sydney Uni in a one-day match, and were beaten easily. As like the season before, this wasn't what we were looking for and it looked like a long road ahead.

After 13 rounds we had turned things around and finished in sixth position. To the credit of the guys everybody dug deep after that slow start. We started to believe in ourselves and started playing some good tough cricket. The Bankstown game was probably the turning point where we won this game outright, and this really gave us a kick along.

We played Randwick in the semi final after finishing sixth. This was a little unlucky as in the last round we were washed out both weekends and sides who were just below us got on and won, thus leap frogging us on the ladder. Unfortunately we lost the semi to Randwick after batting first and starting well, we crashed in a heap. Randwick passed us seven down to win the game fairly easily.

Some of our better performers for the year were Shaker who has an outstanding season with the ball. When Shaker had the ball in his hand you felt confident a wicket was just around the corner. Damo who scored a hundred in the Bankstown game to help set up the outright. Shaun Bray who scored sixty six and took two wickets in the semi final.

Overall a good season making the semi finals, but disappointing not to go further. Our batting let us down too often this season with not enough partnerships to build big scores. Our bowling was of a high standard all season, and this kept us in a winning position in most matches. Hopefully we will learn from our mistakes this season and play harder and smarter next season.

### Graham Meredith

Graham played most of the season in 2<sup>nd</sup> grade, as an opening batsmen. Scored 253 runs at 23.0. After a slow start Graham started to show us the talent he has. Needs to work hard on his footwork in the up coming season to improve his game.

### Danny Bhandari

Danny may have succumbed to the second year blues this season. Wasn't as dominant this season, but it would be hard to top last seasons effort. Scored 265 runs and took seven wickets. Generally got a start but didn't go on with it this season.

### Michael Elliot

Scored 255 runs took nine catches, and bowled an over of nude balls. Once again Michael got plenty of starts, 8 scores between ten and fifty, but didn't go on with it. Gave his wicket away far too often to ordinary balls. His 44 against Fairfield on a wet wicket shows what he can do when he pride's his wicket a bit more.

### Damon Dermody

Had a good season with 319 runs at 31. Scored a brilliant hundred against Bankstown, which helped set up an outright win. Played several games in first grade and his fielding and encouragement on the field is a good example to follow. One area to improve would be to concentrate more to string together several big scores.

#### Hamish Nott

Scored 210 runs at 21 for the season. Wasn't Hamish's best season, started well with a 47 against Manly, but didn't really get going. Missed a few games due to exams and injuries.

#### Darren Stephens

Scored 129 runs at 18 and took 33 wickets at 15. Darren was the standout player in second grade this season. His bowling was of a high standard with all opposition batsmen struggling against him. His batting was also handy with several partnerships in the lower order. Shaker captained the side in my absence, for two wins from two games, but don't play two up with him, 0 from 2 with the coin.

#### Paul Searle

Came into the side in round six as wicketkeeper, after some good performances in the lower grades. Took 23 catches and batted in the middle order and was a solid performance all season.

#### Chris Thomas

Came into the 2<sup>nd</sup> grade in round four after some good performances in the 3<sup>rd</sup> grade. Chris held his position for the rest of the season. Took 12 wickets at 21.0 and averaged 20 with the bat at number 11. A good learning curve for Chris this season and I hope he continues to improve next season.

#### Tim Cox

Tim scored 102 runs and took 13 wickets at 16.6. Unfortunately Tim had a slow start to the season due to a few injuries. Like a good Melbourne cup stayer Coxy was coming home hard late with a six for 55 against Bankstown. A 60 odd in first grade, and 20 odd not out in the 2<sup>nd</sup> grade semi. If he comes out of the barrier trials fit next year, he could be one to watch.

#### Peter Mitchell

Scored 119 runs at 23.8 and took 7 catches behind the stumps. Mav was turned into a makeshift opener and made a good fist of it. Unfortunately Mav had to miss several games with work, and found it hard to practice. Mav played lower grade for the rest of the season.

#### Eric Zehner

17 wickets at 23.0 and 157 runs at 19. Hagar had a solid season with both bat and ball. Worked hard with the ball often having to bowl into the wind which is a tough ask. Batted well at times with a highest of 41 against ND's.

#### Nadeem Abbas

Scored 197 runs and took 7 wickets. Got lost on Manly beach in round one. Nads started in 2<sup>nd</sup> grade after being in the lower grades the season before. Nads acquitted himself well with a top score of 62 against N Syd. Unfortunately Nads was dropped in mid-season and he decided to call it a day.

#### Tim Buckett

Scored 92 runs at 15 and took 10 wickets at 21.0. Tim didn't get as many opportunities this season. But still worked hard with bat and ball, and didn't give an inch to the opposition.

#### Shaun Bray

Started in the 5<sup>th</sup> grade, finished in the 1<sup>st</sup> grade then back to the 2<sup>nd</sup> grade for the semi. A great season for Shaun who was rewarded for good performances. Scored a good 66 in the 2<sup>nd</sup> grade semi, along with two wickets.

#### Mark Mullen

Mullo's had his season cut short after round 4 by a knee injury. This occurred while trying to get a better look at the opposition blonde on the netball court. Sadly missed for the rest of the season with his out swingers and hard hitting.

Others who played at some stage of the season were Sohail Mohideen, Chris Britten, Alex Lamb and Matthew Haywood.

(Left) Mullos acting the 4<sup>th</sup> grade bully at DP North and looking for the short boundary that day towards the Footy Field.

(Right) Action from 2nds at the VG – not sure if Searly is just flicking one on to Tubby but the scene looks to have the potential of a “catch gone missing”. Stay down you blokes.

## THIRD GRADE REPORT

If I had to try to sum the season up before getting into the detail I would have to say that this was a great season for 3s with us just falling short of the mark predominantly (again, in this Club) due to our inability to apply ourselves with the bat when it really matters.

There is no doubt that we had some low performances and that, with the strength of our side, we should have won the premiership. But these really are inconsequential if we can nevertheless ensure that our players are developing and learning about the game and their games...and I think that was the great part of this season. Except for a couple of older "codgers" in the side where it is arguably too late for further development in their games, I believe that the players in 3<sup>rd</sup> grade all learnt a lot from this season and have developed a positive, thoughtful and keen approach to their cricket, particularly to match day situations. There is still (and probably always will be) room for improvement in approaches to preparation for match day (ie training and mental preparation) but even there the players are developing and appreciating what they can do to improve their individual performances as well as their role within the team.

Our highlights were obviously making it to the finals by finishing 3<sup>rd</sup> in the minor premiership. Our best performance was against Randwick where we bowled, fielded and batted superbly to smash a good side that was (as later results proved) emerging as a force in 3<sup>rd</sup> grade. We also played very well against Campbelltown (Qualifying Semi), Easts, Wests, Sutherland, Gordon, North Sydney and Fairfield as well as reasonable outings against Manly, Syd Uni, Northern Districts and Mosman. We had a particularly bad batting day against Bankstown and against Sutherland in the semi, plus an all-round shocker against Balmain (which I would like to add was the game Pratty captained this year).

Each year I harp on about our batting issues right throughout the Club and, unfortunately, I must raise them again in the context of 3<sup>rd</sup> grade's performance this year (but it probably applies to all of the other sides in the Club this year as well). Pratty and Sohail played very well and consistently. But, of the top order, they were the only ones (other than Shaun Bray's "cameos" to average above 30. Chris Britten's contributions in the lower order suggest that he must be given more chances to establish himself in the top 6. Other than those players there is little more that can be said in a complimentary manner about the teams batting. I might add that this is potentially harsh on Crewers who opened the batting all year, had no luck, and played quality innings' against Bankstown, Easts and NDs.

**Mark "Crewers" Leahy** was arguably the biggest contributor to the team this year. As mentioned above, his batting form was only moderate (if unlucky) but his other contributions were substantial. With only the most modest amount of prompting prior to the start of the season, Crewers took on a holistic approach to his game. He spent the required time thinking about what he needed to do to improve his own game and, just as importantly, what the team needed to do to improve our team performances. His contributions and efforts in this regard were a major reason why we were able to overcome our "average" batting and still almost win the competition. From being regarded as an average fieldsman, Crewers worked hard on his slips fielding and dropped only one (hard) catch all year. His technique is now very good and his mental approach to fielding is one fundamental reason he was so successful there. With a little luck (that is owed to him) he will play more of the rest of his career above 3<sup>rd</sup> grade than with us – a loss to 3s but just desert for Crewers.

**Christoph "Beetle" Vonwiller** won the bowling award this year with some fine efforts with the ball and his usual lack of good fortune. Like Crewers, though, his contributions went far beyond that. He may not have applied the same approach as Crewers to his own game but he certainly helped substantially with his ideas and approaches for the team. He and Crewers formed an awesome team in that regard. Beetle is an allrounder and probably underperformed with the bat mainly through lack of opportunity. He started the season well with a crucial innings against Manly and in Rd 3 against Mosman. But things dropped away after that. Beetle can play higher grades but I believe he will only reach his full potential if his practise (both quantity and quality) is improved – something that is not always easy to manage along with a professional career.

**Chris “?” Britten** mainly needs a good nickname developed, a sad indictment on his team mates. Chris has only 3 years of cricket behind him now yet he more than held his own at 3<sup>rd</sup> grade level this year. He is a talented player who will do well at this club. His batting, purely through time in the middle and some guidance from Skull, has come on tremendously. His innings in the Final against quality bowlers and in the context of taking on primary responsibility for rescuing our innings in such an important game and posting a defendable score was arguably the performance of the year in 3<sup>rd</sup> Grade. It was an innings that EVERY batsman in the Club should have been around to watch because it had the hallmarks of batting that are sadly missing in many of our other talented young (and not so young) players. Chris’ wicket-keeping is very good, again, for such an inexperienced keeper. This is an area that requires plenty of work and I am sure Chris has it in him to put that work in and play much higher cricket.

Andrew “Alfie” Langdon is continuing to display the hallmarks of a top quality, “attacking” spinner. Alfie’s variation and ability to deceive batsmen makes him an invaluable asset in any side. He had a very slow start to the year thanks to the HSC and “schoolies” week but he slowly regathered form and played most of the year in 3s. He almost bowled us to a victory vs Sutherland in the semi-final but a wet ball and some tiredness at the end of a long spell (captain’s mistake) meant he just couldn’t quite get us there. Alfie’s batting has potential as does his fielding although both need plenty of work (particularly some “caught & bowled” practise. Alfie can clearly go places as a cricketer – the UK tour might help him develop well – and improving his ability to put some more “work” on the ball will be a key aspect of his development.

Tony “Jatz” Pratt was our all round player of the year, which was not unexpected as he was playing competitively in 1s only 2 seasons ago. For an old man his fielding is still of a quality that test players aspire to and his batting was very, very good throughout the season (although a big score in the semi would have been nice). He was also our main spinner all year and did a great job to tighten things up when required but was also our leading wicket taker. 3<sup>rd</sup> grade clearly benefited this year from having a player of this quality, experience and personality in the side.

Sohail “Sohy” Mohideen (another non-nickname – my preference is “Che”) played way too many games in 3s for a player of his ability. His brief sojourn up to 2s reaped some rewards but he came back to us with the return of injured players and the arrival of “Grizz” Adams in 1s. Sohail contributed much with his batting and fielding (as usual) but was another major contributor in the oft neglected area of putting some thought into your own, and the team’s, game. Always a great player to have in the side – hopefully he’ll one day turn his mind to captaincy as he will undoubtedly make a quality skipper.

Matthew “the Turk” Hayward is back from the Quokka land and fatter than ever – being a simple reason for his prolonged stay in 3s. Again, having a player of this calibre in 3s highlights further the disappointing failure of the 3<sup>rd</sup> Grade side in not bringing home the Flag. The skipper must admit quite publicly that Mathew was substantially under-bowled and that better use of Mathew in this regard may have seen ultimately more successful achievements by the team. Unless Mathew is seeking to live out his cricketing life in the lower grades, 3s are unlikely to see him again for some time. As always it was a pleasure for me (and I am sure the rest of the team) to have him in the side – not only a quality player but a quality team man.

Greg “Groggles” Dennis bowled superbly in the second half of the season. Always seeming to be a little slow to get into the season, Groggles makes it difficult on himself to immediately stake his spot in a higher grade where his abilities should place him. At times he bowled with genuine pace (particularly his final spell against Bankstown where none were comfortable against him – including Kevin Roberts) and he took plenty of crucial wickets for us. Unfortunately his opening spells are not his best and his lack of confidence in using a new ball are limiting his chances to pick up big hauls. His batting is better than the 9, 10 or 11 position he had to fill in such a strong team and his fielding is good, though with room for improvement (his slip fielding form may auger well for a new role as well).

Daniel “Bowry” Bowcock also has an uninspiring and un-UNSWCC like nickname...perhaps explaining his uninspiring batting this year. Picked up (I think) his first grade wicket this year and

can claim that it is a 1<sup>st</sup> Class player (Kevin Roberts doing the right thing by us in a farcical end to a hard fought game against Bankstown). But, unfortunately, Bowie's batting was way down on prior years such that he in fact was dropped to 4s for the finals – one of the hardest decisions I have ever had to make as Bowie has been the single biggest contributor to the 3<sup>rd</sup> grade outfit in the 3 years I have captained them. Bowie may not be around for a while as the UK has beckoned, but hopefully he will join us again if, or when, he returns.

Steve "Tex" Norbury had a disrupted cricket season as he ventured off for what must have been an amazing trek around South America. He played some good innings for 3s this year but his mind was clearly not as focussed on cricket as we are used to seeing from Tex.. Like Bowie, Tex suffered being dropped for the finals but he is a higher grade player and hopefully he'll get back there in the near future.

Mick "Porno" Mag is slowly getting back to the form that saw him doing well in 2s only a couple of seasons ago. As Ashley Mallet observed, Porno has all the attributes that a top line spinner needs – it is simply a matter of regaining some long lost confidence and I am sure Porno will "be back". His new role as Sledge editor may inspire him – I hope so. Porno's batting has the potential to see him holding down a top 6 spot on a regular basis. I believe that is certainly one of the goals he should set himself.

Peter "Pablo" Carson is a bit of a cricketing enigma (did I say that last year as well....and the year before?). Unfortunately he had no luck with the bat early in the season and, combined with his continually inexplicable lack of form with the ball out in the middle, he spent most of the year in 4s. Pablo is a very good player who probably needs closer coaching and specific direction with his cricket in order to get back up the grades. Maybe if he scores a few hundreds he will enable his sides to always post scores that enable him to get a good chance to also have a workout with the ball as well.

Others who turned out for 3s on anywhere between 1 and 3 occasions were Tim Buckett and Hamish Nott (as "cameos" in the finals), Chris Thomas, Marc Poulos, Chris Camarsh, Talaesen Fleming, Shaun Bray, Tim Cox, Paul Searle, Eric Zehner, Mark Mullen, Graeme Meredith and Russell Thomas. Thanks to all of them for the valuable contributions they made to our successful year.

Back: Jim Plunkett Cole (All-round Mgr), Tim Buckett, Matt Hayward, Greg Dennis, Mark Leahy, Chris Vonwiller, Darren Sue (Scorer).

Front: Tony Pratt, Andrew Langdon, Chris Britten, Jim Dixon ©, Sohail Mohideen Hamish

## FOURTH GRADE REPORT

With club strength at an all time high, the Uni 4<sup>th</sup> grade team in 2000-2001 was composed of players with plenty of higher grade experience, or undoubted new talent. After the experience of the previous years finals, and an increase in team strength, the only satisfying goal would be a premiership trophy.

The season began well with a solid and conscientious win against Manly. Our first early challenge came against a Sydney Uni team rolling off a 430 score in the first round. Early caution was blown away as Rusty Thomas ripped through them to achieve the unbelievable figures of 5/9 off 10 combining beautifully with debutante Olly Higgins who took a 5 for behind the pegs. Slips catches were taken, and fielding was of a high standard, Sydney Uni out for 109, life was good, a season looking promising. We were unbeatable destiny ours ..... until the next match against Mosman, where chasing 170 we humbled ourselves to be bowled out for 140.

Suitably chastised we learnt that a thorough approach was necessary each week. We sought to provide Sutho in the next match with their promised woopin', and was well on the way with the best batting display for a couple of years of 330, Searly notching a quality ton with Lager and Mick Mag making great 40's. Rain saved them the next week.

Saun Bray dropped in for the next match in his rampage up the grades, to lead us to a good win against Norths, 50 and 4/19, and an early finish which allowed us to hang around to see Hagar mop up the tail for a tense win in 2's.

The match against Easts proved bizarre for a number of reasons. The picking of Rob Deutsch for the match against his old club, the ensuing verbals and punch as Sludge went around the legs, Deutschy coming over the top, the out of sick bed call to Pete Carson but alas, an outright loss after a first day win, is a sick feeling. Deutschy picked up 9 wickets in two innings to impress, and Jebby scored an amazing 30 ball 59 in the second dig, but ..... we felt so empty after throwing away 6 points. Thus beginning our mid-season hiatus with losses to Fairfield and Randwick either side of Christmas.

The next few rounds were vital and some solid simple play set us back to the winning course. Alfie Langdon got his first fourth grade bag 4/19 followed by a 95 run visit from Mullos, to beat Bankstown.

Swimmer Poulos saved our bacon with a sweet hitting 55 to set a target on one of those stinky sweaty suburban days at Ryde. Carso got us home with some great legspinning at the end of that one dayer, 3/33.

Against Wests, Hackers achieved his first grade ton, taking on two boundary men for consecutive sixes, to lead us to a great total of 288. Mick Mag bowled us home with a squirty wet pill on the second day, for the fine effort of 4/71 in some pretty solid rain.

The end of season Bonanza began with trepidation as ND's served up a wetty. Jebby and Sludge put on 100 for the second wicket as balls spat of a length to set a total of 190 to bowl at. Deutsch and Thomas led the charge to bowl a weak ND's out twice on the second day (on a belter). Deutschy 7 for and some serious fast bowling aggro, and Rusty 5 for while he expired at the end of his third spell. Sandy Chandra made slipping easy as he took a few chances with Junior Waughesque ease.

A hard last match against Gordon, they played well and we were again reminded to be humble. In losing we lost the chance to finish the Minor Premiership on top, fortunate results meant we finished second.

Meeting Parramatta in the first semi, and despite an all star batting line up with the inclusion of Bowie and Tex, a low total of 145 was set for Parra to win. Our bowling response saw the best and worst of Deutschy as he achieved a great 5 for, but along the way gaining the ire of Umpire Towelling, and concerned headshakes from sidelining club stalwarts. Starting the second day at 8/105, Parra did really well to put on 40 for the last wicket and a win, much to the delight of their trusty supporters. A couple of decisions and chances were lost, along with the chance to win the game.

In a dash and bash Tex hit three sixes in his 44\* as we strove to set Parra a second total, we never really had a show, as they won outright well.

Our final match located at the Magical Mosman surrounds, and we were playing in the big time. We chose to set a total, confident in our strong attack. Mosman bowled and fielded tightly to make scoring hard, we achieved 213 in a slow and patient day. Rusty started with some overs reminiscent of his day against Sydney Uni, but was a bit too good for the batters. Sludge had a good bowl, suited to the greasy wicket to pick up a 4 for. Mosman ended 7 /148, in the end we weren't good enough to bowl them out in the reduced overs, I think they were relieved that they 'avoided' the second new ball ... our season finished , but feeling not quite complete.

In all a great season, full of adventure and chat. A great crew, a great mix of youth and experience, patience and enthusiasm, aggression and passivity, lunacy and the rational. Well done to everyone involved It's been a hoot.

Cheers

**Rob McLachlan**

## **FIFTH GRADE REPORT**

The 2000/01 season was an extremely successful one for 5<sup>th</sup> grade. Whilst the ultimate prize of a premiership was to prove illusive, this should in no way detract from the team's outstanding achievement of finishing the season as minor premiers. An achievement of which all members of the 5<sup>th</sup> grade side can feel particularly proud in a competition comprising twenty teams and having lost 2 games from 16 played. What a pity the skipper had a brain explosion in the final, losing his nerve and ignoring even his own council to send the opposition into bat.

One of the most pleasing aspects for me was the team's never say die attitude, commitment to the game plan, self discipline was maintaining their joy and enthusiasm for the game. Whilst the team was always focused on winning at no stage did the pursuit of victory detract from an obligation to honour the game's traditions or the UNSWCC.

Whilst there were several notable examples of the team never say die attitude and focus on the objective of playing tough cricket two outstanding examples were in the games against Manly and Bankstown. Against Manly we commenced day 2 with the opposition 2-95 chasing 150 on a typical DP wicket and thanks to great pressure bowling by Mickey DeBello, Deutschy and Shaun Bray backed up by excellent fielding we won with 20 runs to spare.

Against Bankstown, a team who finished in the top 4, we went into the game with only two recognised batsmen. However a commitment by all to dig in and at least give us a score to bowl at enabled us to scramble our way to 180 and then knock over the opposition for 150. In this game I will always remember Ruch batting for an hour without attempting his obligatory "dirty filthy" slog to grind out 20 as part of the team effort. Then having been repeatedly bounced by one of the young quicks he announced that the next one would go. Needless to say the bowler duly obliged with Ruch trooping off the ground with a nasty gash to the cheek only to later to return swathed in bandages to resume battle.

During the season its fair to say all who played made a significant contribution at some stage to the sides overall performance, and anybody who has been involved with 5<sup>th</sup> grade cricket will know this constitutes a large body of players. One of my main hopes from the season is that all those who participated will take something away from the season that will contribute to them succeeding in higher grades in the seasons ahead.

Below I have provided some comments on the more regular players who contributed to the 5<sup>th</sup> grade season.

### **Dillon Perera**

A left handed opening bat, Dillon was our most consistent batsman throughout the season. Dillon worked hard at his game throughout the season, was a willing learner who game continued to tighten without ever losing his natural flamboyance. Definitely has the talent to succeed in the higher grades if he continues to work hard.

Ian Foster

Ian's early season consistency saw him rewarded with promotion to 4<sup>th</sup> grade. Unfortunately in the later part of the season he found runs hard to come by with the consequential loss of confidence. Was called back into the side for the final where he was called upon to open the batting after not having played for several weeks. In an innings that lasted almost two hours showed great temperament and application. A little susceptible to spin early in his innings his performance in the final would suggest opener may well be his rightful spot and gave every indication that more can be expected from him in the coming season.

Matty Plunkett-Cole

Matty returned to 5's in the latter part of the season, after several seasons in the higher grades, out of form and low on confidence. Despite some early failures in 5's his enthusiasm for the game never wavered and eventually his season turned around to the point where he was the form batsman of the side. Scored a century and made a critical 60 in the semi-final. I can report that his period of rehabilitation in 5's is complete and he is ready to resume playing higher grades.

Greg Leahy

In his first season with the club was one of our most consistent batsmen after being promoted from 6<sup>th</sup> grade in round 5. Possessing a fine temperament, Greg works his way into an innings with an ever increasing expansive game. Needs to eradicate the gully grundle from his game but I fear it is more a function of genetics having watched his brother attempt to perfect this shot for the better part of a decade.

Peter Hemphill

What a team man and clubman. Despite never having a defined roll within the team and enduring a roller coaster journey between 4's, 5's and 6's he always approached each game with total enthusiasm. Scored a great 85 against Easts with this success being thoroughly deserved for the efforts put in. Will continue to improve in the future years.

Brendan McManus

Season was greatly interrupted by study but showed enough during the games he played to suggest he would do well in the coming seasons. Particularly when he realises that all balls that pitch in his half of the wicket do not have to be smashed to the cover boundary. Excellent fieldsman.

Lachlan Taylor

All I can say is what is a bowler who bowls outswing at your pace doing playing 5<sup>th</sup> grade. Was the outstanding bowler in the 5<sup>th</sup> grade competition from what I witnessed. Should ensure that he gets to pre-season practice and sets his sights on making 3<sup>rd</sup> grade from where he can develop his game and realise his full potential.

Stephen "Mickey" Debello

Mickey may have lost a little pace since when we played together in the mid 80's but has lost none of his enthusiasm for the game. Bowled an excellent line and length all season, always gave 100% and provided an excellent example to the younger players on how to play the game. His contributions to the team's success were critical.

#### Gerran Clowes

Bowled some excellent spells throughout the second half of the season, after a late start. Was a revelation has a first slipper, a rare commodity in 5<sup>th</sup> grade and showed real potential as a batsman. Needs to convince himself that he can bat as I believe he has considerable unfulfilled potential in this area of his game.

#### Mark Hadfield

Mark came down to 5's in the later part of the season. Whilst he continued to have difficulty gaining consistency with his bowling technique, he bowled some excellent spells at good pace. Will be rewarded if he continues to work at his game.

#### Robert Stark

The old warhorse continues to be a highly competitive performer whose understanding of his own game and how to work batsman out saw him past 400 grade wickets for the club during the season. His spell of bowling to Elbourne during the semi-final against Sydney Uni was nothing short of outstanding. Many of the higher grade bowlers would learn a lot by watching Starky work a batsman out and bowl to a plan.

Perhaps the scariest thing for me was turning up to Punchbowl Oval this year with Starky and Mickey D in the team. My mind wandered back to 1984/85 when we three were playing against a young hormone by the name Dean Waugh in 3<sup>rd</sup> grade. At times I thought I saw slick Nick Pratten standing over the stumps with Leon Darmody standing in the slips arms folded and Johnny Sackett gracing the covers. Then I looked up and saw Starky pursuing a ball and the reality of the age soon returned.

Mention should also be made of the contributions of Peter Mitchell, Tallison Flemming and Pete Carson's during the finals. What a tough and focused cricketer Tallison is making it hard to believe he does not regularly succeed at the higher grades. And special mention should be made of the outstanding innings played by Sandeep Chandra in the preliminary final, scoring 195 and only just failing to carry his bat throughout the innings.

What sets this club apart from almost all other clubs was again reinforced when Mark Mullen and Matt Hayward made themselves available to play 5<sup>th</sup> grade when unavailable to play higher grades. The way they conducted themselves with total commitment and not the slightest arrogance whilst providing the opportunity for the younger players to play with higher grade players reflects the club spirit and culture.

Finally I would like to thank all those who played 5<sup>th</sup> grade for what was personally an extremely rewarding experience. I can honestly say that I learnt a lot about cricket during the course of the season, the irony of this in what is my 32<sup>nd</sup> and what has proved to be my last season was not lost on me. Perhaps the most pleasing aspect being that every Saturday morning I awoke thoroughly excited by the prospect of playing cricket, even when it meant commuting from Brisbane to do so.

In closing I would like to wish all the 5<sup>th</sup> grade players the best for the future and the UNSWCC as a whole. I will always look fondly upon the club for providing me with the opportunity to play grade cricket and know that I leave the club having taken more than I put in, something I hope to rectify in the future.

David Quinlin

“Quince”

Greggy in action at DP (Clarrie Grimmett style).

Sandeep Chandra smashing one through mid-on during his marathon and magnificent double ton in the 5<sup>th</sup> Grade Qualifying Final vs Svd Uni at DP South.

## **SIXTH GRADE REPORT**

Yet another season was upon us and yet another enjoyable season was complete. This year we encountered the improved Metropolitan cup where we were placed in the stronger division of a 2-tiered competition with the best performing clubs from last year. Amongst the competitors were Sydney University, the defending champions, Maccabi, South Sydney, North Sydney and Randwick where most were from other grade clubs.

Whilst the finals format was not clear at the beginning of the tournament, it was thought that 3 teams from each of the divisions would compete in a semi finals format. This unfortunately means that some of the stronger and deserving sides from the stronger division will miss out in preference to some of the weaker sides from the second tier of the competition. This certainly came to be our foe as a combination of bad weather and close negative results towards the end of the season put paid to our finals aspirations.

This is perhaps a lesson in applying ourselves throughout the season when some of the easier games did not fall our way. Application to the job at hand every game is what will be required in ensuring a finals berth in the stronger competition.

Nevertheless there were a couple of notable performances in 6<sup>th</sup> grade, perhaps testament to the strength of the higher grades this year. Notably, Naveen Chandra has been a stand out scorer for the 6<sup>th</sup> grade. His highest score of 102\* along with 2 other 50's amongst other scores totalled him 347 for the season. Stu Ferguson from the land of rain and whingeing contributed well with the season's highest score of 152\* for an aggregate of 333. Stu also finished with the highest batting average of 47.5 per innings. Ian Ornelas was also a good performer with an aggregate of 226 and an average of 25.

On the bowling department, Mukul Aggrawal was a standout performer taking 25 wickets with an average of 16.5 per wicket. He has been relatively luckless in not being selected as a permanent member of the 5<sup>th</sup> grade. Showing the continuing improvement from last season the ever-keen Mustard (Mark Lucas) bagged 14 wickets for a respectable average of 23.

A special mention is deserved by David Kachor who scored stylish 177 runs at an average of 44 and looks to be a future talent with application. He also took 8 wickets at an average of 22 including a best of 5/33. Stu Ferguson also chipped in with 9 wickets at 21 a piece.

This year could potentially mark the end of an era as a stalwart of the 6<sup>th</sup> grade Andrew Jones is likely to be missing next season. On behalf of the club and all the players, I'd like to thank him for his contribution to the side over the years. I'd also like to wish him all the best in his endeavours at Stanford and his budding young management career after the MBA.

## **7TH GRADE REPORT**

### **2000/01 BOONIES REPORT - AYER'S ROCK OR BUST**

“....A man stands over the abyss, and it is only then that he finds his true character.....”

(Ricky Ponting – Bourbon and Beefsteak Bar, 1998)

For the Uni Boonies, the season 2000/01 brought with it some fairly wholesale changes. A new skipper, a vastly different squad and some new batting gloves were just a few of the alterations to the side of the previous two years. At the end of the season perhaps the most noticeable change was the fact that, for the first time in history, the side did not make the semi-finals. But to focus on this observation alone would be to ignore the textures and subtle nuances of another fantastic season for the world's favourite cricket team. Once again the Boonies showed that cricket isn't about scoring runs and taking wickets, it's about digging in and doing the hard yards using only limited abilities and sub-standard technique.

Captaining the Boonies for the first time this season was Big Toddy Payne (hereafter “BTP”). When you've lost a few players and are down on your luck, BTP's the type of guy you want out in front. Faced with a squad lacking past Boonie greats such as Matty Roberts, Damien Taylor, Will Keen and Mick Conn, BTP assembled a bunch of guys who made up for in spirit what they lacked in class. His leadership, patience and perseverance through the season are to be commended. Even more remarkable was the way he lead with the new ball. The figures speak for themselves – 32 wickets at 13.72 with best figures of 7/28. BTP has now taken 116 wickets for the Boonies in three seasons.

Leading the way with the bat this year were Tim “Sippa” Davis and Jock Haynes. These two bolstered a depleted middle order and held together many Boonie innings during the season. Jock compiled 213 runs at 35.5 while Sippa bagged 247 at 22.5.

Mention should also be made of one of the true characters of the game and Boonie stalwart, Conrad Strahorn. Despite only five appearances in the terry towelling this year, Rookie again delivered with the bat and the ball. 118 runs at 23.6 and 11 wickets at 15.2 indicate something of the skill of the man. A further telling statistic is the number of catches he dropped in slips. Conrad has now dropped a total of seven slips catches for the club, taking a grand total of none in the process. Future captains of the Boonies would be well advised never to place him in the cordon, no matter how unfit he claims to be.

A further exciting aspect of the Boonies' season 2000/01 was the inaugural selection of one of our number for the NSW side. At the start of the season Dan Horsley was an injured Western Suburbs first grader who had constantly been overlooked by the state selectors. Enter the Boonies. After one appearance in the Boonies slips cordon, where he filled in for a hungover Jock Haynes, Danno was elevated to first class cricket. Congratulations go not only to him but to the Boonies selectors for showing foresight seemingly lacking in the upper echelons of the game. Current club first graders take note – if you think you are being shafted by John Benaud and the boys, maybe your playing in the wrong grade.

Congratulations must also go to Jim Dixon, who was this year's inductee into the Uni Boonies Hall of Fame, where he joins last season's inaugural member, Michael Slater. It is not possible to sufficiently describe the contribution the King (aka “Disco”) has made to the cricket club, the rugby

club, the Boonies and the Australian way of life in general over the last 60 years. Our thanks and applause go out to him.

Finally, to the most impressive part of the Boonies year. New players. The phrase "rebuilding year" is perhaps too often used in the world of sport, but no other cliché is more applicable in this situation. In such a time new blood is crucial. This year we saw the likes of Steve Foster, Barney Miller, Craig Kendall, Billy Bloodnut and Marcus Carmont break through and impress for the Boonies. It is even more encouraging to see the leadership aspirations from among these ranks. With further selective recruitment over the rugby/off season, the future of the Boonies is as solid as the great man himself.

## **POIDEVIN GRAY SHIELD REPORT**

This years Poidevin Gray results were a combination of some exceptional performances, bad luck and player unavailability. You may recognize that I have opted to leave out bad performances. This is not an oversight on my behalf. I acknowledge that there were individual performances and seasons that certainly didn't live up to expectations. However I am quite certain that in 2 of the 3 games that we lost, given the players available against Campbelltown and the state of the pitch versus Penrith, realistically, there was nothing that could have been done to stave off defeat. In the other loss against Parramatta, the blame can quite rightfully be pointed at the captain.

The addition of Kerry O'keefe as coach/manager/drinking buddy served to not only improve our individual grasp on the finer points of this most technical game but to also open our eyes to the outrageously exorbitant price of a schooner at the Palace! Those backing up next year will have the benefit of another year under his guidance and they will do well to heed his advice and utilize his wealth of experience and knowledge.

There was a number of standout performances this year but none more so than Tubby's 114\* at the home of cricket against St. George. I remember at the time that I was finding it quite difficult to hit the ball off the square and decided that for me to maintain my reputation as a free-flowing stroke player of considerable power, I had to exit and take an early shower. As if stunned by my lack of willingness to take center stage, the Bell-End preceded to tear the opposition to shreds. They put a man on the long-on boundary. Mick decided to take him on and twice hit the ball into Shalom without the fielder having to move an inch. Skull was shaking and his scorebook entries were abysmal to say the least (perhaps he was too busy taking the piss out of a rather arrogant, overconfident and annoying opposition scorer).

Other notable performances were those of Dan Christian and Graeme Meredith.

Dan Christian once again performed the role of strike bowler and chipped in with some very good innings.

Undoubtedly the side's biggest acquisition was the med student from Gulgong. His bowling was the team's biggest asset. Not only was he a wicket taker but he was unerring in his line and length, as his economy rate will testify. He will be a big plus for the side next year. It is still a mystery to me that he does not bowl more in the grade games that he plays as he has the ability to develop into a quality all-rounder of first grade standard.

The club's spin options are looking decidedly healthy with Alphie Plankton (Andrew Langdon) and 17-year-old Nick Janzen both performing exceptionally well this year. Under the guidance of Skull next year, both should continue to improve and develop as spinning options for the higher grades next year.

With a number of seasoned PG veterans hanging up there boots next year, it will be a good opportunity for a few of the younger guys to step up and take the reins. I am going to stop shot of making any bold predictions about next year's performances as this inevitably leads to overly high expectations that can only lead to disappointment.

However I wish all the boys the best of luck for next year and thank all my teammates for supporting me (sometimes!) and providing me with an endless source of amusement both on and off the field.

Finally, one last thank-you to all those who came down to support us during the year. I will stop short of naming you all for fear of missing someone out but you all know who you are. Your support and encouragement were greatly appreciated.

## **A.W.GREEN SHIELD REPORT**

The 2000-01 season proved unfruitful in terms of wins for the club's under 16 team, but it provided what has the potential to be a strong team for next year. A range of talented players were introduced to the UNSW scene and hopefully their future involvement with the club is ensured.

For a young cricketer Green Shield cricket can come as a shock to the system. Suddenly they are playing blokes that can bowl like the proverbial Brett Lee, and all the opposition batsmen seem to have forearms the size of Arnie's. The spirit of the boys needs to be commended and they should feel unlucky not to have picked up a win or two. In particular, the game against Fairfield showed their tenacity and summed up a season where crucial phases of games went the oppositions way.

Robbie Dooley was the outstanding player of the season (and was rightfully awarded AW Green Shield player of the year). He took 11 wickets at an average of 16.9 and scored 119 runs at 30. He bowled with some serious pace and has the potential to have a lot of batsmen over the years crapping themselves (if his dodgy back holds up). His batting showed his determination to always be involved in the game, although his running between the wickets was sometimes a little optimistic of the pace of some of his batting partners.

Other notable performances included the batting and captaincy of Daniel Tartak. His return to the team following a serious eye injury proved to be entertaining to say the least. His display of driving on the up, and controlled lofted shots at Penrith was the best I saw all year (in any grade). And he should feel really pissed off to be caught on the boundary by a TOTAL miracle catch for a score of 93. The ball was going one bounce into the fence and the Penrith boundary rider (ie. the little joker), caught the ball one handed, two foot over his head, with his eyes closed. Daniel's captaincy was also excellent in a losing team.

The young brigade deserve a mention. This group of guys, who will hopefully return for next year, all have the potential to be good cricketers. Greg Elliot again looked good with the bat (a little more focus will help), and has the ability to bowl rapidly and dangerously. Andrew Plummer bowled some good, quick spells and has a lot of natural talent at wielding his blade. Bruce Purcell looked the goods with the ball in hand. His offies made me feel nostalgic for the days when I too had potential. Hopefully he listens to Kerry O'Keefe and keeps getting them right. Alex Braid is a hugely talented athlete. His batting will be much the better for the experience of Green Shield, and his keeping and fielding were fantastic. David Maxwell, with his I don't want to look like I'm trying too hard style, showed some really clean hitting and the ability to get wickets. He performed a Jonty Rhodes like runout against Petersham that highlighted his skills.

All the guys in the team showed they have the ability to play the game. Hopefully, the ones who are eligible return for next year, and the others stay attached to the club for the long haul. Thanks must go to MPC and Kerry O'Keefe for putting in a lot of time over the season (as well as to the raft of jokers who made cameos - Toddie, Shaker, Greg's brother, The Strator...). Also to the parents for supporting the boys, providing morning tea (as well as useful advice), and for scoring (especially Barry Ross and Tony Dooley).

Signing Off

The view from DP South back to the UNSW campus – looks like it is just across the road.

## **LADIES' TEAM REPORT**

Season 2000/2001 was a very rewarding one for the UNSW Womens team. After a slow start and only winning 2 of our first 8 games, however after reassessing our goals the team came back to win all of the remaining 12 games to finish second on the table. In the process we broke numerous Fourth Grade and Club records with a number of our Players winning Association awards (including G.Connolly being awarded both Player of the Year (4th Grade) and Best and Fairest (Across all Grades)

With so many Victories it is hard to choose a single highlight. However beating Macquarie Uni for the first time in four years and then repeating the effort two weeks later was something that the whole team enjoyed thoroughly. The team all also remember fondly the great support we had on numerous occasions throughout the season. Particularly our "Fluffers" and "Drinks" Men, who despite often bringing the wrong type of refreshment onto the ground ( Beer), kept us entertained and many opposition teams on edge.

Unfortunately we did not succeed in our ultimate goal of winning the competition, but given the team building and spirit shown this year, we can look forward to Season 2001/2002 with confidence and support.

## **2001 UK TOUR RESULTS**

### **1 July, Leeds, Yorkshire:**

UNSWCC 235 (T Richardson 117, R Hamman 33, D Jebb 24) vs Hall Park Invitational XI 8-239 (M Gregg 3/50).

UNSWCC 187 (C Jameson 97, M Mullen 26) vs Cookridge C.C. 75 (L Taylor 3/5, M Mullen 3/15)

### **2 July, Huddersfield, Yorkshire:**

UNSWCC 188 (R Hamman 71 n.o., B Nott 35) vs Lascelles Hall C.C. Select XI 138 (T Buckett 4/22, W Saunders 2/13, D Christian 2/35)

### **3 July, Leeds, Yorkshire**

UNSWCC 174 (M Elliott 99, M Mag 23) vs Calverley C.C. 5/176 (M Gregg 2/18)

### **4 July, Castleford, Yorkshire**

UNSWCC 164 (D Christian 49, M Mullen 28) vs MCC 3/165 (D Christian 2/47, G Lawson 1/18)

### **6 July, Sutton Coldfield, Birmingham**

UNSWCC 9/234 (T Cox 62, D Jebb 55, B Nott 40) vs Sutton Coldfield C.C. 9/199 (L Taylor 3/44, M Mag 2/34)

### **8 July, Stratford-Upon-Avon, Warwickshire**

UNSWCC 245 ( M Elliott 64, R Hamman 58, W Saunders 30, T Buckett 27) vs Warwickshire Pilgrims 237 (T Buckett 3/49, D Carson 3/52, D Christian 2/27)

### **9 July, Kings Heath, Birmingham**

Kings Heath C.C. 4/256 vs UNSWCC 185 (L Taylor 35, T Richardson 32, P Carson 22, D Jebb 22, C Jameson 21)

### **11 July, Haywards Heath, Sussex:**

Sussex League U25 Invitation XI 5/257 (L. Taylor 3/62) vs UNSWCC 4/256 (T Richardson 94, B Nott 83, R Hamman 44 n.o.)

### **12 July, Arundel, Sussex:**

UNSWCC 218 (B. Nott 76, D. Jebb 45, M. Mag 39) vs Arundel C.C. 123 (M. Mag 2/10, C Jameson 2/21).

### **13 July, Evercreech, Somerset**

UNSWCC 3/129 (A Lamb 44 n.o., D Christian 33, P Carson 22) vs Evercreech C.C. - rain stopped play after 29 overs.

### **15 July, Hambledon, Hampshire:**

UNSWCC 222 (D Jebb 75, B Nott 62, R Hamman 35) vs Hambledon C.C. 150 (D Carson 35, M Mag 3/16, A Langdon 3/20, P Carson 3/21)

### **16 July, Bickley, London:**

Bickley Park C.C. 128 (M Elliott 3/20, W Saunders 3/33) vs UNSWCC 116 (R. Hamman 32, B Nott 31, J Dawes 3/42)

### **17 July, Bickley, London**

Bickley Park C.C. 3/104 (G Robinson 2/18) vs UNSWCC - rain stopped play after 38 overs

### **18 July, Wimbledon, London:**

UNSWCC 7/181 (D Carson 59, M Elliott 34, B Nott 30) vs Wimbledon C.C. 6/108 (J Horley 22 n.o., T Buckett 3/24, W Saunders 2/11) - rain stopped play after 25 overs.

### **23 July, Spencer C. C., London**

UNSWCC 2/191 (T Richardson 88, R Hamman 60 n.o., P Richardson 18) vs Spencer C.C. 9/187 (W Saunders 3/19, D Christian 3/44)

### **24 July, Halverstown, County Kildare, Ireland**

UNSWCC 8/181 ( M Mullen 46, J Plunkett-Cole 40, C Jameson 33) vs Halverstown C.C. 102 (M Elliott 3/20, P Carson 2/3, J Plunkett-Cole 2/11, K Taylor 2/26)

### **25 July, Clontarf , Dublin, Ireland**

UNSWCC 2/225 (R Hamman 109 n.o., T Richardson 72, M Elliott 25) vs Clontarf C.C. 9/224 (W Saunders 3/34, T Buckett 2/19, D Christian 2/62)

### **26 July, Pembroke, Dublin, Ireland**

Pembroke C.C. 7/220 (W Saunders 2/32, P Carson 2/64) vs UNSWCC 8/215 (D Christian 62, C Jameson 36, M Elliott 25)

## CAREER STATISTICS

The career statistics provided are limited to the details of those players who have achieved designated milestones in runs, wickets or dismissals.

At this stage in our Club's relatively short existence (particularly at a Grade level) these milestones have been set at the below indicated levels. For more comprehensive career statistics please refer to the 1998/99 Annual Report, or for the complete details of every club representative, please refer to the Club's database which is (hopefully by now) contained on the UNSWCC Website.

It should be noted that "milestone" thresholds have not been detailed for the 1<sup>st</sup> Grade one-day statistics or the Womens' career statistics. This is due to the relatively brief existence of these respective competitions.

The UNSWCC would also like to recognise the enormous amount of work and effort put in by Greg Livingstone in compiling and maintaining the career statistics database after many years of neglect by the Club in maintaining these records.

A bunch of rowdy UNSWCC tourists are disturbing the peaceful enjoyment of a Michael Slater gem of an innings by the sober spectators at Edgbaston – this innings arguably set the tone for Australia's comprehensive 4-1 Series win but, for some reason, could not see him maintain his place in the side by the time the 5<sup>th</sup> and final Test came around. The drunks look resplendent in full tour kit (minus shirts) and made a visible focal point particularly during Slats' innings.

The old (or mad) dog, Robert Stark, joined the 400 club this season. Here we see him at DP, rugged up like the geriatric he now is, and in his rightful role scoring.

Rob's career with the Club has been enormously successful as his wicket taking record attests, and he has been an outstanding clubman serving as an inspiration for players around him with his "winning" attitude and his cricket nous.

Rob now has 4 wickets in all grades and seeks to add to that tally as captain of 5ths next year. Perhaps he will surpass Greg Robinson as the Club's leading wicket taker – but never fear, if he does go past Robbo, you will definitely hear about it.

A Club Legend.

## CLUB RECORDS

Team and partnership records apply to the years in the Sydney Grade Competition - from and including the season 1973-74. For records prior to the 1972-73 season refer to the 1972-73 Annual Report Municipal and Shires Competition. Performances in teams for which not all club members are eligible (Poidevin-Gray and Intervarsity) are not included - details can be obtained in past annual reports. Records for the Women's teams are still being collated. A minimum of 250 runs or 15 wickets is required to qualify for batting or bowling records. Only the initial record maker is identified for individuals and partnerships in the event of tied records.

### INDIVIDUAL GRADE RECORDS
